Where everybody is somebody...

June 2011

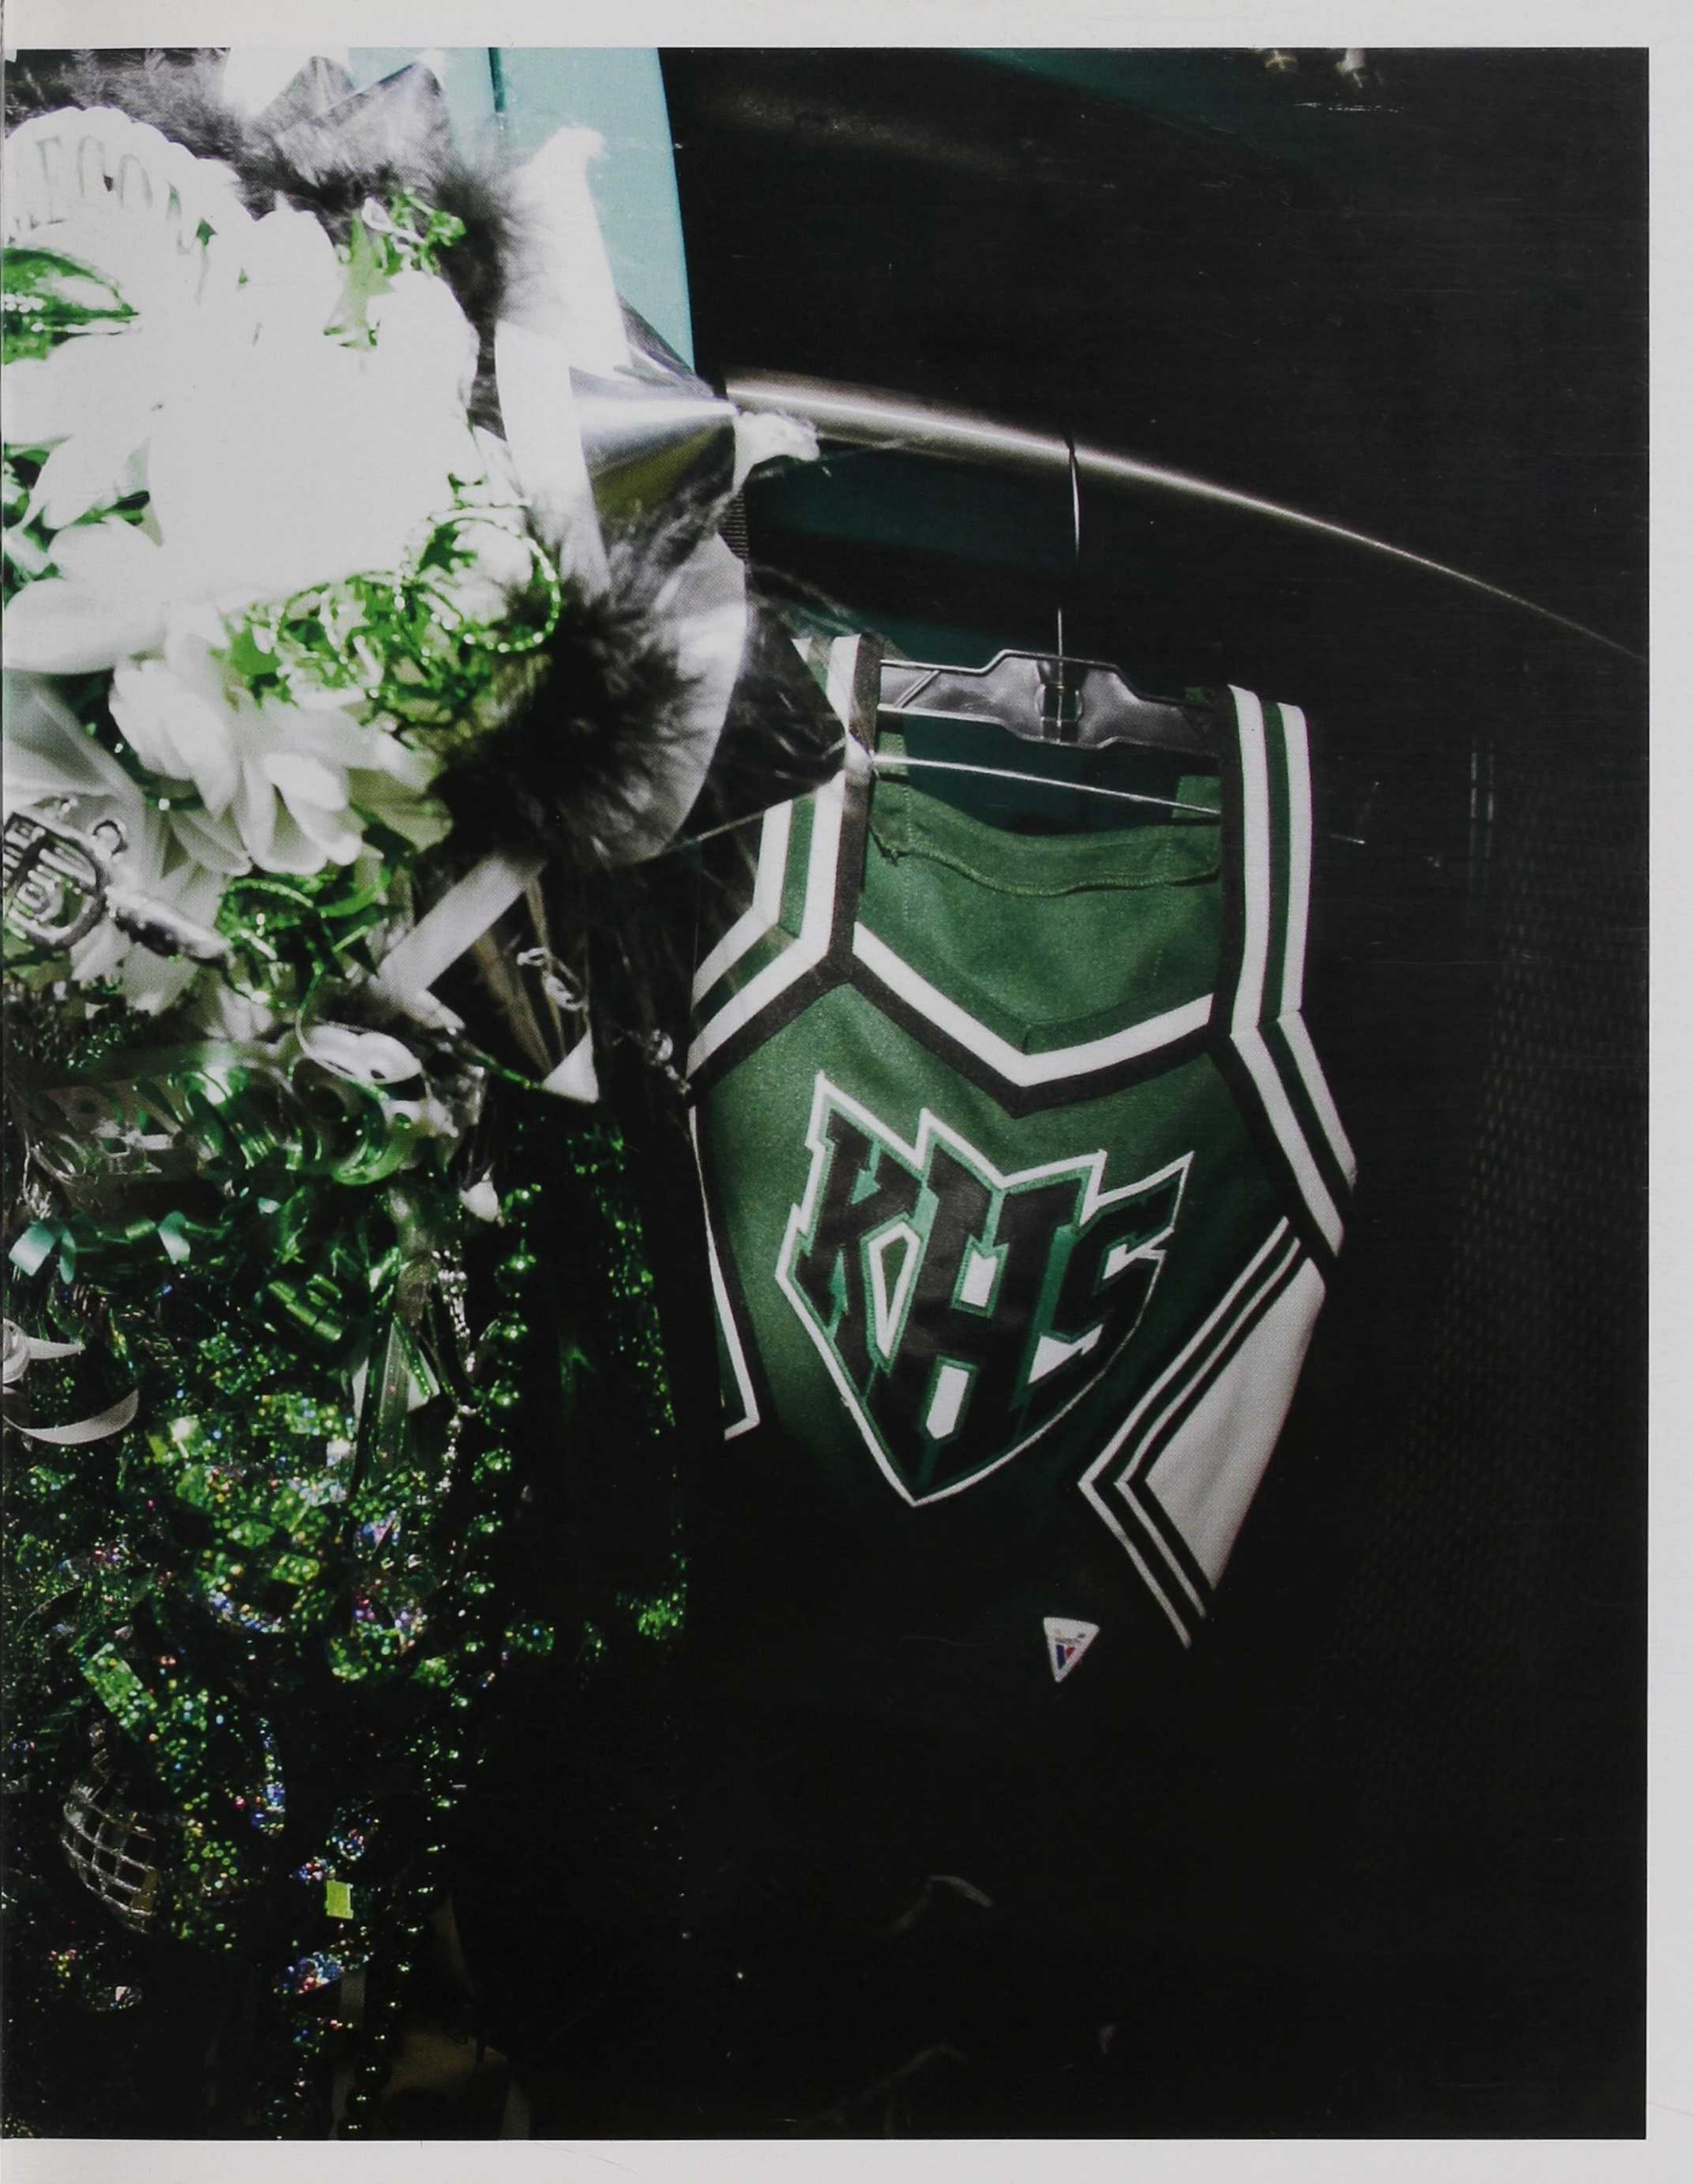

Looking back, 2010~2011 was full of ups and downs, ins and outs, backwards and forwards, but through it all, KHS provided a warm and welcoming place for all students. It was a memorable year; a year of firsts. We rolled out the red carpet for **TWO** new assistant principals, a whole host of new teachers, and an awesome new parking lot guy. "Good Morning Texas" featured Kennedale and one of our inspiring pep rallies on their highly rated program. Also, our football team was highlighted on Fox 4's "You Click the Game" contest. Our school became more involved than ever in the global community, sponsoring tsunami, earthquake and tornado relief drives. We cheered when the Rangers went to World Series for the first time in their 40-year franchise. We booed when the Cowboys failed to make it to the Super Bowl in their own new Stadium (but we did get our prom there :). For those who watch hockey, they booed when the Stars didn't make play-offs. But never fear, the cheering resumed when the Mavericks reached the NBA Championship Finals to play the heinous Miami Heat. Gas prices rose to the highest they've ever been, the Middle East was swept up in revolutions, but perhaps most unsettling of all, Donald Trump considered running for president. Although this was a year filled with noteworthy events, what all Kennedale High School students will remember most is the school that taught us more than arithmetic and English; it taught us how to be ourselves.

KENNEDALE HIGH

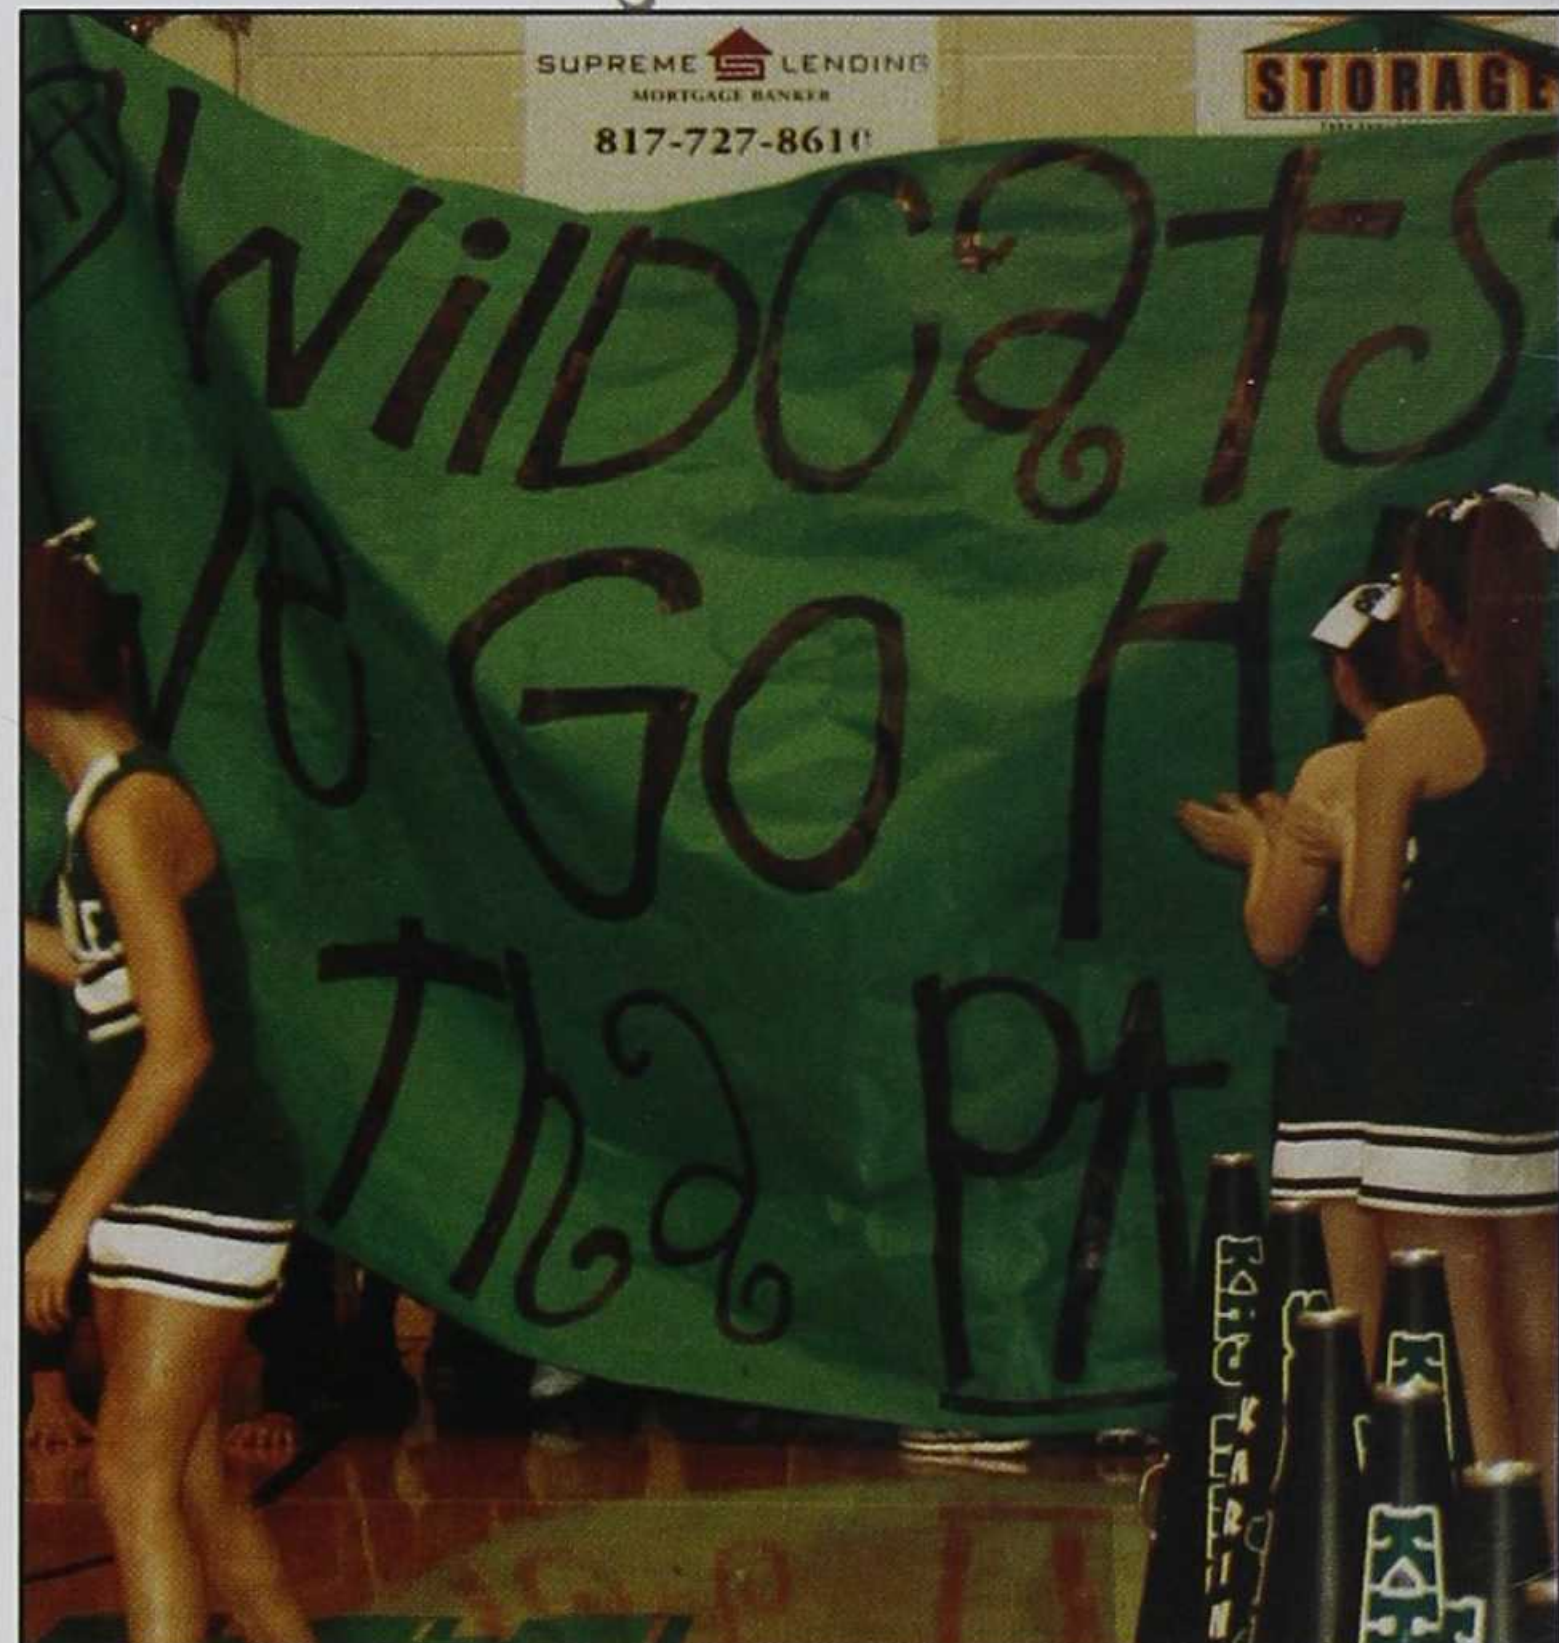

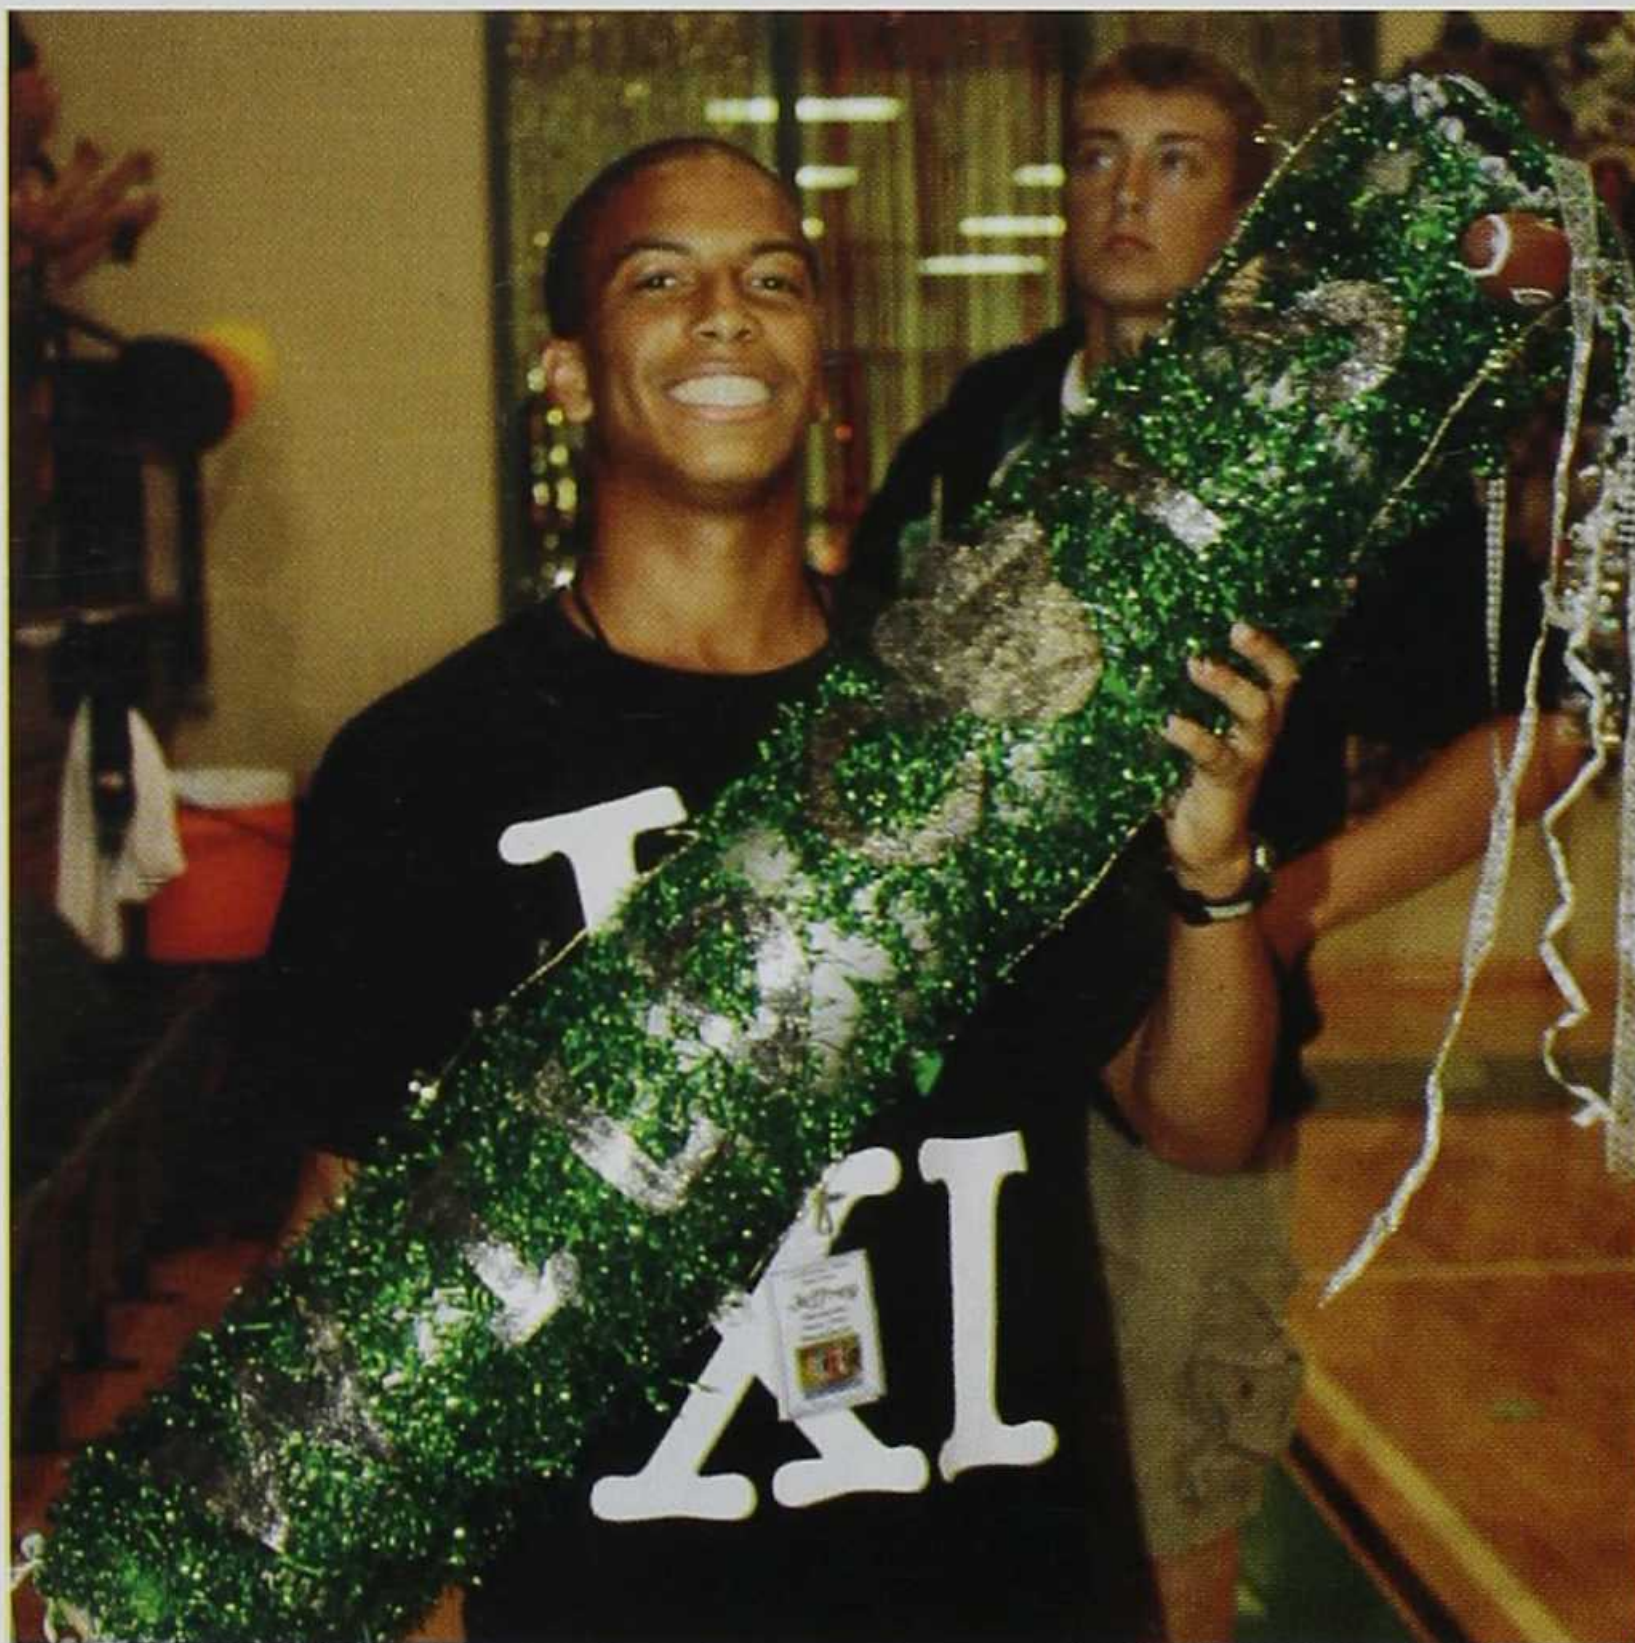

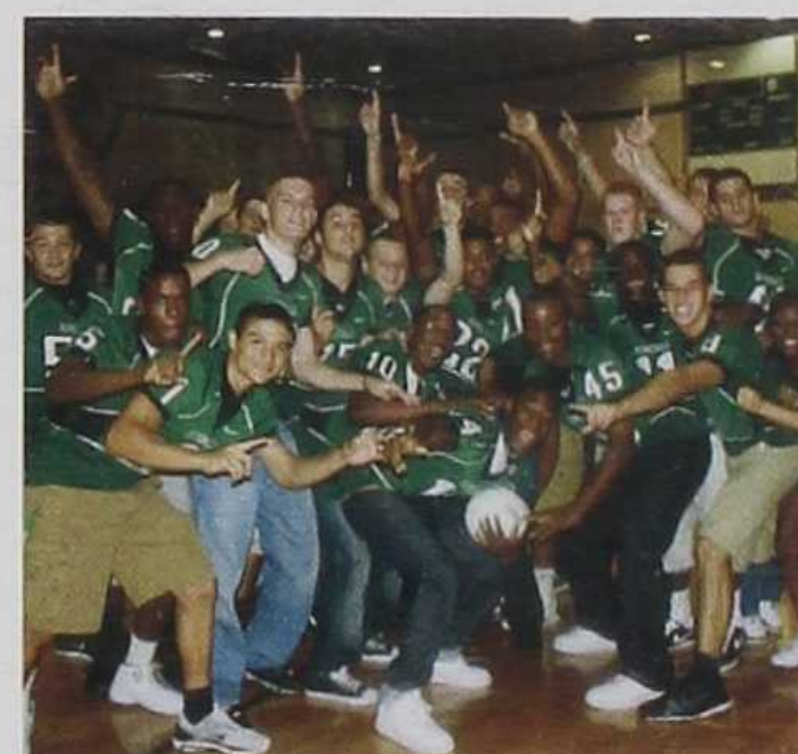

School Spirit

The school spirit at KHS just gets LOUDER every year! Everyone has it, from the newest freshman to the oldest senior.

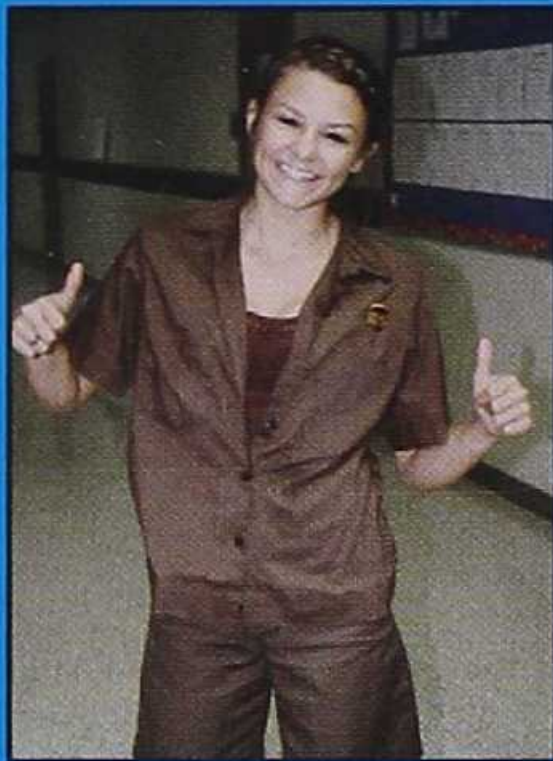

Hundreds of students, dressed in various class shirts, flood the main gym ready to destroy their voice box to win the coveted Victory Cheer! With fantastic pep rallies, awesome school teams, and an award-winning band, how could they not have school spirit?

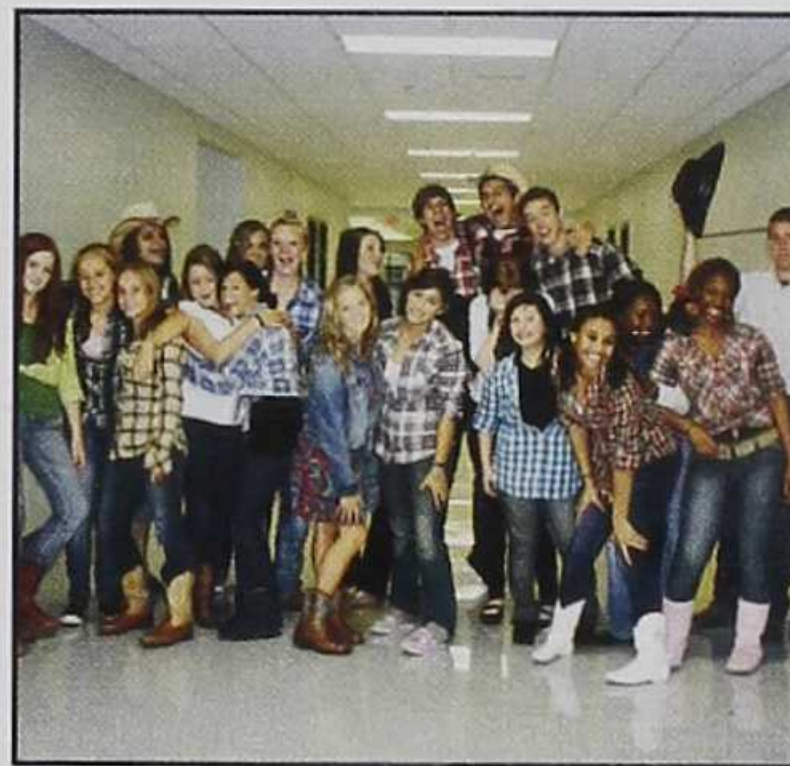

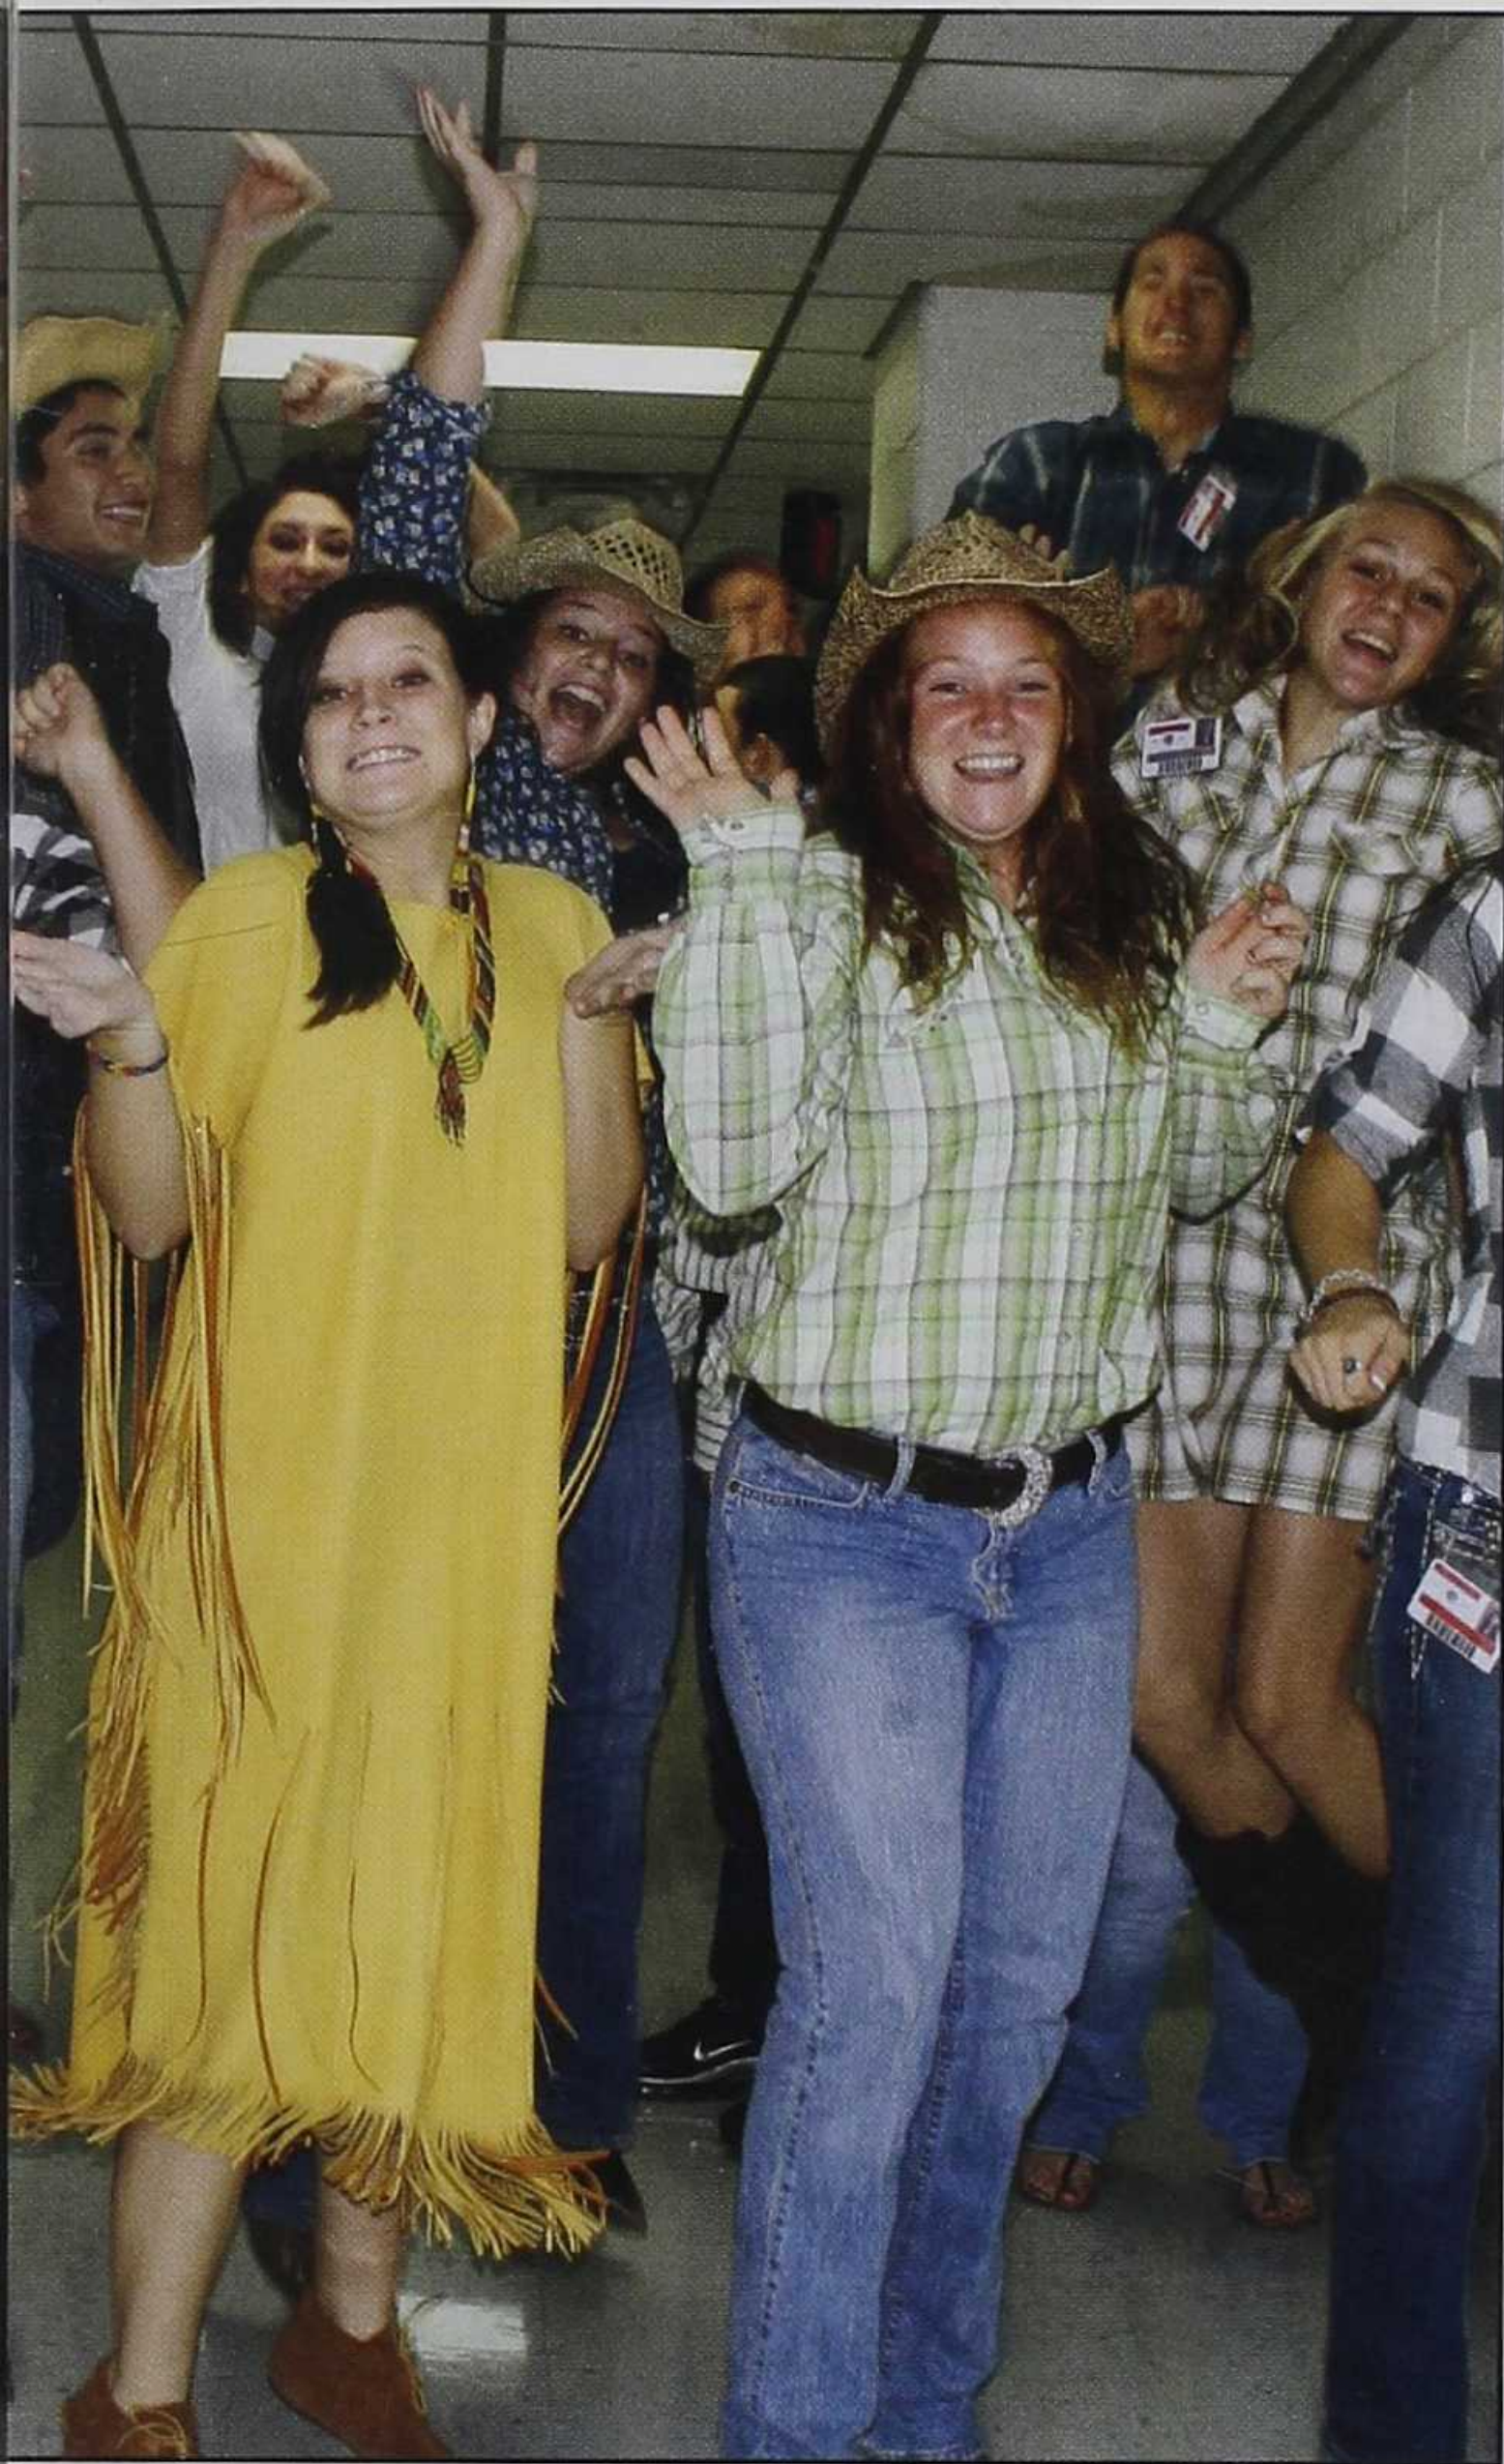

Spirit Week

Spirit Week was full of cowboys, twins, and even a few coaches. With Homecoming anxiety building up, students at KHS showed how much spirit they really had. Each day was a new realm of excitement consisting of a Jersey Day, Western Day, Career Day, Twin Day, and of course, the traditional Spirit Day. Unforgettable memories were definitely made.

Seniors, Juniors, Sophomores, and Freshmen show their crazy side.

Senior, Nick Cates strikes a pose for career day.

Homecoming

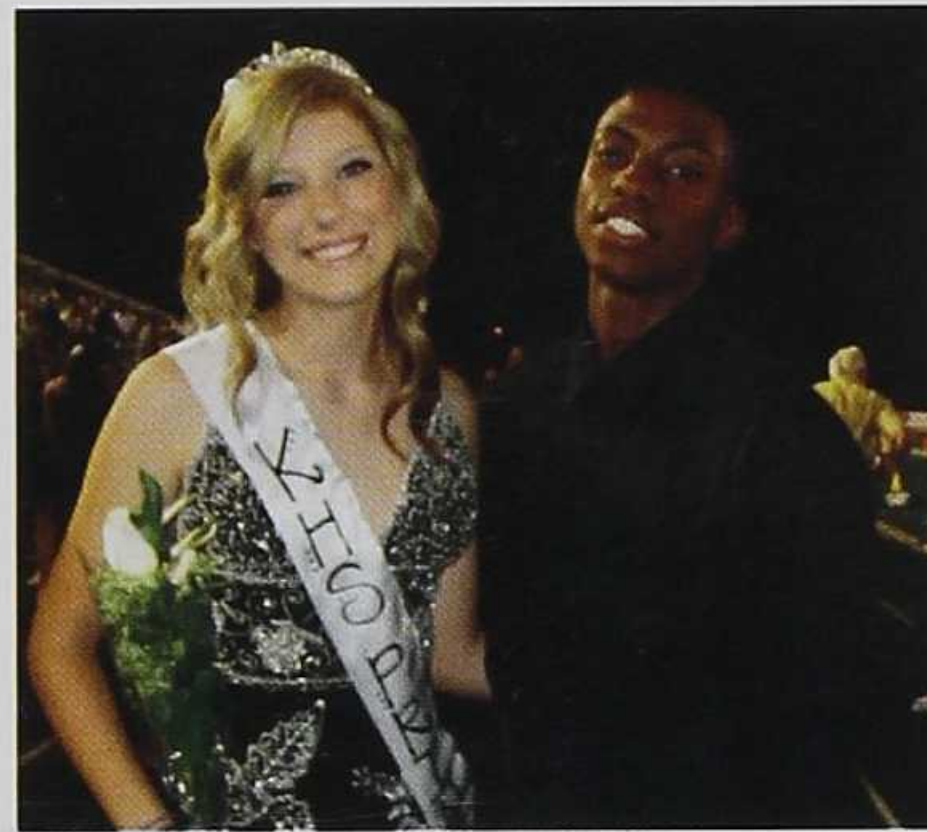

Homecoming is a time-honored tradition for current students as well as the loyal alumni. Homecoming 2010 remained true to tradition. Preceded by Spirit Week, the students of KHS were ready to celebrate by the time this special night rolled around. The Homecoming Court, chosen by student votes, was fully decked out and KHS Wildcats decimated the Lorena Leopards.

No one does Homecoming like Kennedale!

Foreign Cultures

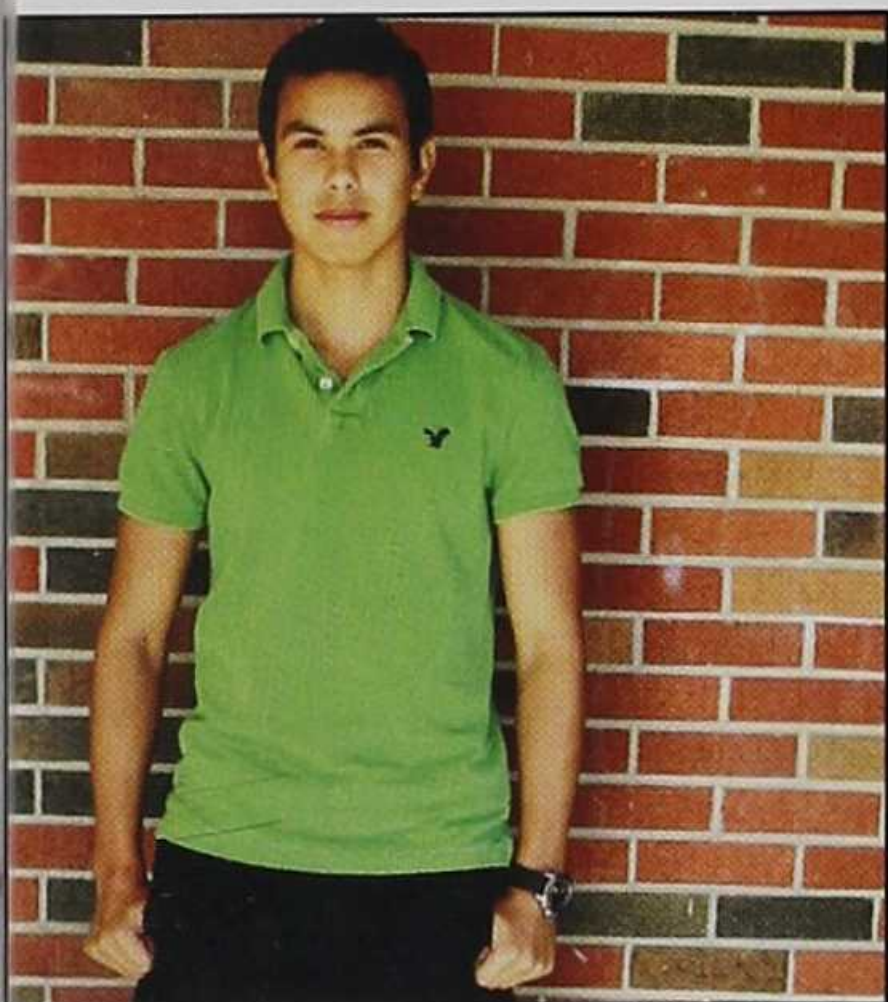

At Kennedale High School, you can find a little bit of every culture if you just take a minute to look. You see the different languages being spoken, the different food being eaten, and the different cultures that have been introduced to our school. This page highlights the diversity of life here at KHS.

Marissa Kennedy is originally from Scotland. Marissa says the heat and humor is different than in Scotland. An interesting hobby she has is playing netball. She's had fun meeting new people; however, she has had difficulty adjusting to a new schedule. Marissa misses her friends from back home and not having to go to school.

Pattarajarin Phoomlaochaeng is from Thailand. The weather, language, and food are a lot different there. She enjoys playing basketball. Pat misses the food from Thailand, her friends, and family.

Camilo Castro Silva is from Santiago, Chile. Camilo says everything is much cheaper in Chile. He enjoys eating out, playing soccer, and shopping. He said it was hard coming to the school with no friends. Little by little he was able to communicate with new people. Camilo feels like he fits in now. He misses conversations and going to new places with his mom.

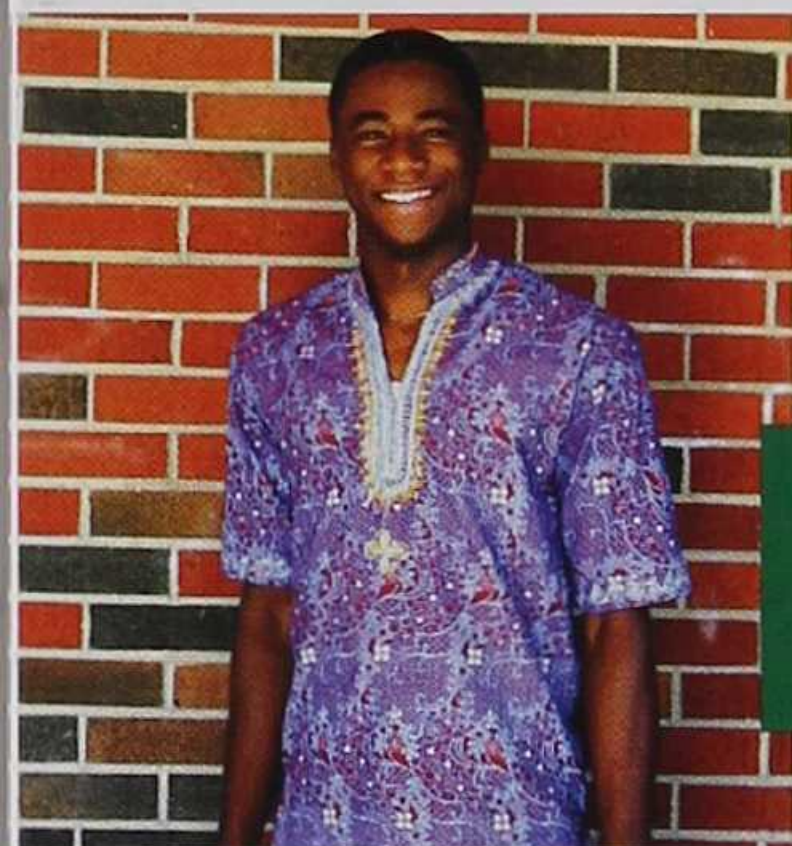

Alec Scheidler is from Kingston, Ontario, Canada. He says the weather is different. It snows from October to April and in the summer the weather usually stays below 85 degrees. Alec enjoys saltwater aquariums, aviation photography, and flying model planes. He said it wasn't too hard adjusting to a new school. Alec misses skiing, his family, NHL Hockey, and clean air.

Kulvir Aujla is from Queens, New York, but his family is from India. He likes to play basketball, tennis, and golf. It was easy for him adjusting here.

Walianoor Noorallah is originally from Mazar-e Sharif, Afghanistan. She says America has a better education system, safer environment, and there is equality between men and women. She loves traveling to new places and learning new languages. Walianoor says it was very hard to adjust at first because she didn't know English too well. She misses traditional food and holidays from her country.

Adam Odomore is from Nigeria, Africa. The houses, streets, people, clothes, food, and school are different. Adam likes music, dancing, reading, movies, and playing soccer. It was hard making the adjustment to a new school, but he successfully transitioned. He misses everything from Nigeria.

Career Tech

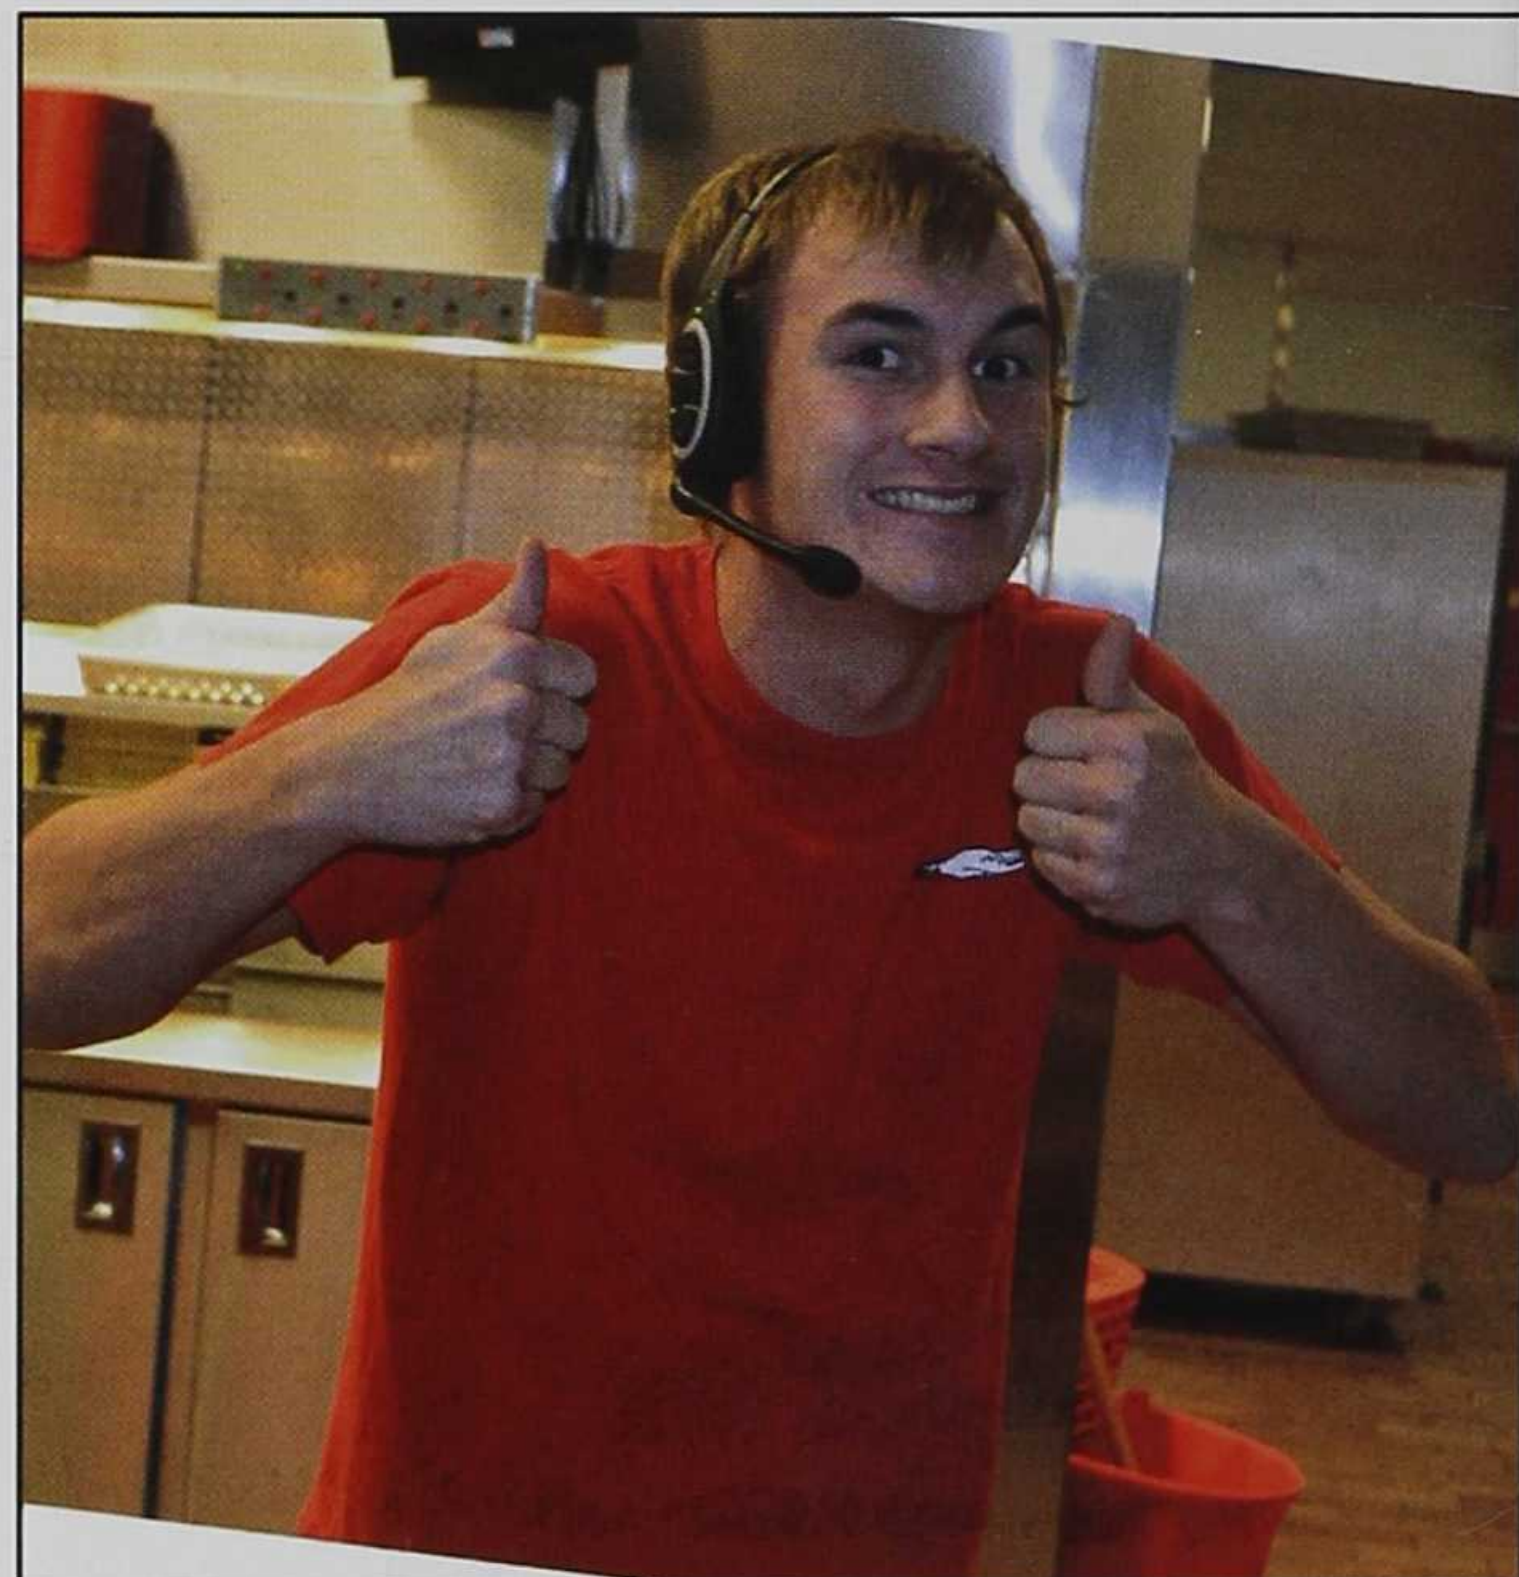

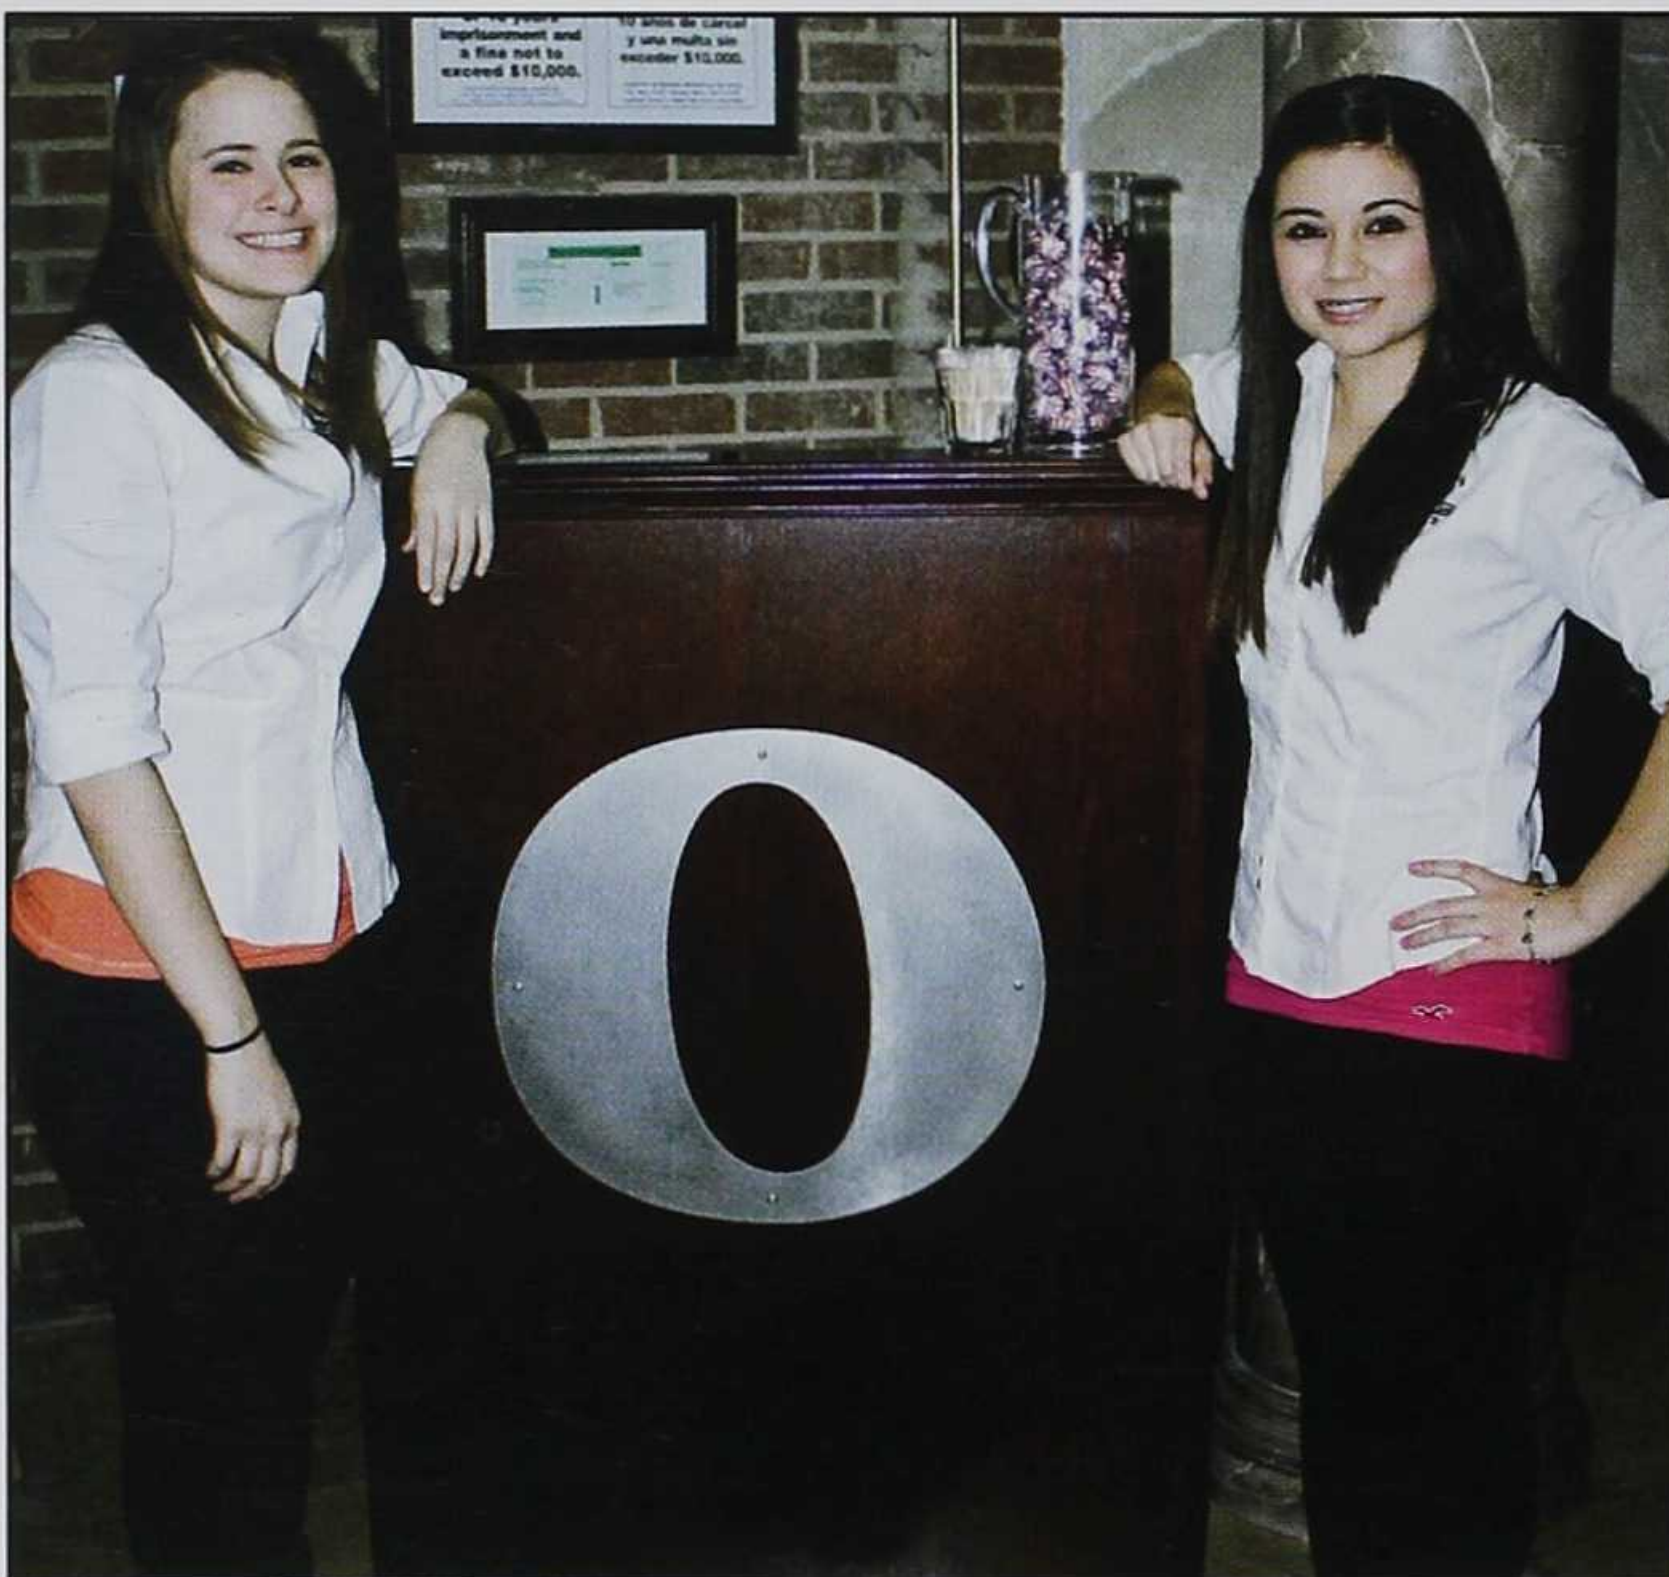

The Career and Technology Education classes were added to the KHS curriculum this year. These classes give students a chance to develop their technical, practical, and leadership skills. Students gained experience and knowledge in courses designed to help prepare them for careers in the health, human services, educational, business and technology fields.

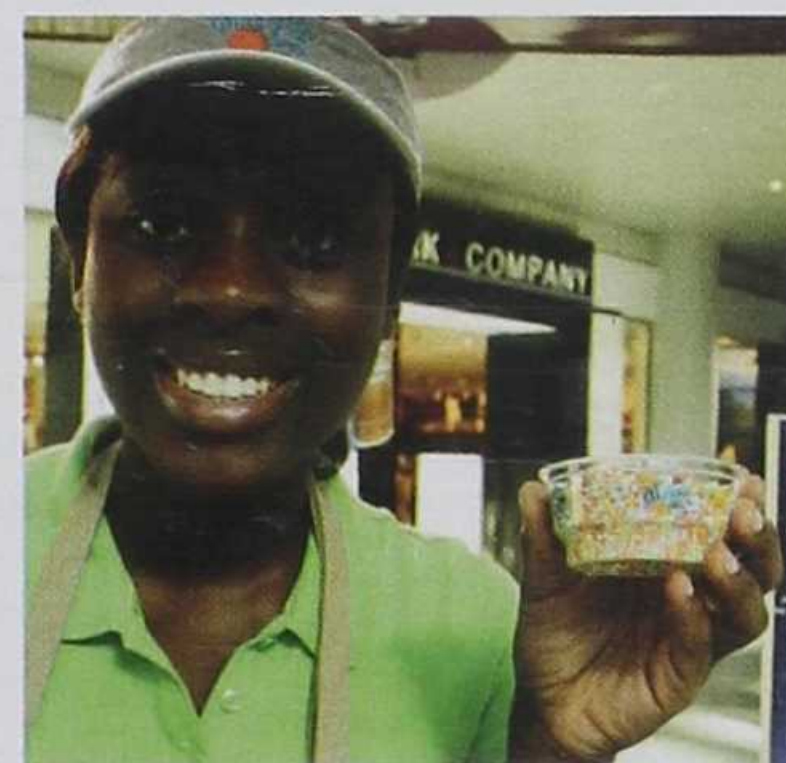

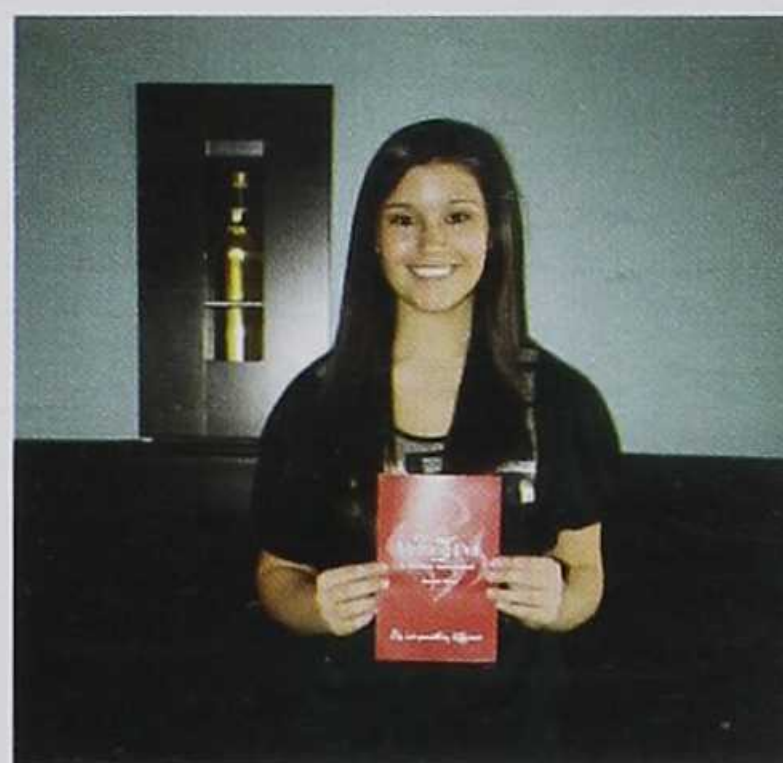

Jobs

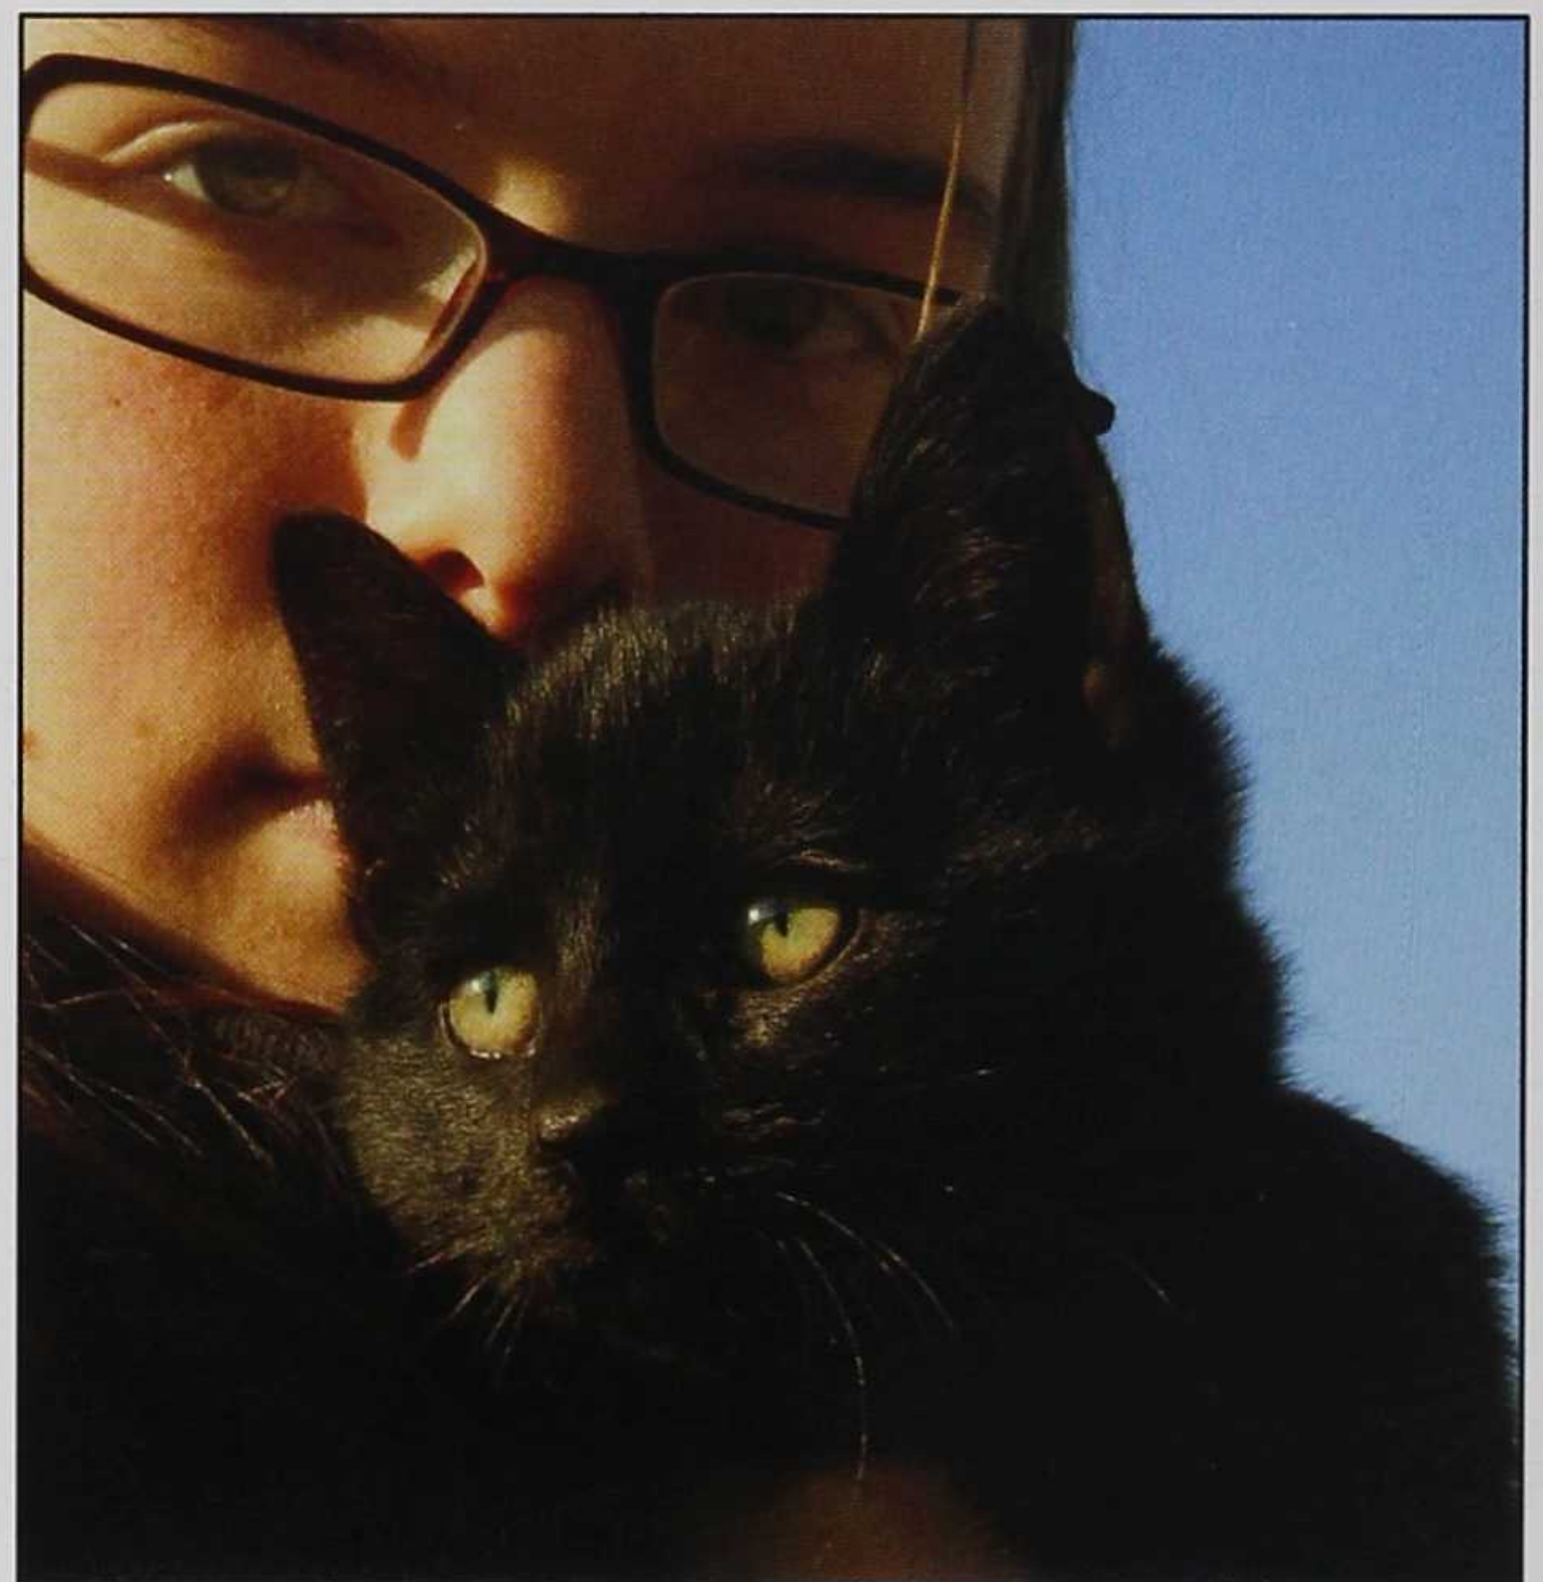

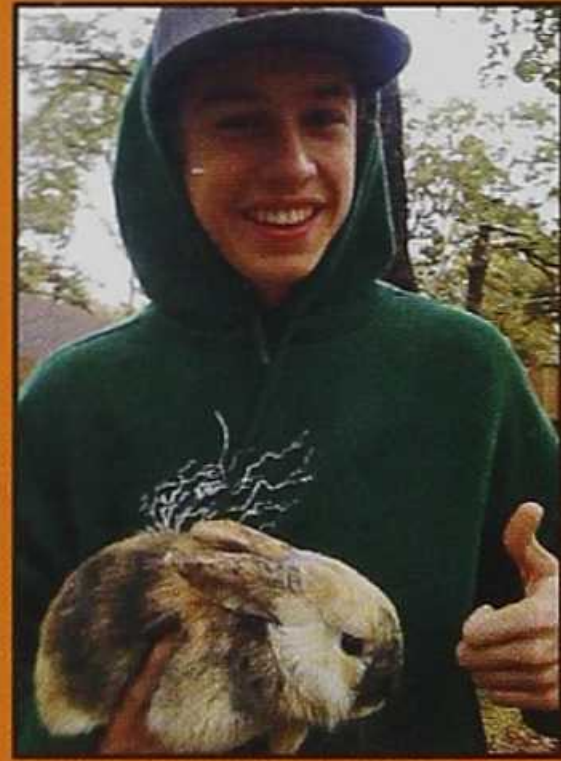

Jobs are a huge part of many students' lives at Kennedale High School. With the economy going the way it is, students need their jobs to pay for things like gas and clothes. This page shows some hard working and skilled students that balance not only a full day of school, but also a job.

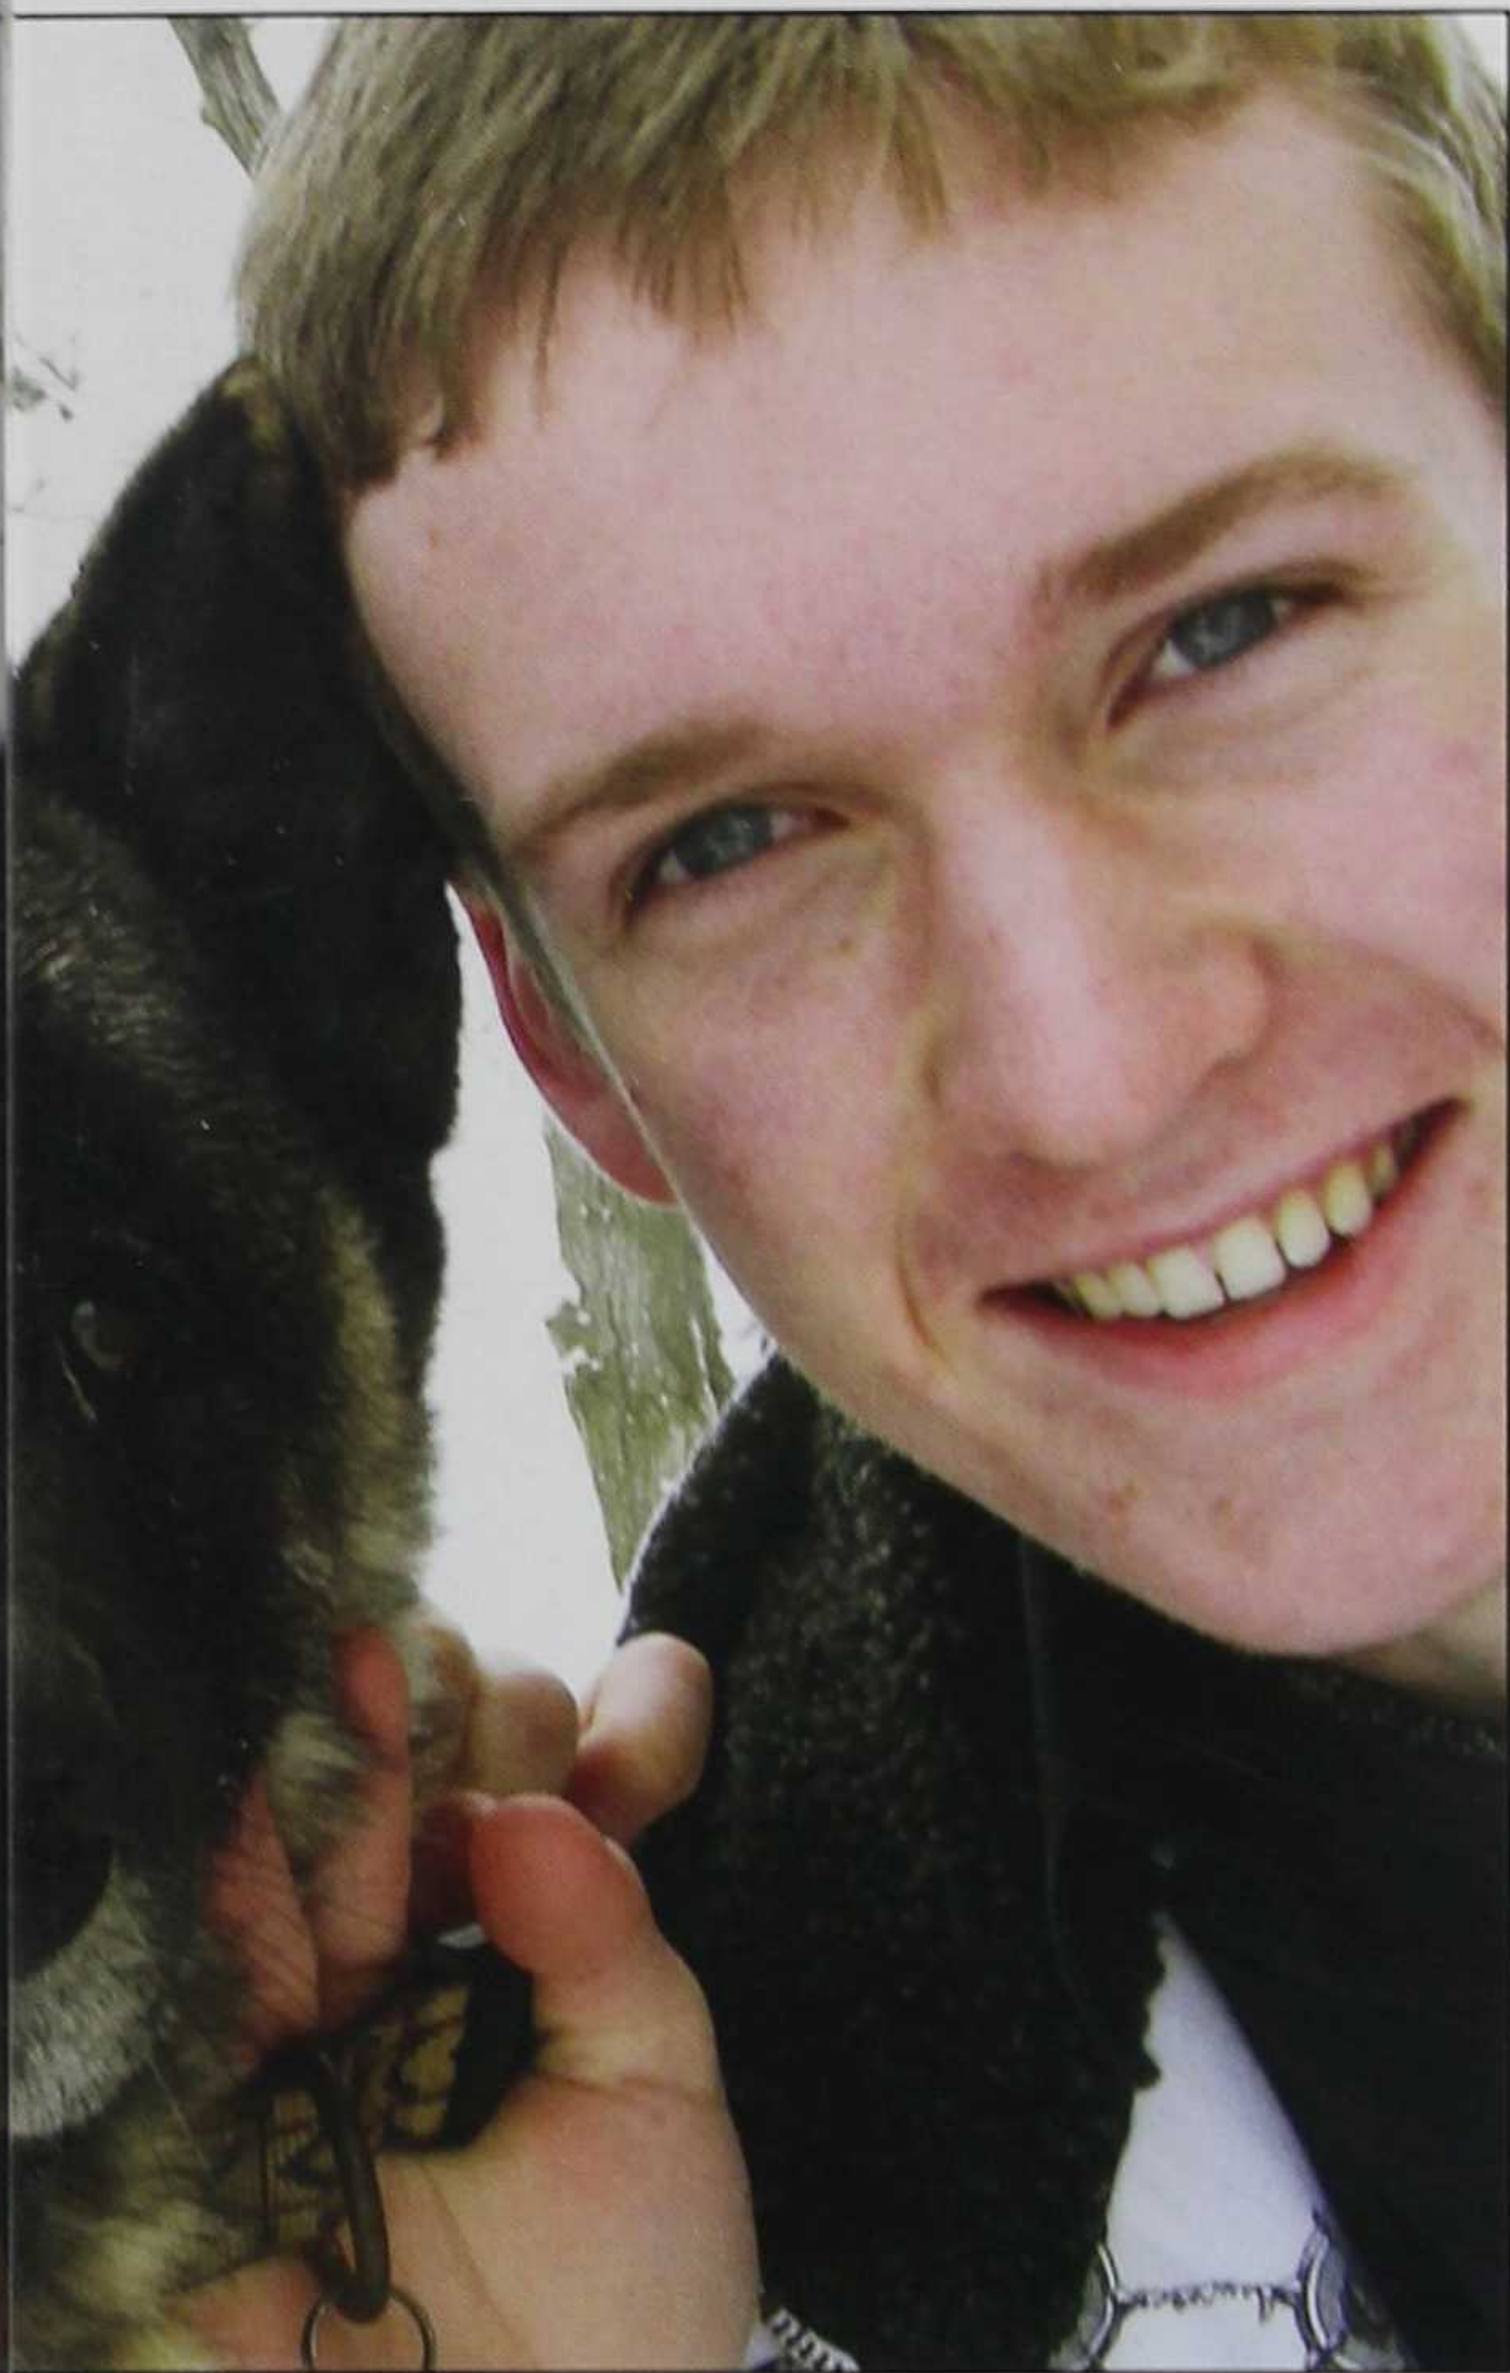

Pets

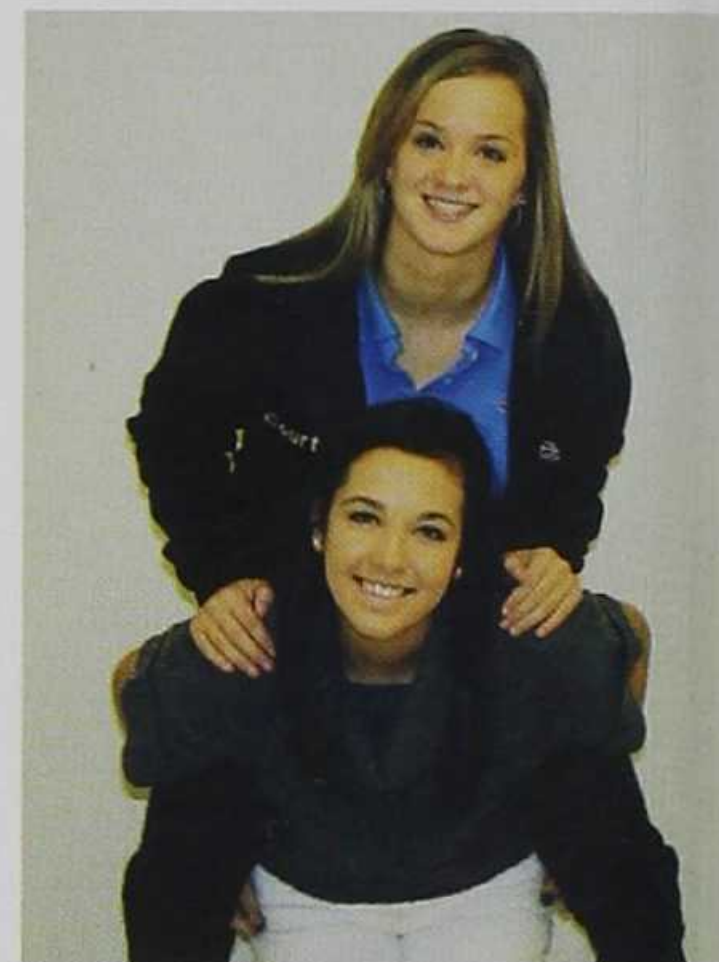

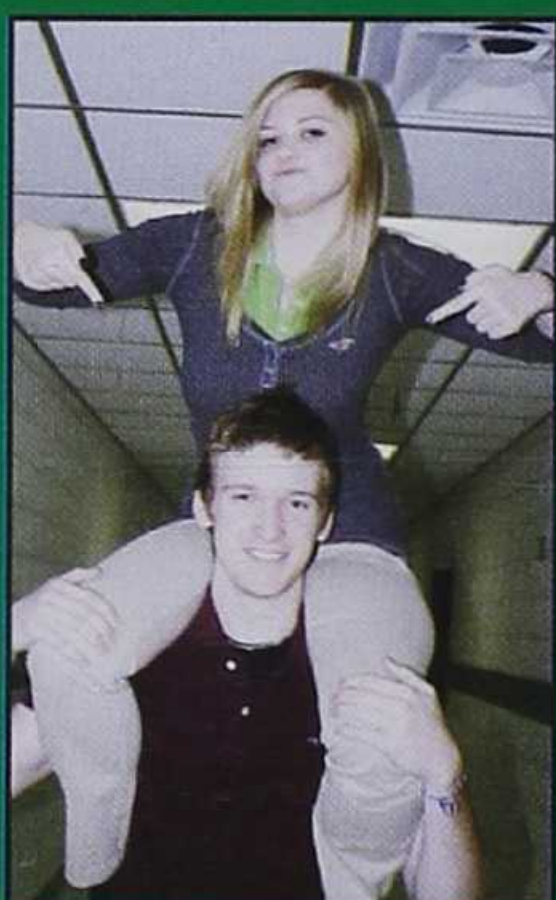

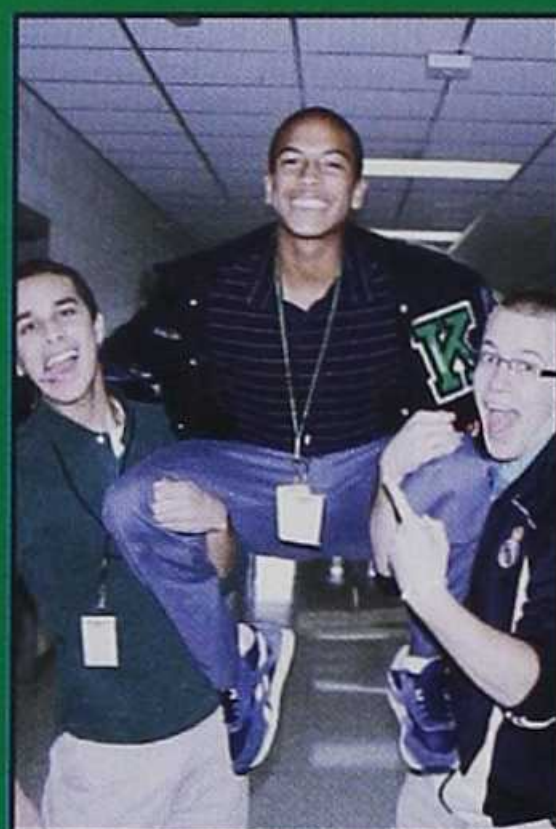

Snakes, birds, and rabbits, oh my! Here at KHS the pets are as diverse as the students and teachers who own them. The spectrum covers everything from the traditional dog and cat to the more unorthodox goat and turtle. Whether they're for decoration like Brad Polly's bird or as a marathon running companion like Mr. Matuni's dog, these pets are always lavished with love and attention. A pet is a true friend, and one who is always there for you. Here at Kennedale High school this is no exception.

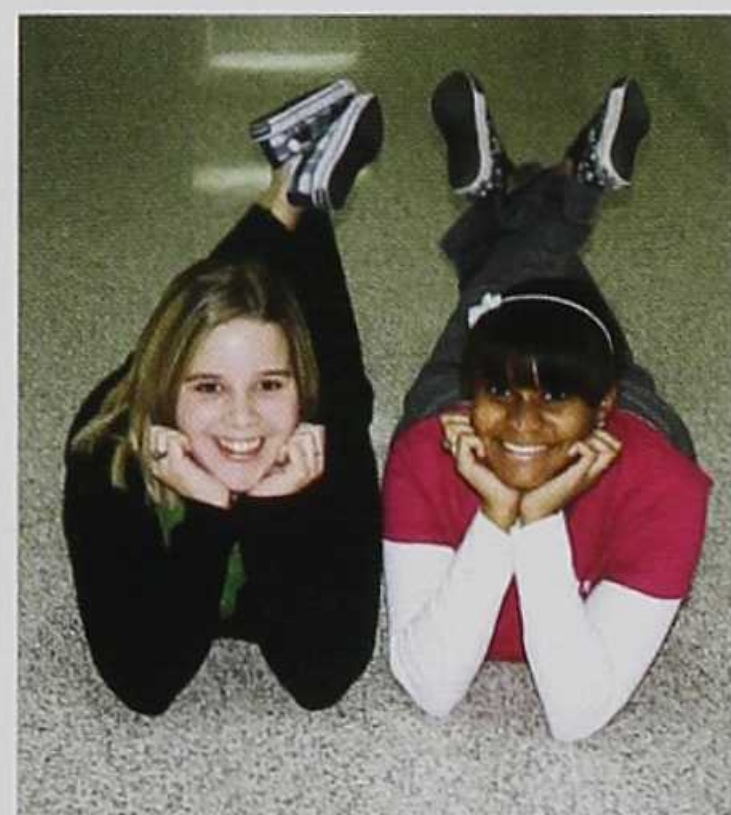

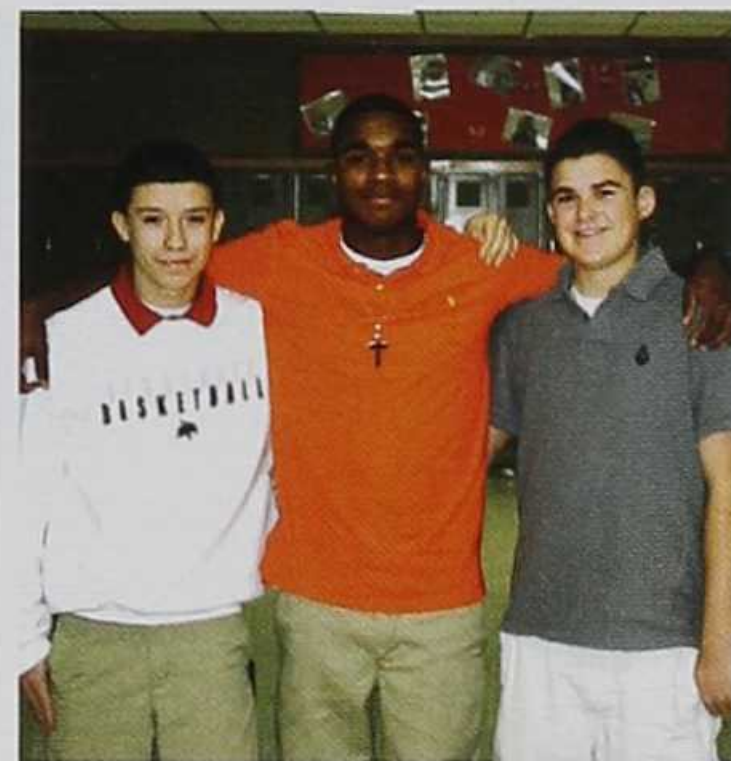

Best Friends

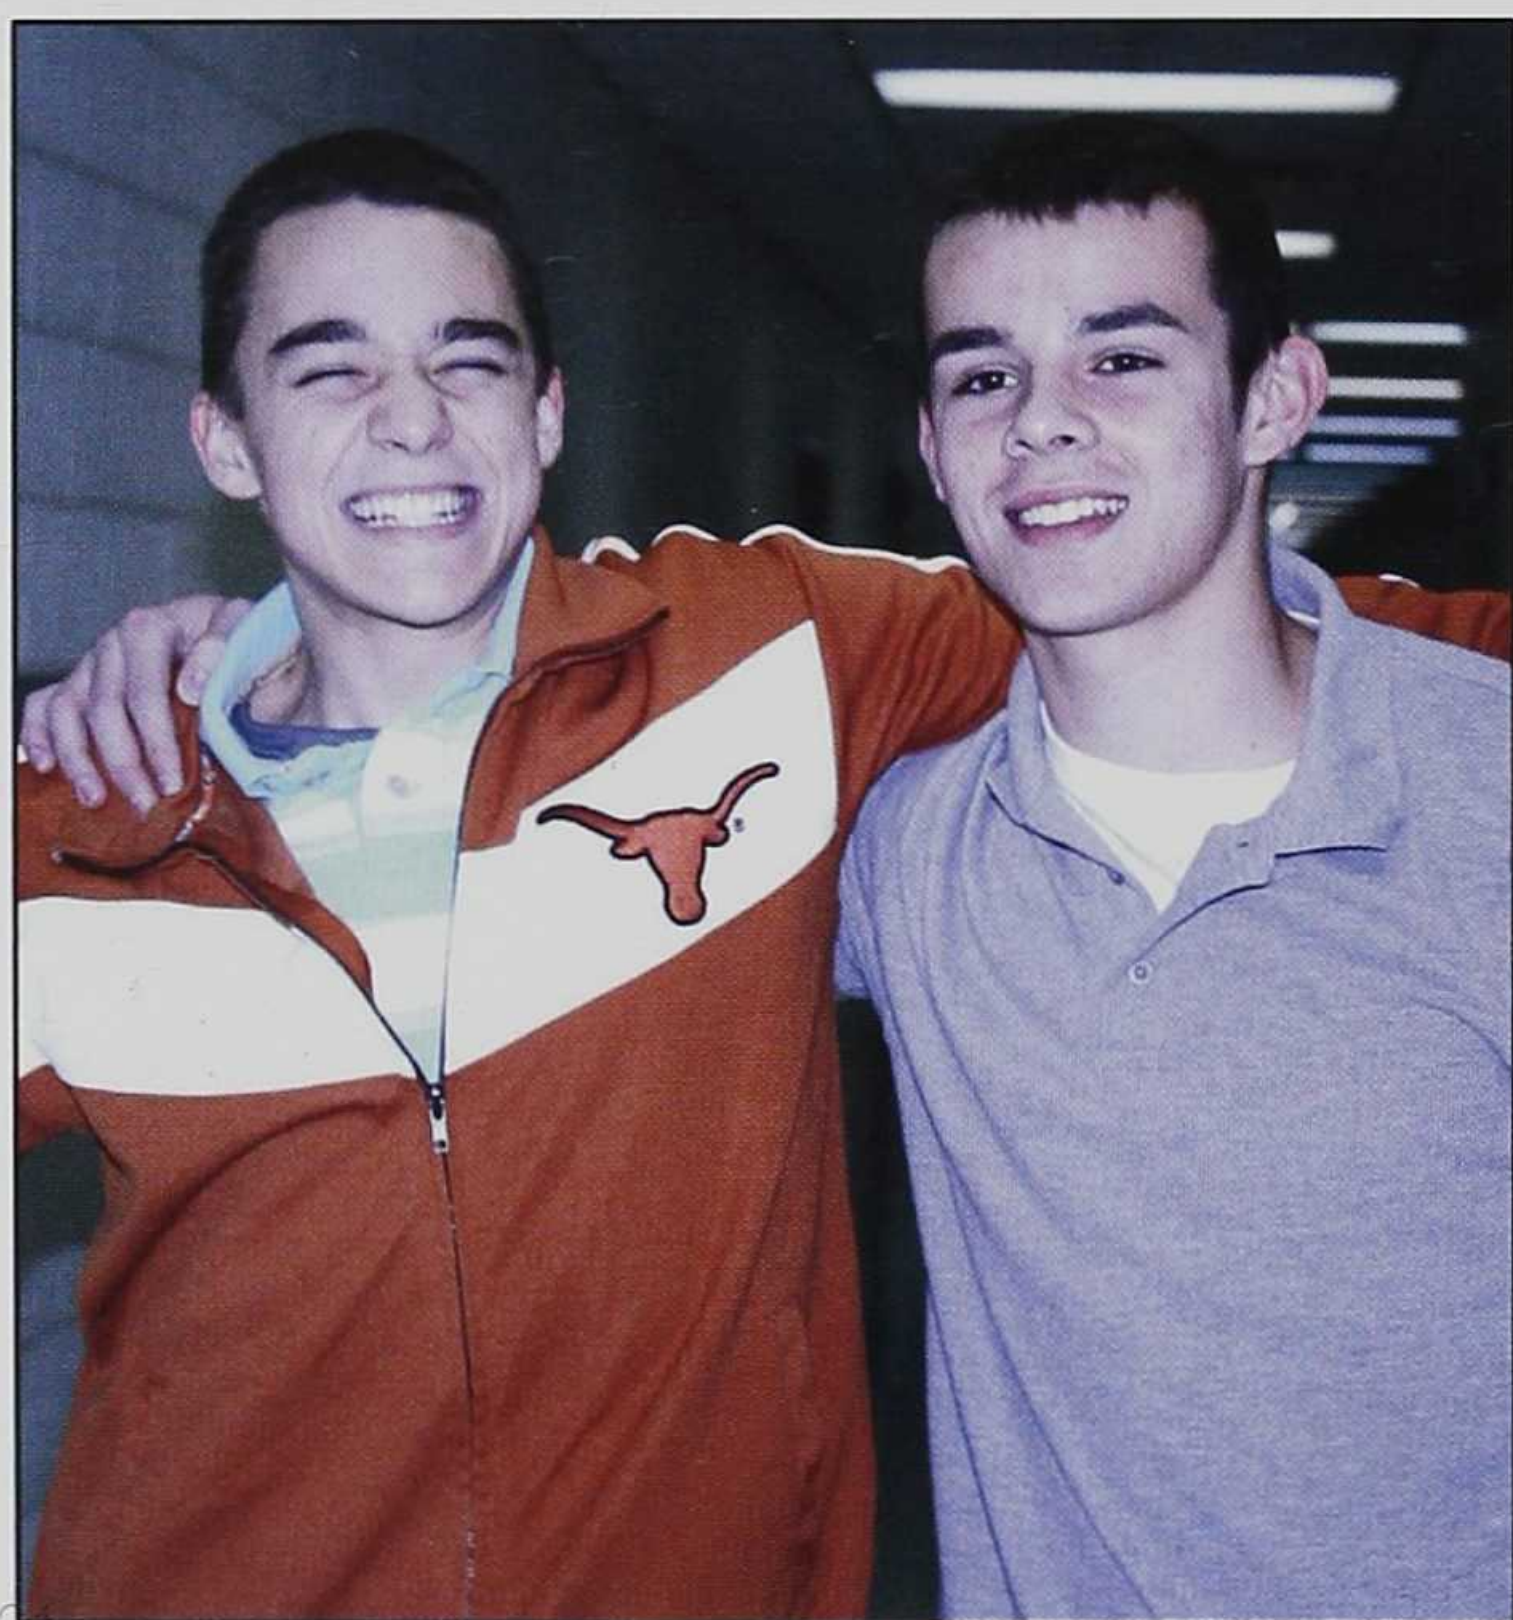

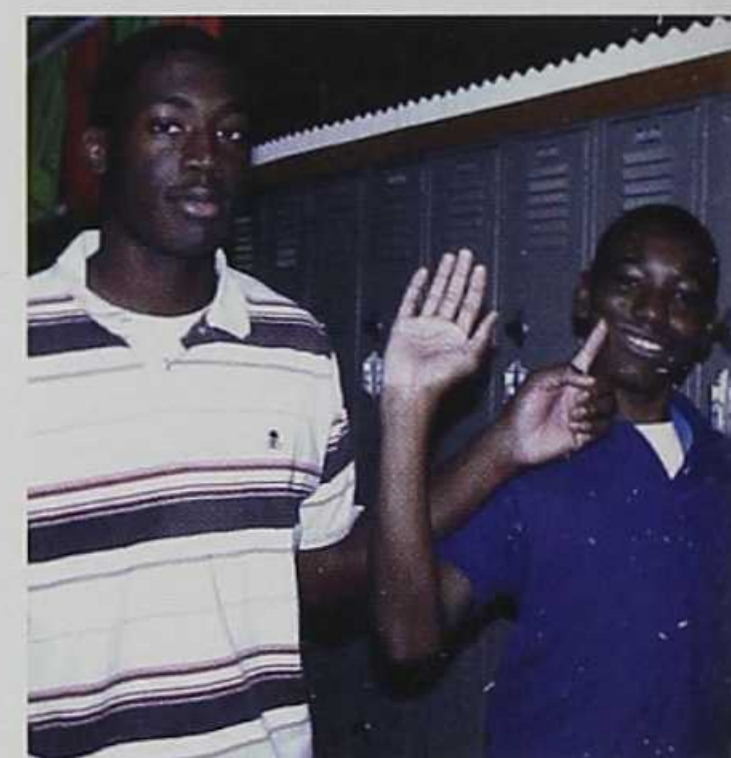

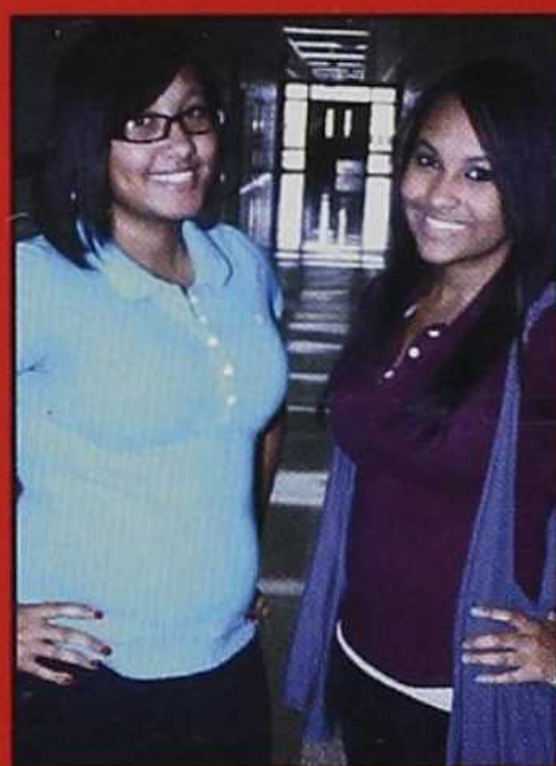

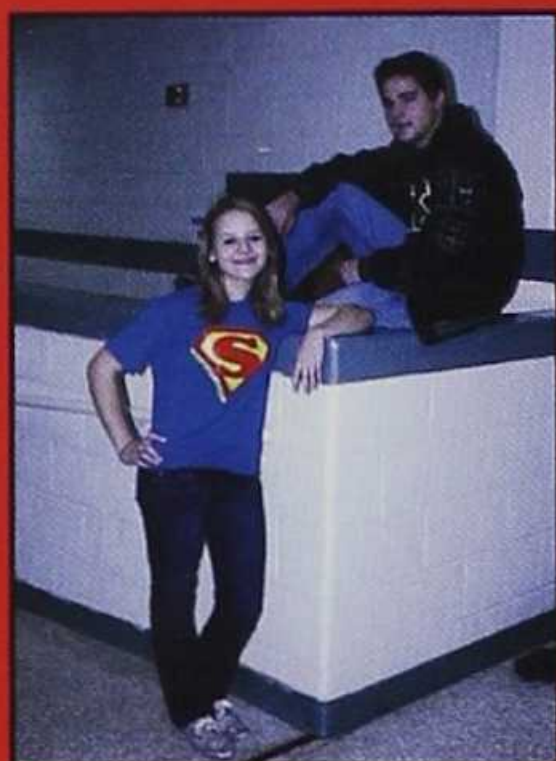

Your best friend. The one you tell everything. The one that listens to you when you're down. The one who is there for you when you go through a tough break up or family problems. The one who you tell all of your dumb jokes to. At KHS, best friends are definitely not hard to find. The amount of best friends on these pages cannot compare to the number of best friends we have at our school.

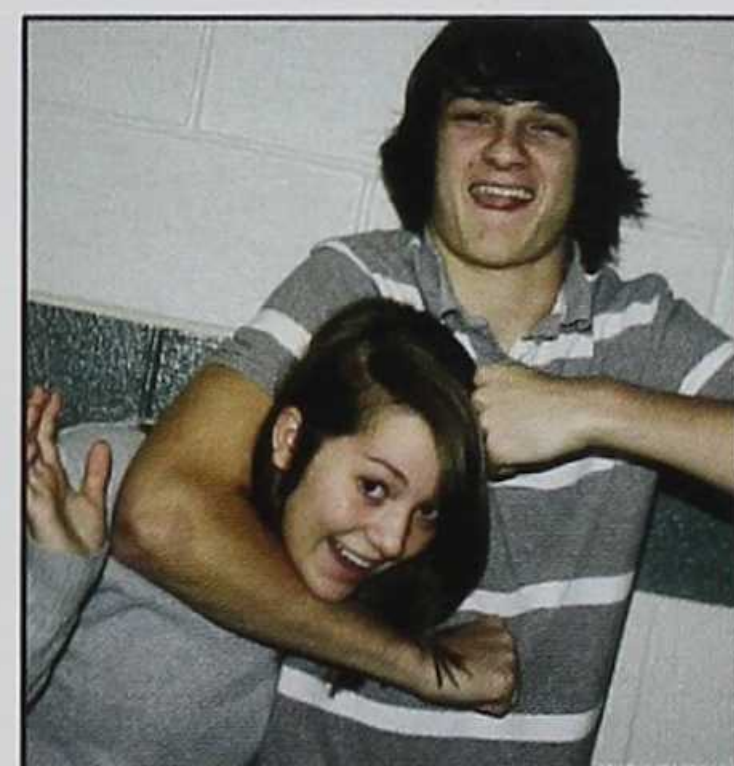

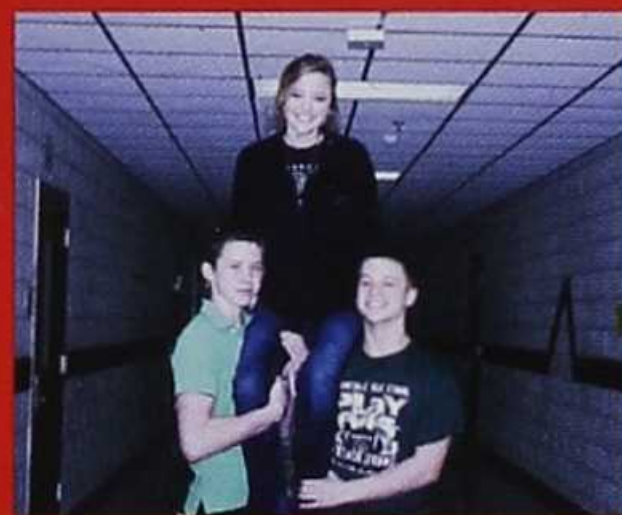

Family

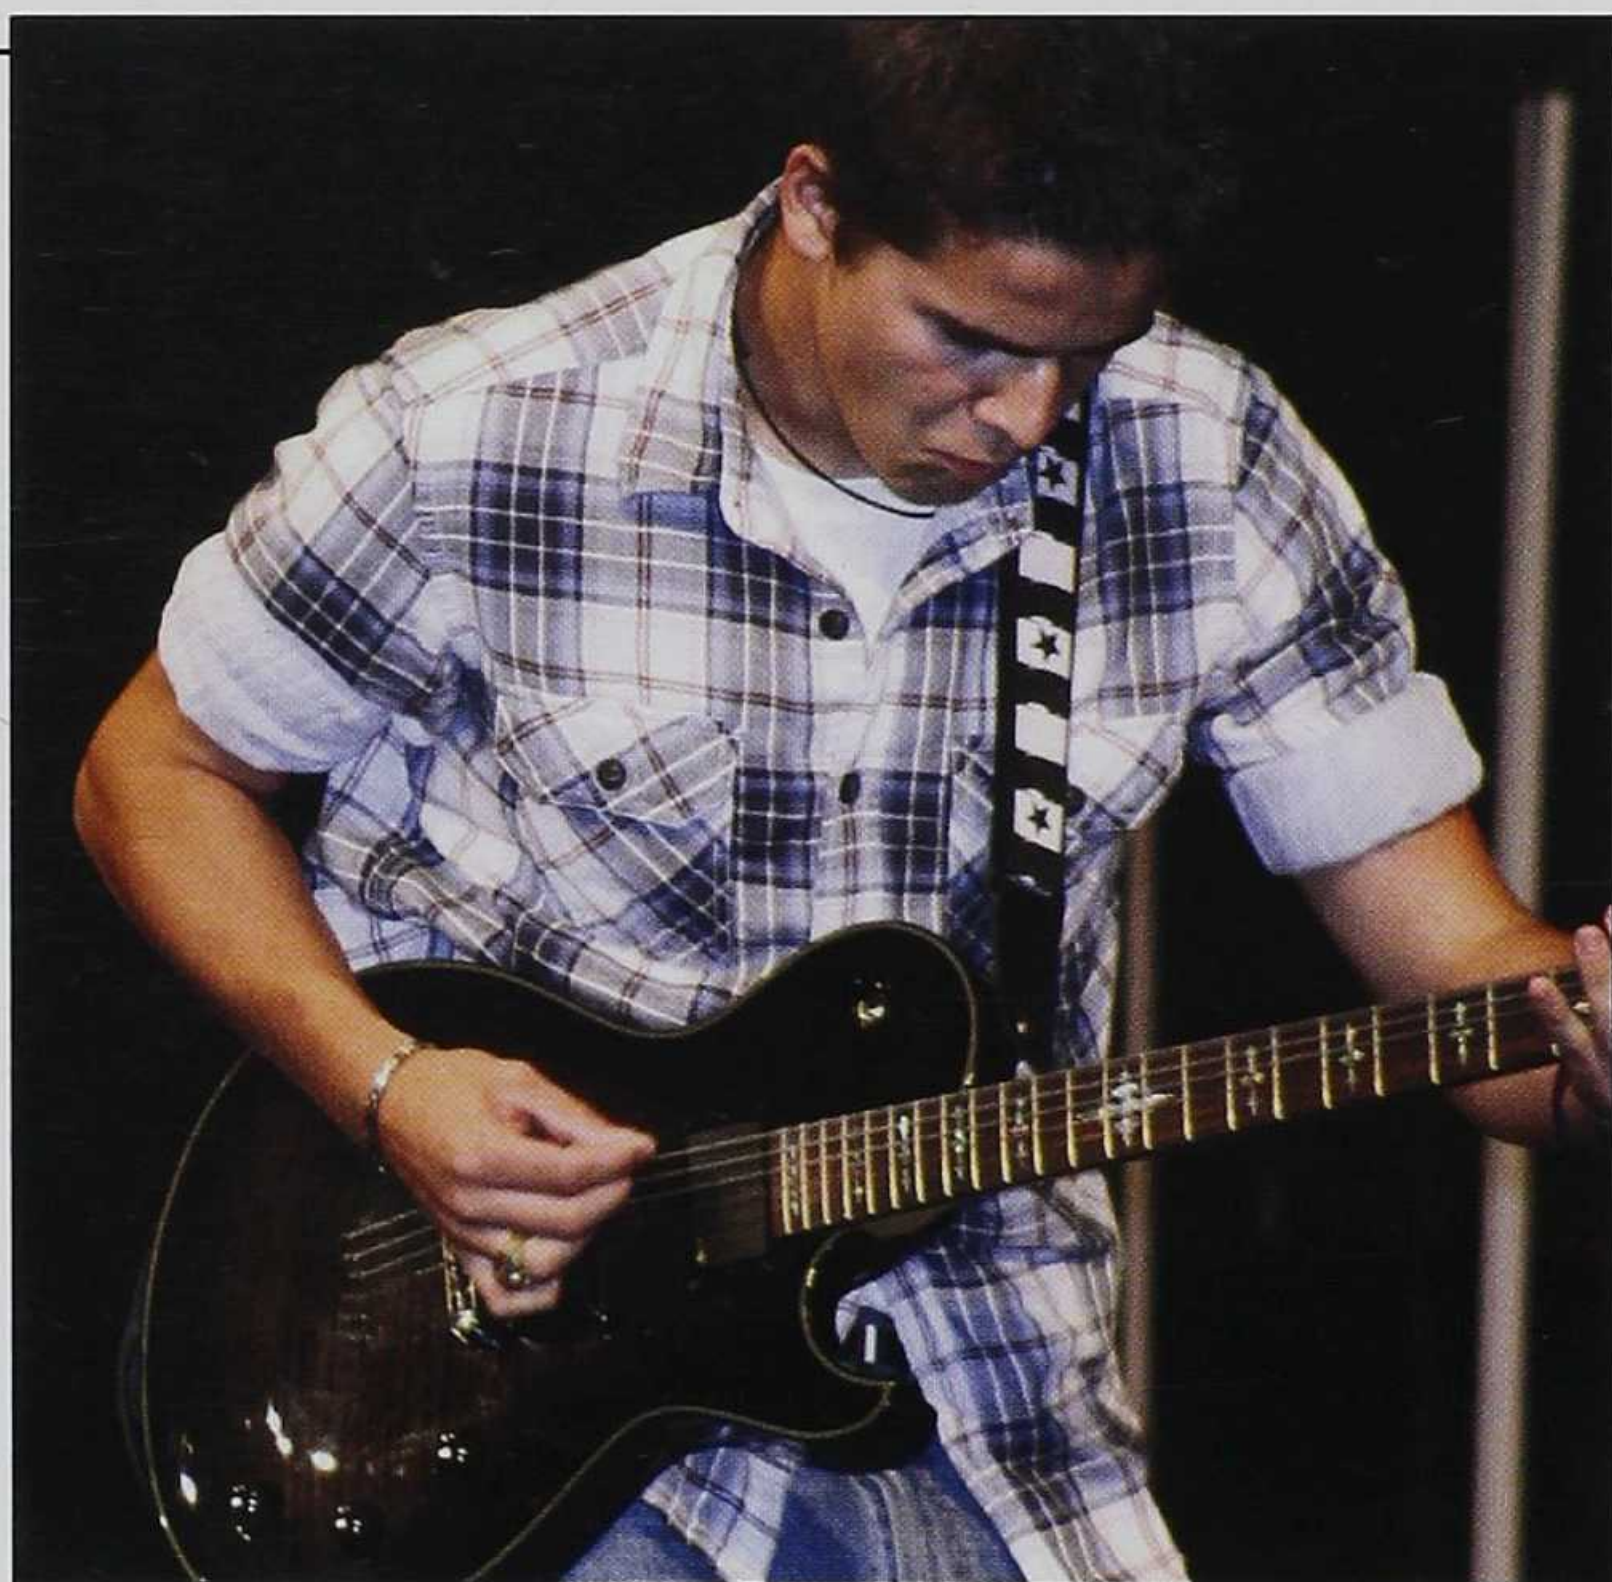

From brothers and sisters, to parents and cousins, Kennedale High School has it all. With a growing student body, family members make up a lot of our population. Most of the students here can't walk down the hallway without seeing some kind of relative. Some are even lucky enough to see their parents not only at home, but also at school.

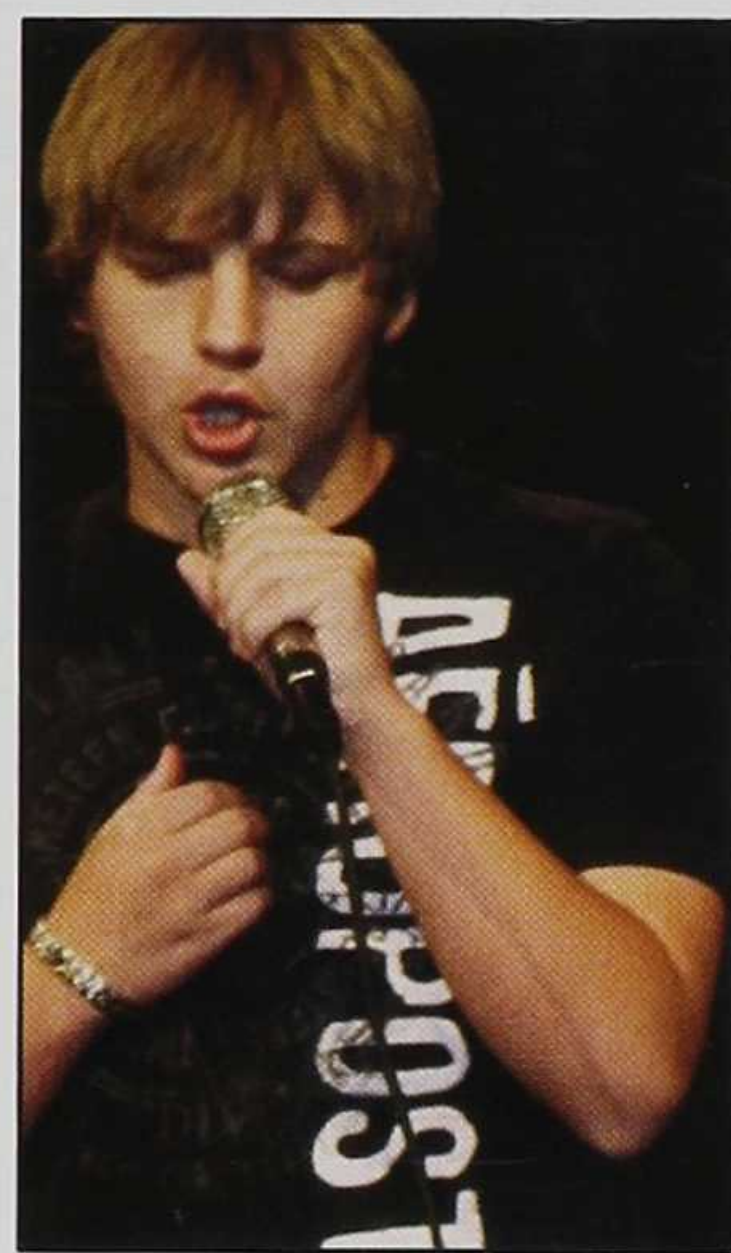

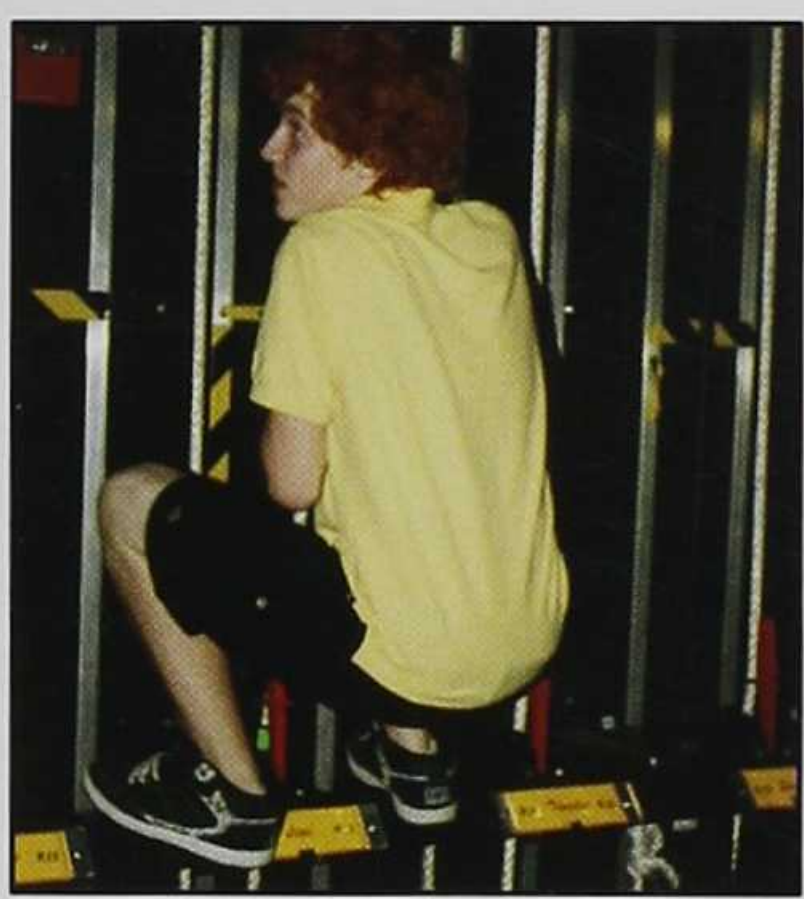

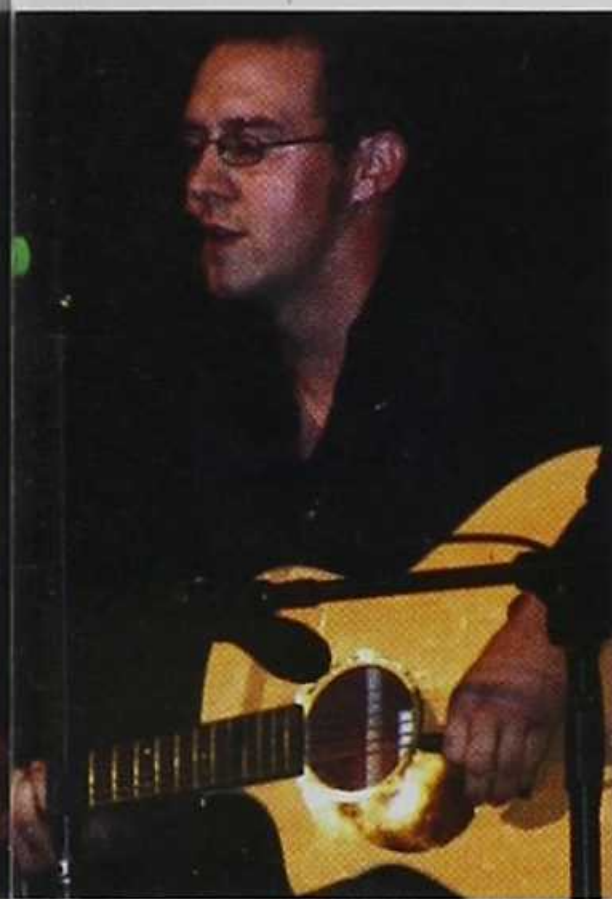

Talent Show

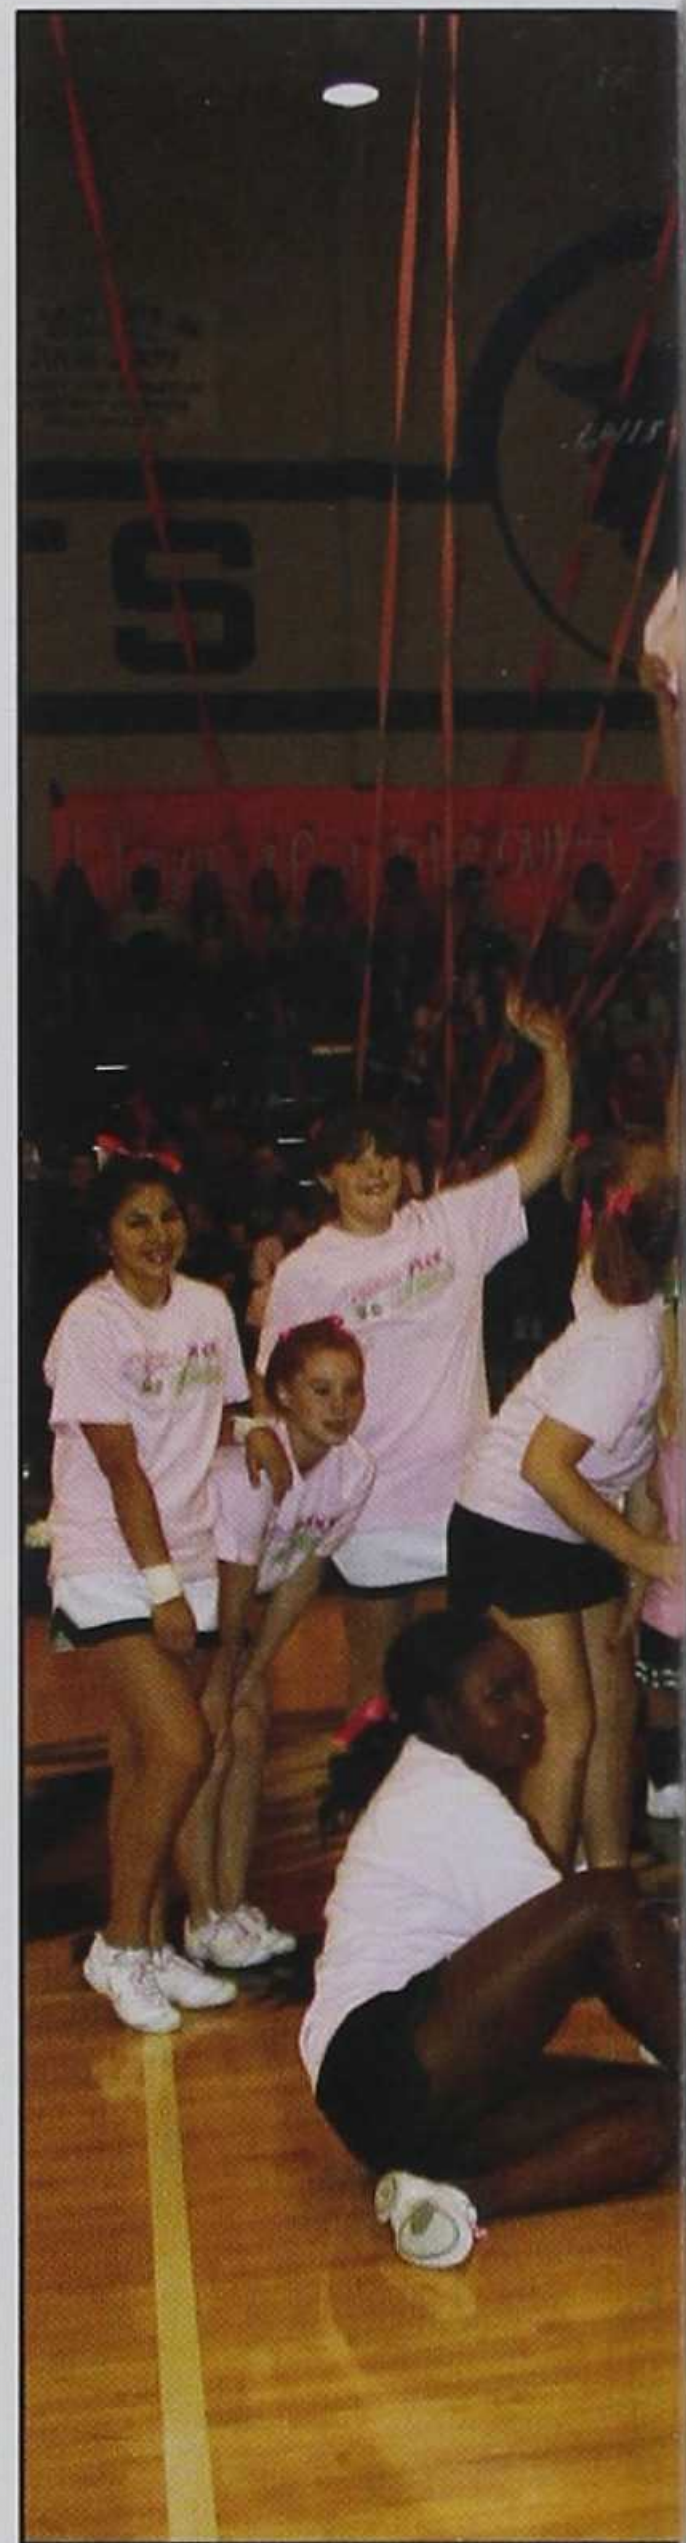

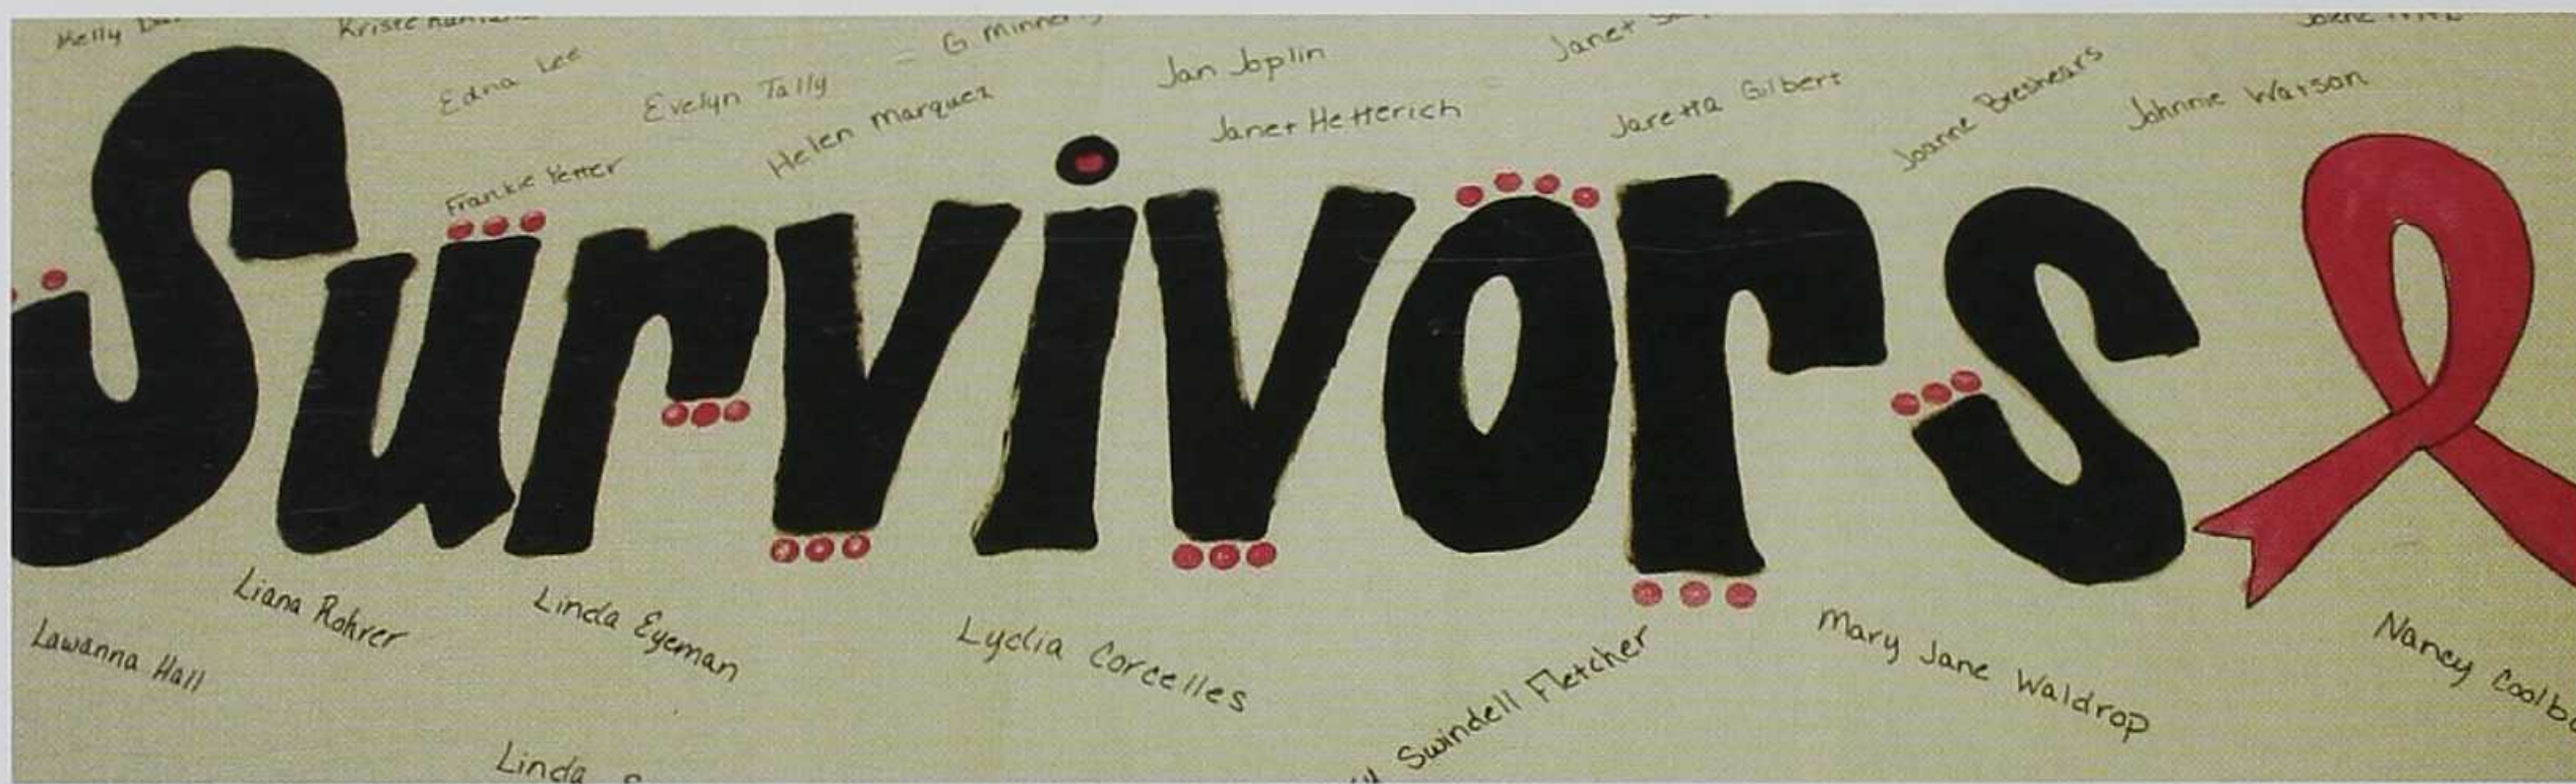

The lights were on, the seats were filled and the stage was set. Out walked the Senior Class Officers and the talent show was underway! Phenomal performances from singers, dancers, musicians and more all came together for a fantastic show! Congratulations to the winners: 1st place - our very own KHS Color Guard with an original routine; 2nd place - Senior, Jerick Johnson, and his original poetry; 3rd place - Junior, Davionna Leonard and Seniors, Brian Franks and Gage Wren, for their song rendition of "Use Somebody".

Play for the Cure

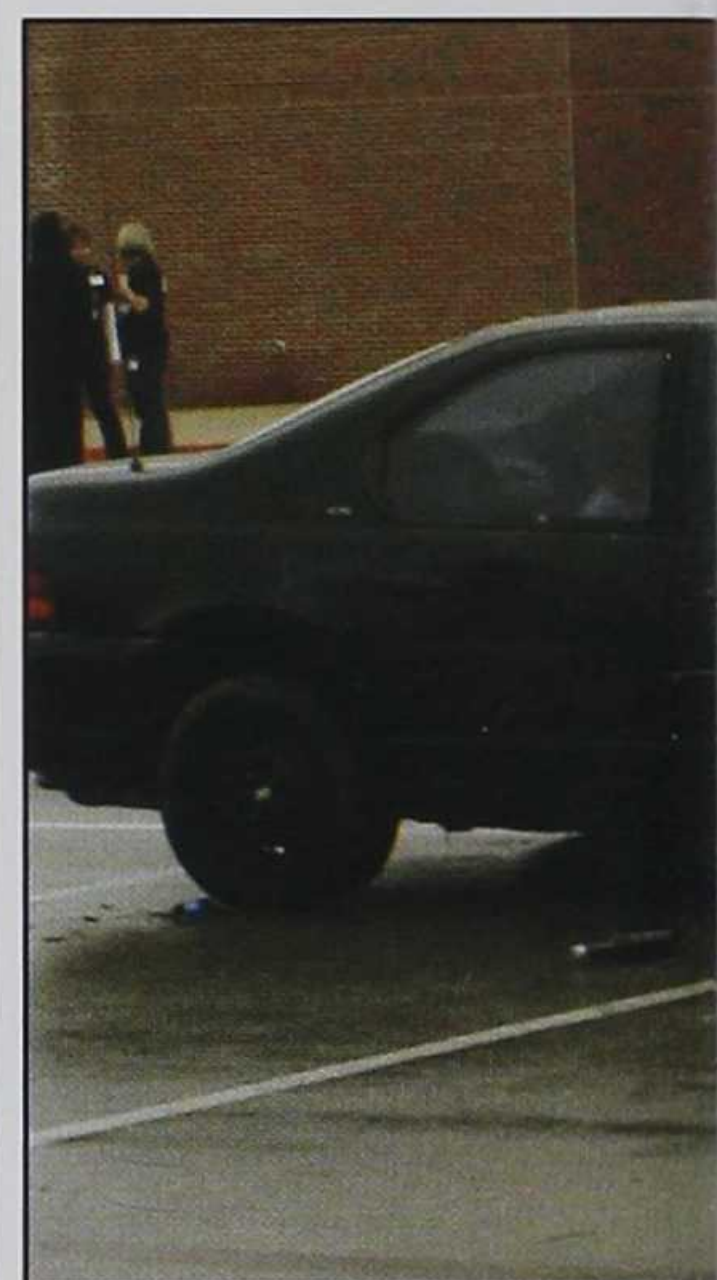

Our "Play for the Cure" games and "Pink Out" pep rally took place on October 15th, 2010. Students and faculty were dressed in pink shirts, socks, bows, jewelry, and more to show support for the football and volleyball teams in their fight against breast cancer as well as the opposing teams. "Think Pink, Go Green" breast cancer awareness shirts were sold to raise money to benefit the Susan G. Komen Foundation. Also, this year, the names of family members and friends who survived their battle with breast cancer were placed on a banner that was displayed at the gym and football stadium for all to see and celebrate.

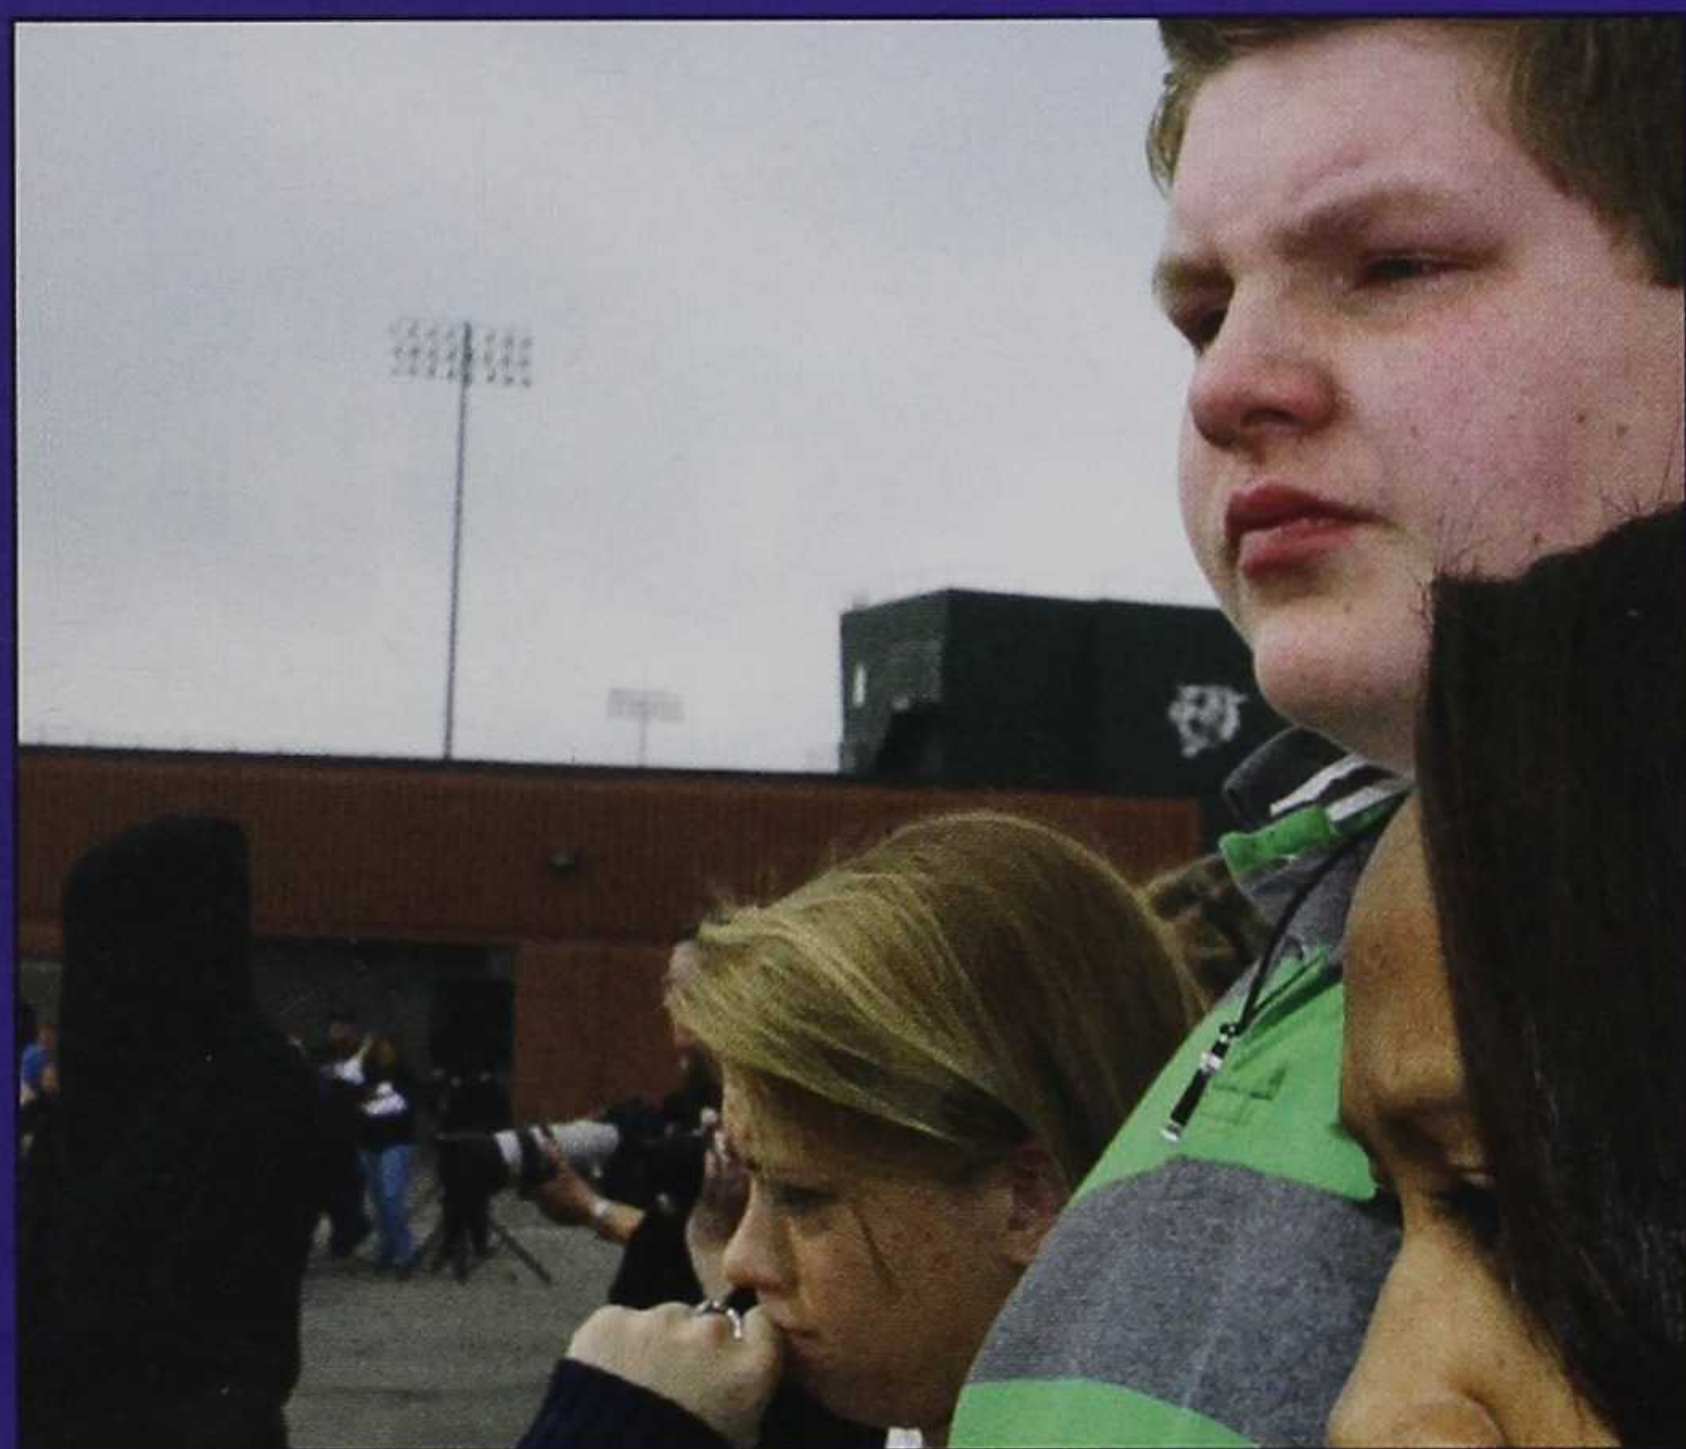

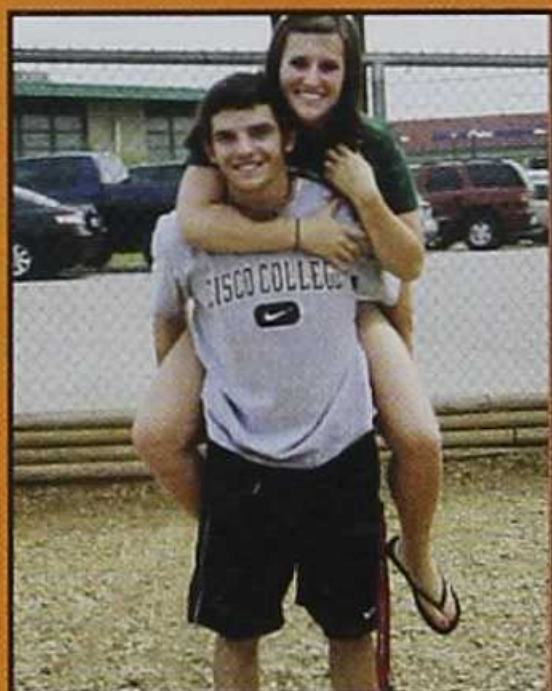

Wasted

The Wasted Program, sponsored by the KHS PTA with community support, is based on the fact that every 15 minutes someone in the U.S. dies in an alcohol related traffic collision. This year's program involved 49 juniors and seniors who were selected to embody this statistic. Some were pulled from class and placed in body bags every 15 minutes as their obituary was read. Others were involved in a mock fatal alcohol-related car crash. All participating students were then transported to a local retreat where guest speakers shared their stories about the affects of drunk driving on their lives. This program was very emotional and effective for the student body, staff and KISD community.

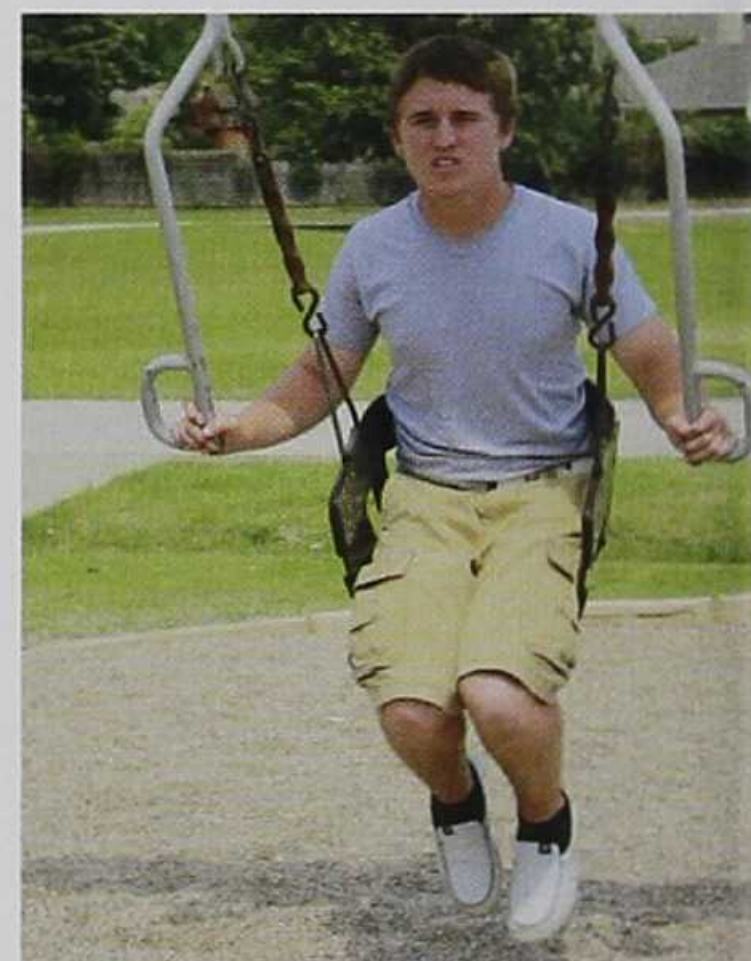

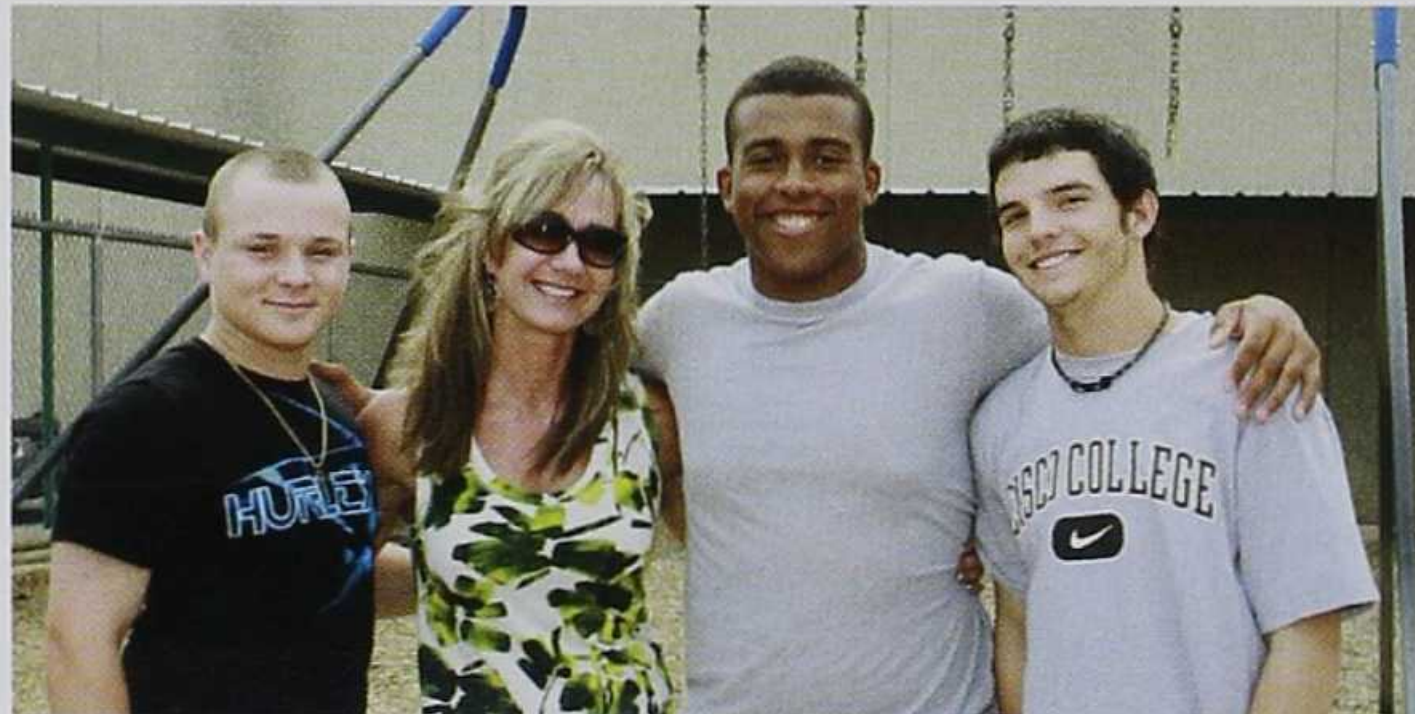

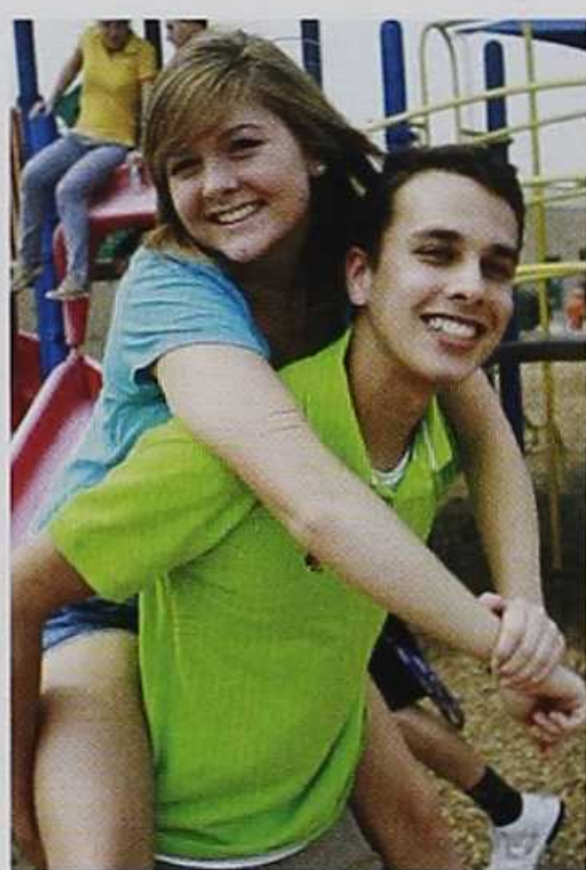

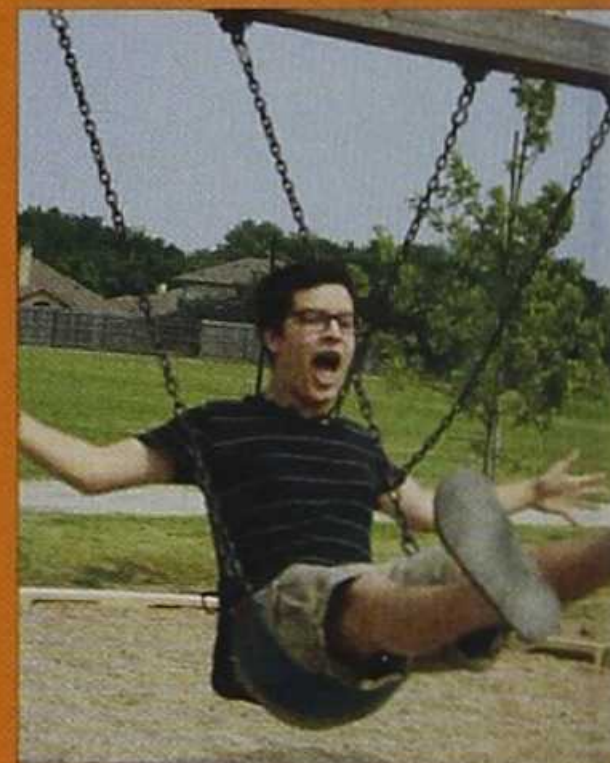

13 Year Seniors

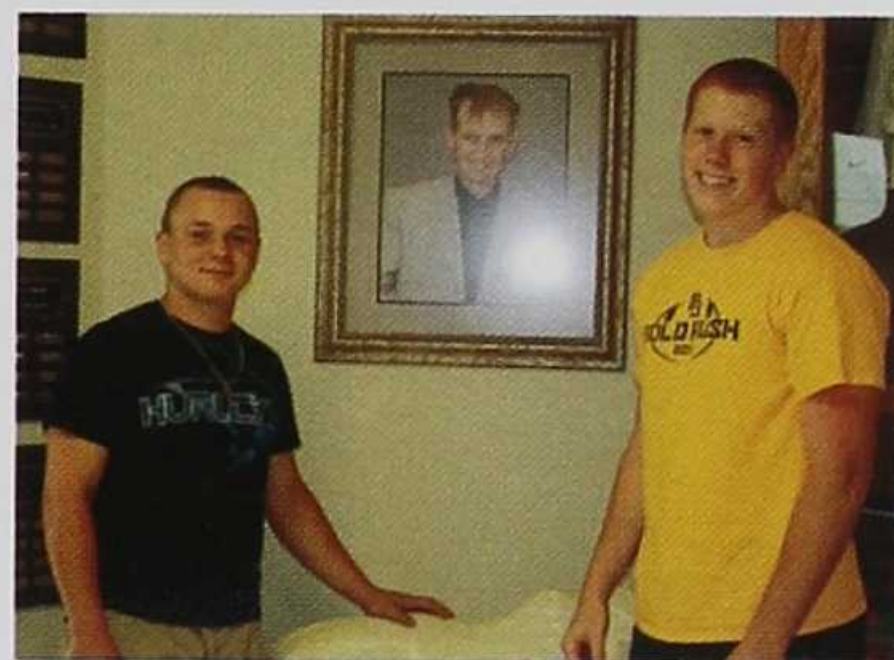

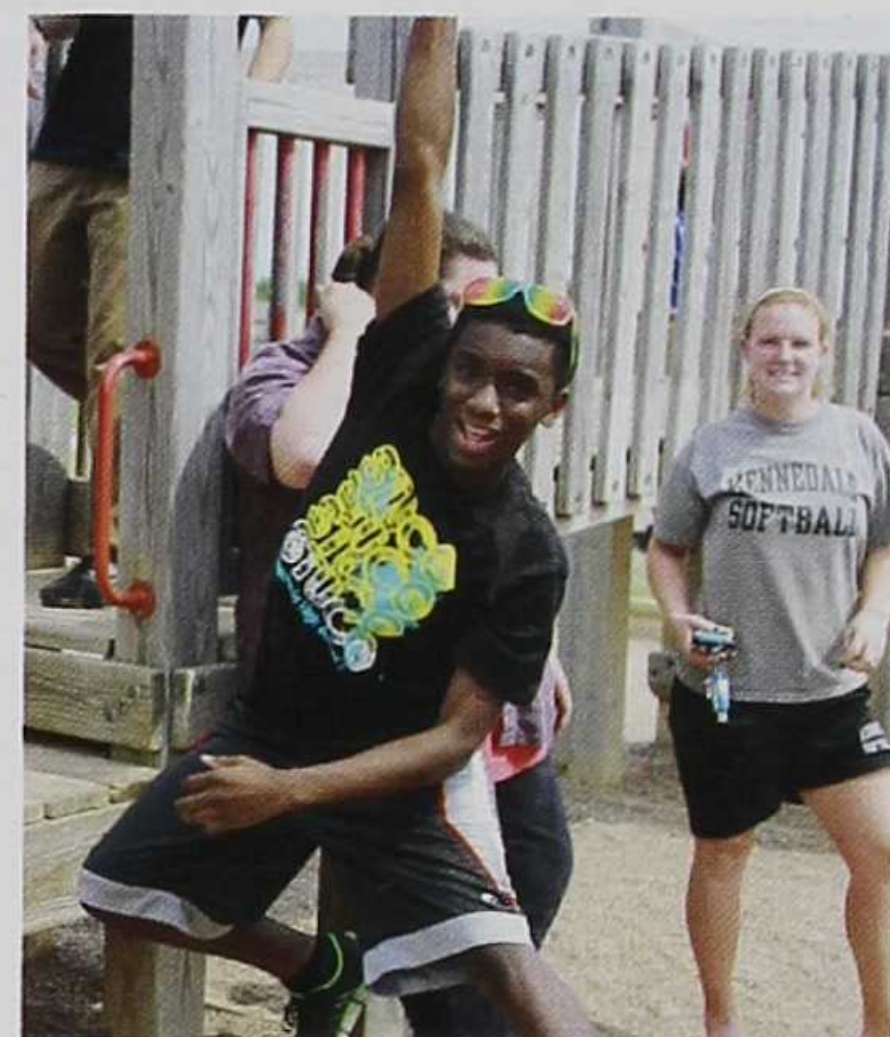

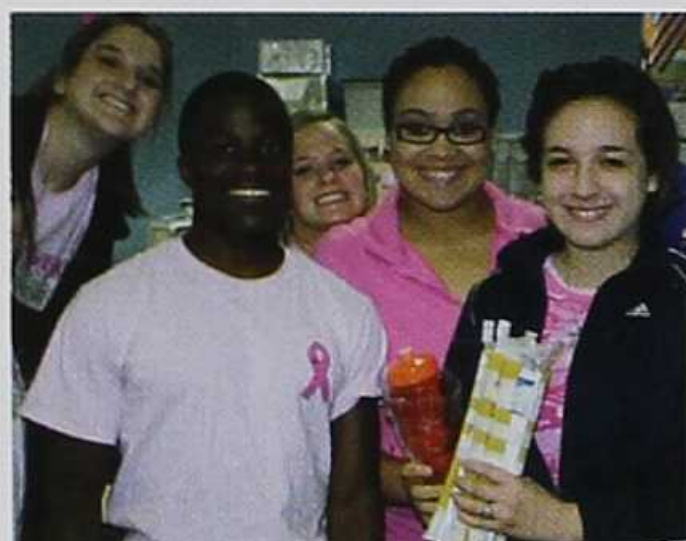

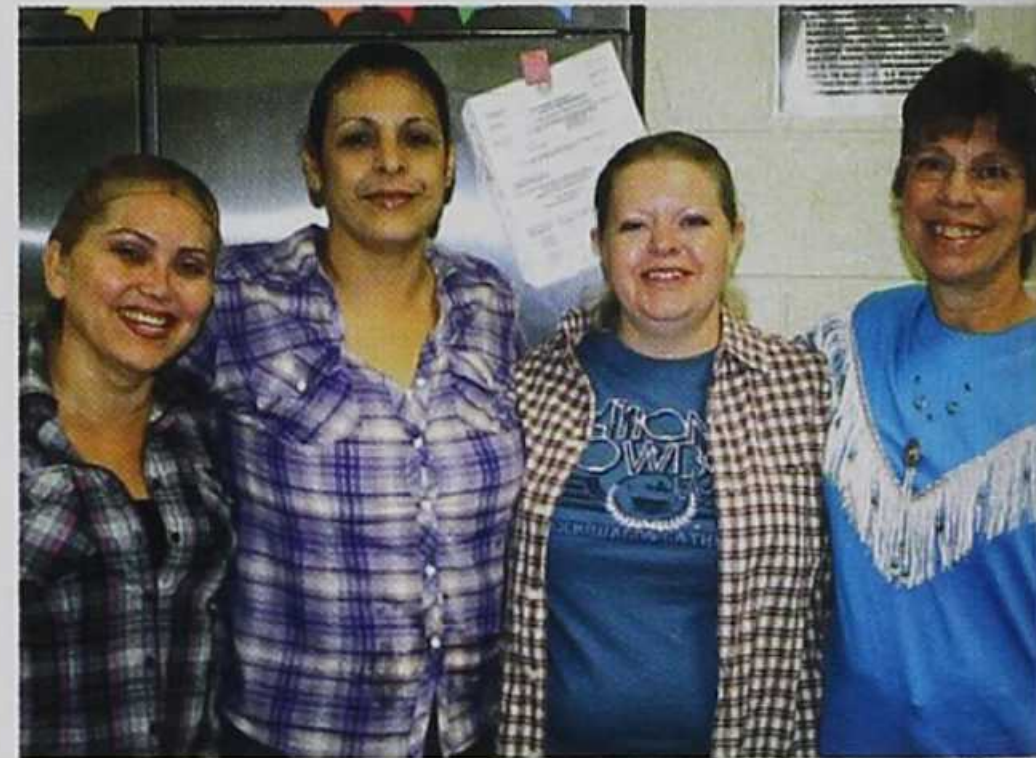

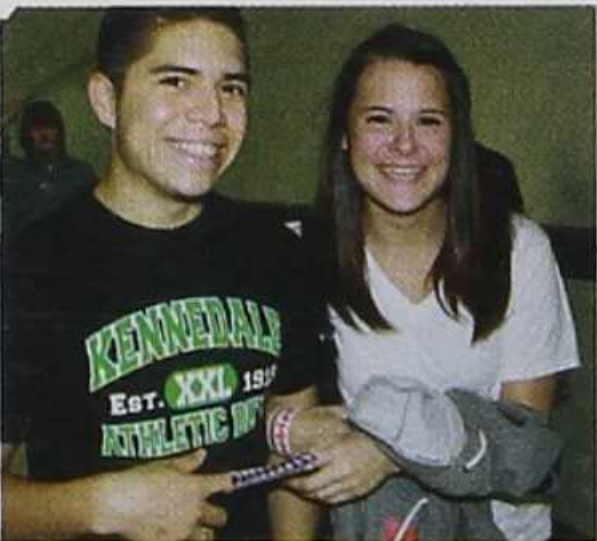

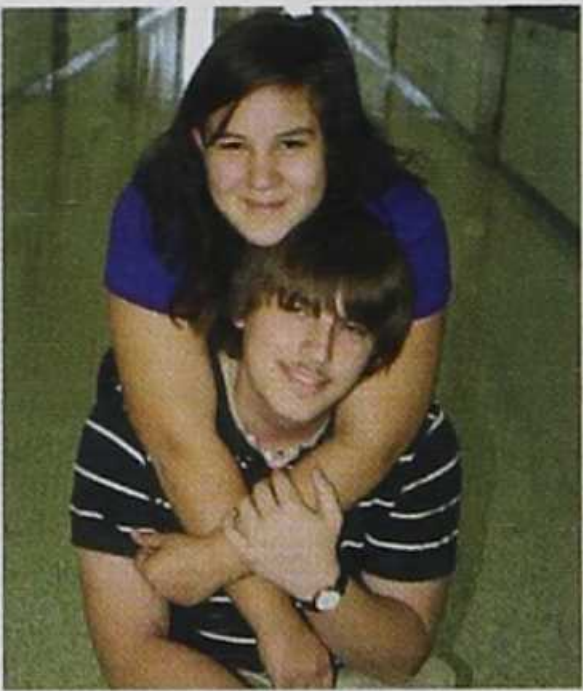

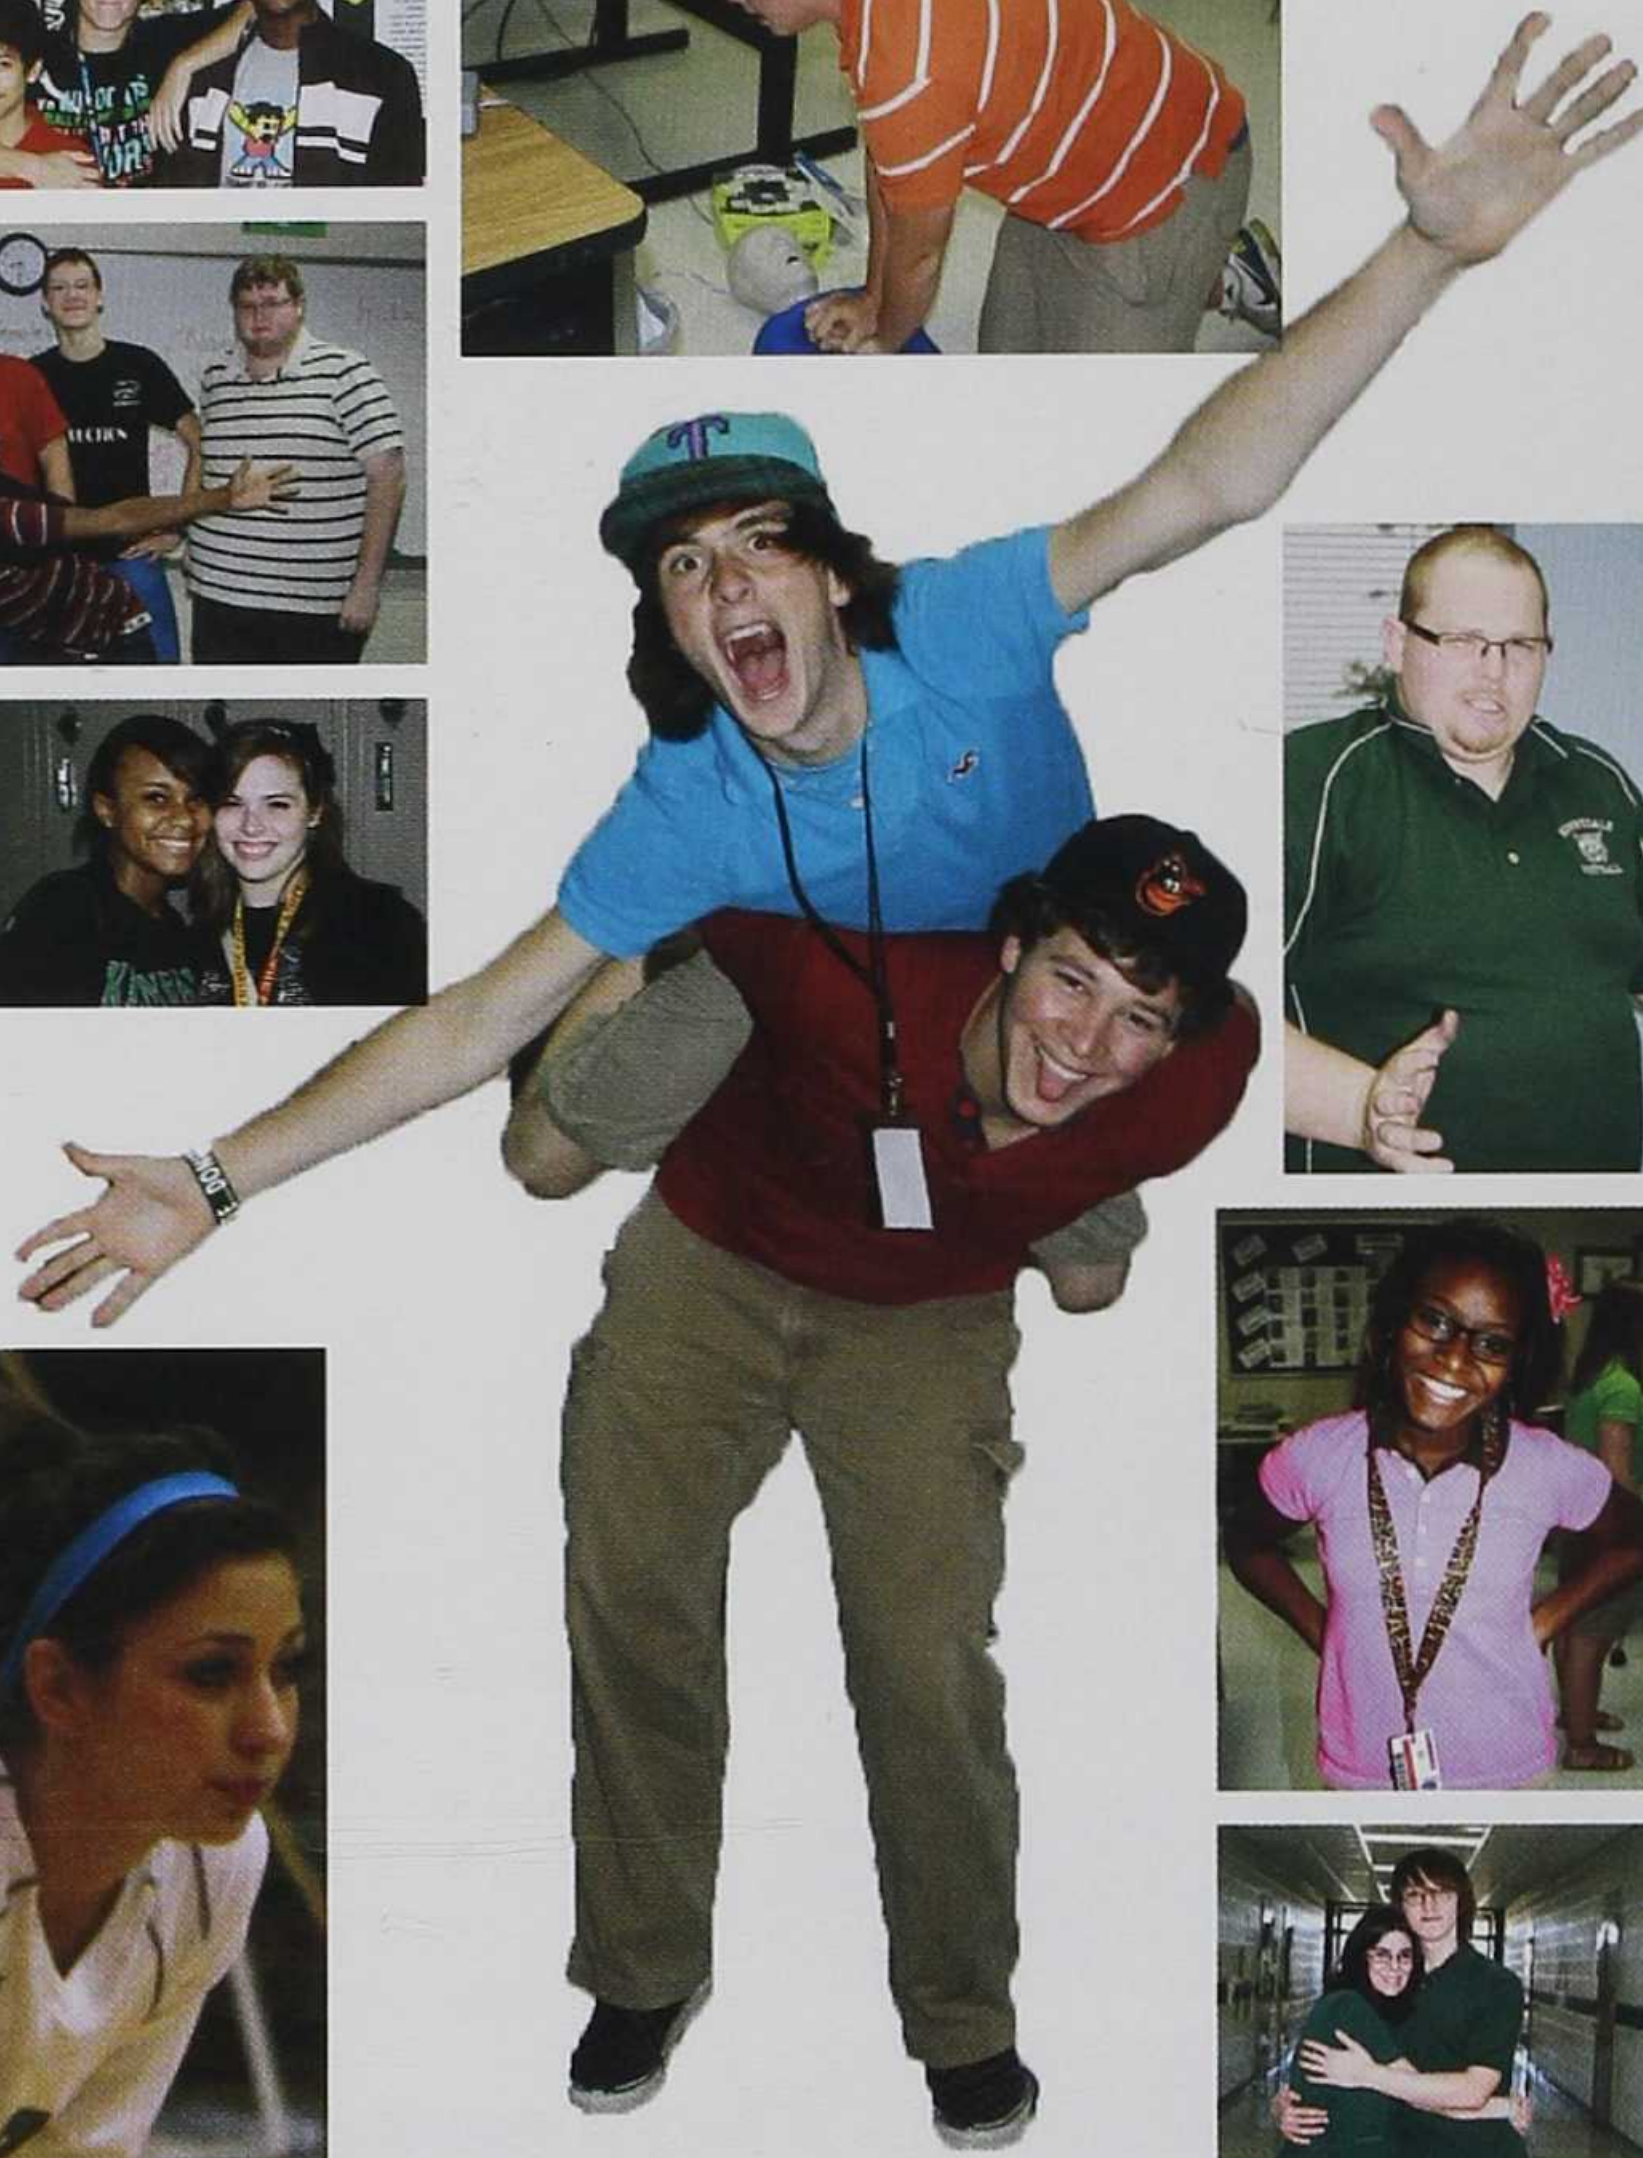

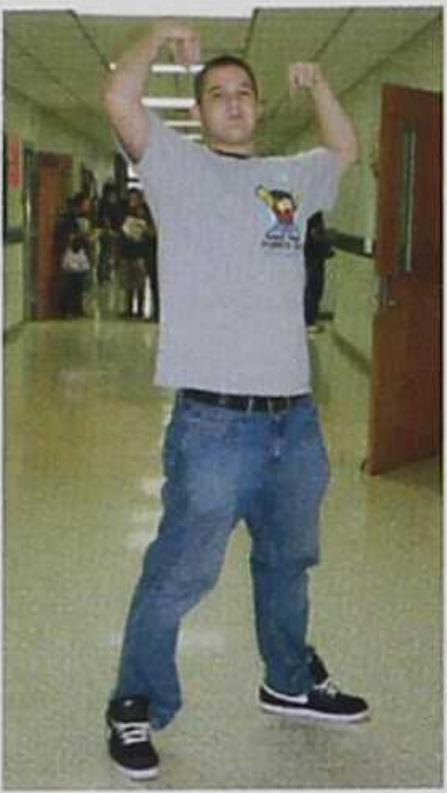

From learning their A,B, C's to preparing for semester exams, these 13 year seniors have seen it all. This was the first class to combine the two separate primary schools into one sixth grade class, which built a bridge between the gap that kept them apart. This group of seniors has shown us that no matter who you are, or where you come from, you are always somebody.

A Night With The Stars...

This year, Kennedale High School was proud to host prom at the Dallas Cowboys Stadium for the first time in Kennedale history. Students brought not only their best dress attire, but their best dance moves, too. Prom was a huge success and was something everyone looked forward to. It was truly an unforgettable night with the stars.

Football

Endeavor to Persevere!

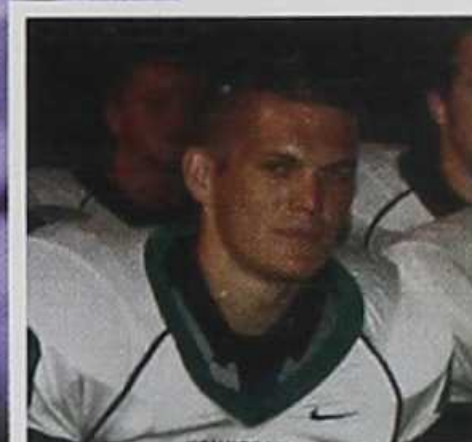

For the tenth year in a row, Kennedale High School's football team made it to the play-offs! Led by Athletic Director, Richard Barrett, and his full coaching staff, the Wildcats pushed through to the second rounds of play offs. The season stayed consistent with wins left and right. This year the seniors were a group of athletes who were dedicated and hard working. They pushed the other players to reach their full potential. They set a standard for future players.

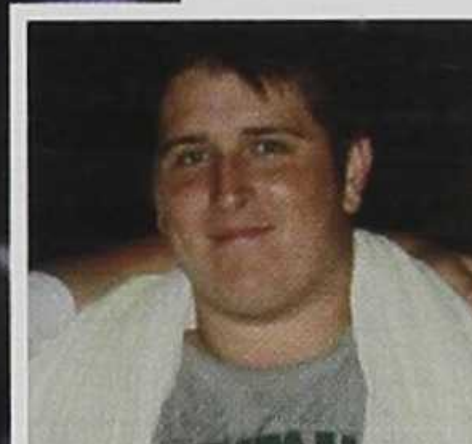

Corey Taylor
 " Hard working,
 dependable, athletic,
 anchor of the
 offensive line."

Bo Burgess
 " Co-Offensive MVP
 of 8AAA, fast,
 quick, tough,
 relentless."

Garrett Young
 " Big, strong,
 constant, steady,
 punishing blocker."

**Brandon
 Blanchard**
 " Intelligent, great
 hands, athletic,
 called defensive
 signals, good
 explosion."

- Coach Barrett

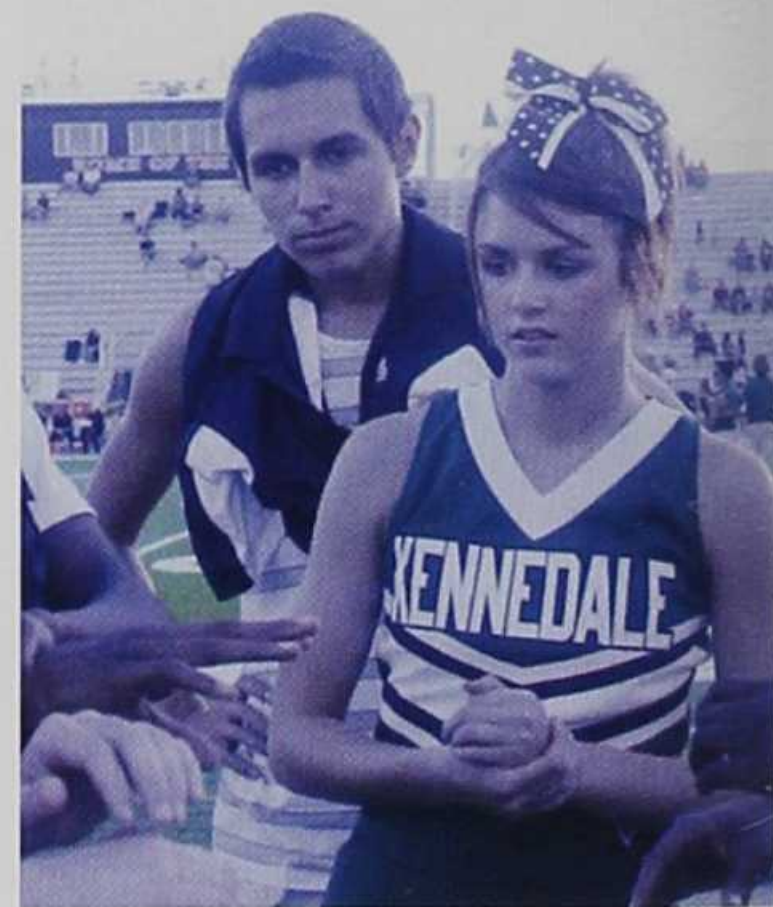

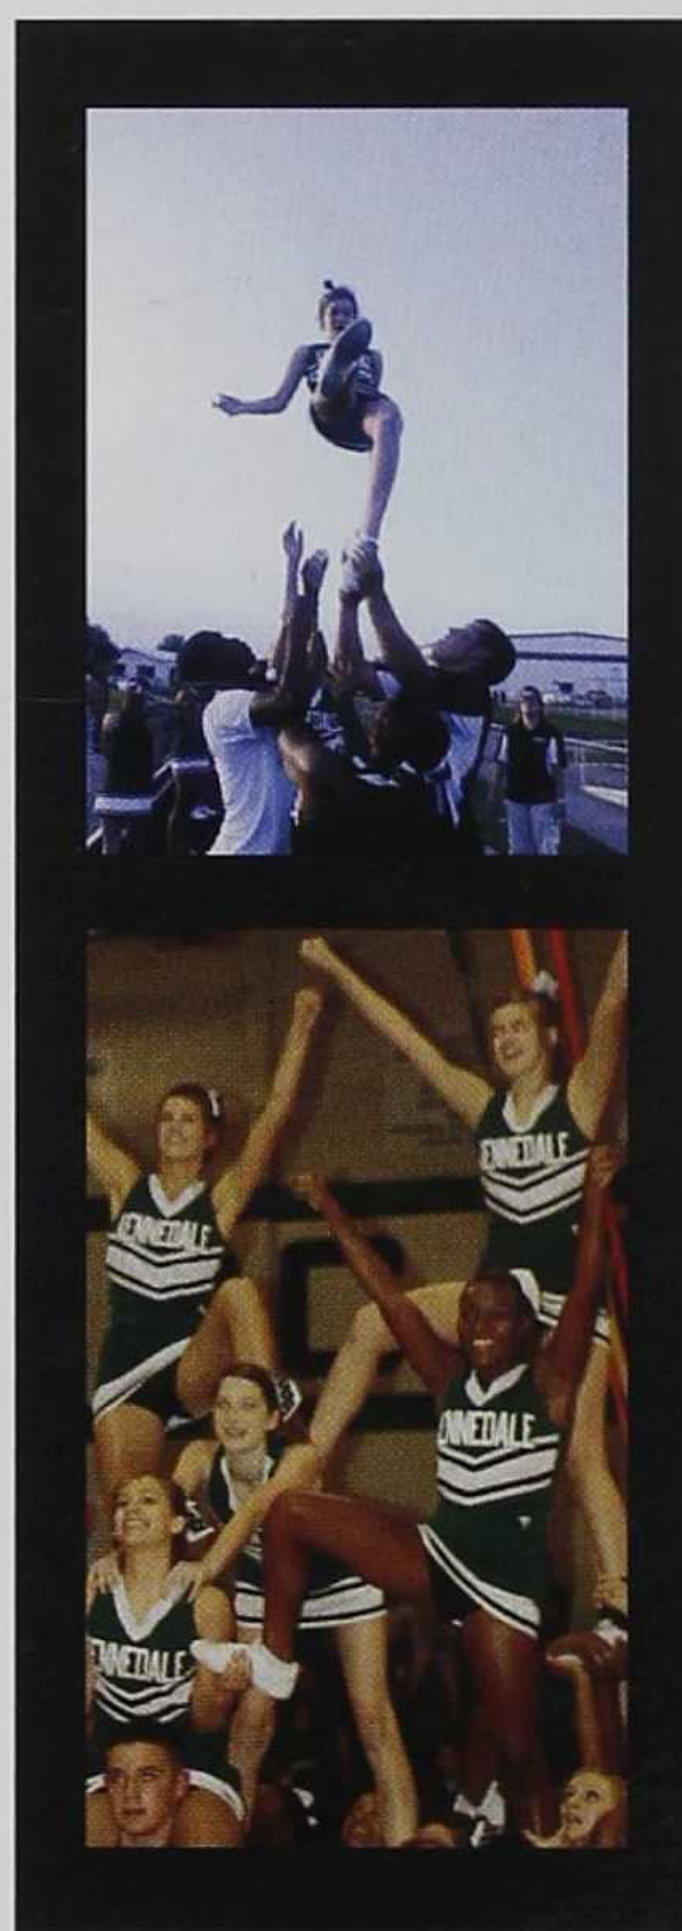

Cheerleading

Kennedale You Know

Kennedale's Varsity and JV cheer squads had a very busy year. Carlie Blackburn, Regan Hunt, Chasmin Jenkins and Josselynn Thomas were varsity members named to NCA's All American Team as well as Amber Bishop, Courtney Doyle, Katelynn Dunham, Anali McLaughlin, Jazzy Owens, Daniela Ramirez and Robyn Rutter. Anali was awarded with the highest points of the entire camp. Several of the girls performed in Disney's Christmas Extravaganza which aired on ABC, Christmas morning. Soon after Disney, came NCA Nationals in January. Basketball season took the girls all the way into playoff season with the Varsity squad headed to Lubbock for a great trip cheering on the KHS LadyKats. This year was what we hope to be the beginning of a long standing tradition of Kennedale Stuntmen. These are male athletes who join the cheerleaders on the field, court and at pep rallies to help build stunts and pyramids and run the flag at football games.

"Carlie Blackburn served as an amazing captain for this year's squad. She created, cleaned, organized, polished, mediated, laughed, cried, and dreamt about cheerleading. She cheered for the Wildcats for KJHS and KHS. The squad was blessed by her leadership."

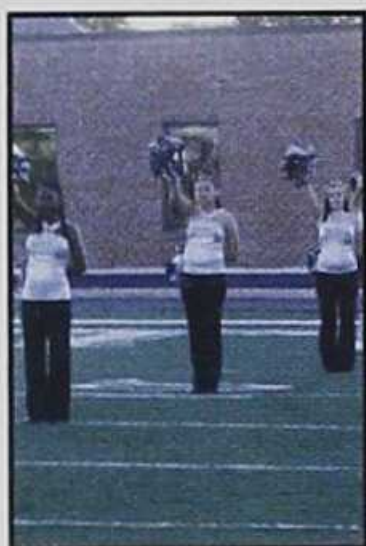

"Chasmin Jenkins packed a whole bunch of power in a tiny body! She had one of the best toe touches Kennedale has seen. Chasmin started cheering for the Wildcats in 8th grade. Chasmin will be cheering in college at Praire View A&M University."

-Barbara Johnston

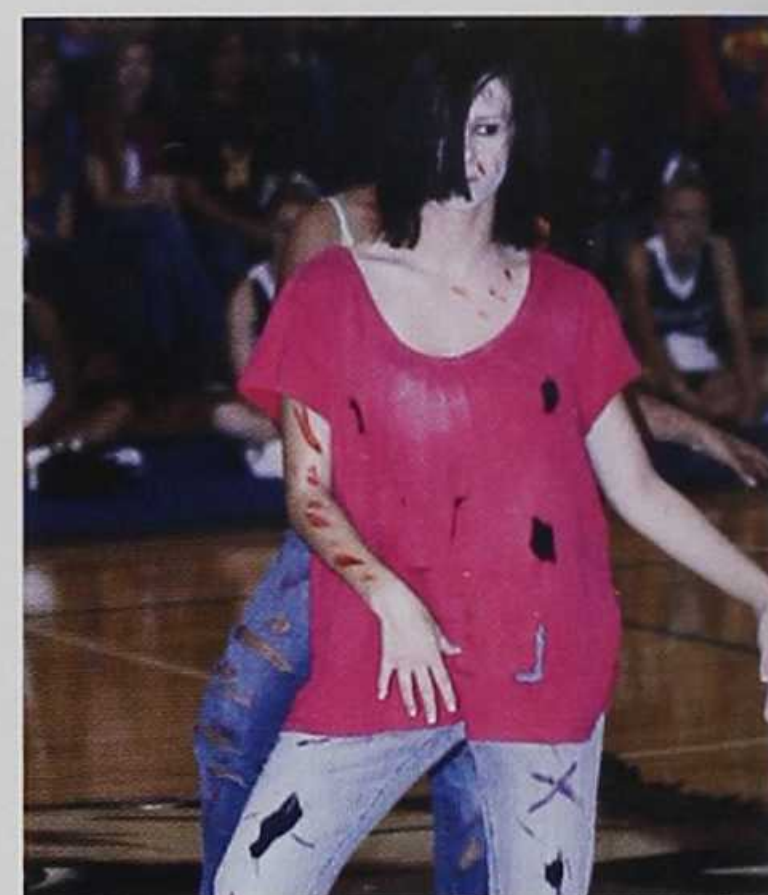

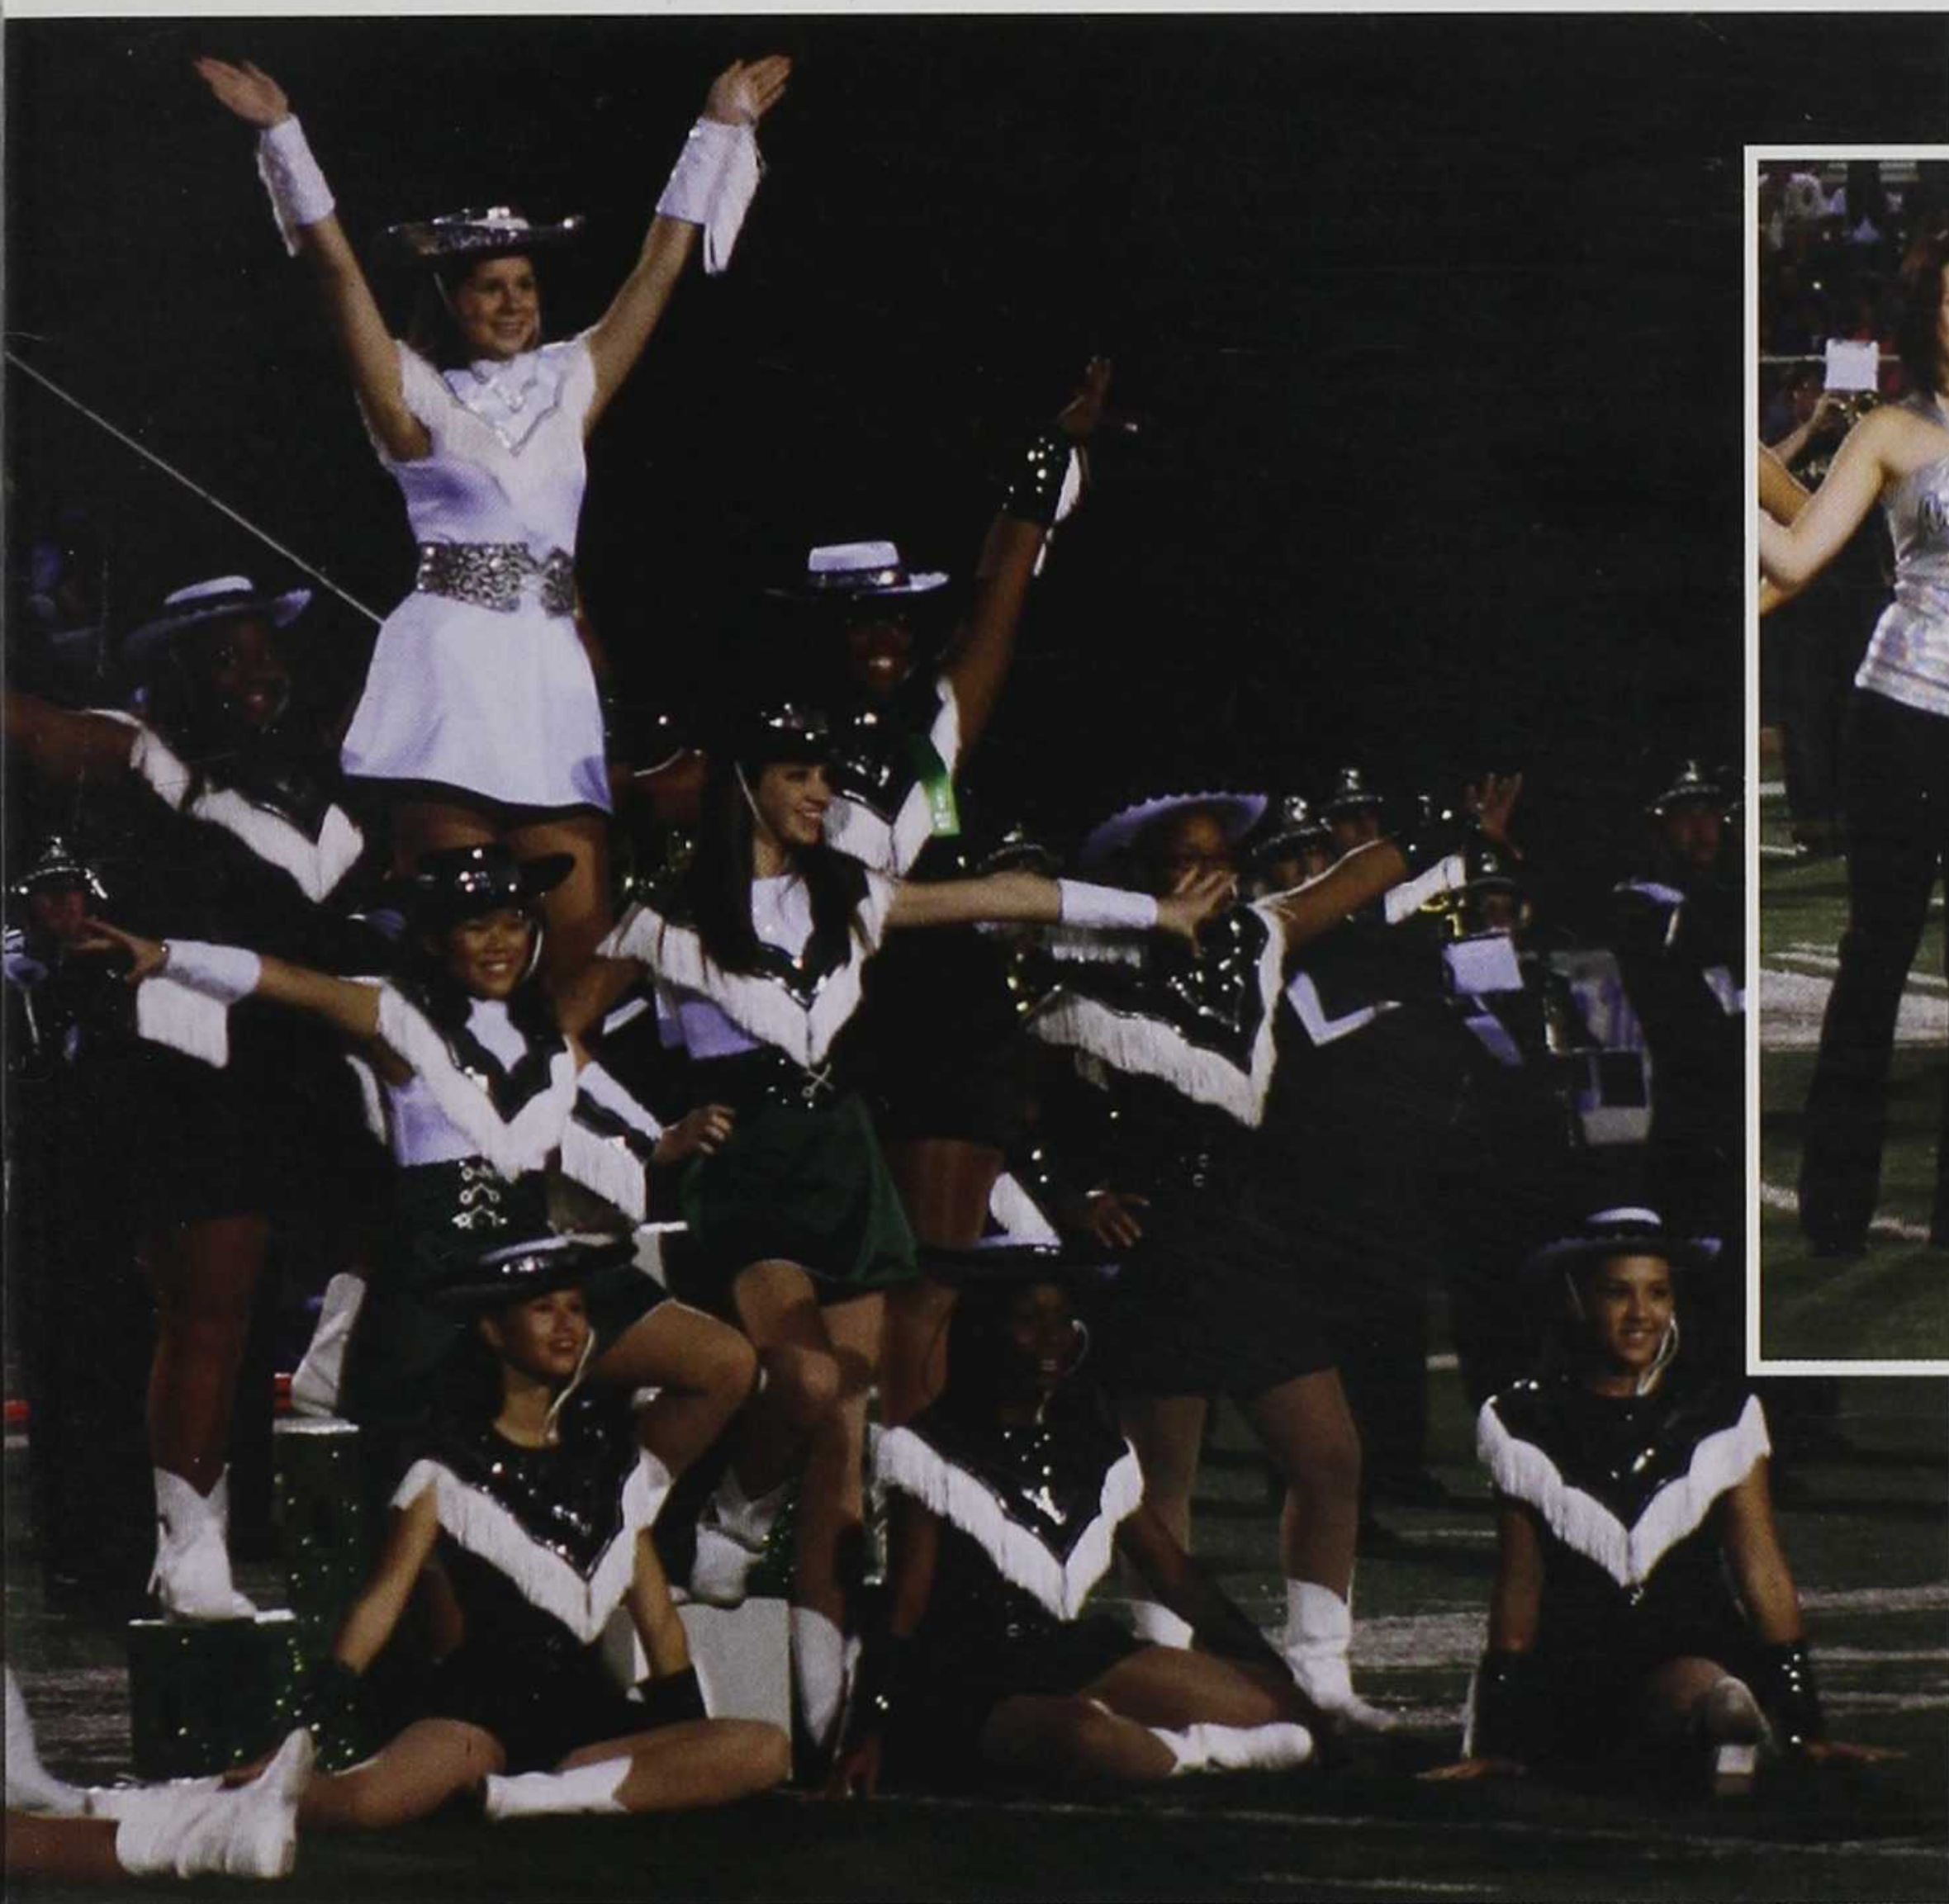

Drill Team

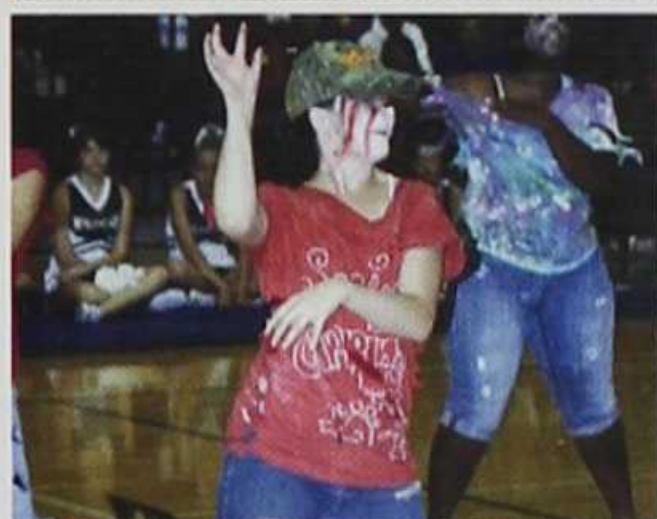

Just Dance!

The Aristokats did a great job performing at all the football and basketball games. Not only do these ladies support the teams, they also give back to the community. They performed at the Southern Railroad benefit concert and hosted a dance camp where they taught younger girls a routine that was later performed at a basketball game. Kudos to Sophomore Kelsey Dehnel for making it to solo finalist at the American Drill Team Competition. "Drill Team Baby, You Know!"

"Lillie Greathouse did an outstanding job as captain. I really appreciate all of her hard work this year."
-Victoria Hatcher

DANCE! DANCE! DANCE! DANCE! DANCE! DANCE!

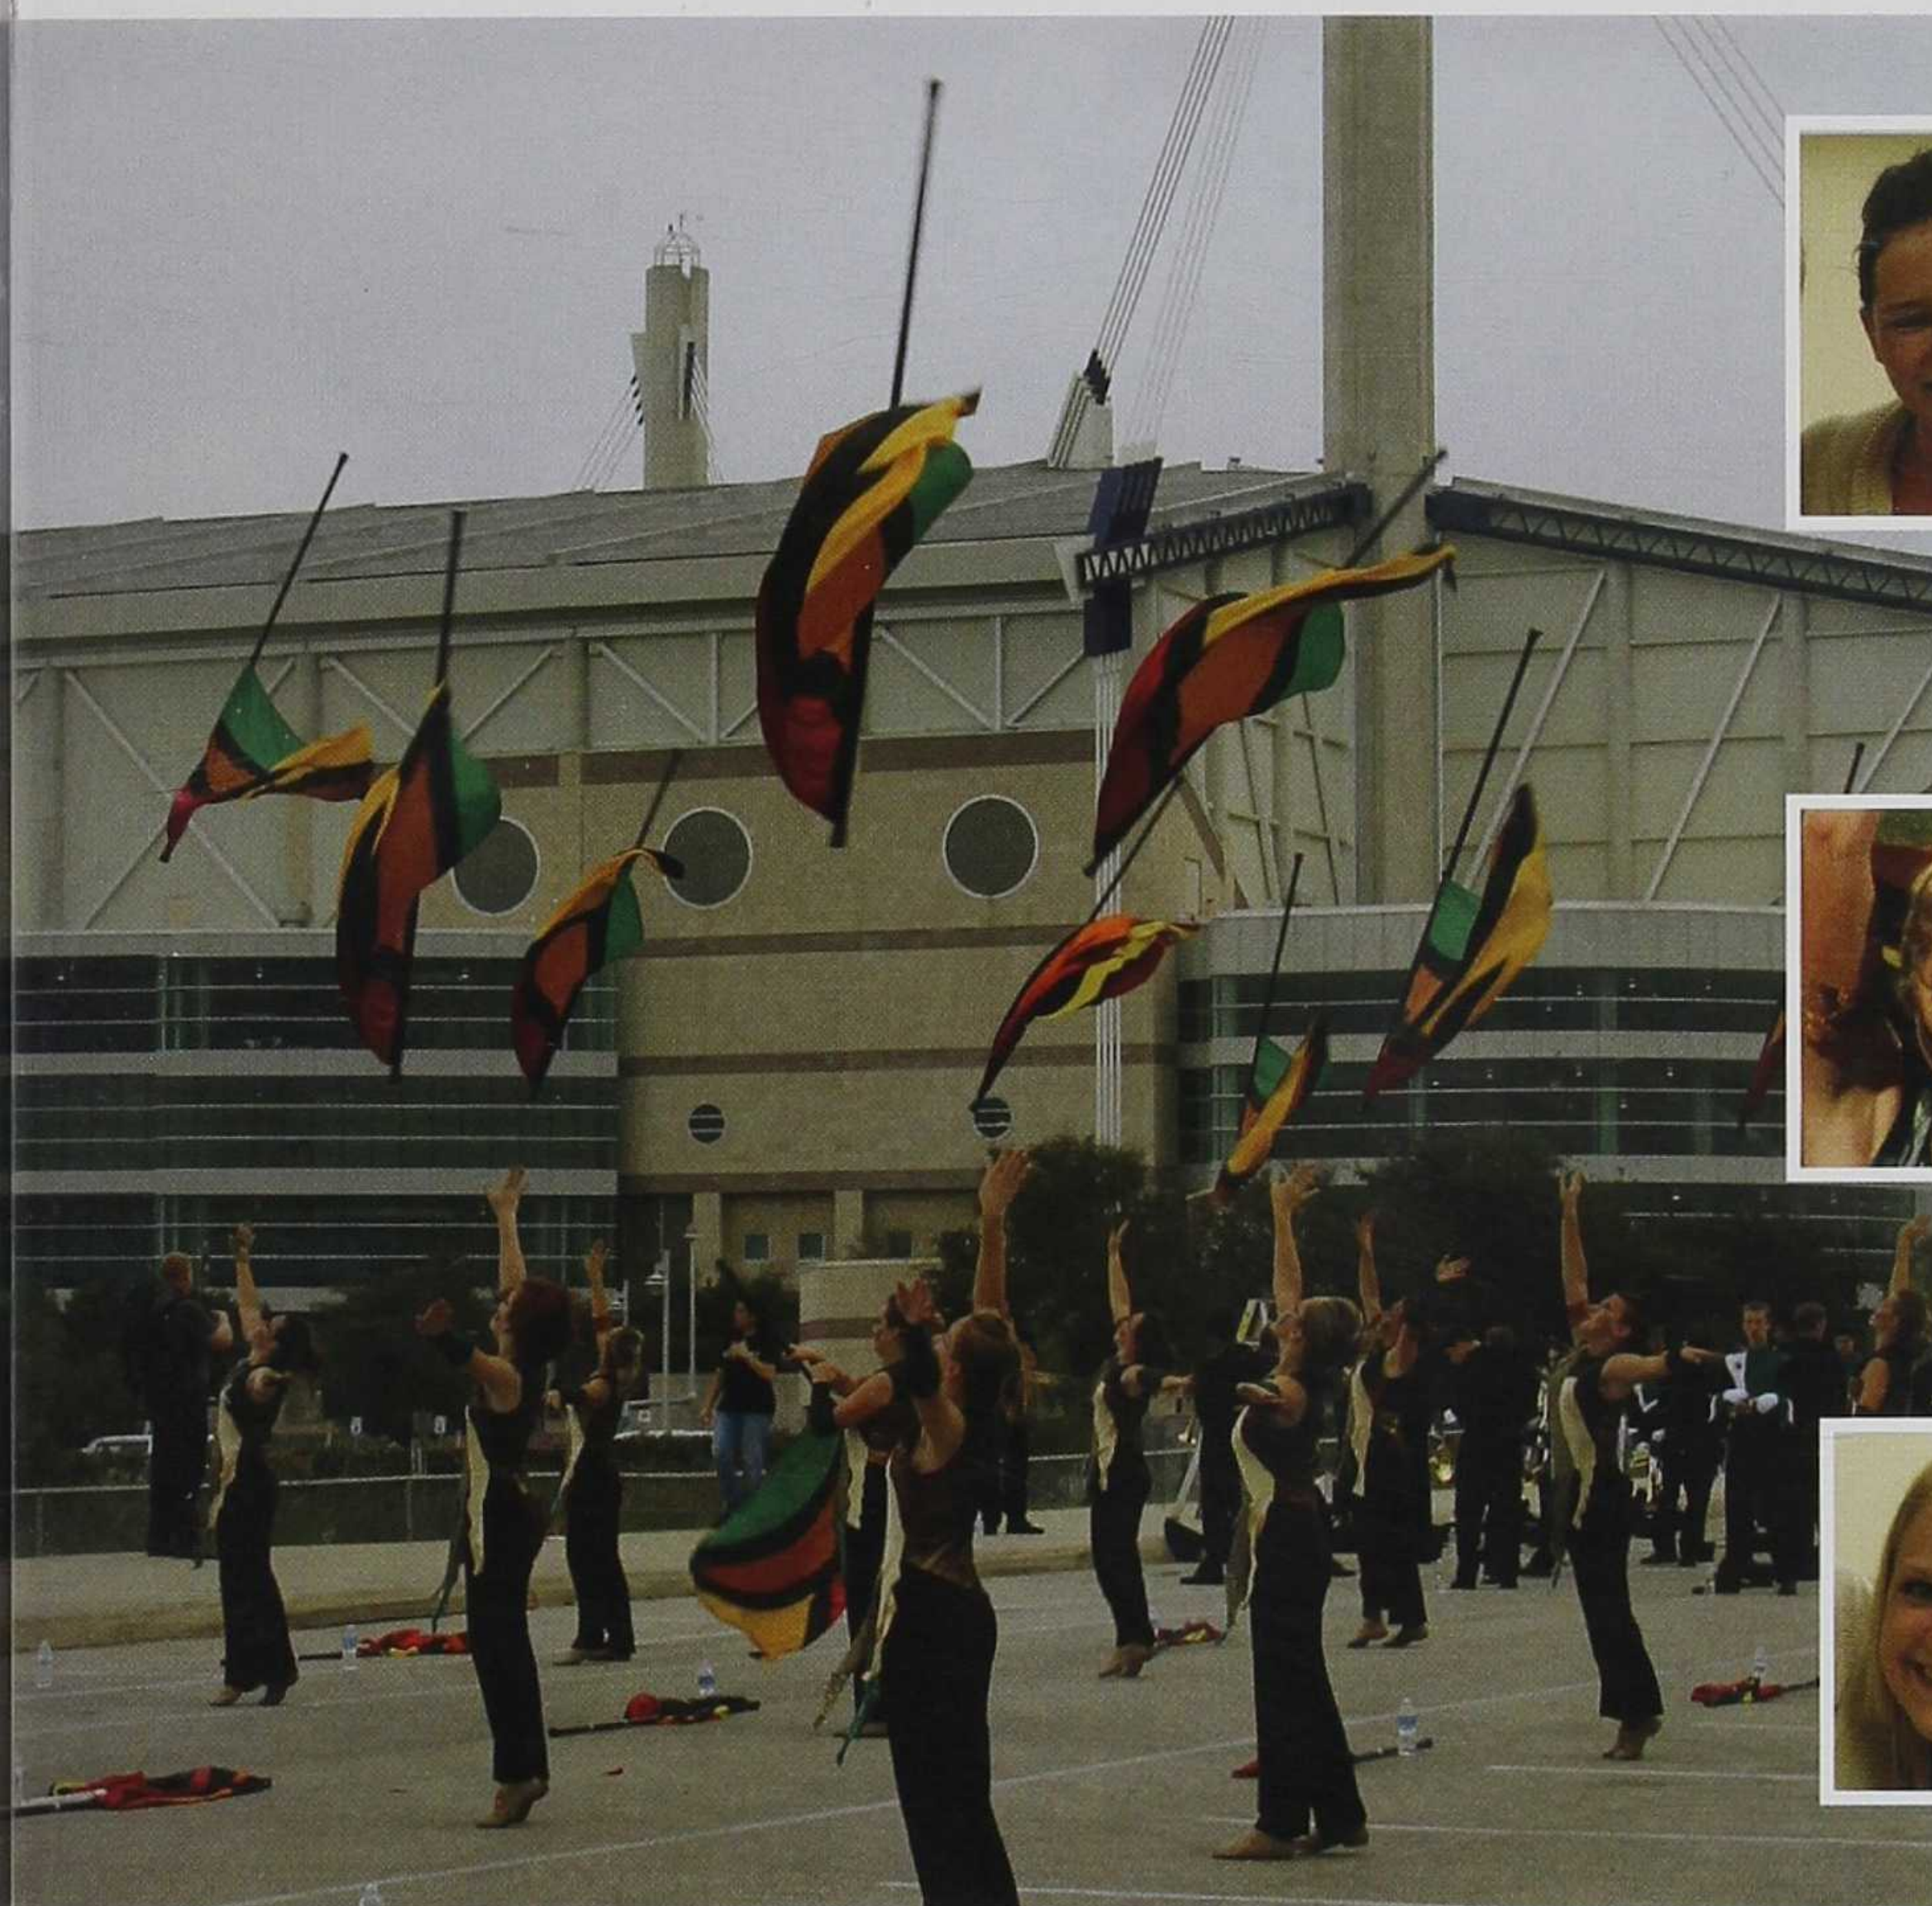

Color Guard

Raise the Flag!

Color Guard had an outstanding season this year. Instructor Jessi Harrell and captain Chelsea Pennington were always there supporting the group and teaching them the wonderfully choreographed routines. This group of talented ladies worked very hard to add color and action to the Wildcat Marching Band's halftime show. They gave it their all as they used the coordination and emotion to help the marching band earn the title of 12th best band in the state!

"As the guard girls say, our Color Guard captain **Chelsea Pennington** is "Beast" when it comes to guard talent. She has set the standard of excellence for our band that we will always aim for in the future. I am honored to have had a young lady with such genuine and kindhearted soul in my life."

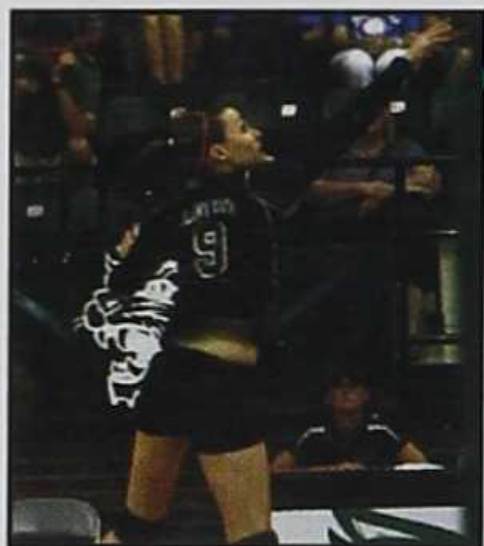

"**Jessie Combs** is an amazing person with a style and spark all her own. She left an impression in our lives that will last forever."

"**Kody Wolford** would remind me daily, "Mr.Oktay, you're my favorite." Her smile and cheerful spirit will always be a favorite memory of mine."

-Erol Oktay

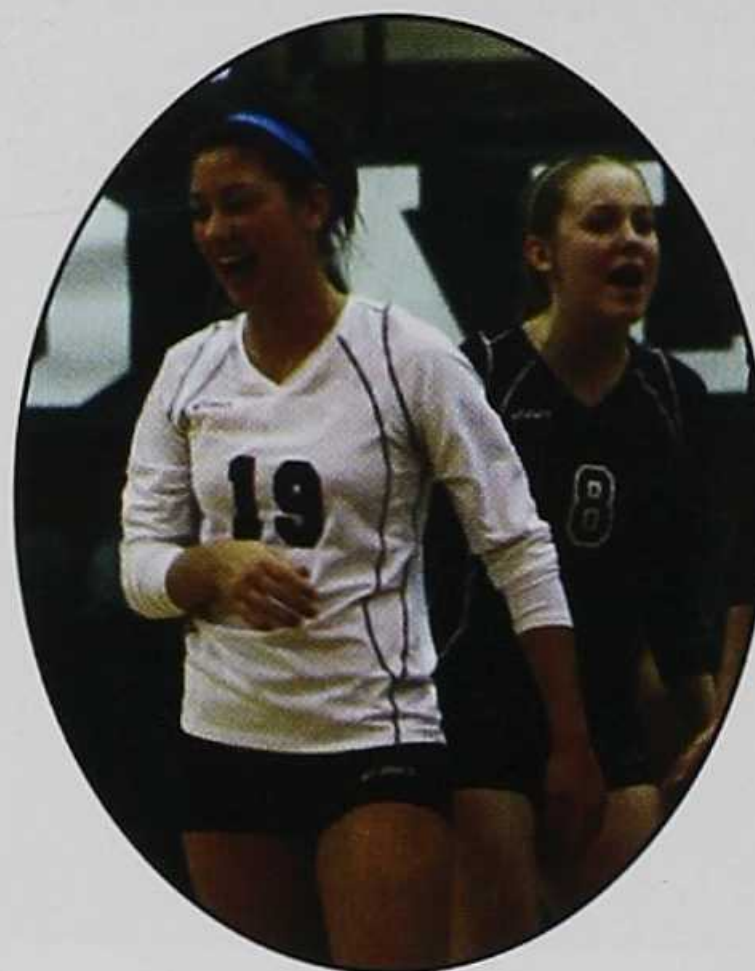

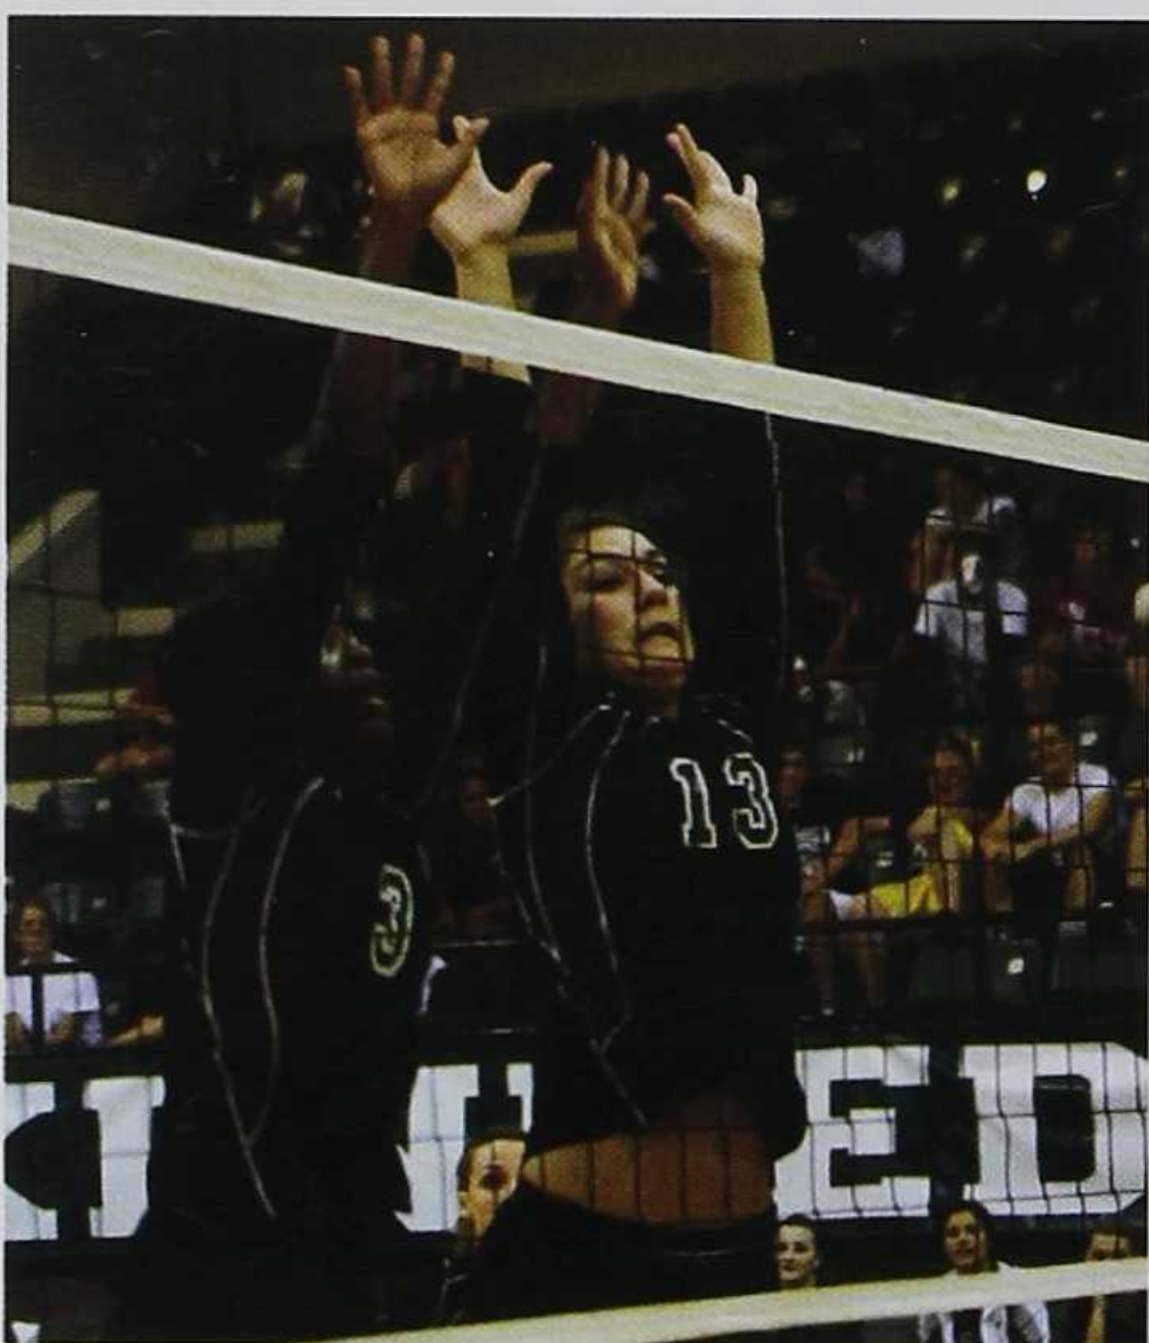

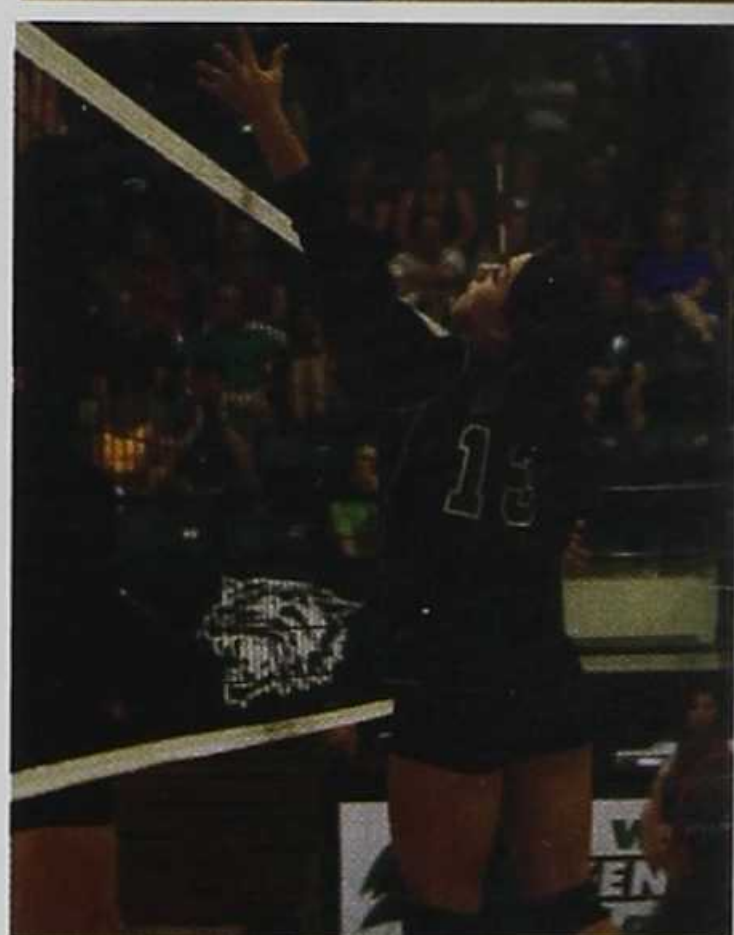

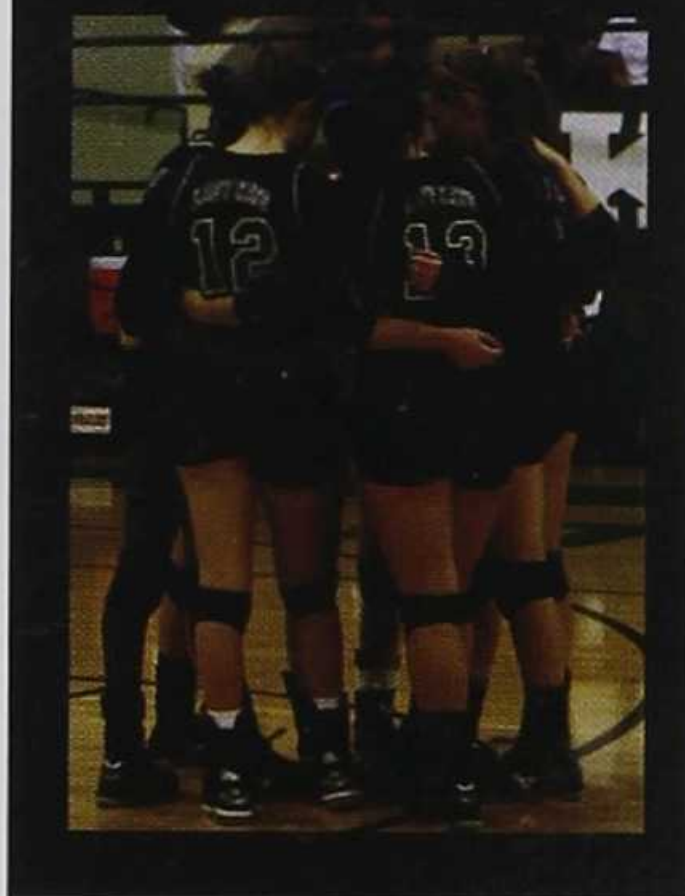

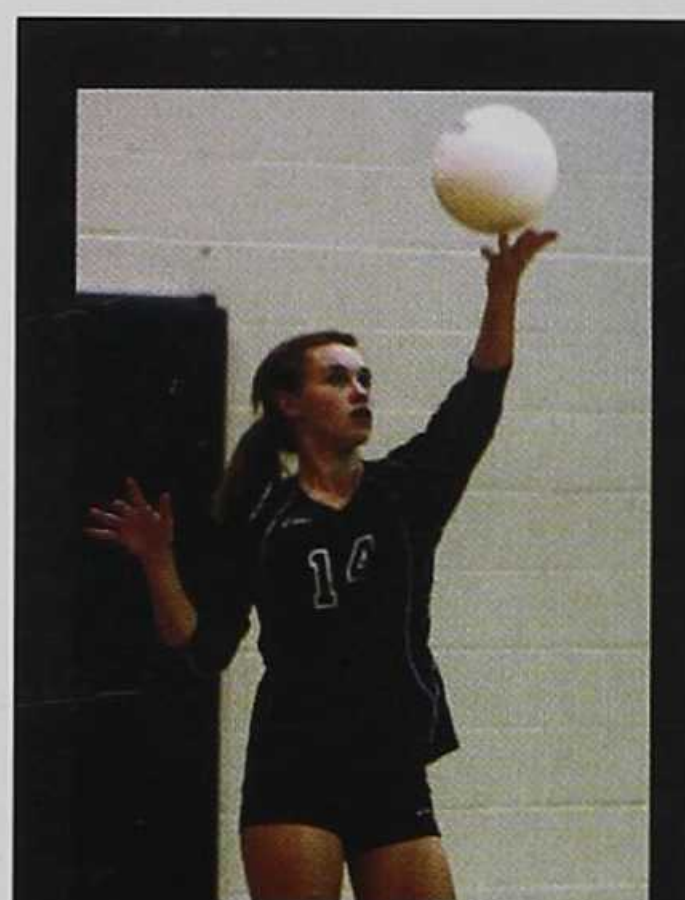

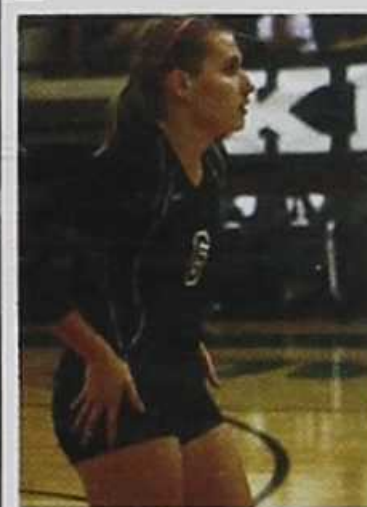

Volleyball

Believe

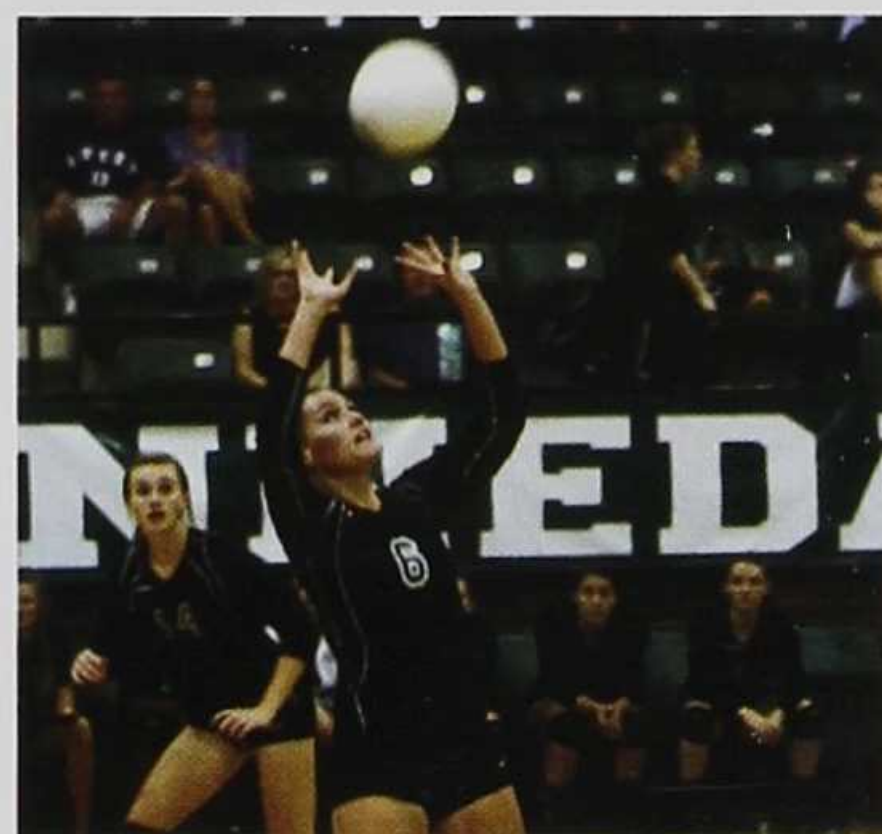

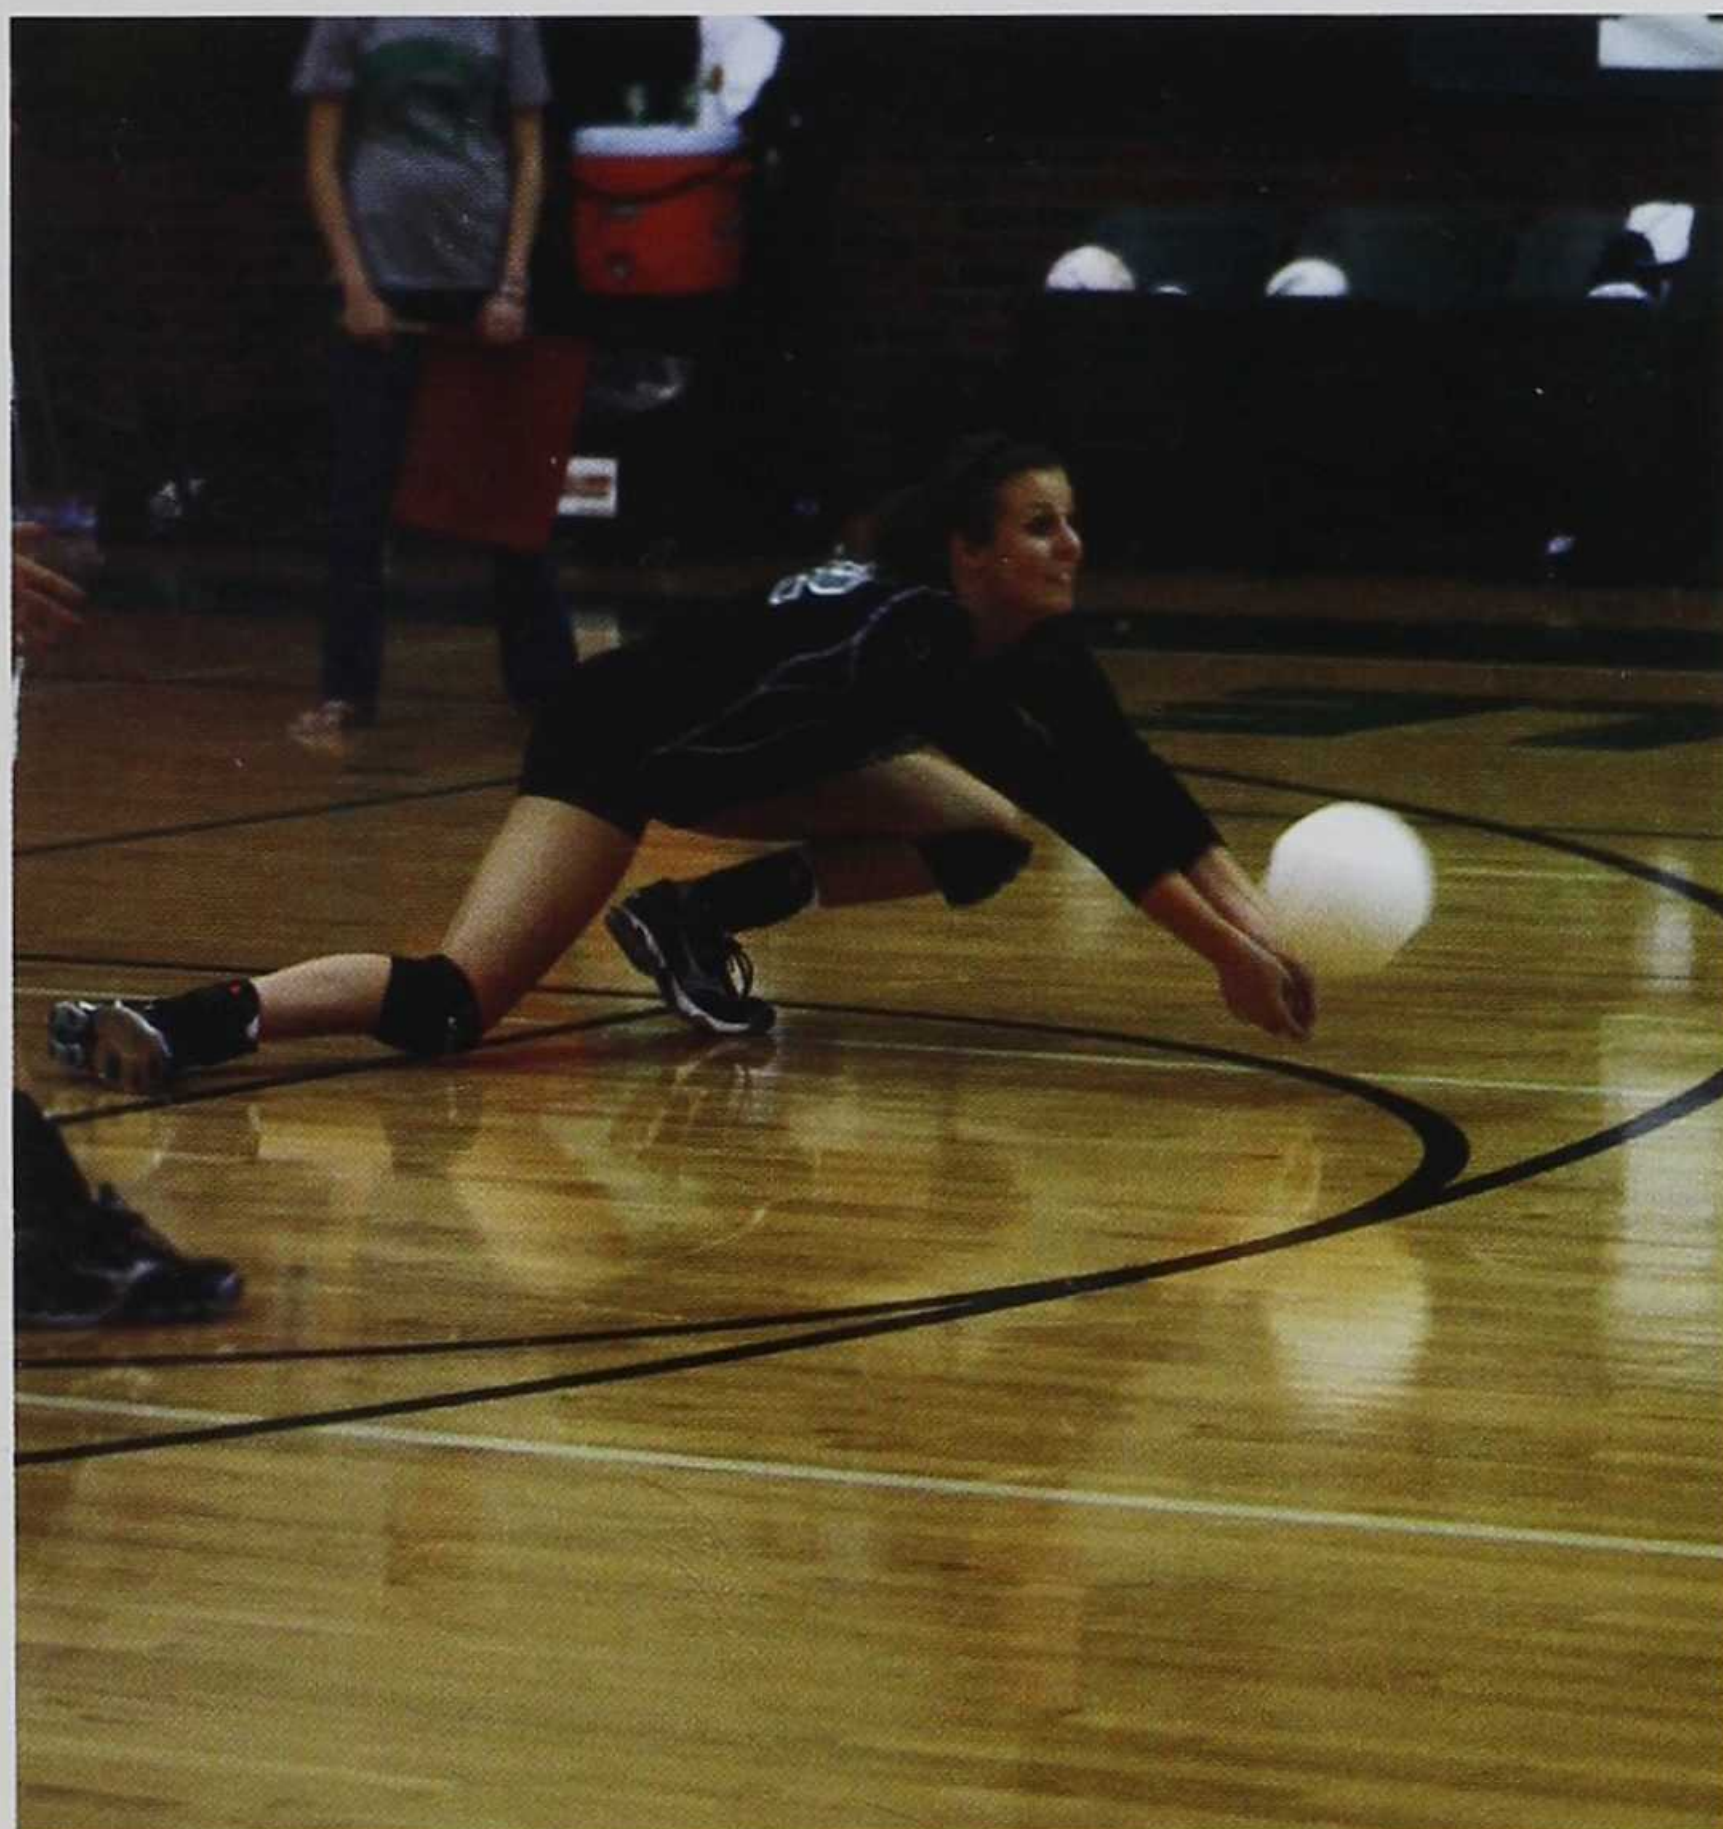

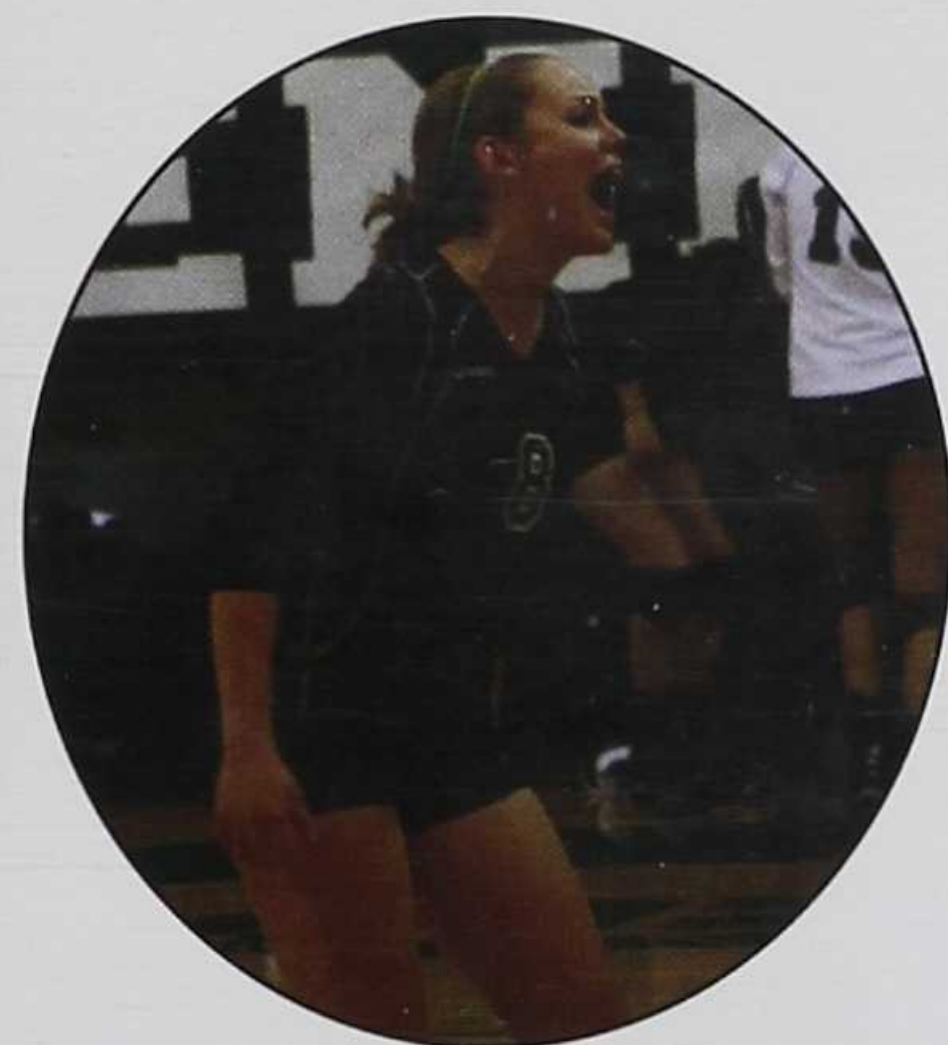

After a very successful year, our Lady Kat Volleyball team, led by Coach Kim Padgett, finished as district champs once again. The girls fought hard against Vernon, beating them and then moving into the next round. Our Lady Kats finished district with a record of 9-1! Seniors Kelly Jurchison and Cassie Cleere lead the girls through this outstanding season. Way to go Lady Kats!

"Hard working and dedicated teammates, Seniors **Kelly Jurchison** and **Cassie Cleere**, were set and ready to see the Wildcats advance past district and into the playoffs."

-Coach Kim Padgett

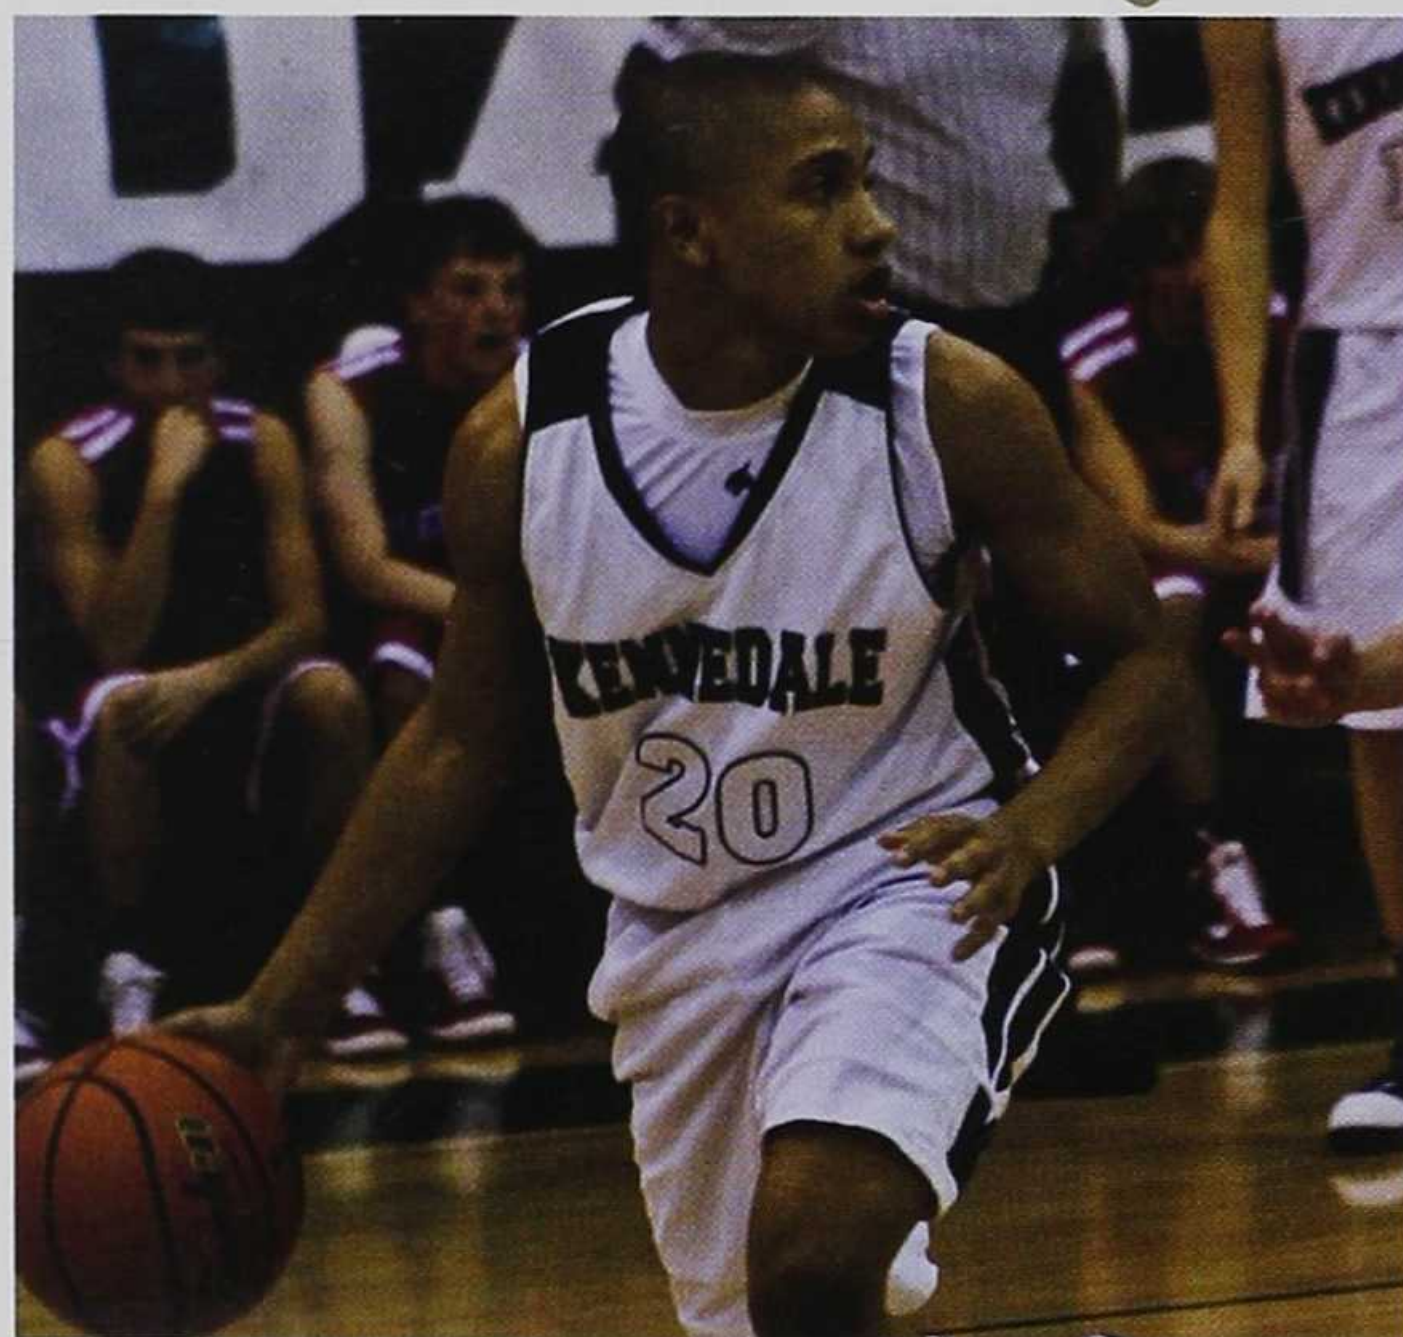

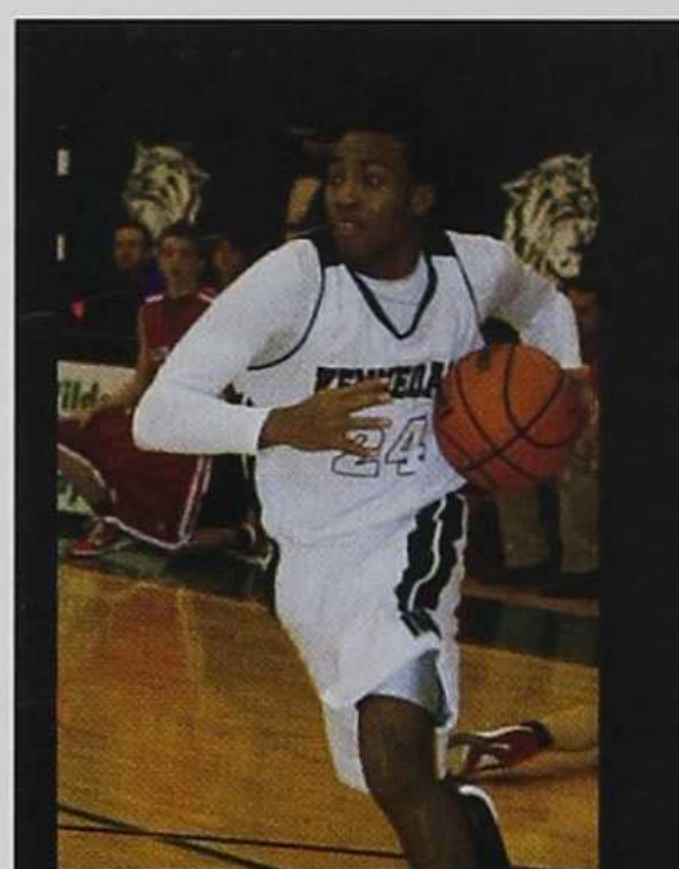

Basketball

T.O.U.C.H.

Togetherness...**O**neness...**U**nity.
Cohesiveness...**H**armony. The
 Wildcat basketball team stayed
 true to their motto as they
 showed skill and determination
 on the court. They started the
 season off strong behind the
 leadership of Seniors Christian
 Bare, Justin Braswell, Michael
 Nelson, AJ Jones, Jaron White,
 Jordan Flowers, Corey Taylor,
 DaJuan Cooper, and Nick Cates.
 The team finished 31-3 in
 District, won the Area
 Championship and moved on to
 Regional Quarterfinals.

DaJuan Cooper-

"DaJuan has shown the leadership skills all great players have. He is truly committed to making the team and himself a success."

Nick Cates-

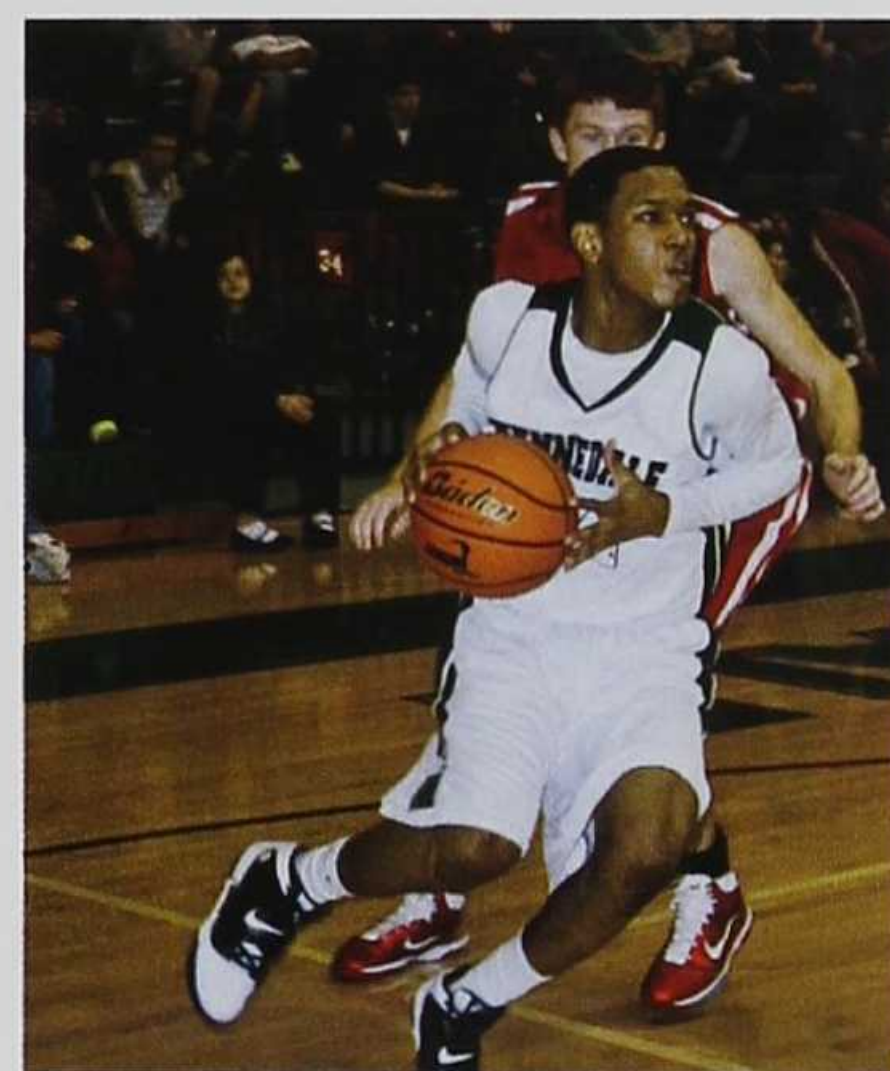

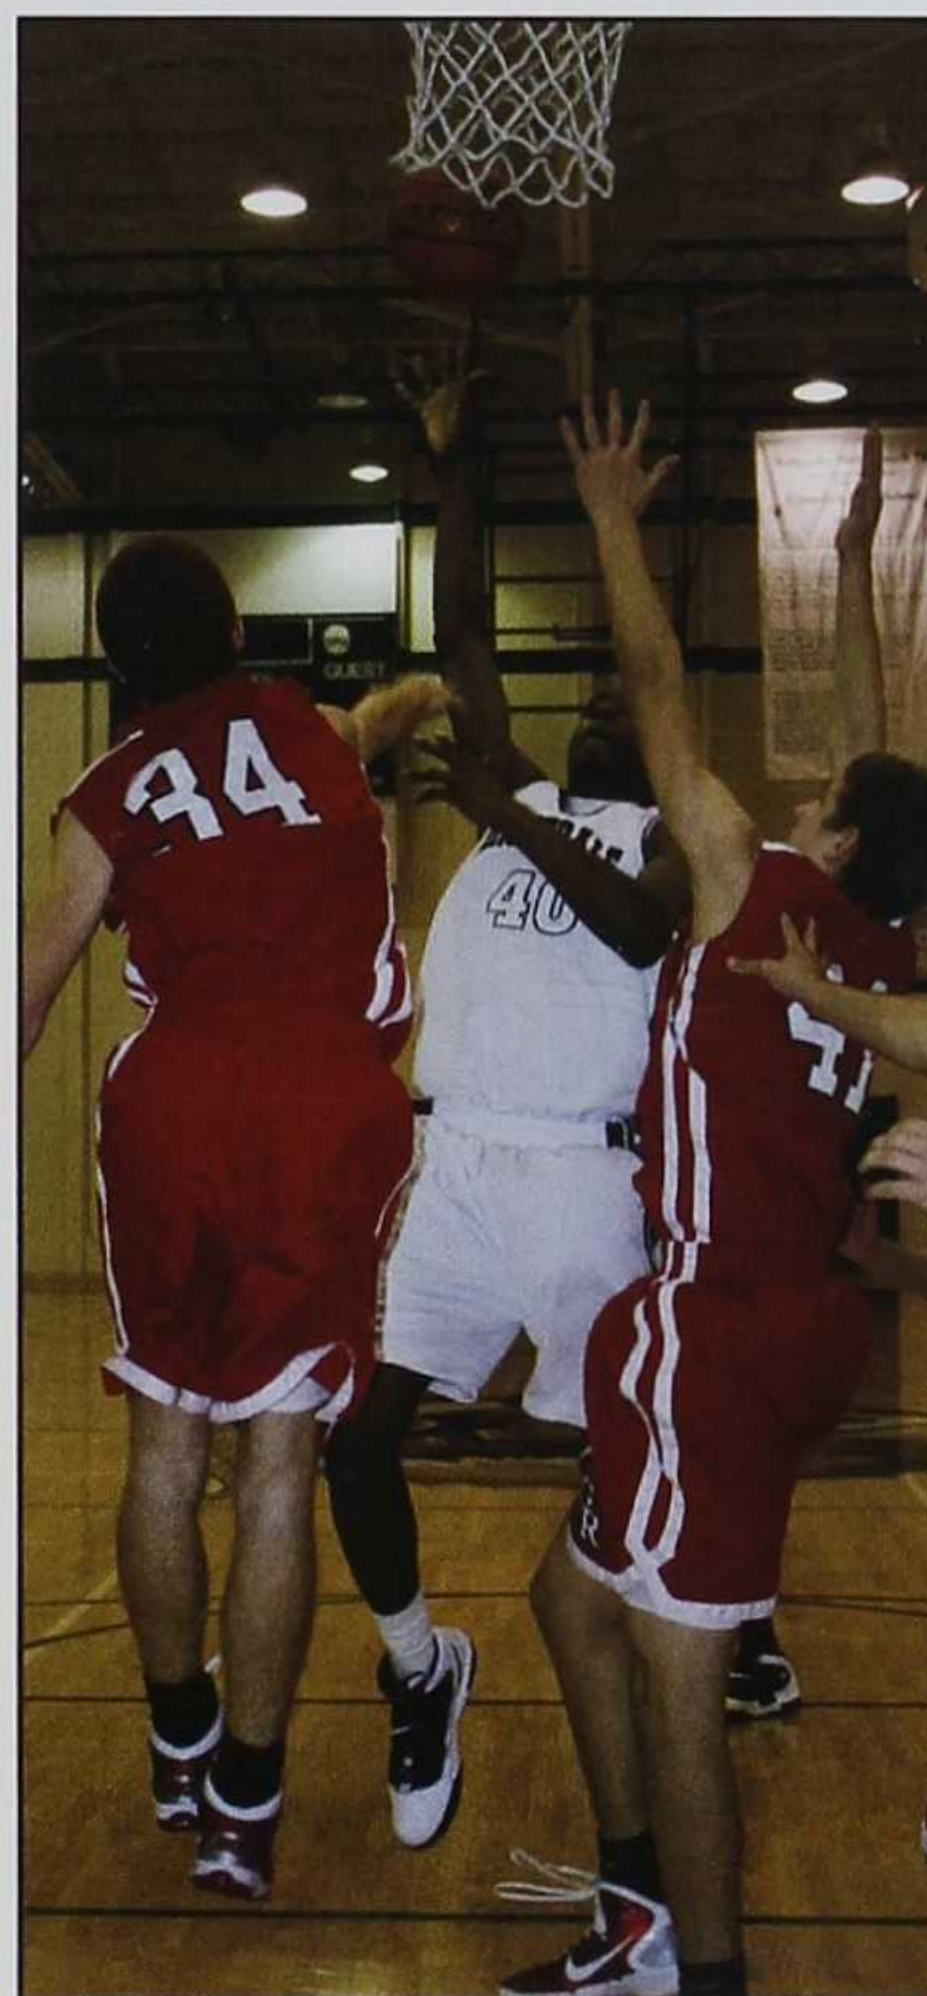

"It has been great to watch Nick over these four years grow into a good person and player. He is so mentally strong and focused on the team goal."

Corey Taylor-

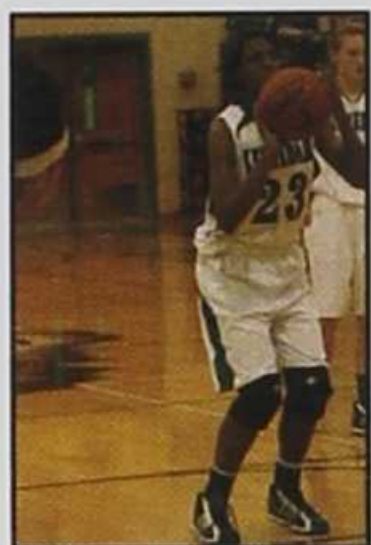

"I don't know if we have ever had a player that works as hard as Corey. He is one of the best we have ever had at Kennedale."

- Coach Doug Groff

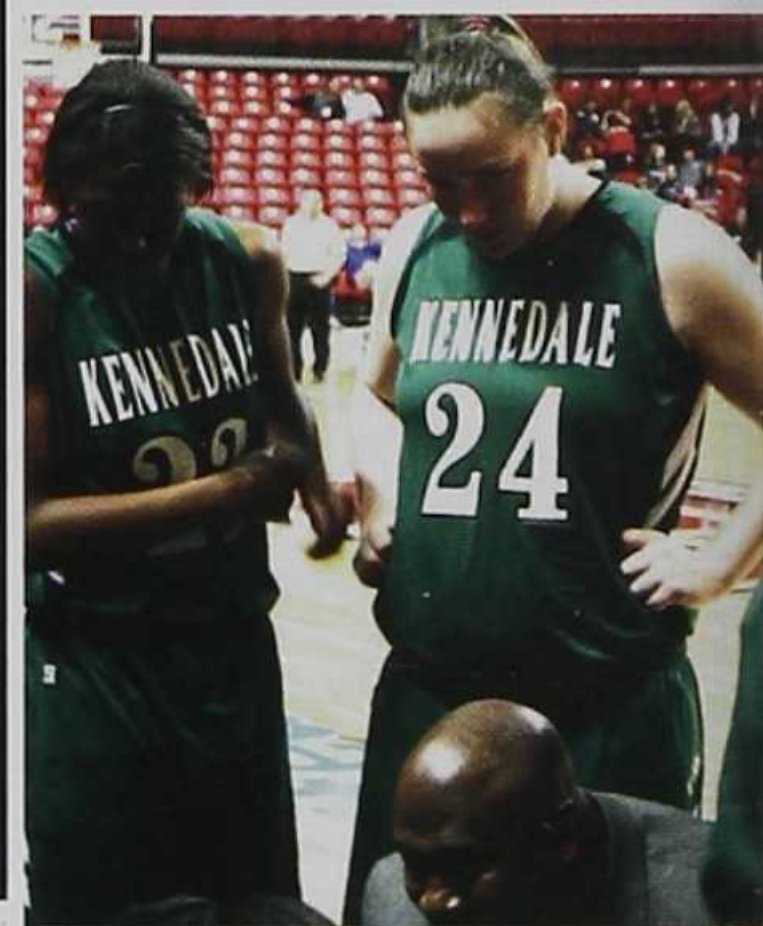

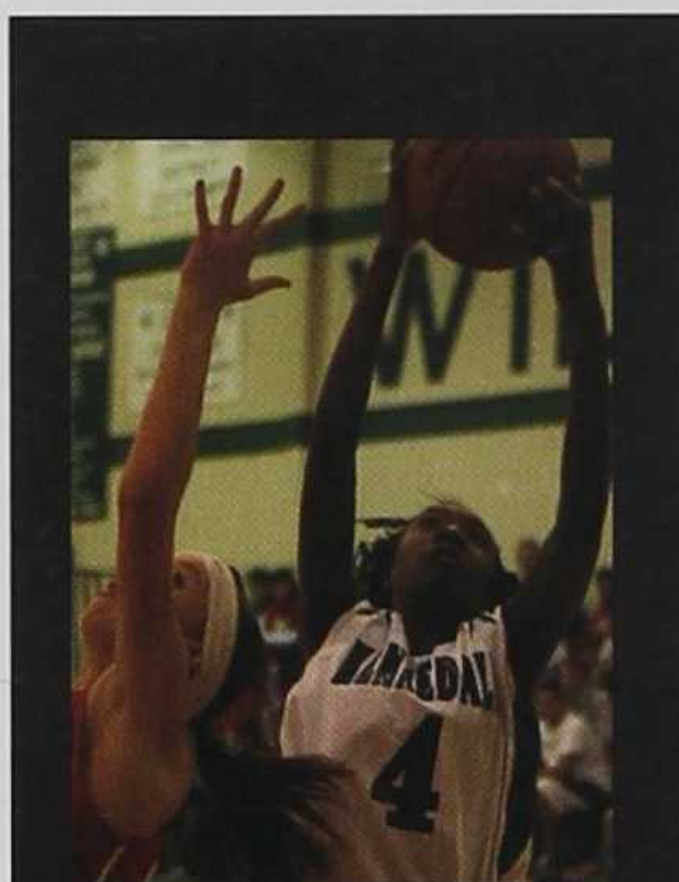

Basketball

It's Our Time!

The Lady Kat 2010-11 basketball season was extremely successful! With many new faces and new skill added, the Lady Kats earned the titles of: District 8-3A Champions, Area Champions, Region Quarter Final Champions, Regional Tournament Semi-Final Champions and Regional Tournament Runner-Up. Led by Coaches Vance Hughes (District Coach of the Year), Mindy Morris (State Sub-Varsity Coach of the Year), and senior Desiree Scott, the Lady Kats showed the community, district and region that it's their time to shine.

Soccer

Roadhouse!

Headed by Coach Peter Devries, and seniors Tony Mercado, Jim Enoch, Gage Shenalt, Rustin Jackson, and Jeff Cullum, the Wildcat Soccer team was faced with a new district along with the loss of five former starters. The team met the challenge head on and really put out a winning mentality. The Wildcats finished the season 5th in district.

"**Jeff Cullum**
(A.K.A. M.V.P.)

Soccer

Too Legit to Quit

The Lady Kats had a solid year and made great improvements throughout the season. They came up ten minutes shy of making it to the playoffs with a last minute loss to Arlington Seguin. The captains this year were Senior Taylor Irby, Junior Hannah Allen, and Sophomore Kayla Ramos. The entire team played with heart and determination each and every game, and always rose to the occasion. They were constantly faced with tough challenges throughout the season, but they pushed through every single one of them. With a lot of hard work and dedication, 2012 should be an even greater year for the Lady Kat Soccer Team. "Eighty Strong!"

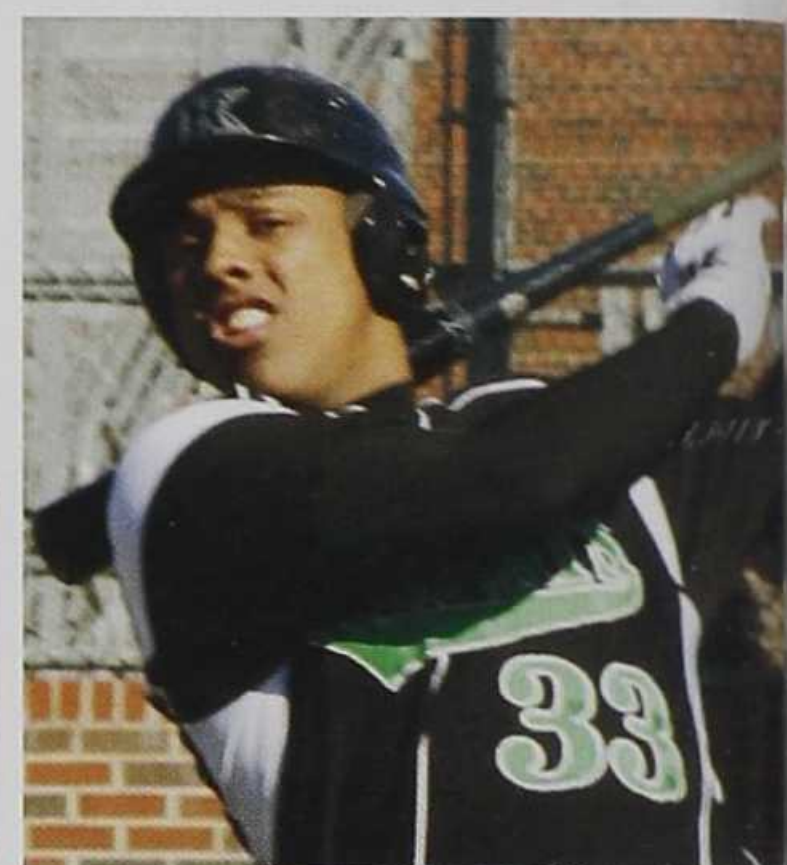

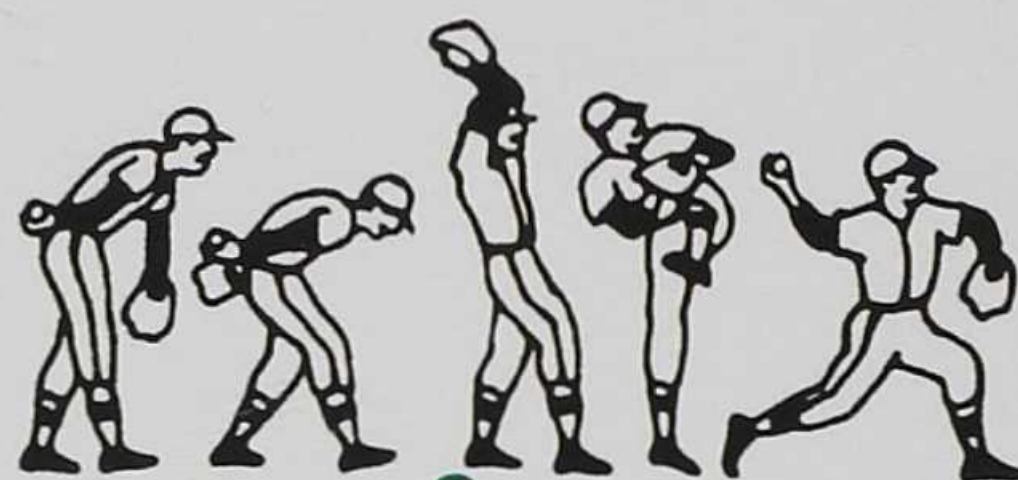

"**Taylor Irby** was captain and leader of the 2011 Lady Kat Soccer Team. She had a dedication and commitment to succeed that was evident to each of her teammates. As a Senior, Taylor made 1st Team All District and was voted the team's most outstanding player. Her talent and work ethic will be missed."

-Coach Chris Cates

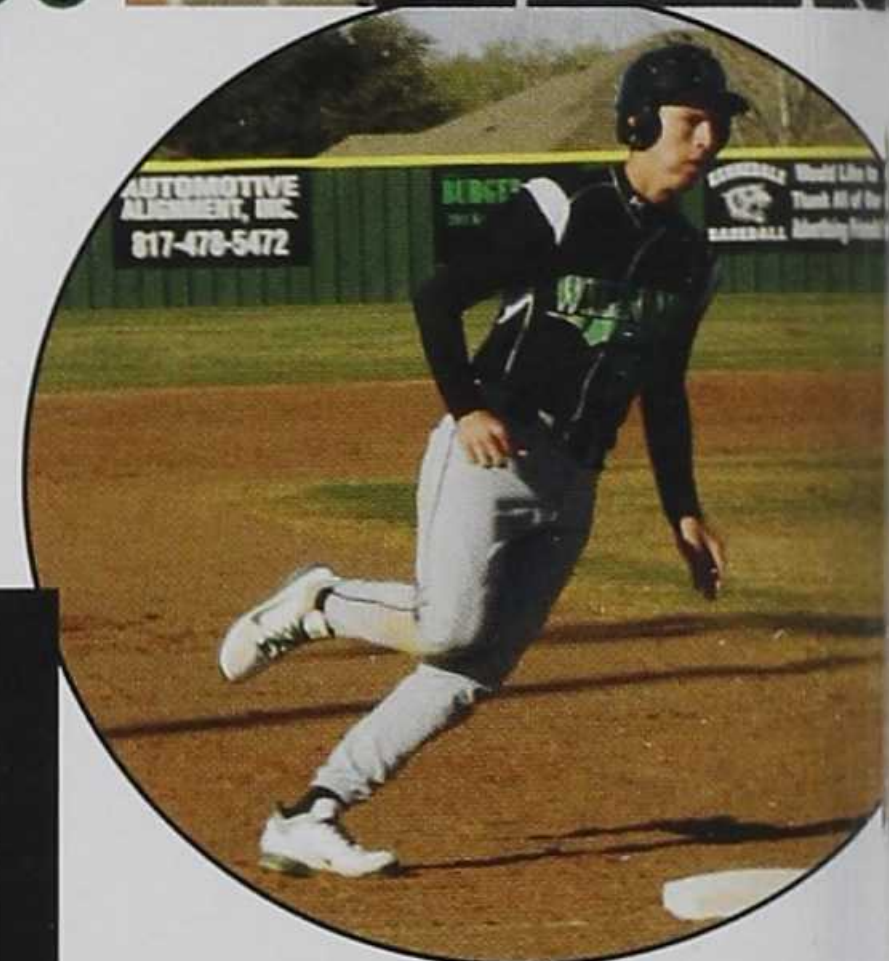

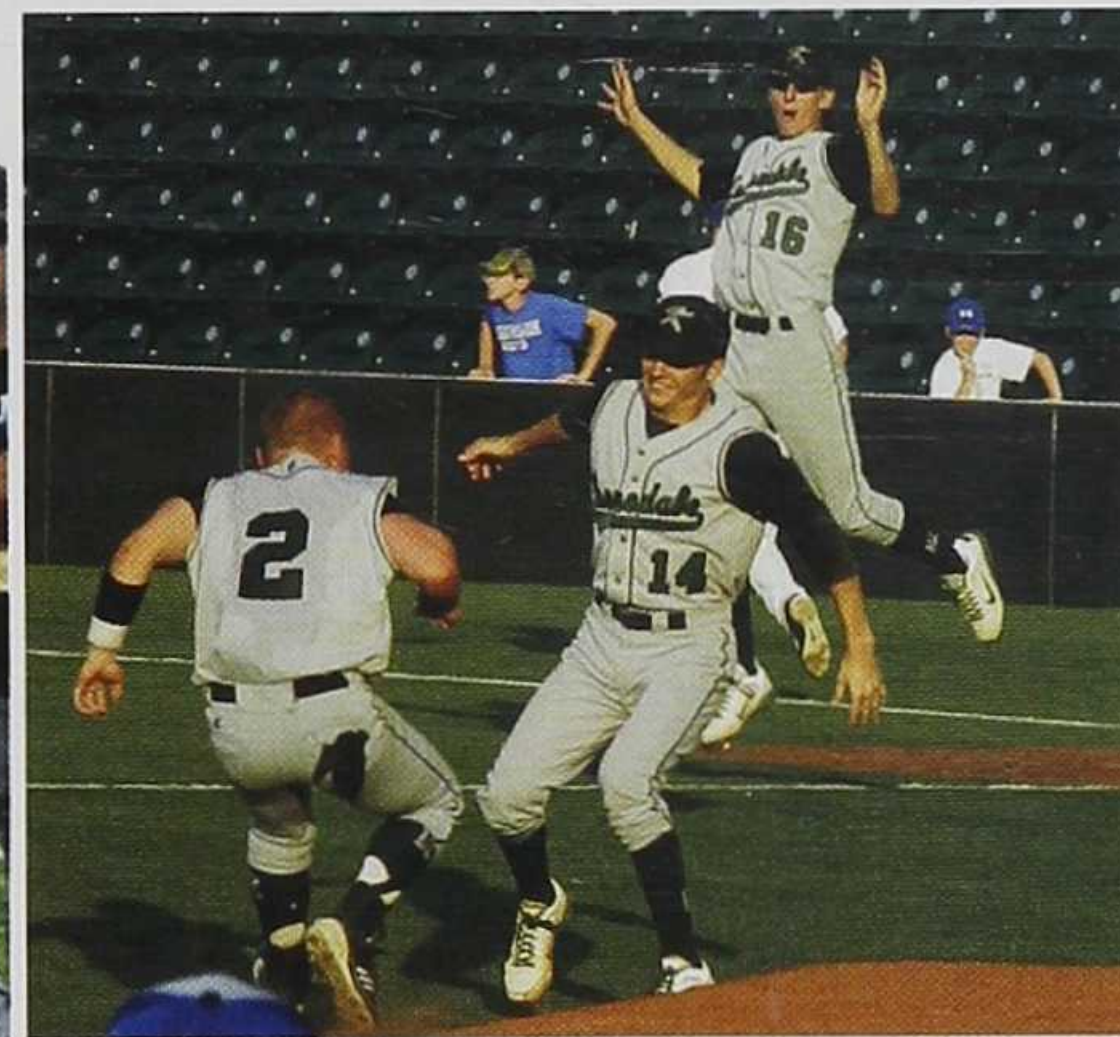

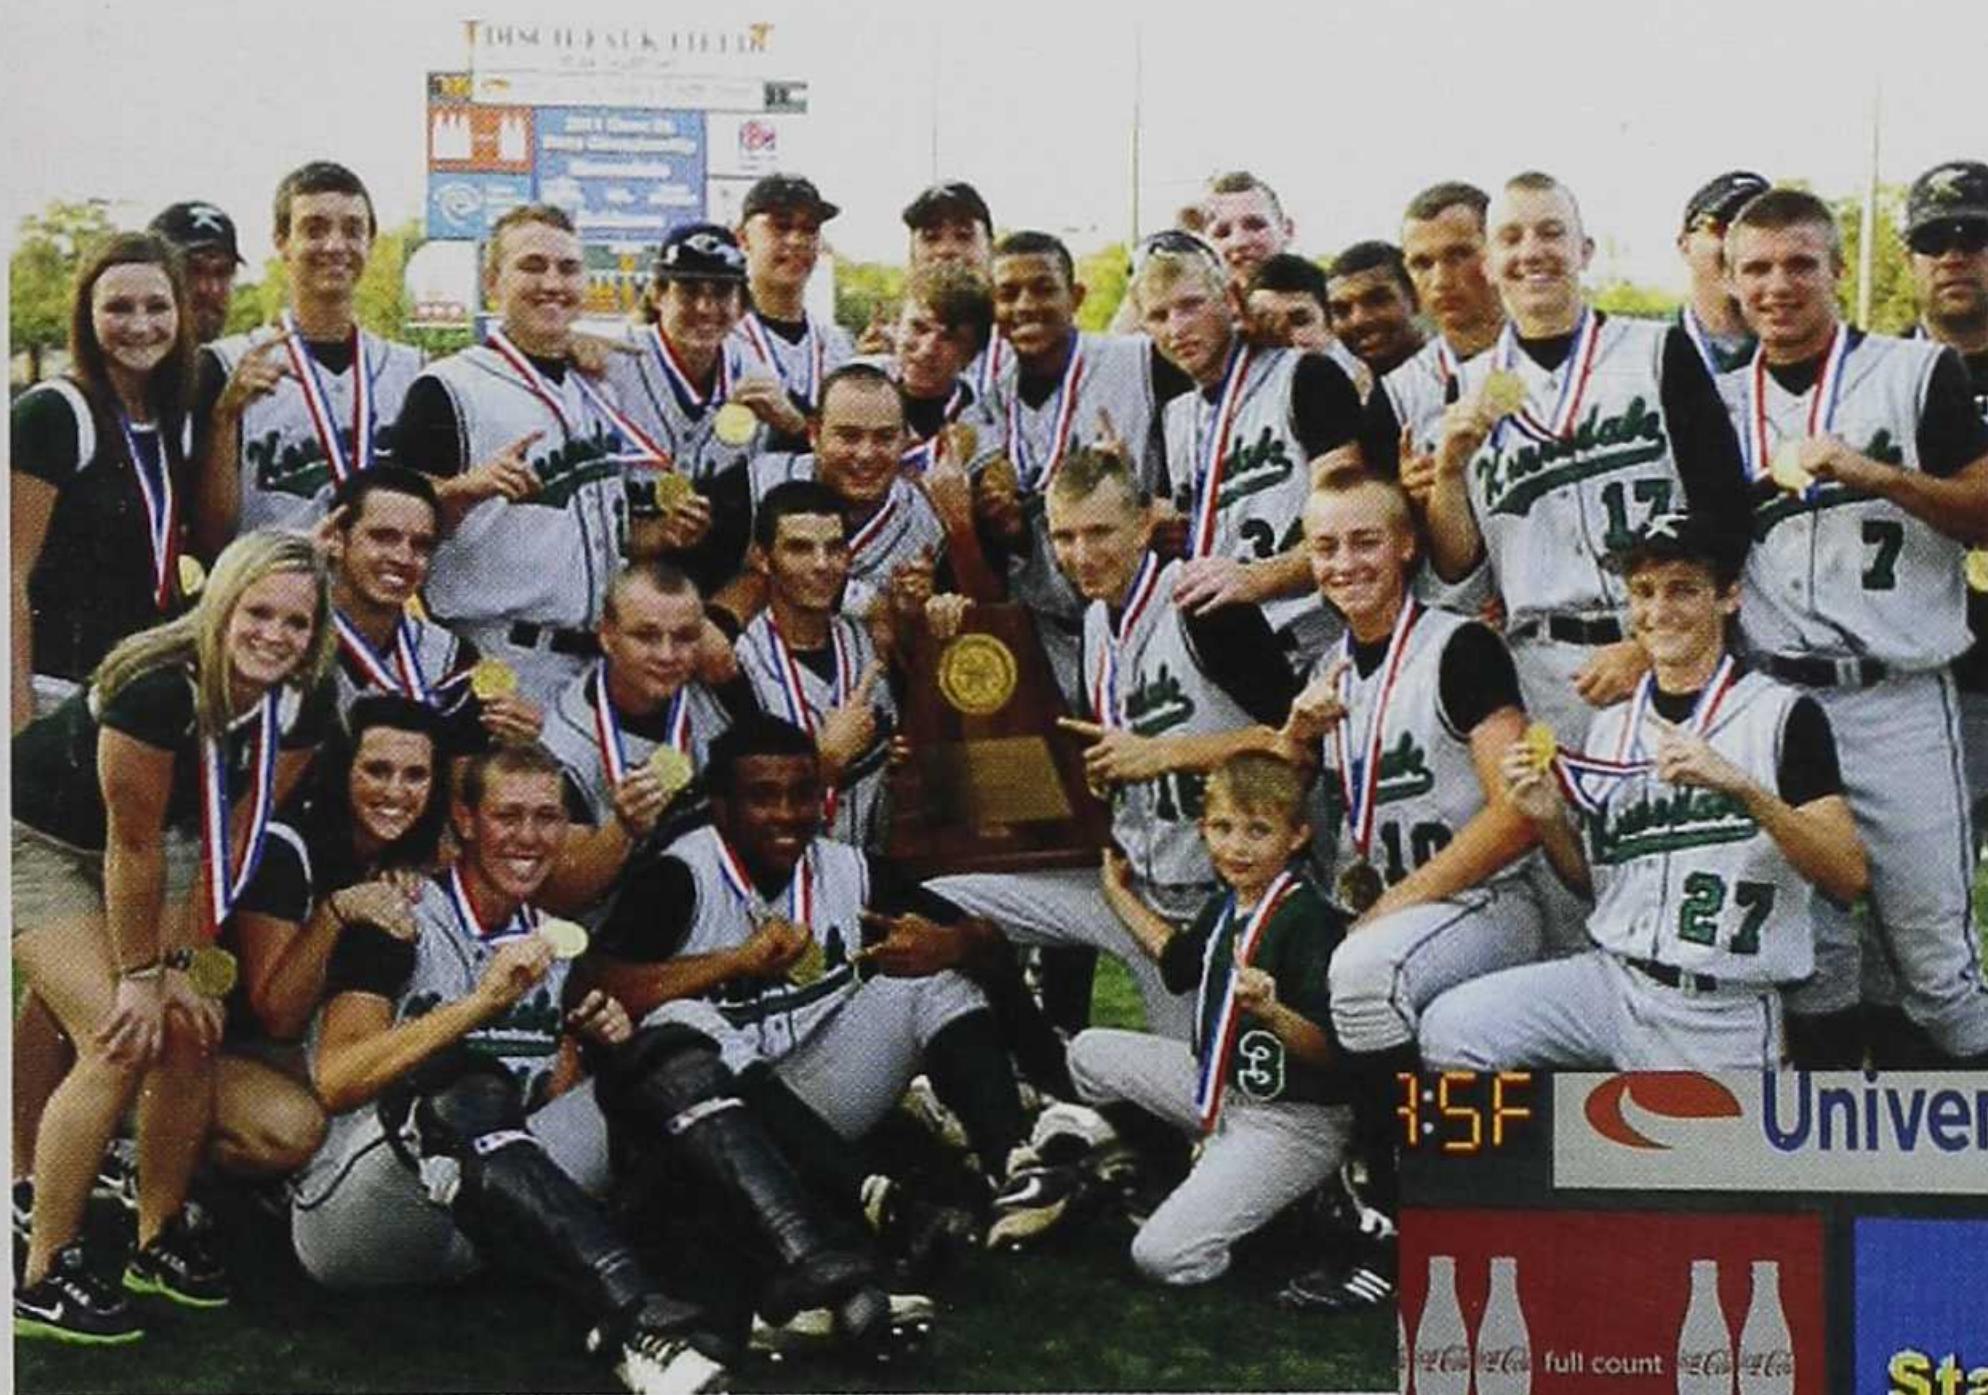

Baseball

State Champions!

"1...2...3 strikes, you're out!"
A phrase the other team heard many times while playing the 2010-2011 Wildcat baseball team. Led by seniors Zach Holley, Corey Taylor, Cameron Massengill, Jimmy Norris, Kevin Marshall, Justin Braswell, Ryan Chegwidden, Hayden Elrod, Taylor Sublette, and Clint Fish, this year's Wildcats swept district undefeated and continued through playoffs to victoriously claim the state championship title! Dedicated, Disciplined, and Victorious. This team was a force to be reckoned with and one that will go down in Wildcat history as the first KHS baseball team to win a state title! Way to go Wildcats!

"Congratulations Wildcats for going to the state baseball tournament for the first time in school history."

"Corey Taylor, Jimmy Norris, and Hayden Elrod, along with the other seniors, of the 2011 baseball team are the true leaders of the team. These three keep our team going, both with their physical presence and keeping everyone on track to do the best they can. The team cannot be as successful without these gentleman."

-Coach Jet Teague

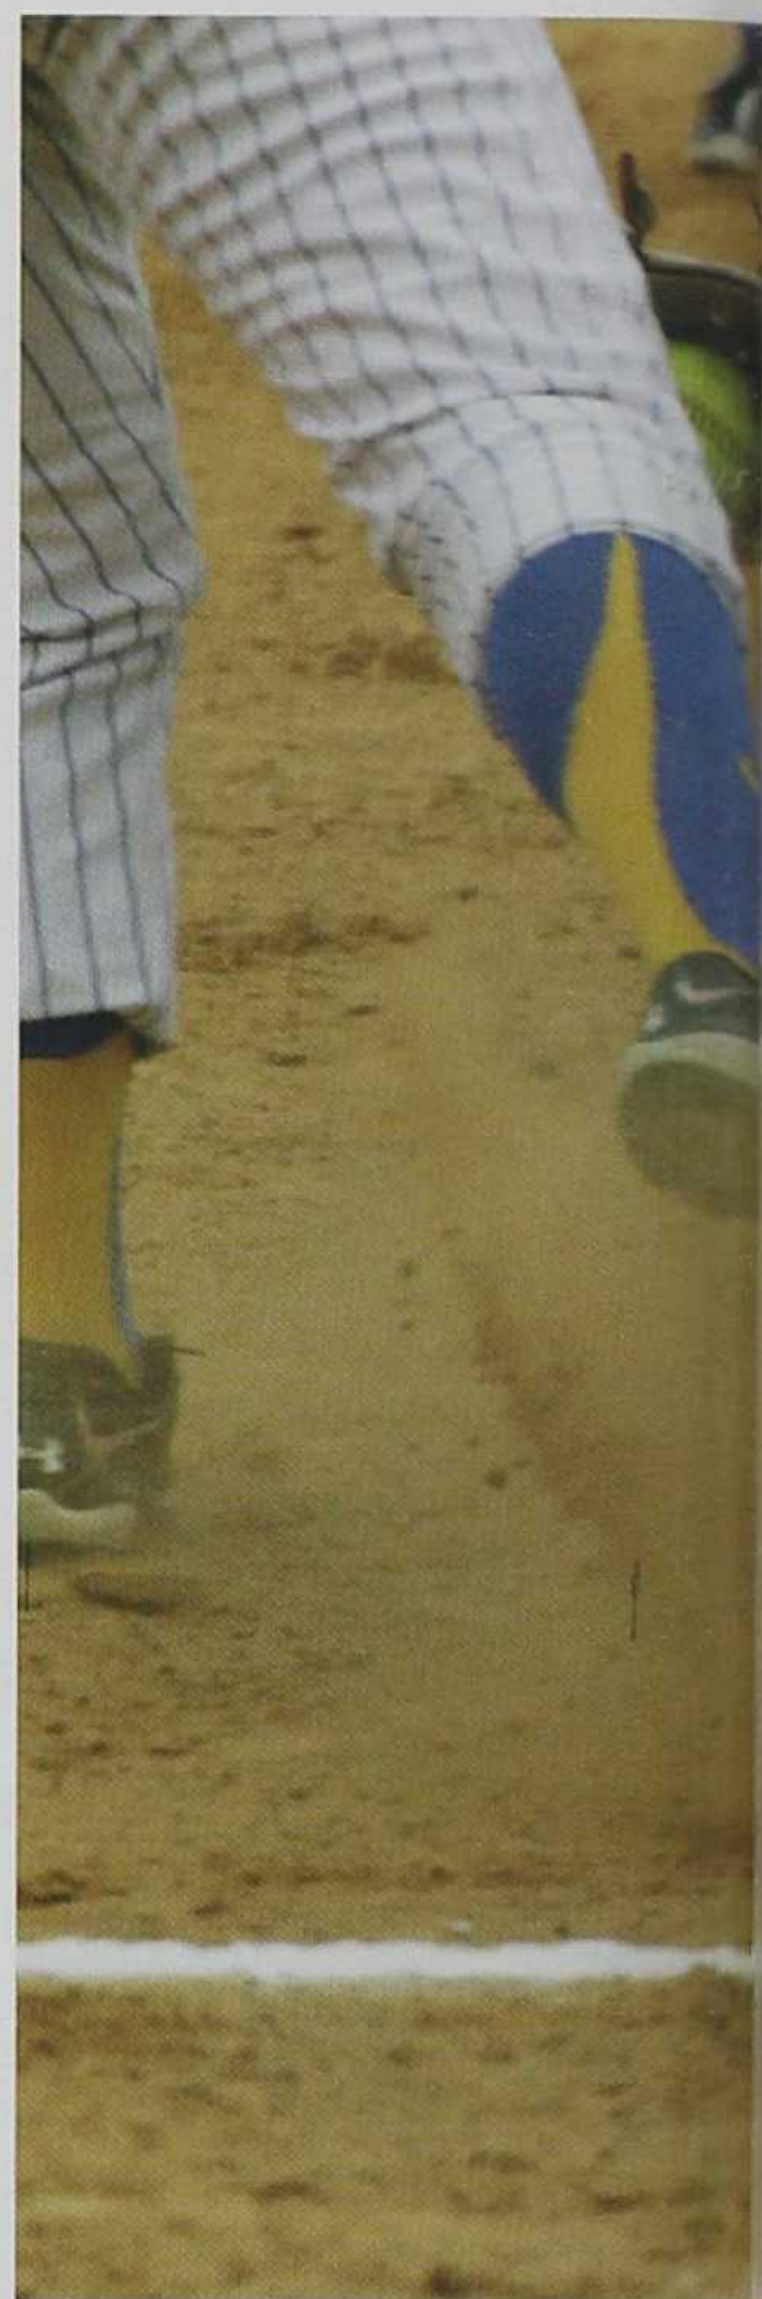

Softball

Faith, Strength, Unity

This year's Lady Kat Softball team was ready to set the bar on a higher level. Led by coaches Amie Kirkpatrick and Alex Lozoya, the Lady Kats were "in it for the long haul!" With Seniors Kayla Bay, Jordan Galloway, Ashley Abair, Christina Manning and Brittany Alvarado leading the way, the Lady Kats finished off the season undefeated in district as the 8-3A District Champs and Region I Area Champs. This was definitely one of the most succesful seasons in Lady Kat history!

**Kayla Bay,
Jordan
Galloway, and
Ashley Abair**

"These four-year letterman players were hard working and will be missed, greatly. I love them and wish them luck on their future."

-Coach Amie Kirkpatrick

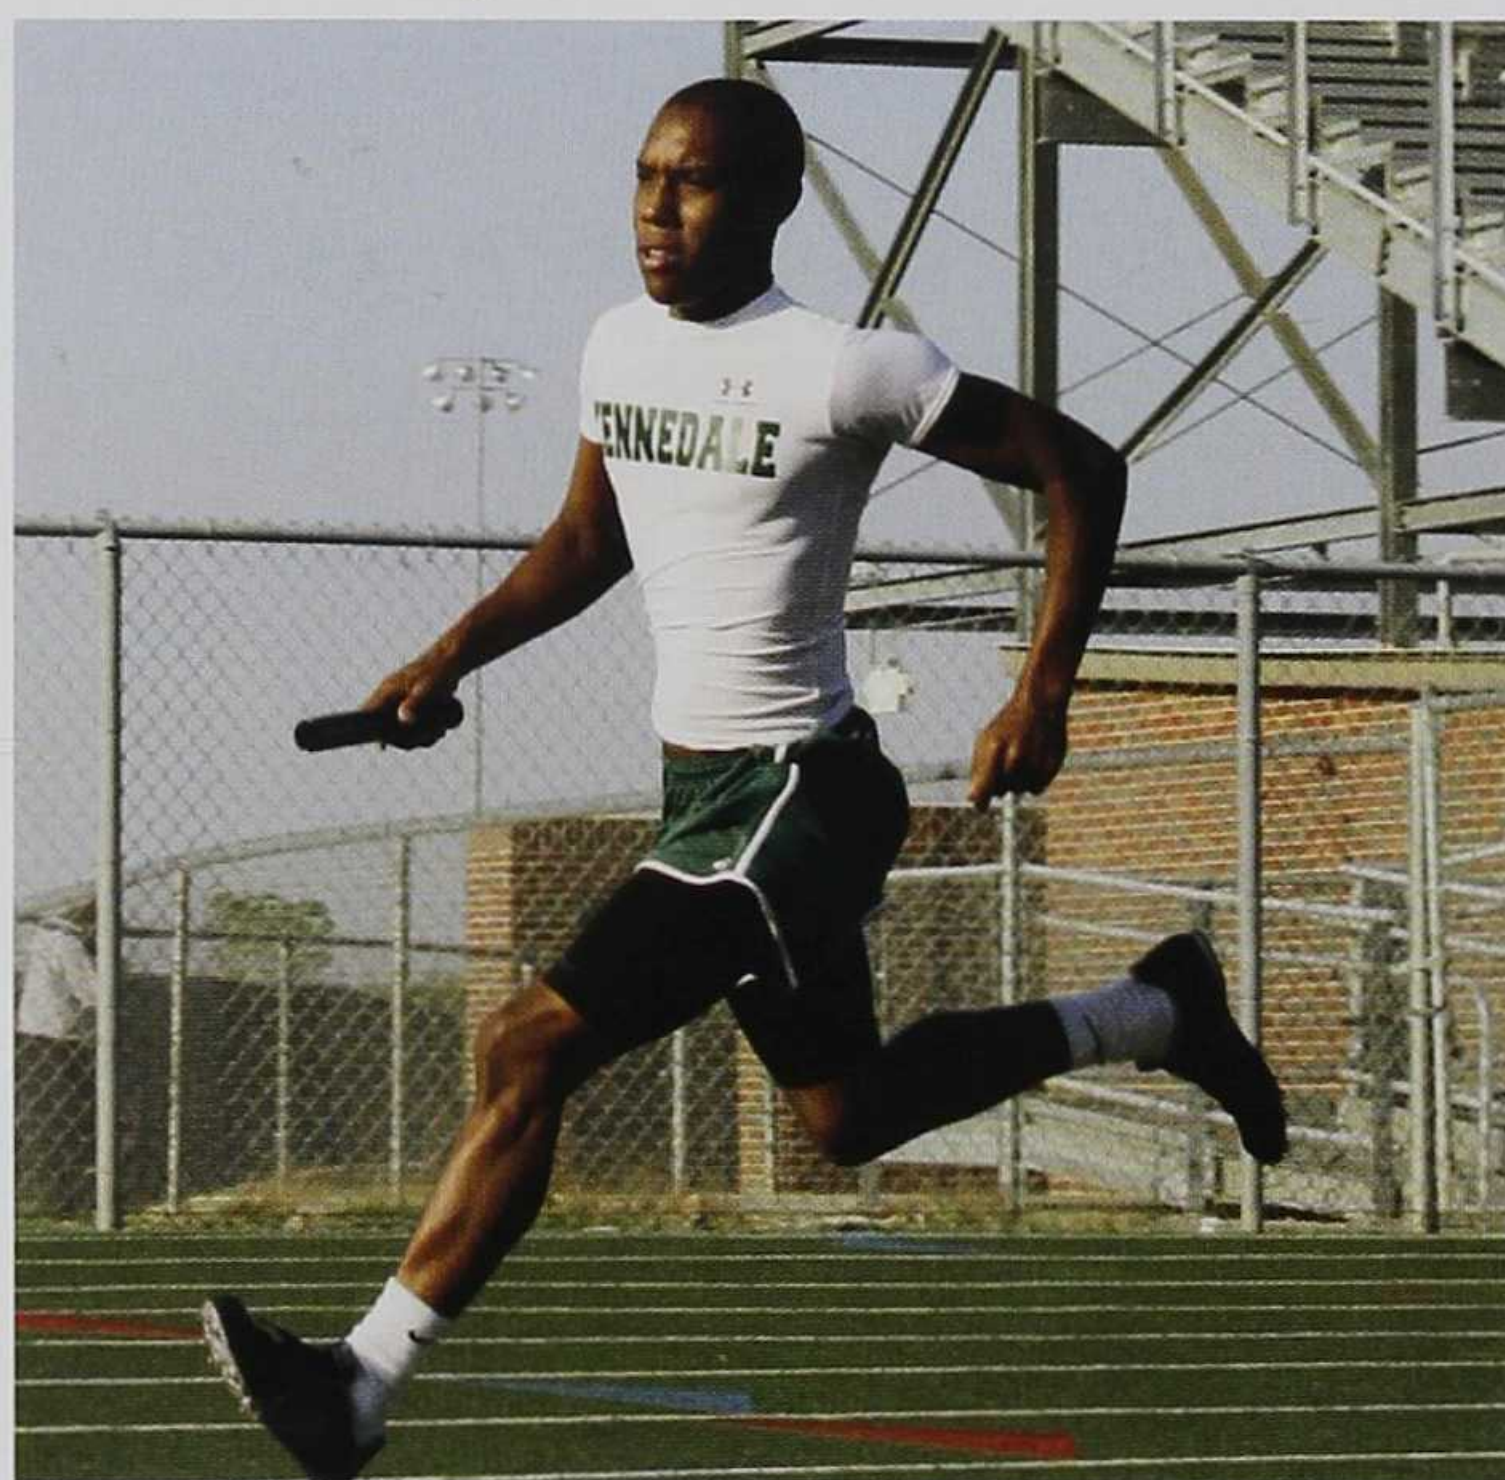

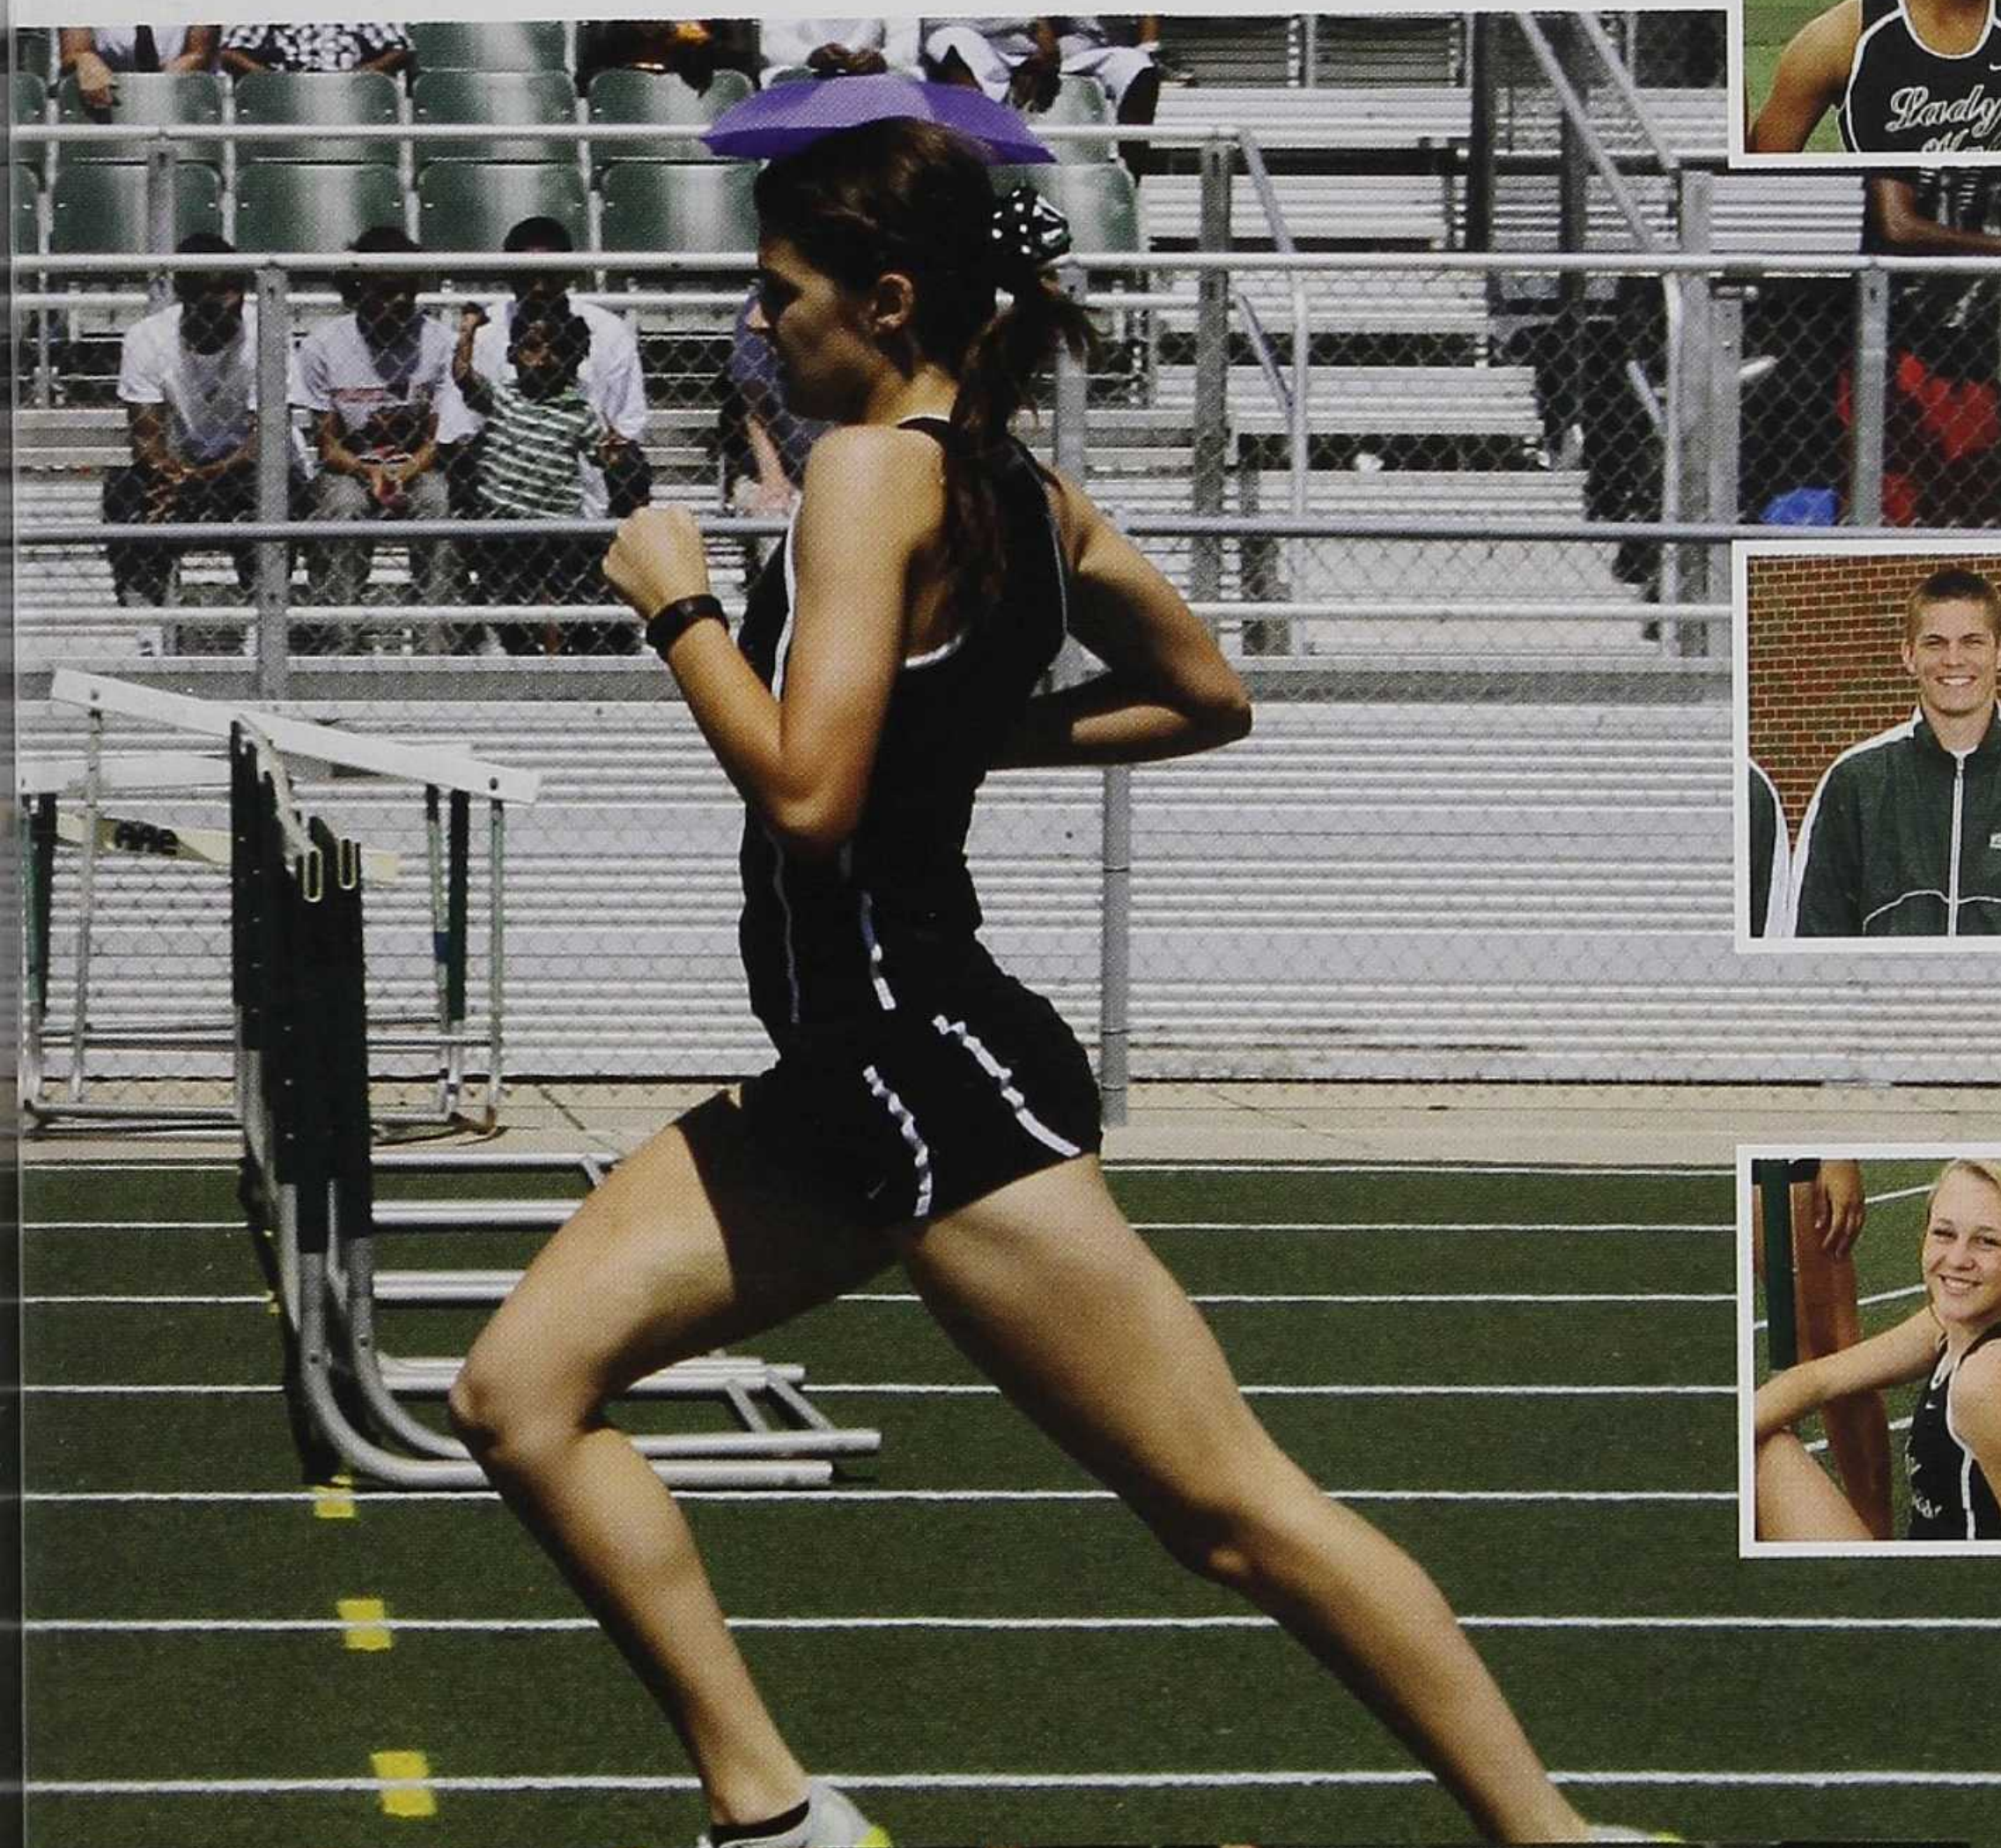

Track

Time for Business!

The Wildcat and Lady Kat track teams had a year full of wins! Both Wildcat and Lady Kat track teams were District 8-3A Champions and had many state qualifiers. Chianne Lowe and Bo Burgess were state champs and got invited to run at the national level in New Mexico. Way to go track!

Tozyea Reed

"5 years and I have enjoyed every year. You have definitely been a HUGE part of the success of the track team. And, this year you really stepped up and put your team's needs first above yours and I thank you for that. A four year Regional Qualifier (2007-2011) and two year State Qualifier (2010, 2011), and most importantly a positive role model to our team. Good luck as you continue your running career in college."

-Coach Priscilla Smith

Bo Burgess

"Bo is the most versatile track and field athlete that I have ever coached. He also accounted for six medals over the past three years. Bo is the 2nd boy track athlete in Kennedale history to be named All-American (2010)."

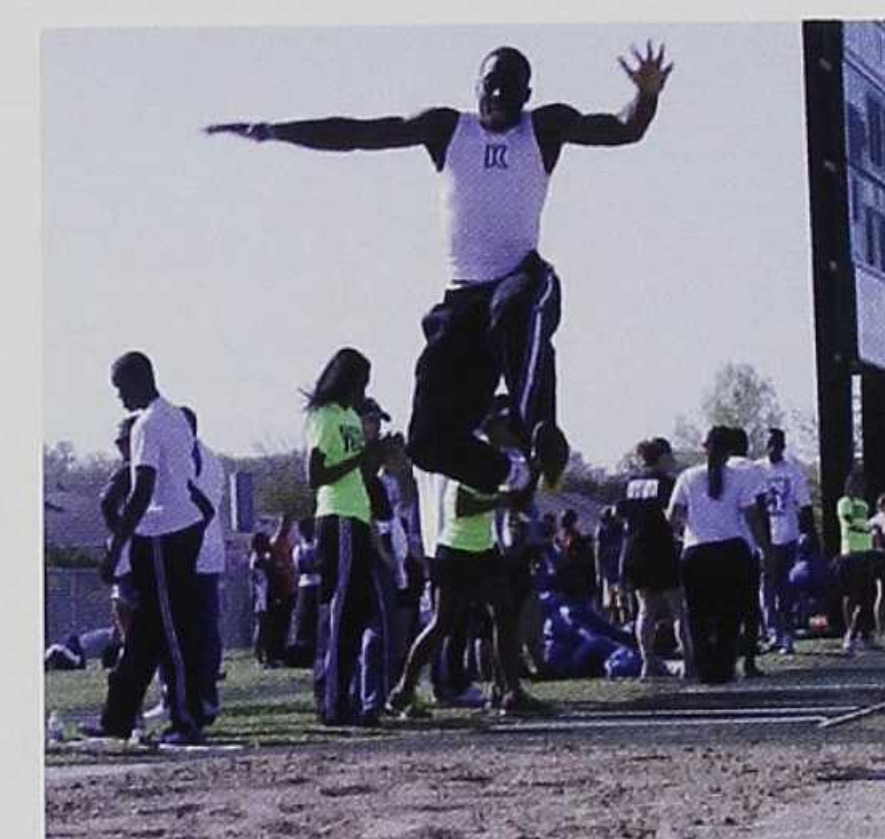

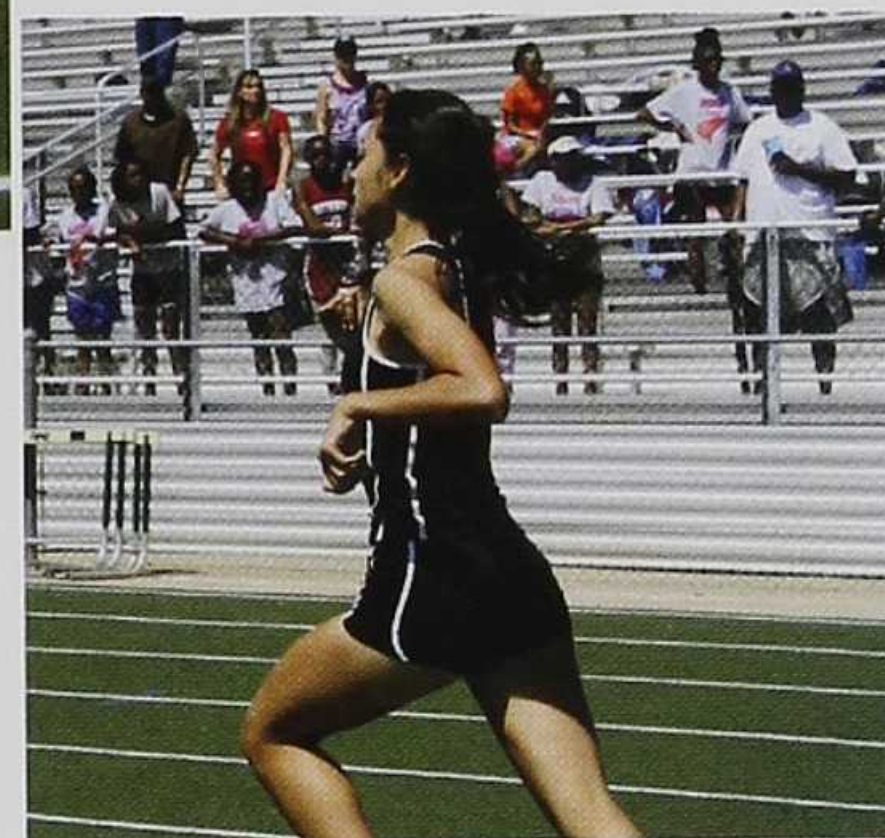

-Coach James Polk

Beth Blind

"Beth, I am so proud of what you have accomplished this year. You were a leader to the track team and your determination and discipline to running proved to be rewarding. You did it - went all the way to State! Good luck at Eastern New Mexico!"

-Coach Priscilla Smith

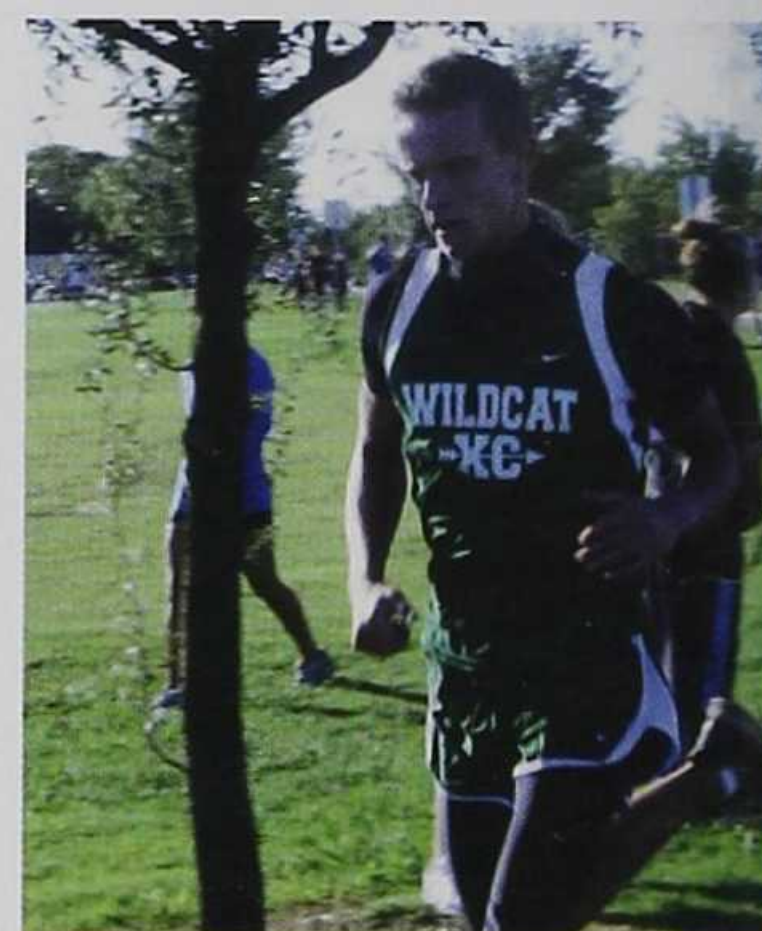

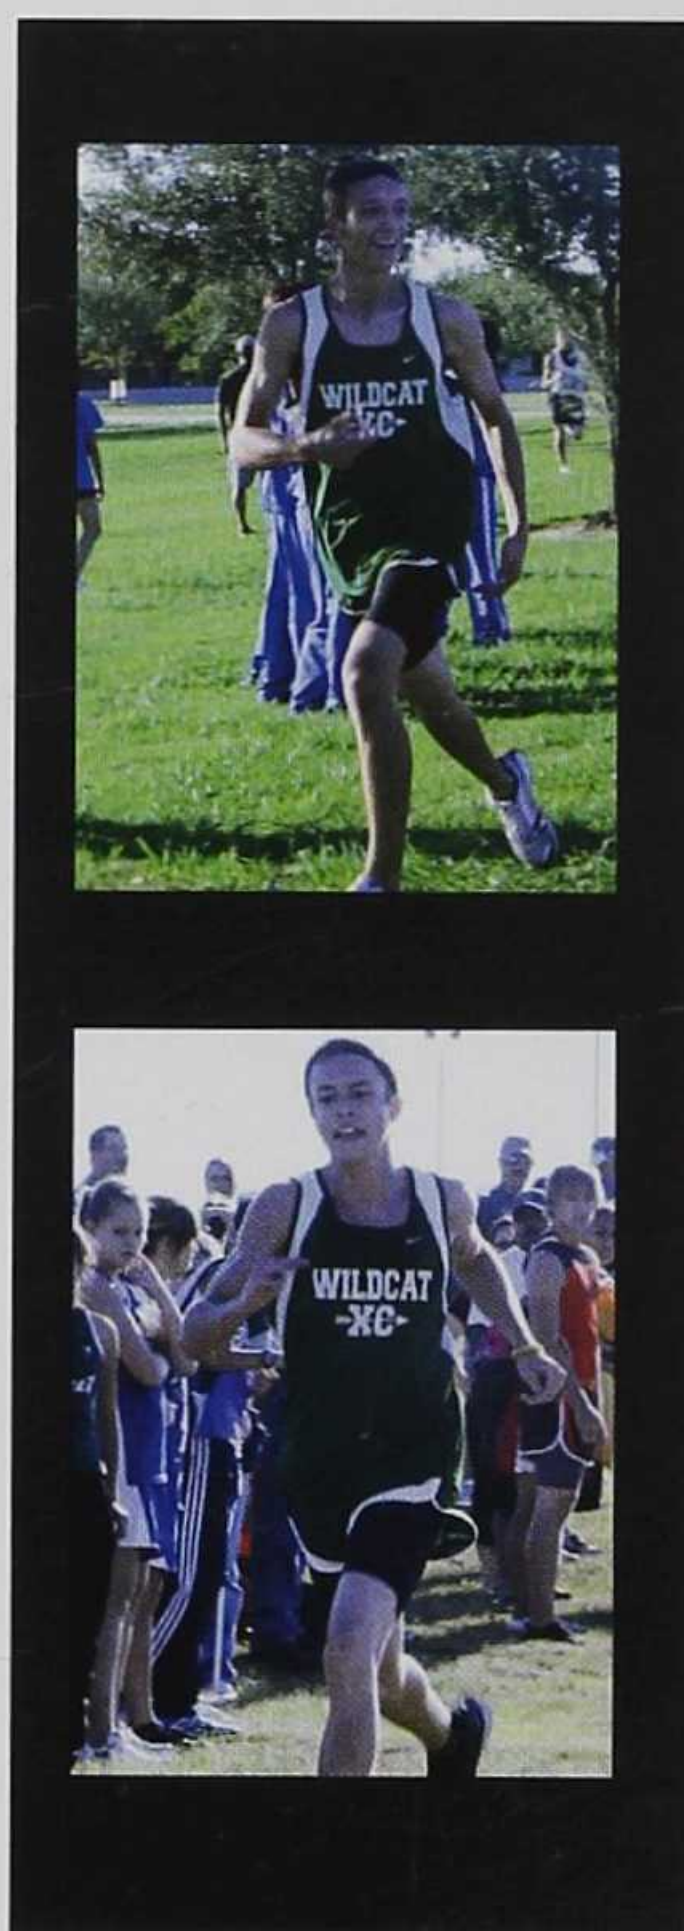

Cross Country

-XC-

Cross Country ran a good distance this year! Headed by Coaches Priscilla Smith and Alex Lozoya, the team exemplified great strength and endurance. Senior Beth Blind made it to the state competition, placing 32 out of 102. Also, senior Jeffrey Edwards was recognized as the "Scholar Athlete of the Week" from November 29th to December 3rd. Overall the team made many accomplishments and set personal goals and records to beat next year!

Powerlifting

Go BIG or Go HOME!

The IronKat Powerlifters power housed this year! With many regional qualifiers and a few state bound, the lifters really proved themselves. Both Lady Kat and Wildcat lifters won their home invitational meet and the regional championship for their division. Seniors Tozyea Reed, Keyerin Spratt, Madisha Saunders, and younger lifters Khoryen Bogan, Cale Gilley, Sean Guinyard, and Brett Wade used their muscles at the State Competition, bringing home some medals.

Tozyea Reed

"It has been my pleasure to coach you throughout the past three years in powerlifting. You have done a great job competing and setting a good example for those who follow you in years to come. You set a high standard both in competition and as a leader in the classroom that is second to none. It has been my absolute pleasure to have had the opportunity to be a small part of your successful high school career."

Keyerin "KeKe" Venerable-Spratt

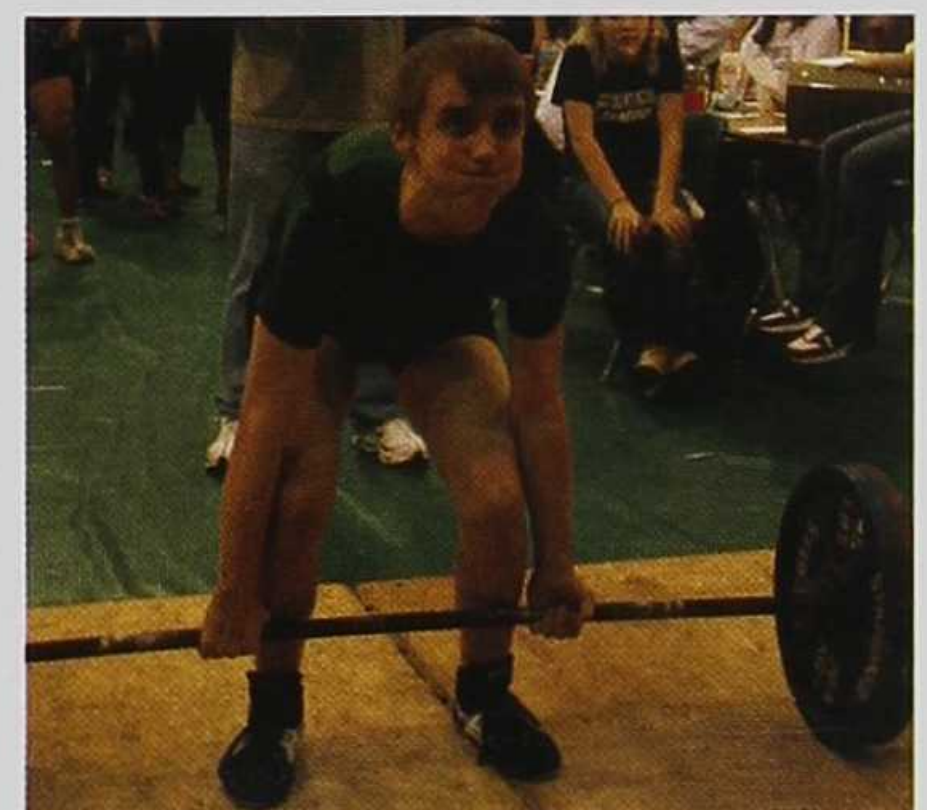

"You have done a good job for the girls power lifting program over the past two years. I have enjoyed watching you mature and grow as an athlete and person. You are a highly intelligent young lady with a very bright future ahead of you."

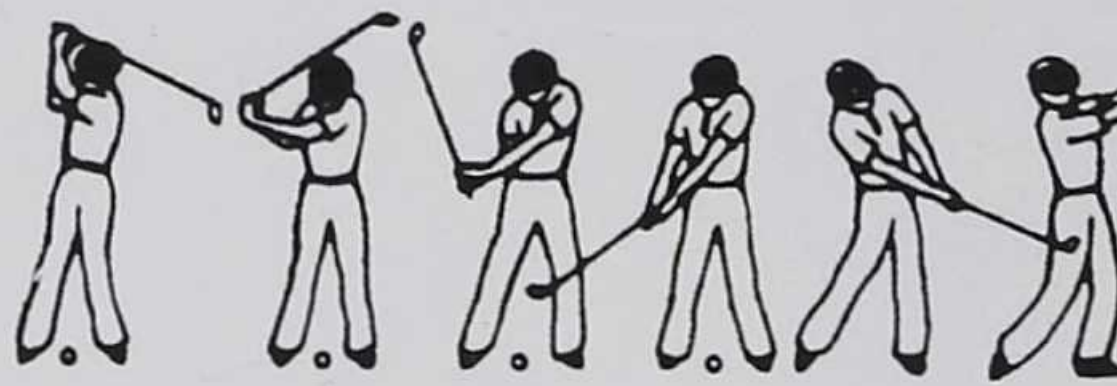

Madisha Saunders

You have been involved in the girls powerlifting program for three years. We had some rocky moments. However, I could not have been more proud of your performances throughout your senior season. You have definitely elevated the expectations for future athletes to shoot for and your state deadlift record is something you should be very proud of. Congratulations on a great senior career."

- Coach Daren Childs

Golf

Fore!

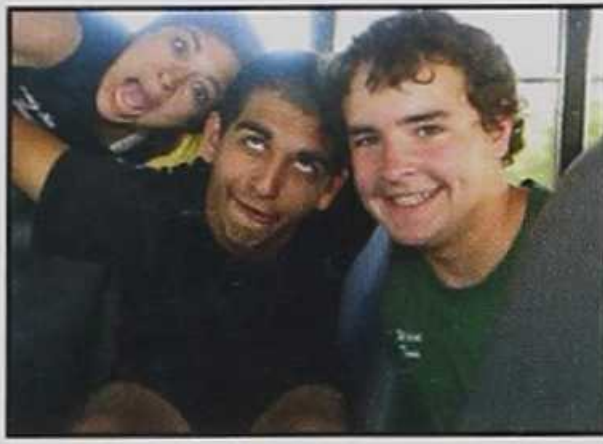

The Varsity Golf team had a very rewarding year. The boys won third place at the 2011 district meet. Junior Analissa Garcia and Sophomore Cole Ward advanced to the Regional Tournament in Lubbock, Texas and represented KHS very well. Although he didn't advance to Regionals this year, Senior Sam Ramey had an outstanding season. KHS is very proud of our golfers!

Senior **Sam Ramey** brought great credit to this year's golf team, shooting an overall score of 86. He was chosen for All-District. Sam will definitely be missed next year.

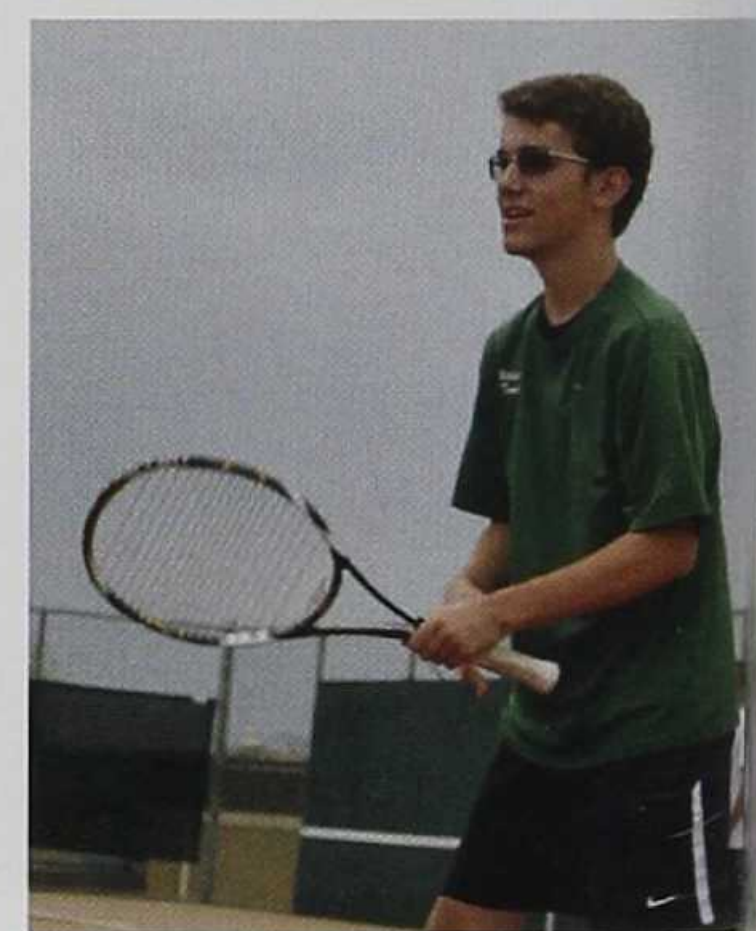

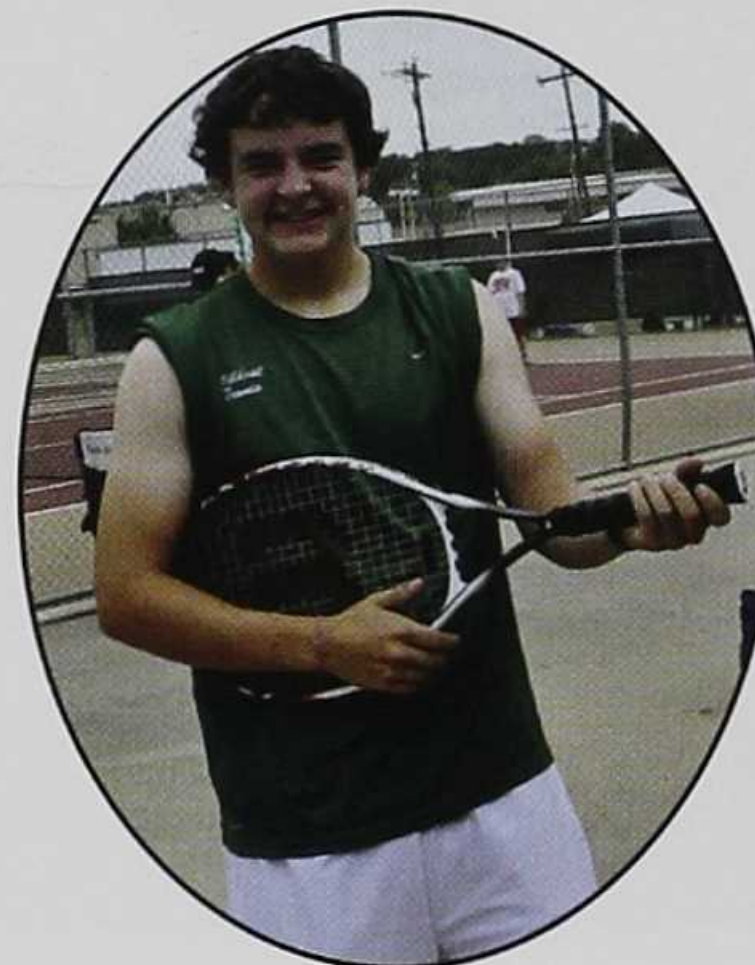

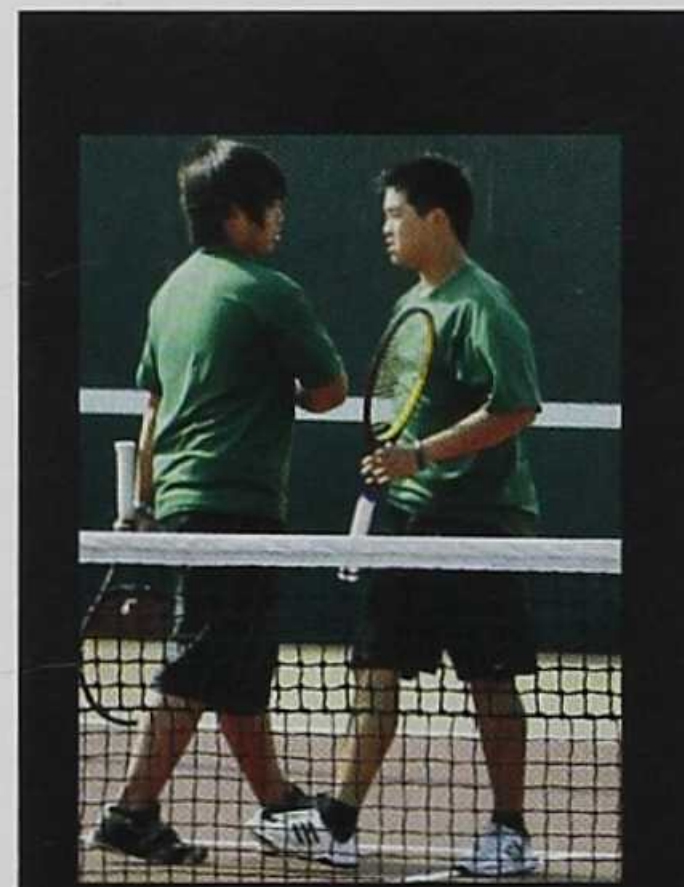

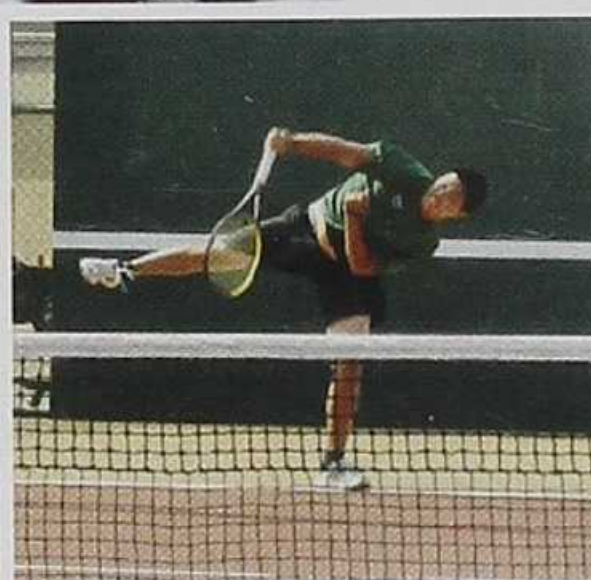

Tennis

Game, Set, Match

The Wildcat Tennis Team had as much talent as ever. The Varsity Boys tied for 2nd at the District tournament and for the first time, had more than one player advance to Regionals. Seniors Kenny Vo and Vincent Nguyen advanced as a doubles team. Freshman Isaac Harrell advanced in singles and won his first match. These boys represented our school extremely well in Lubbock. This year, the team is losing five Seniors who will be greatly missed. However, each year brings more talent to the tennis program as it becomes more successful each and every year.

Vincent Nguyen
 "Vincent is one of those athletes that you wish all your athletes were like. Great attitude, hard worker, leader, and just an all around good person."

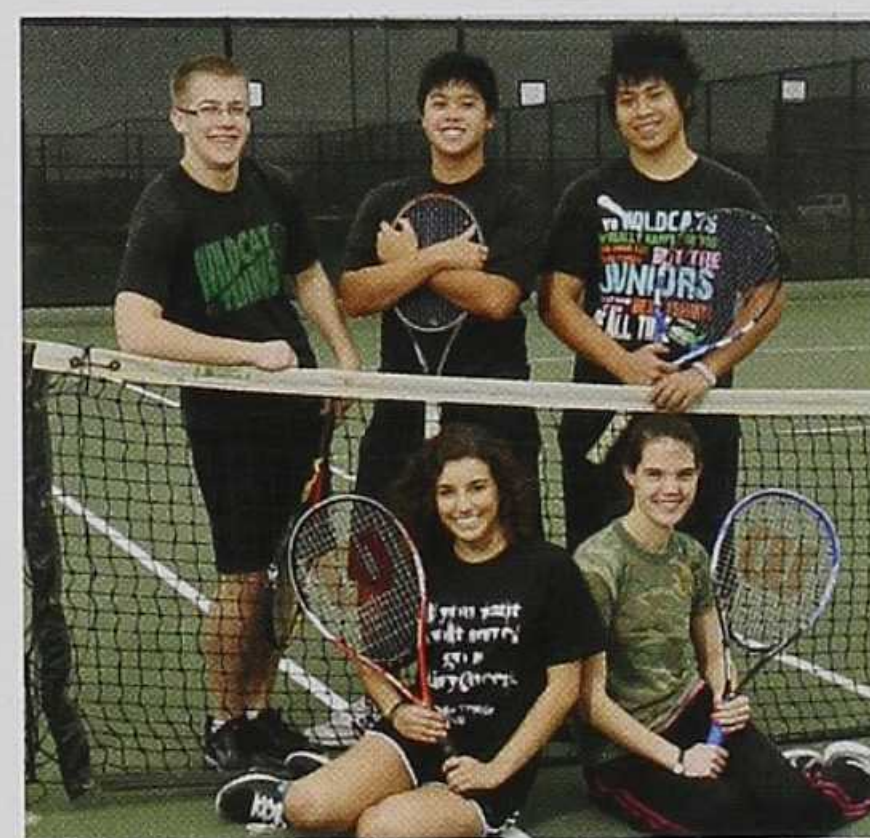

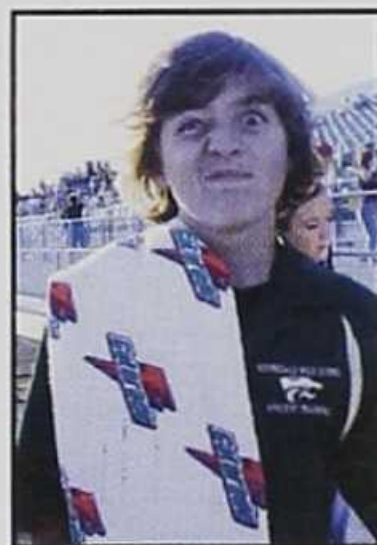

Kenny Vo
 "Kenny had a great season this year. He played boys doubles with two different partners. He adjusted well to the change and qualified for the regional tennis tournament."

Karina Marquez
 "Karina is always smiling and having a good time no matter what she's doing. Winning or losing it's always the same."

-Coach Mindy Morris

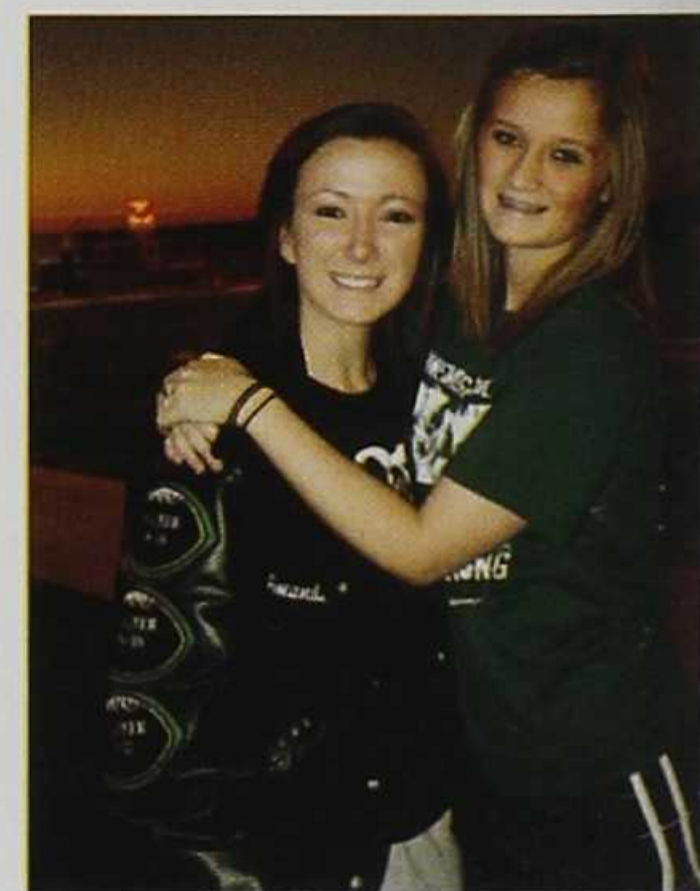

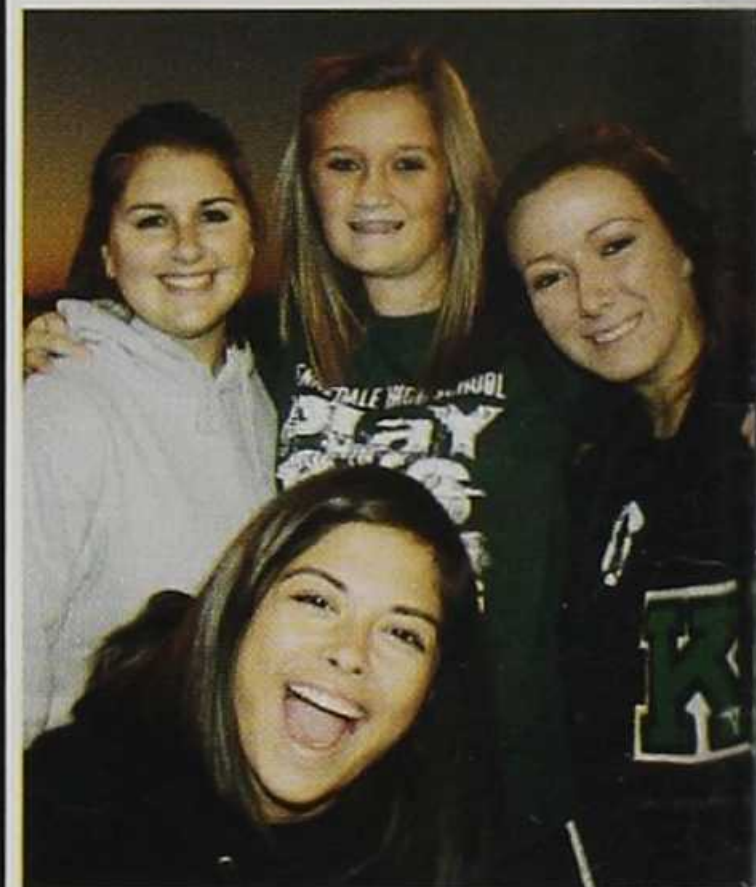

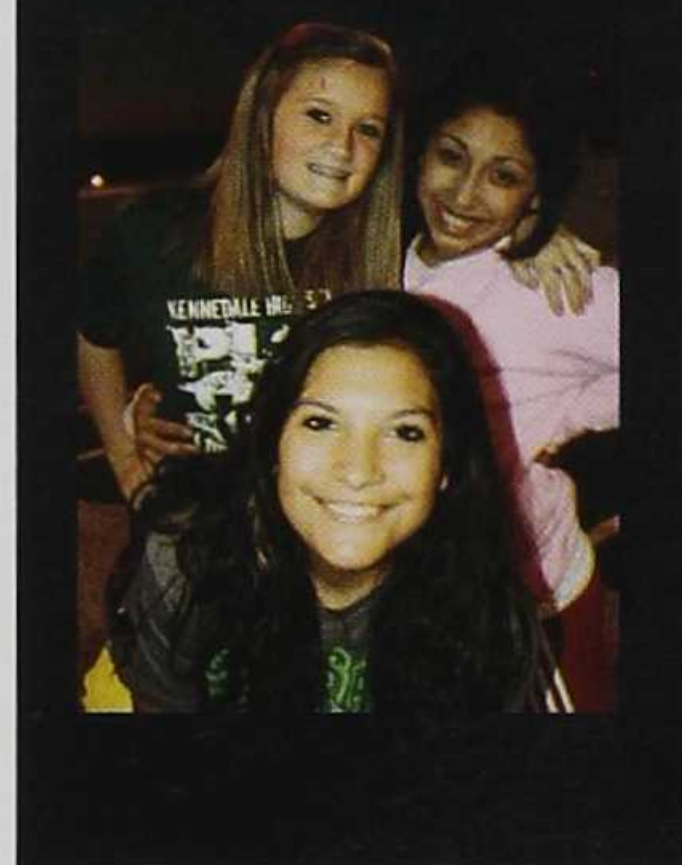

Trainers

Kennedale Athletic Training Students

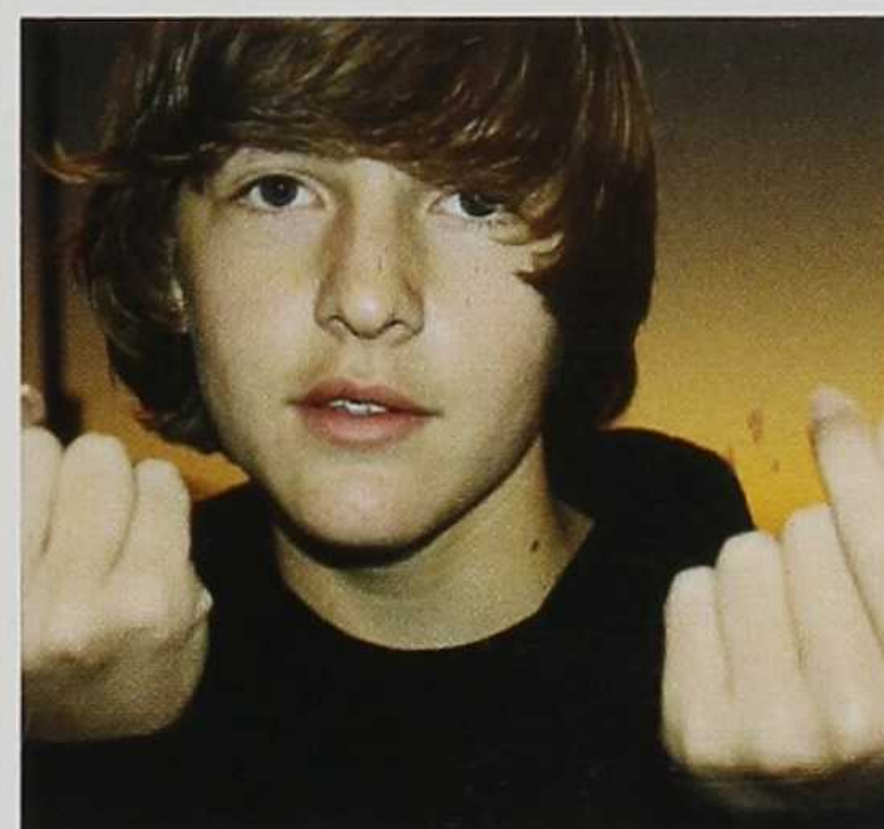

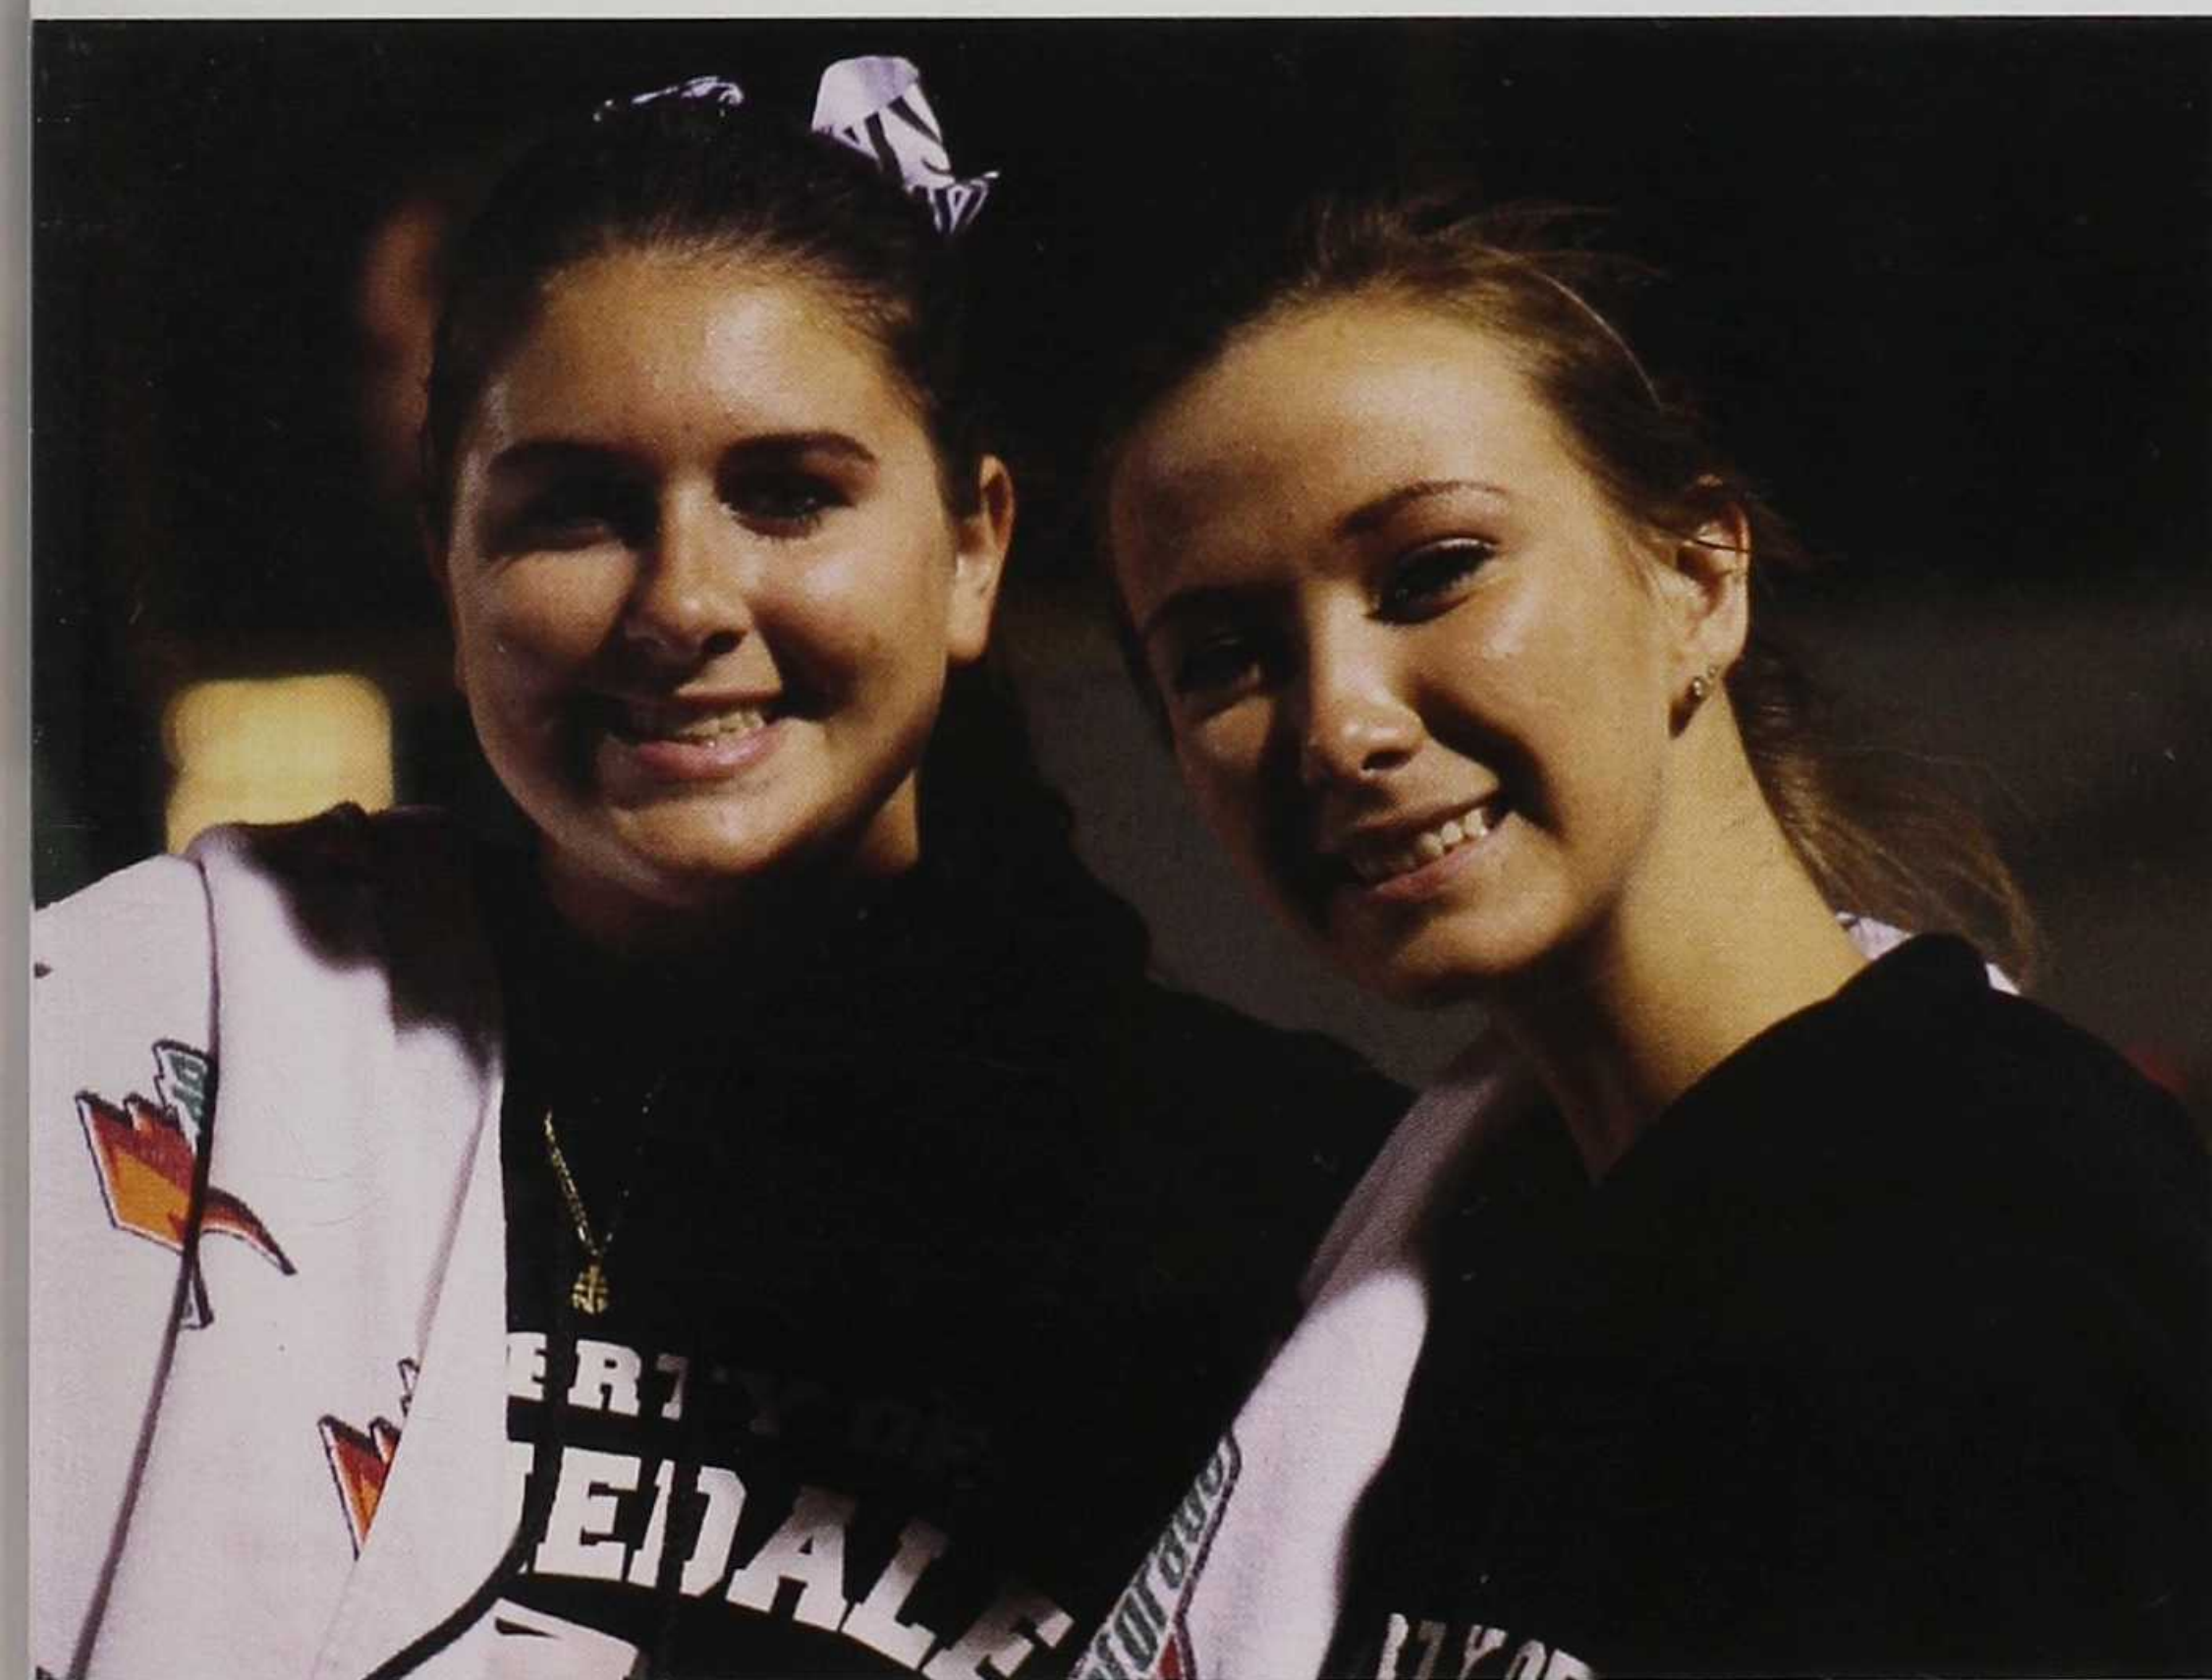

Kennedale Athletic Training Students (KATS) are the backbone of our winning football team. Being the team behind the team means they have to make sure all the players are healthy and hydrated. They're given the opportunity to learn skills, such as CPR. If needed they could help save a life. Headed by Coach Gus Stevenson, the trainers are at every football game, doing their part to help make the team better.

"**Taylor Irby** has been a pleasure to work with the last three years. Taylor is dedicated to helping athletes, is hard working, and is self-driven. I know that Taylor will move on successfully in life and live it to the fullest."

-Coach Gus Stevenson

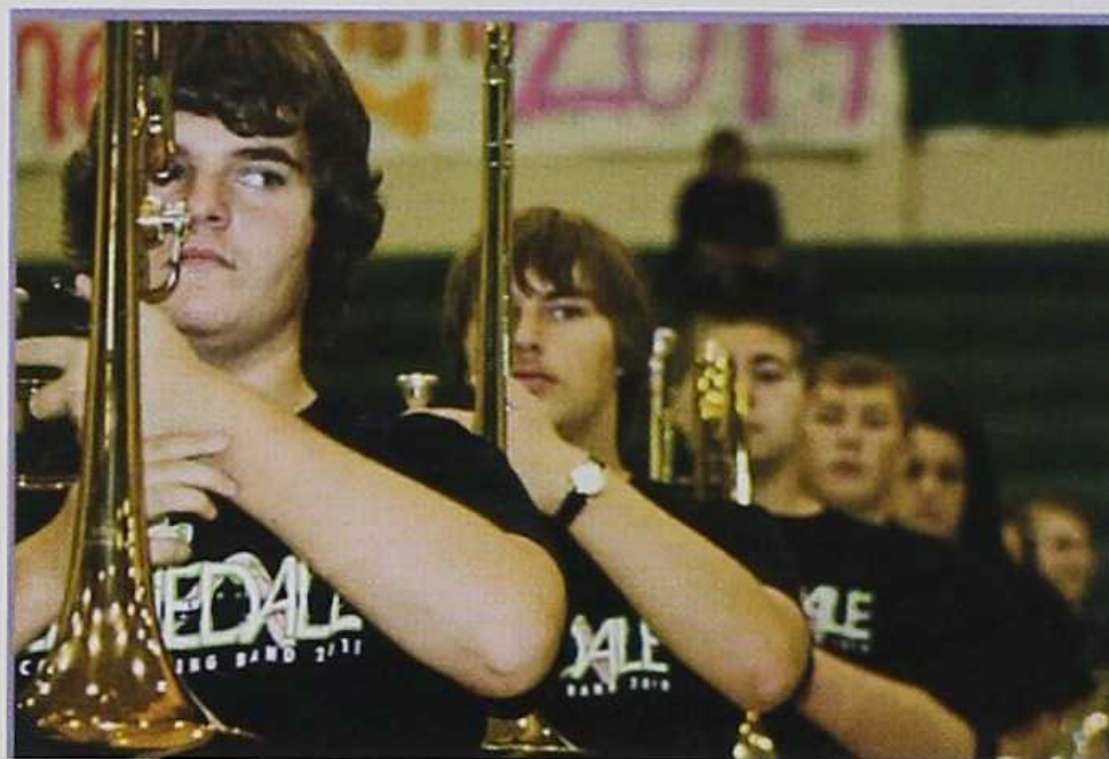

Band

Did It Again In 2010!

This year's band was extremely successful under the direction of Erol Oktay, Bana Estes, Jessi Harrell and Drum Majors: Giovanni Macias, Liza Lents and Brittany Haynes. The Wildcat Marching Band achieved many awards including Best Band, Best Drumline, and Best Drum Majors in class. They also were awarded with 2nd place in the Area D marching competition and twelfth place in the U.I.L. State Marching Competition, being the highest they have ever placed. The Wildcat Band also had thirty First Division Soloists and four members go to the All State Band Competition.

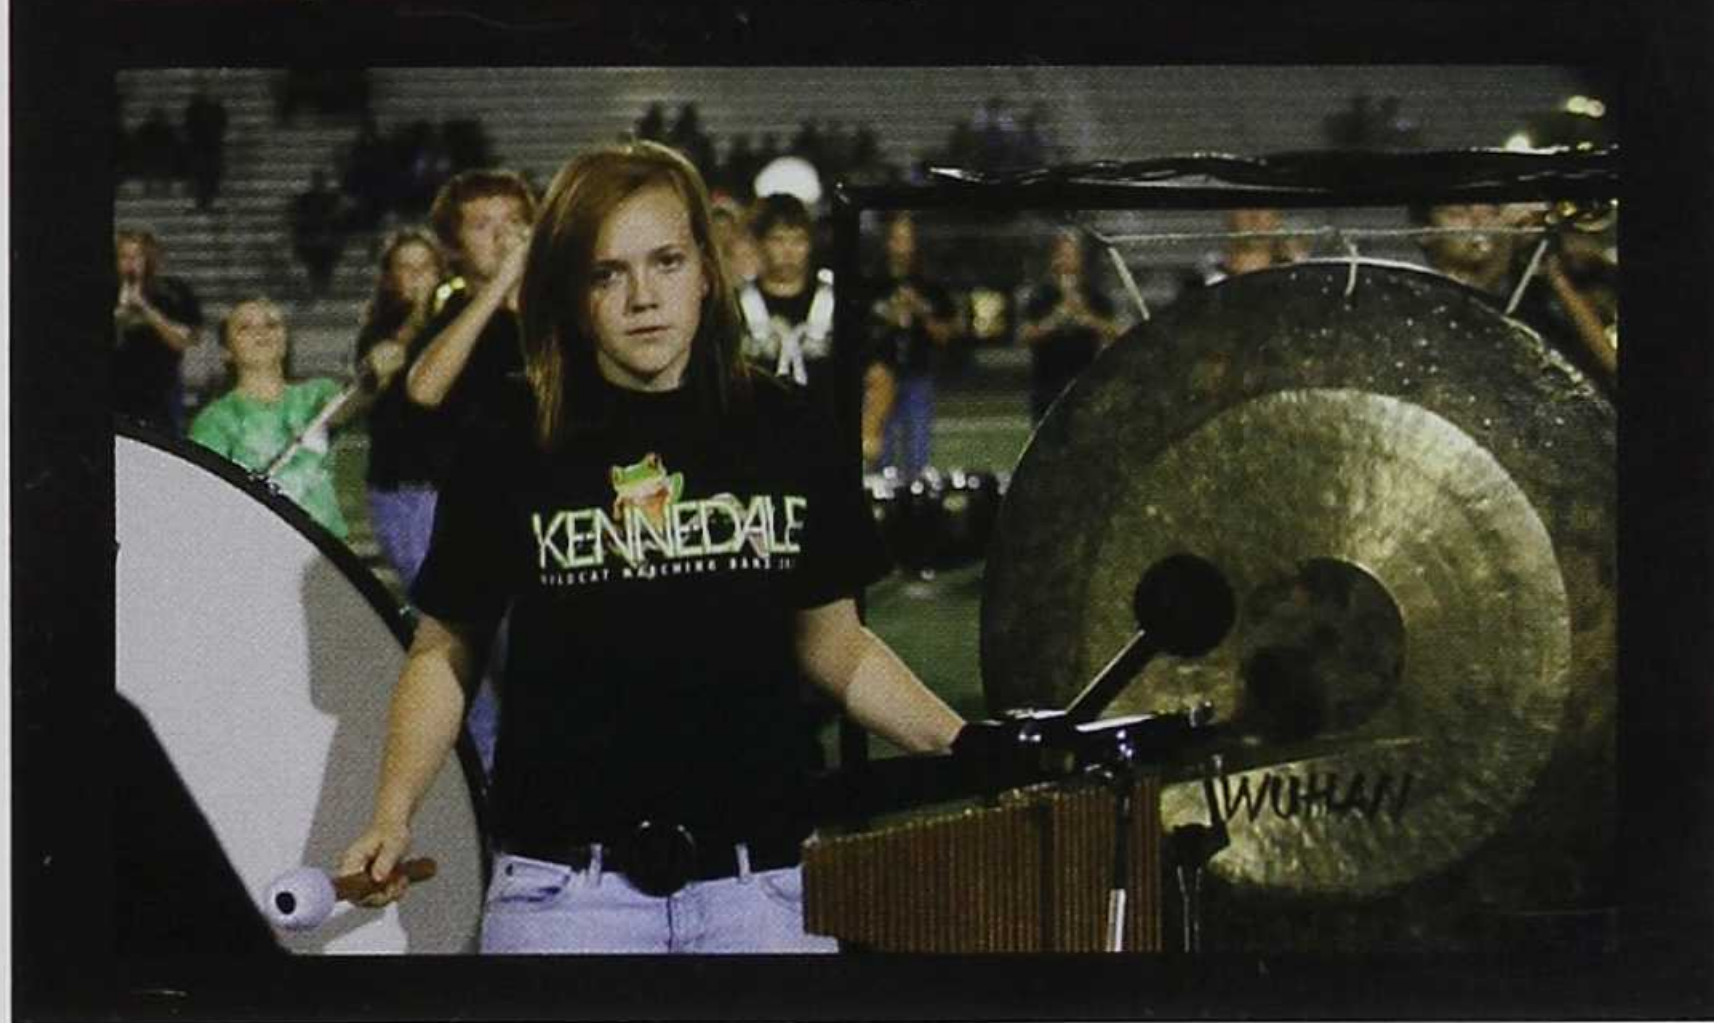

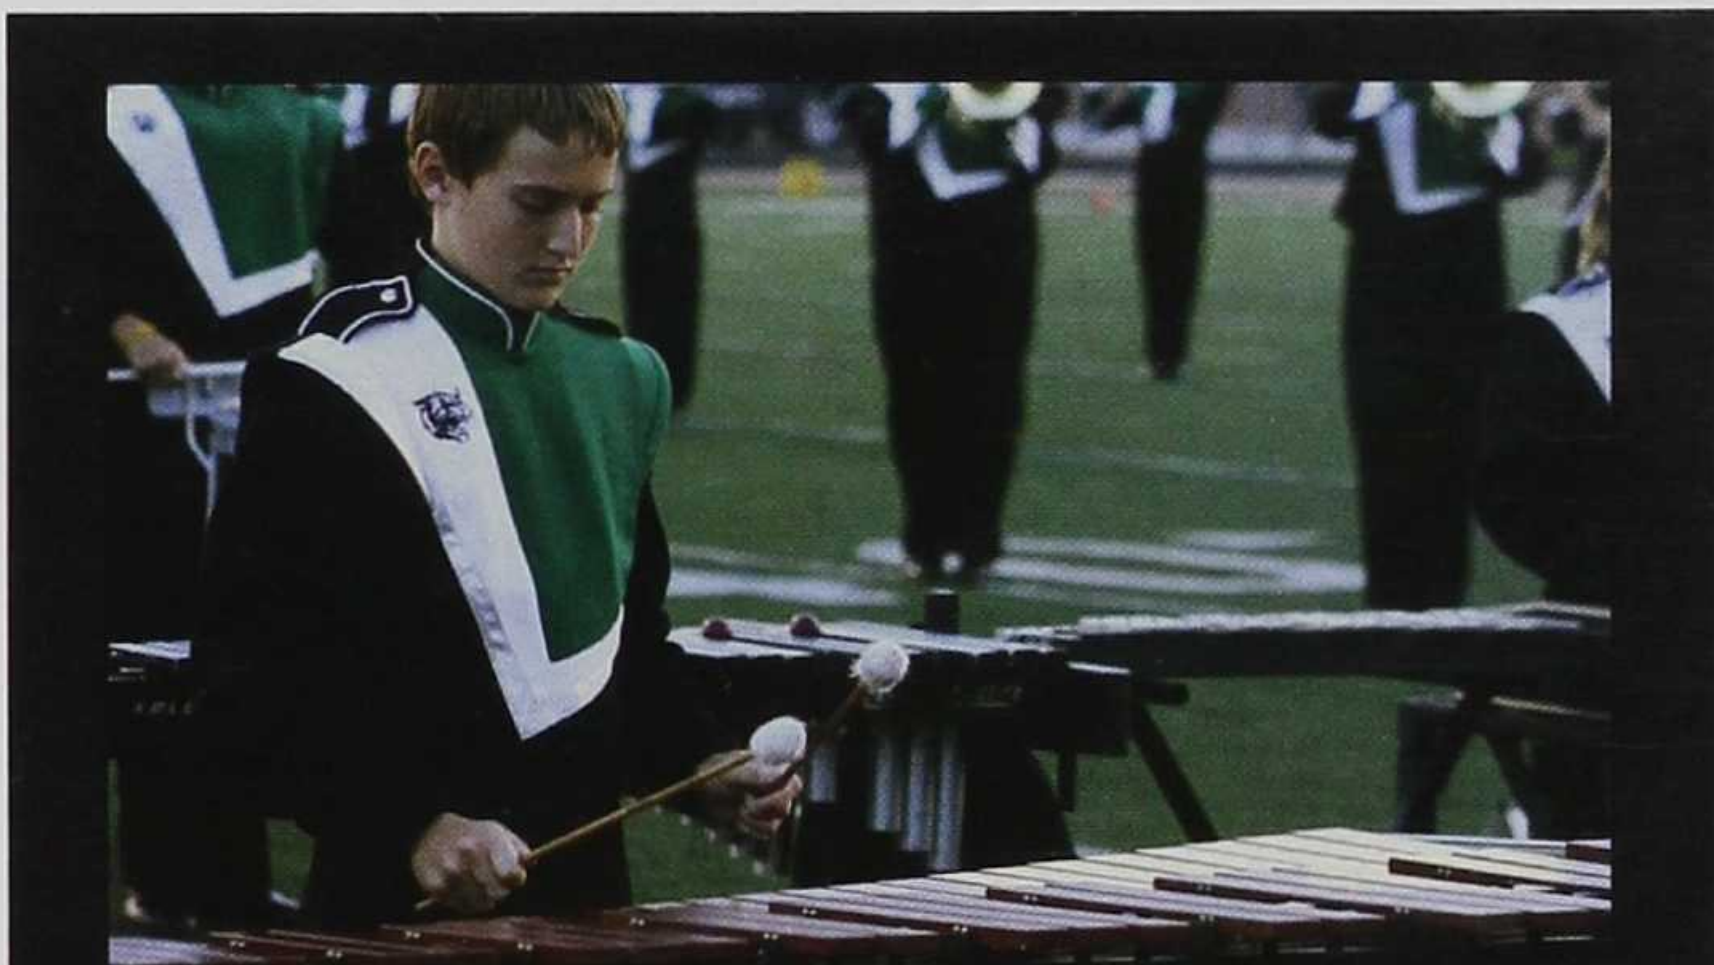

Drumline

Give Me a Beat!

Whether pumping up the students at pep rallies and football games or performing at competitions, the drumline always performs at their best. Our KHS drumline received many "Outstanding Drumline" titles at competitions where they competed among 4A and 5A schools. They also placed 5th in one of the hardest competitions in Texas and had their most successful finish yet where they placed 2nd overall at the Midlothian Marching Contest. We are proud to have one of the best drumlines in the state of Texas!

Theatre

Are You Ready To Be Perfect?

This year, the KHS theatre program presented four spectacular shows starting off with the Advanced Theatre's hilarious, student-directed "The Shakespeare Project" and "A Midsummer's Night Dream". "The Miracle Worker" was truly captivating and "Back to the 80's" gave the performers a chance to show off their singing and dancing skills. "The Importance of Being Earnest" finished our thespians' year, winning many awards as the one-act play entry. KHS theatre never fails to entertain.

Joshua Lopez, Gary Weaver, Katherine MClean, and Braxton Thomas had a blast hanging out backstage!

Chase Crews and Hannah Wulfsberg did a great job portraying Annie Sullivan and her brother!

Choir

Sing Your Little Heart Out!

The Kennedale High School Choir sang their way to a whole new level this year. Under the choral direction of Matt Schenck, the choir took 25 to the All-State Choir auditions with a result of 13 moving on to the second round and a total of 5 advancing to the All-Region Choir. Several members received a Superior rating on their solos and one small group girls' ensemble received a one. Over all, the choir never stopped believing!

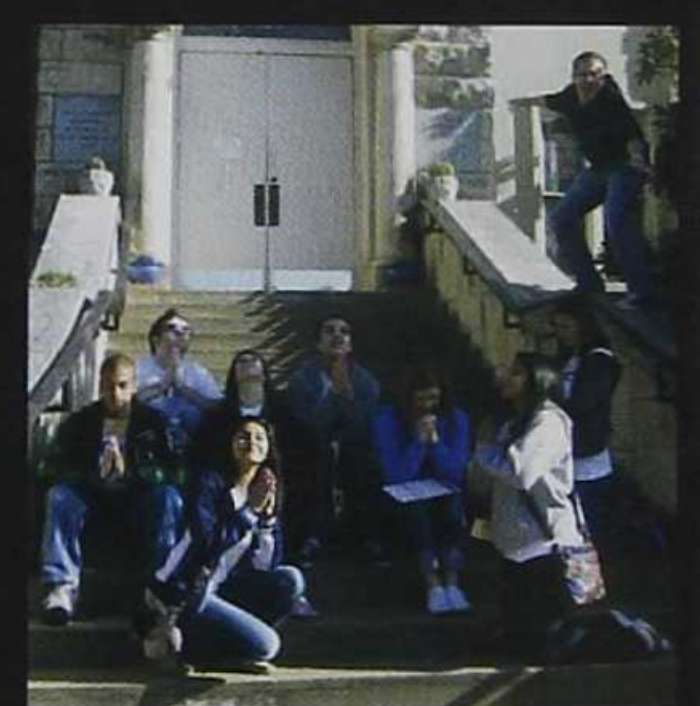

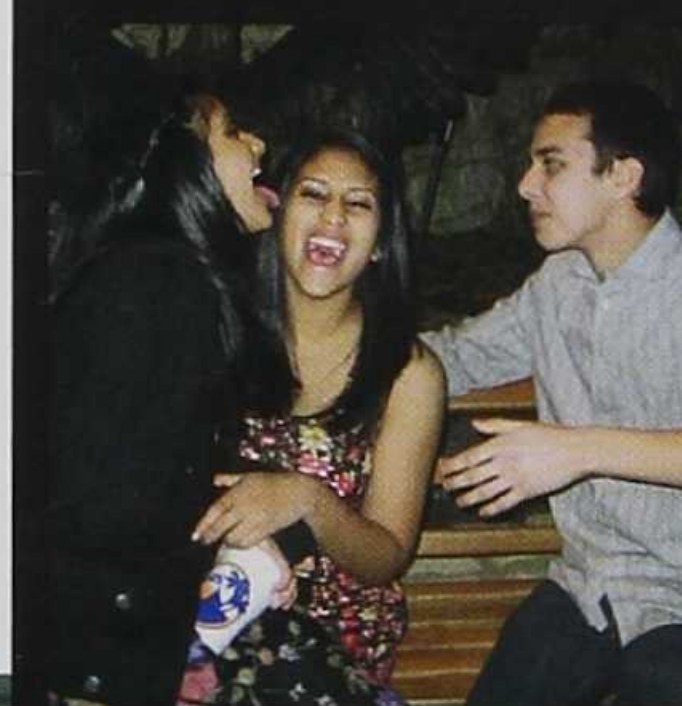

Y.A.C.

Youth Advisory Council

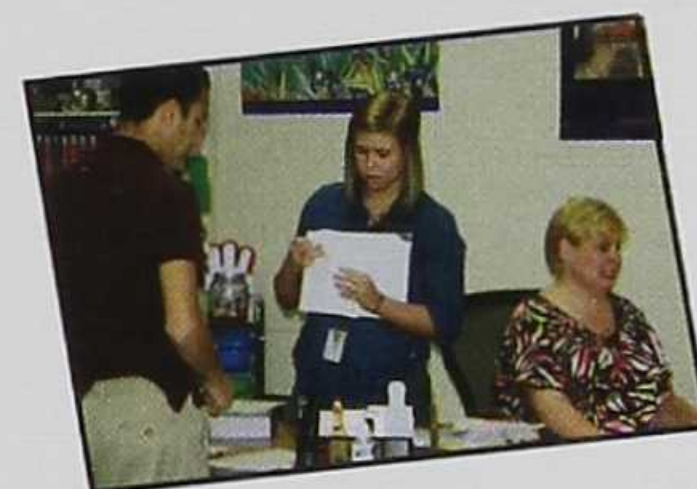

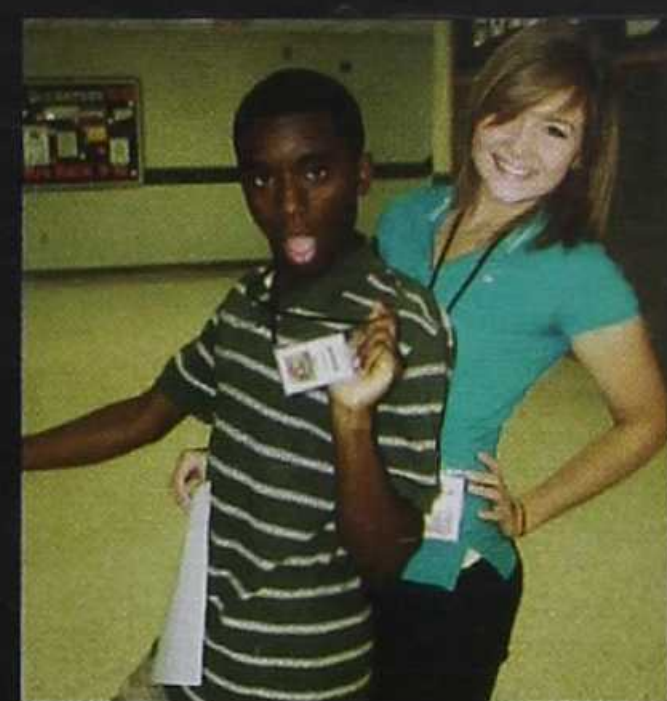

The Youth Advisory Council is an organization created by the Kennedale City Council to bridge the gap between the youth and the city. This year the group attended the YAC Summit in Austin, TX. The members also volunteered at Movie Night at the Park, Art in the Park, and continued to aid the City Council with other community service efforts in Kennedale. Y.A.C. was sponsored by David Green and led by President Fahad Ali, Vice - President Tim Brestowski, Secretary Jeffrey Edwards, and Historian Tia Angadicheril.

Leadership

Go, Do, Be!!

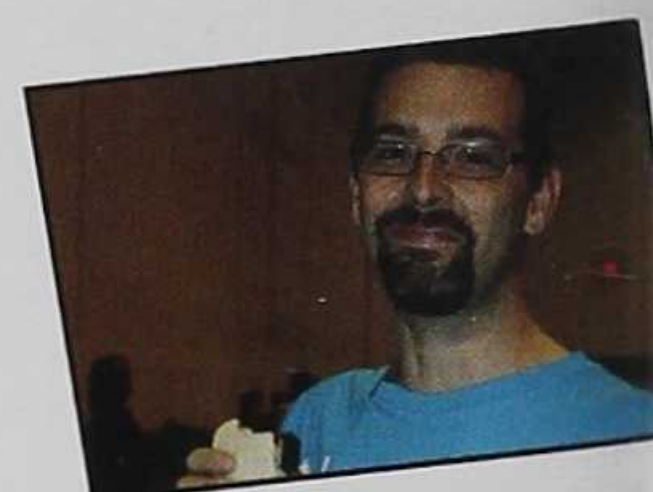

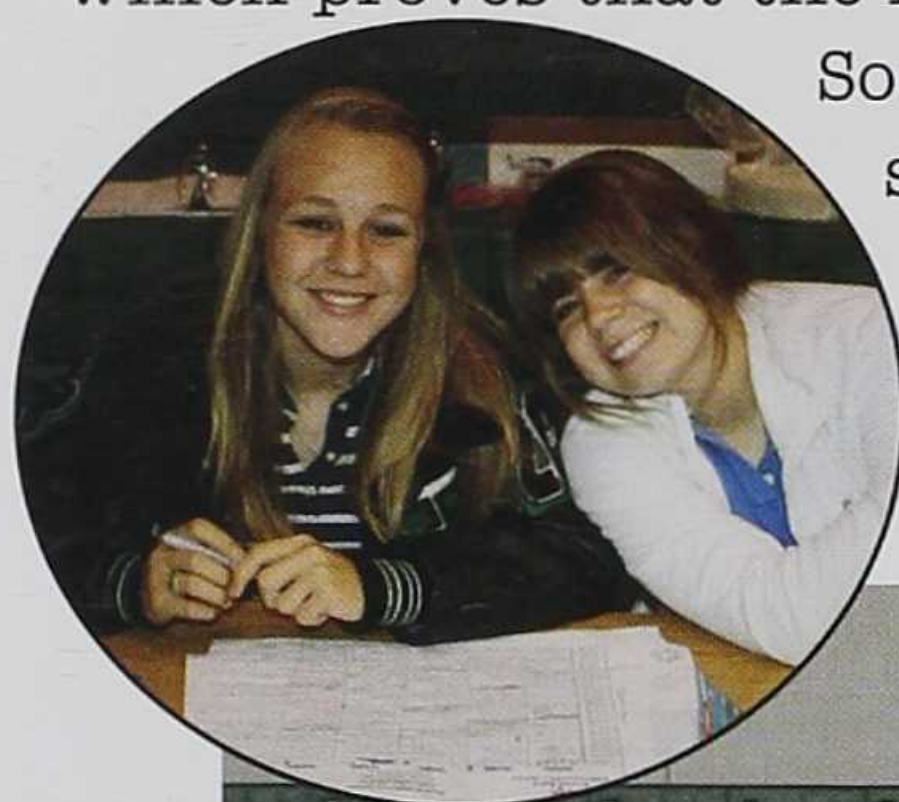

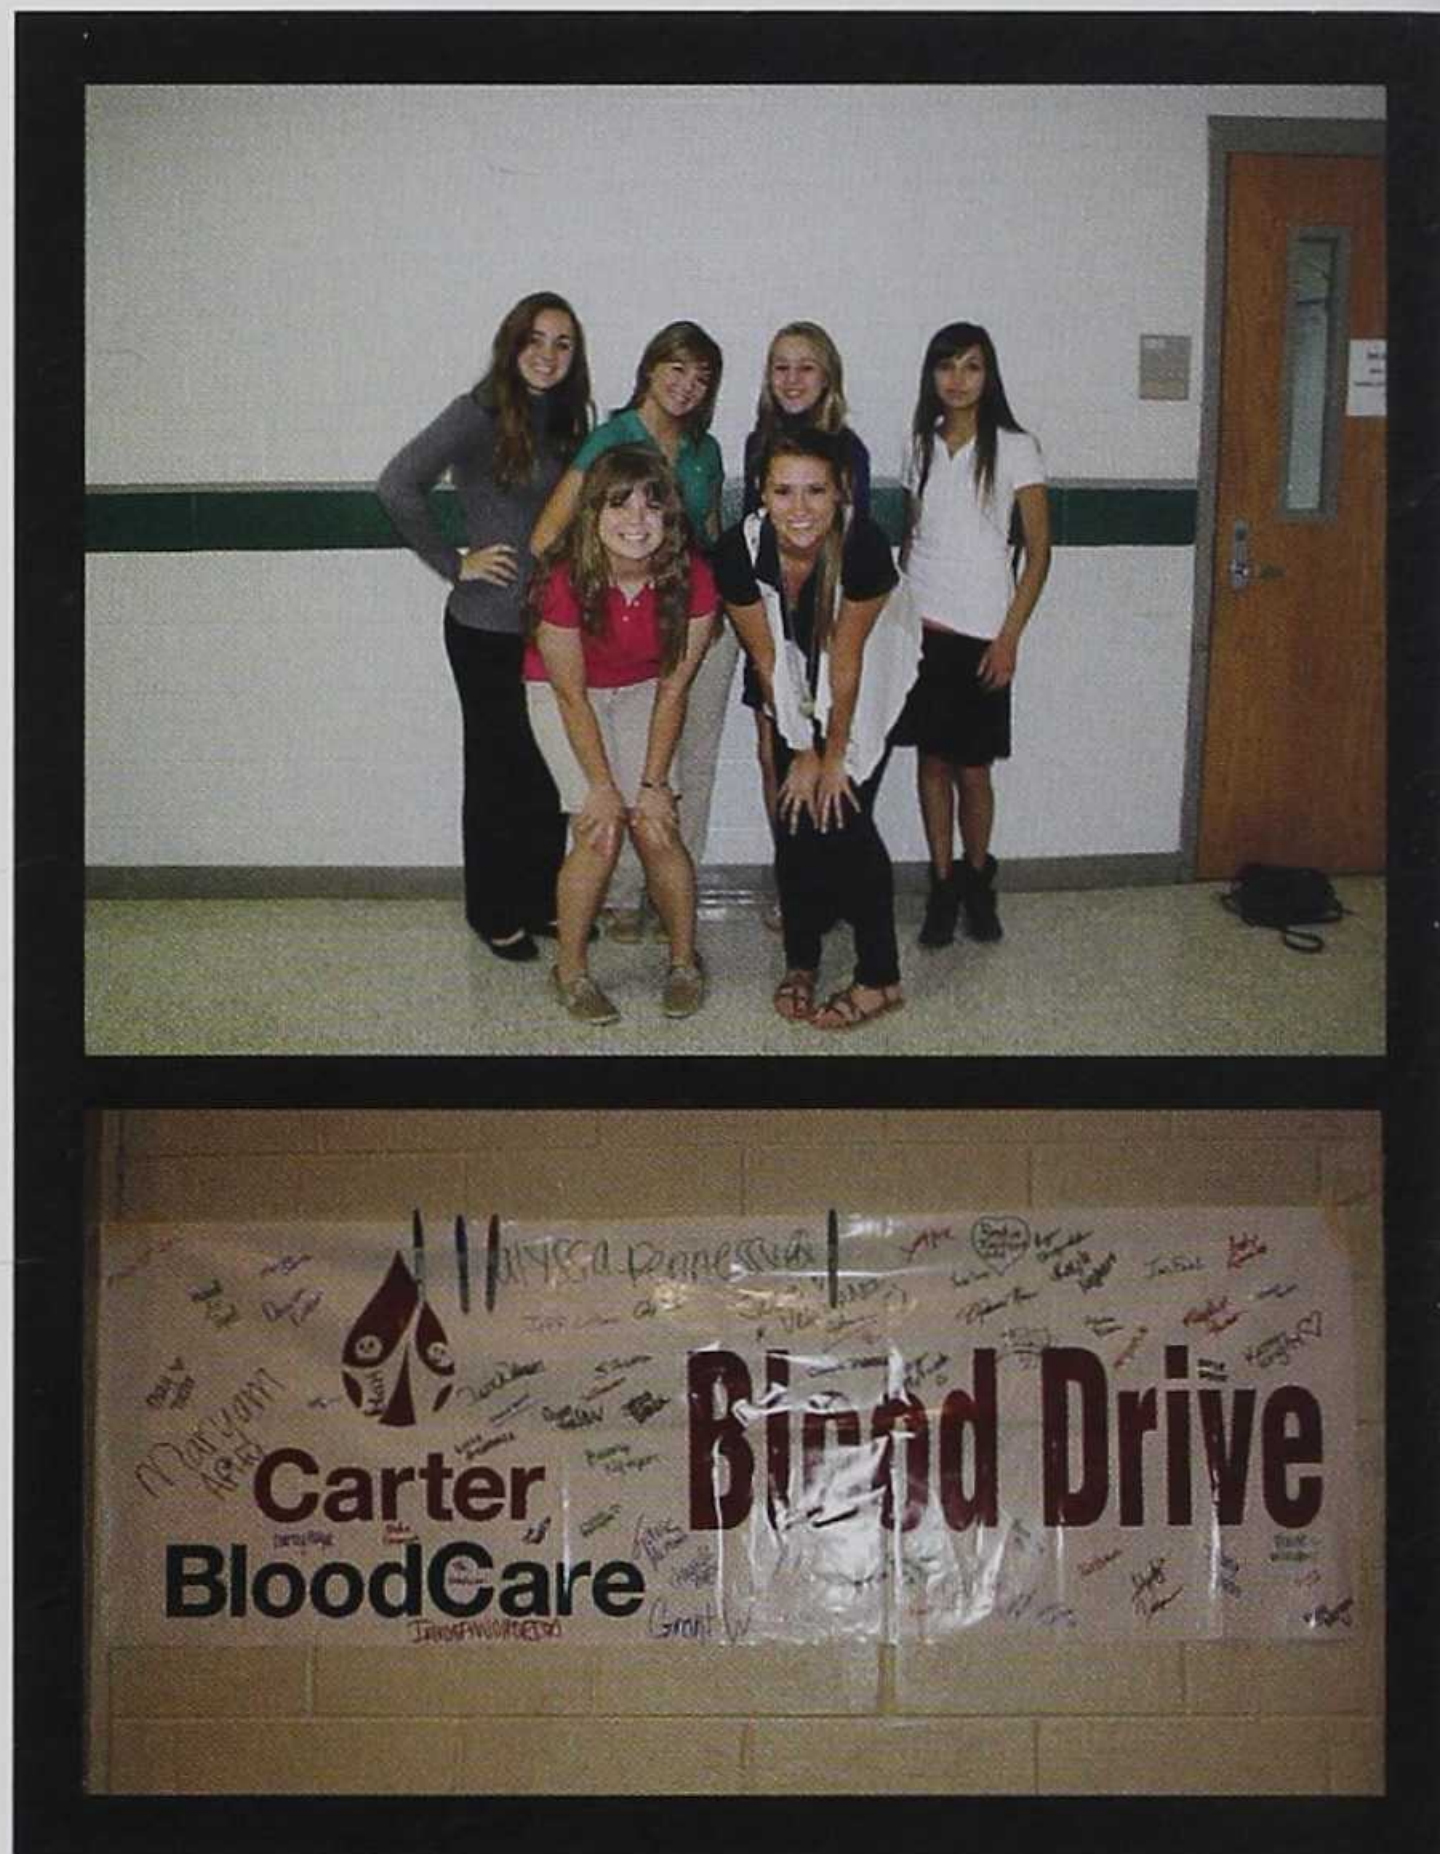

The Kennedale High School Leadership class is full of students who strive to set an example as leaders at school and in the community. These students also do a lot of "behind the scenes" work. With their sponsor, Sherri Wade, these "powerleaders" not only recycle, but do the morning announcements, organize fundraisers, clean and decorate the hallways, set up club meetings, and much more. When something needs to be taken care of, look no further than room 302!

NHS

National Honor Society

Members of NHS are students selected based on their academic achievement, character and leadership. These students enthusiastically serve the school and local community. The group made Thank You cards and baked goods to give out to soldiers on 9-11. They also created pictures for the kids at Cook's Children to brighten their day. Their most successful service project was the annual Blood Drive, which attracted over 150 donors. It's estimated that over 400 lives will be saved or touched by the donated blood. This was an all time high for KHS, which proves that the KHS National Honor Society is always up to serve the community!

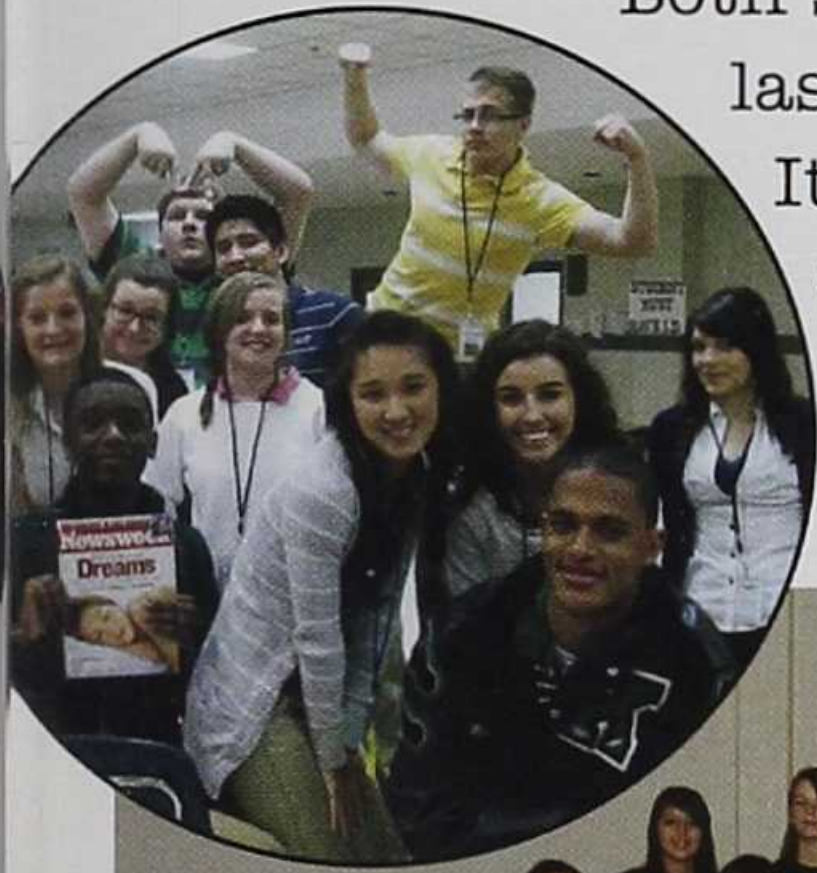

StuCo

Student Council

The Student Council Representatives and class officers plan various events and activities for the student body, as well as update the bulletin boards around campus and volunteer for community service with faculty and staff. This year they successfully organized and spearheaded the "Canned Food Drive for Love" by encouraging KHS students, faculty and staff to collect 6,752 food items. Combined with the junior high's total of 5,243, our schools donated over 11,000 food items to Mission Arlington!

Both schools nearly doubled last year's collection total.

It's nice to see how everyone can come together to support a good cause!

Key Club

Keep Changing The World

Key Club members give thousands of volunteer hours to the school and community to make both a better place. Some of this year's events and activities included Bingo Day at Pecan Manor Nursing Home, a clothing drive for Mission Arlington and Trick or Treat for UNICEF. Members also raised funds to help fight childhood cancer for Alex's Lemonade Stand and sponsored a TOM's Shoes Project to help adopt pairs of shoes for children in Argentina. Kudos to last year's president, Katherine Mclean, who served as 2010-2011 Lieutenant Governor for the district. Officers for the KHS Key Club included Beryl Quaye as

President, Karina Marquez as Vice President, Kaitlynn Newman as Secretary, Tia Angadicheril as Treasurer, and Stefany Rogenski as Editor.

Kiss Club

Kindness In Students Spreads

"Too often we underestimate the POWER of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around!" ~Leo Buscaglia

As always, our KISS Club brought a sense of happiness into our school. Each holiday or special occasion, the KISS Club had a special treat available for each student to give to their friends. Whether it was Christmas Kisses, Valentine Kisses or "Kissing a Senior Goodbye", students were able to spread a little bit of kindness. Birthdays were made a little more memorable with the birthday wall and morning announcements, as well as the decorated doors for teachers.

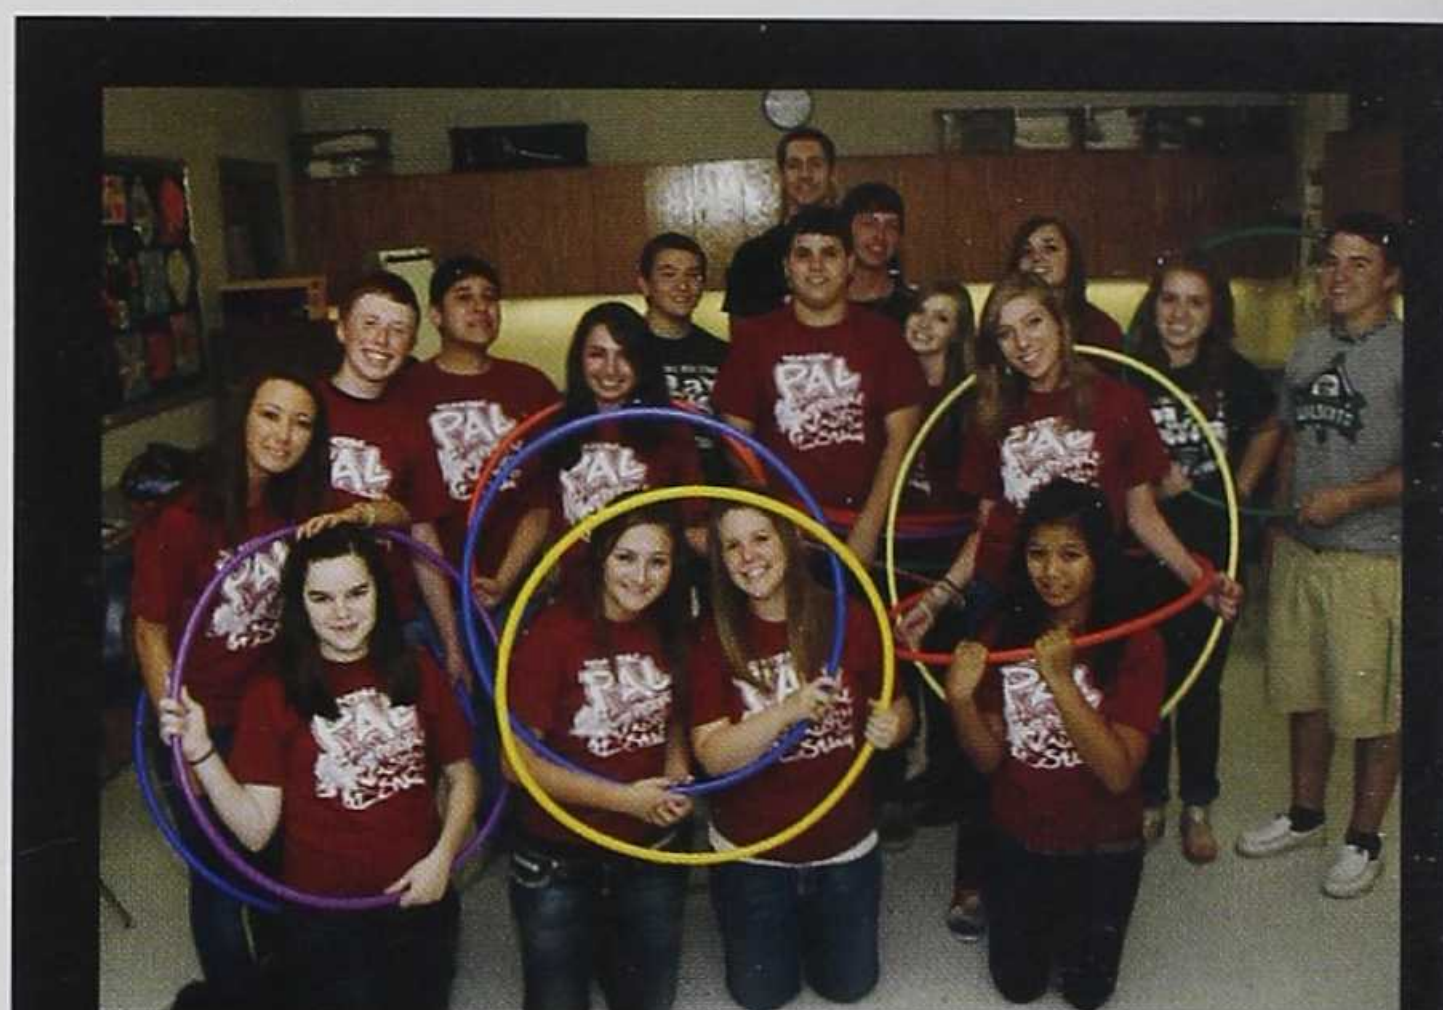

The KISS Club, along with the Key Club, also sponsored and organized Operation Christmas Child. Project managers were Jerick Johnson, Brittany Rast, Chasmin Jenkins, and Hannah Wulfsberg.

P.A.L

Peer Assistance and Leadership

Think of P.A.L and you might think of those few selected students who every year spend their time and energy visiting kids at the intermediate and junior high schools here in Kennedale. Every member of P.A.L is selected through a rigorous process to ensure they're up to par. Julie Naughton is the dedicated sponsor for P.A.L.

Rotary Interact

Service Above Self

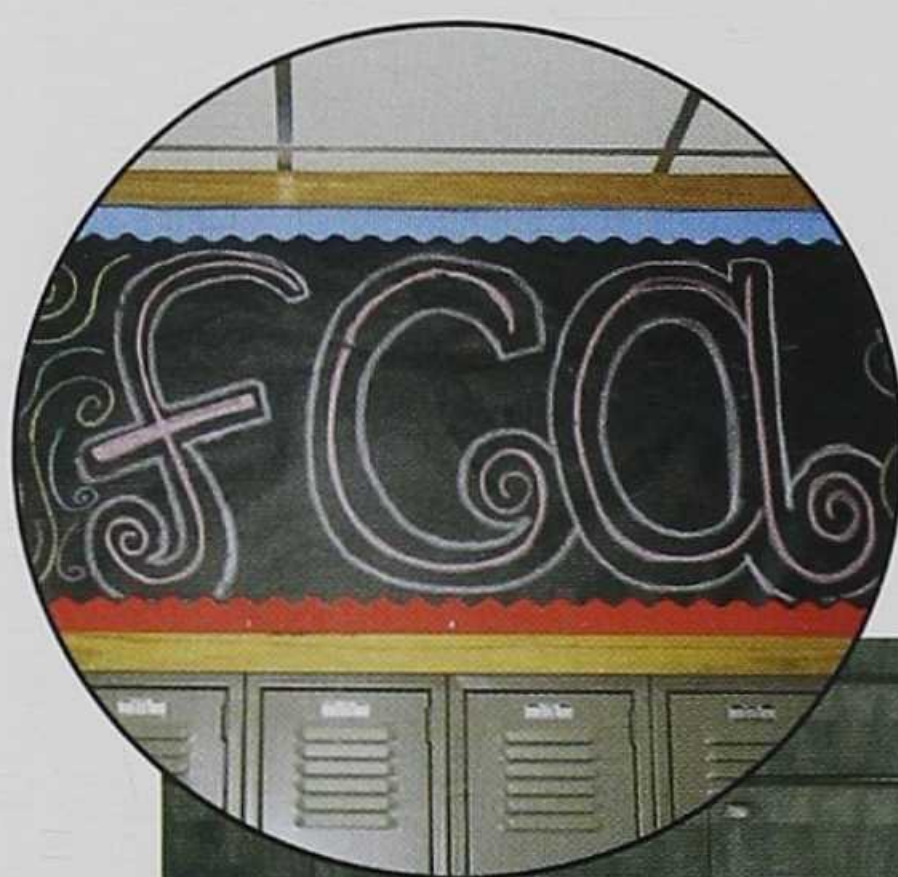

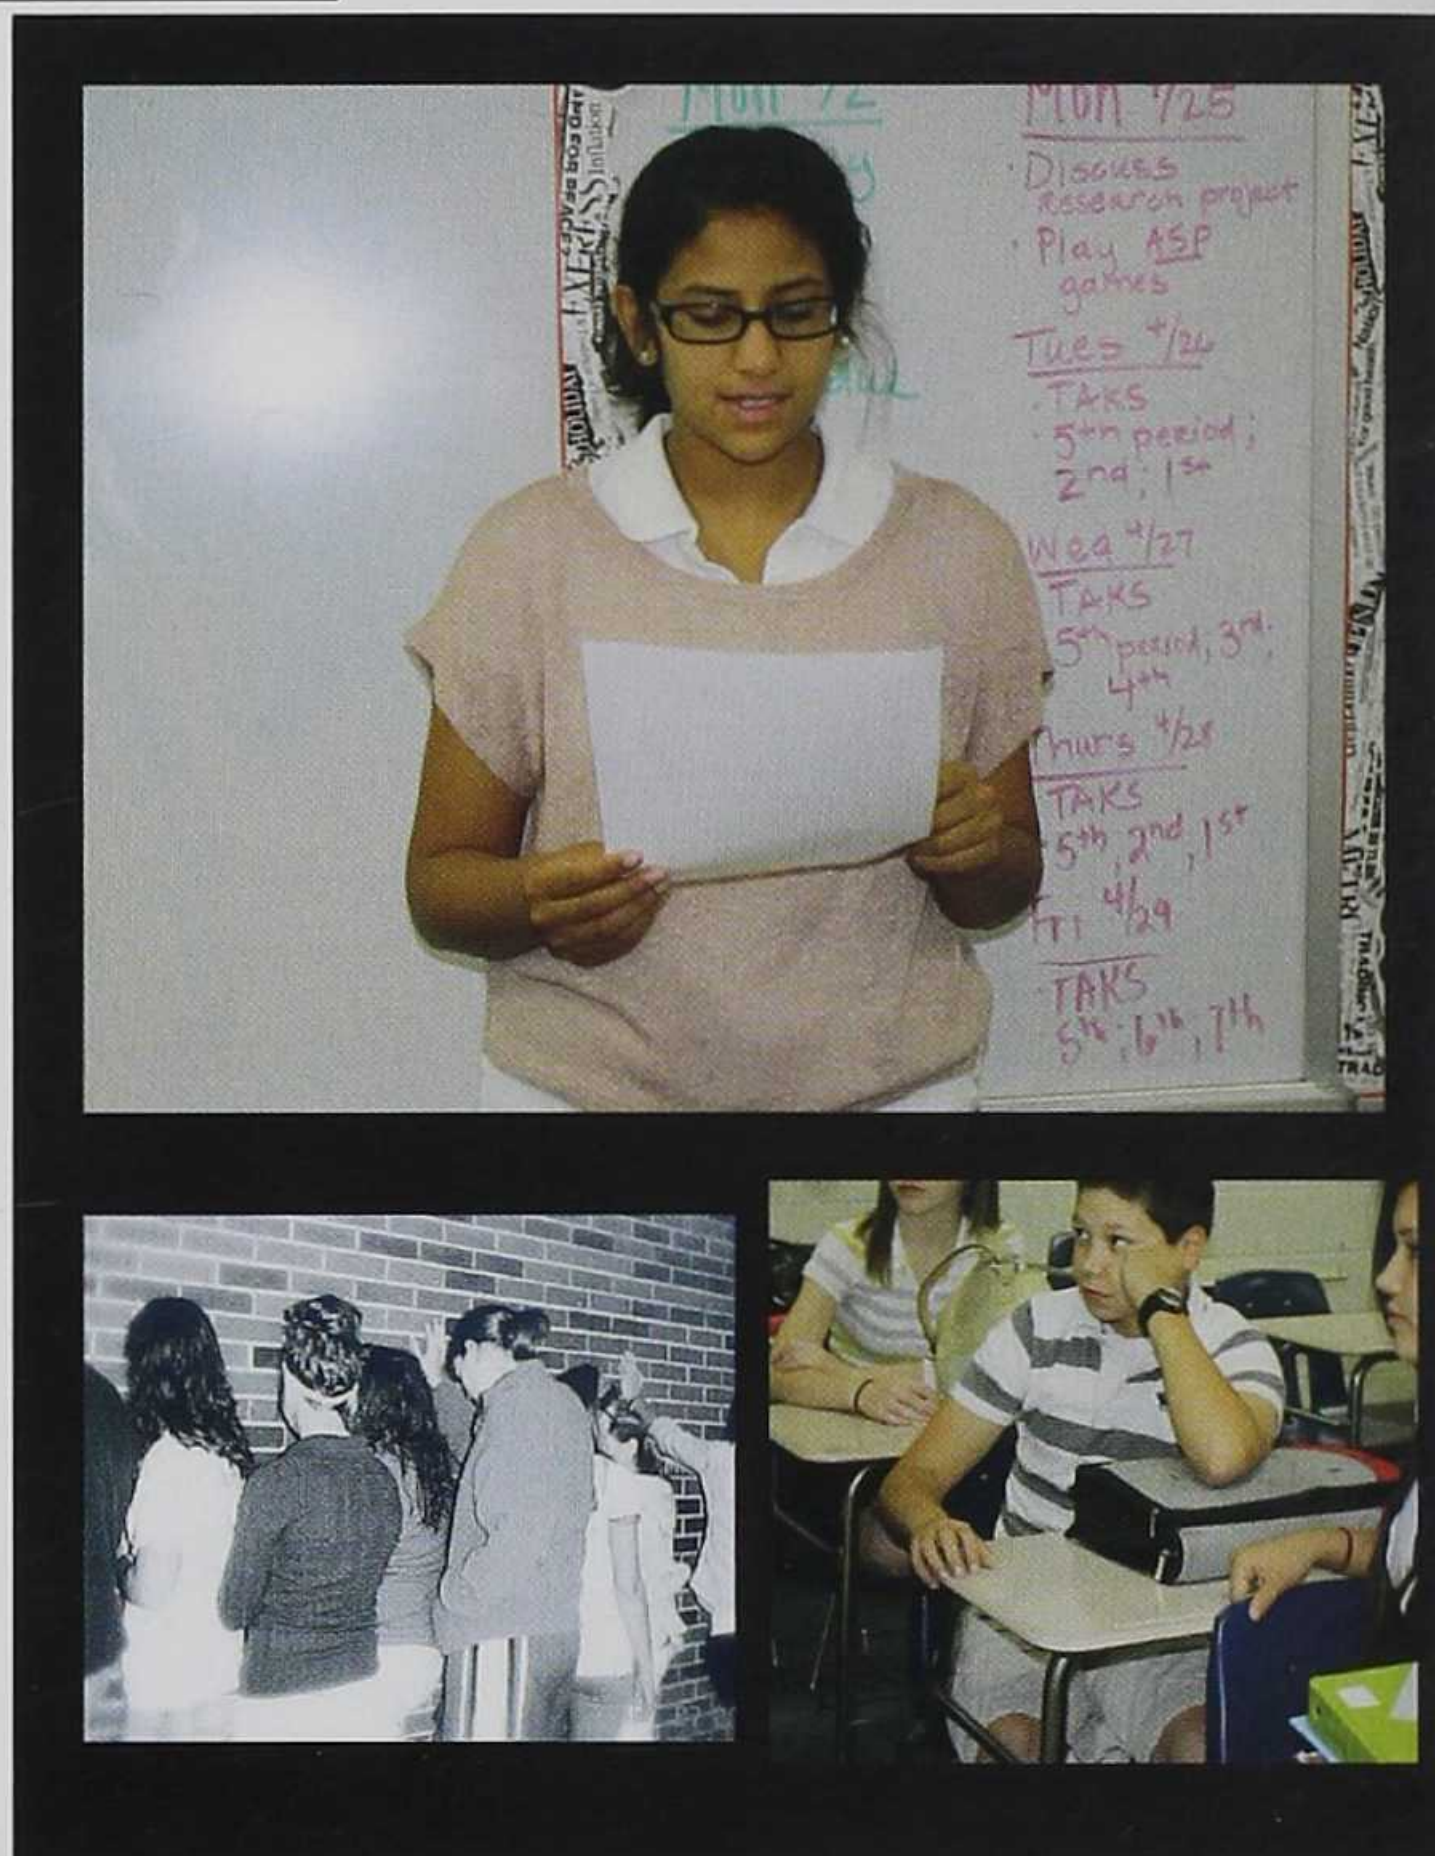

The Interact club is new to Kennedale High School, but members wasted no time getting involved and providing service to the local and global community. Headed by President Hannah Manson and V.P. Chase Crews, the club helped install smoke detectors with the Kennedale Fire Department, delivered dictionaries to KISD third grade students, and donated to orphanages in poverty-stricken areas of Mexico. The club even won Mayor's Choice Award in the Texas Independence Day Parade.

Interact is off to a great start of providing service above self.

FCA Fellowship of Christian Athletes

 FCA, the Fellowship of Christian Athletes, has been a very important club for many years at KHS. This group is responsible for various activities such as "See You at the Pole", Fellowship Night on Thursday nights, and meetings every Friday morning. FCA is a Christian faith-based club that impacts our community through the message of Jesus Christ. Sponsored by Coach Kim Padgett, FCA is open to whoever wants to join. Co-Presidents for the year were Tia Angadicheril and Nicole Degan.
 

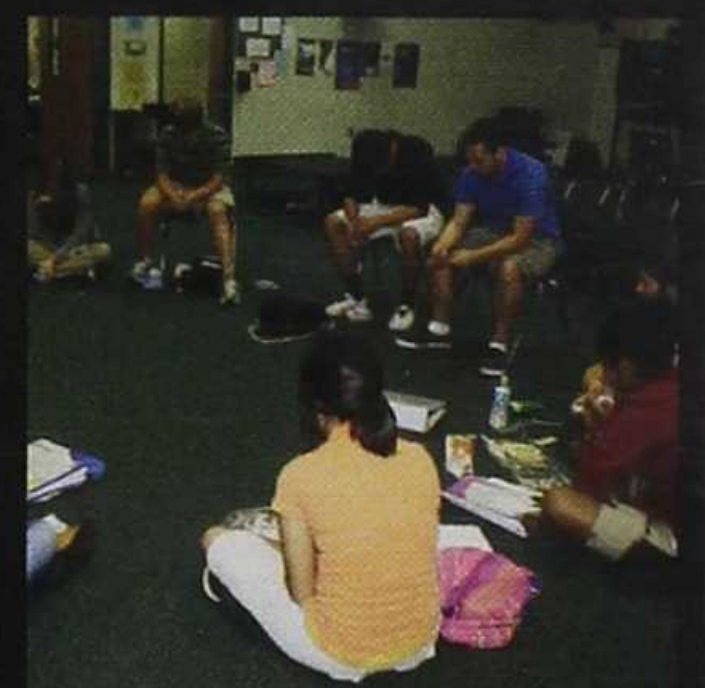

Psalm 33:5
 "He loves
 righteousness
 and justice;
 the earth is
 full of the
 steadfast love
 of the Lord."

REAL

Reaching Everyone, Altering Lives

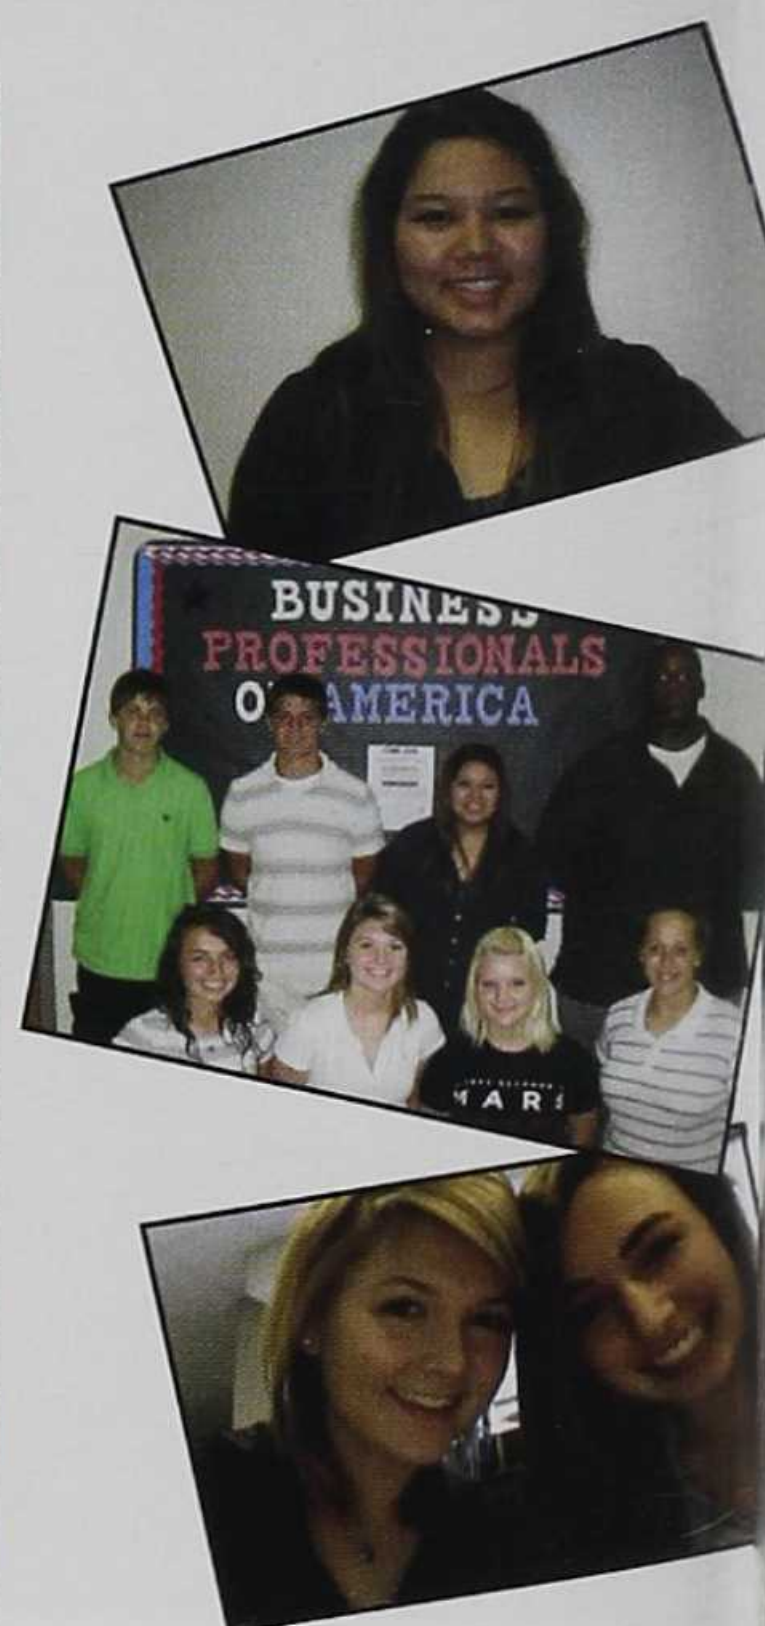

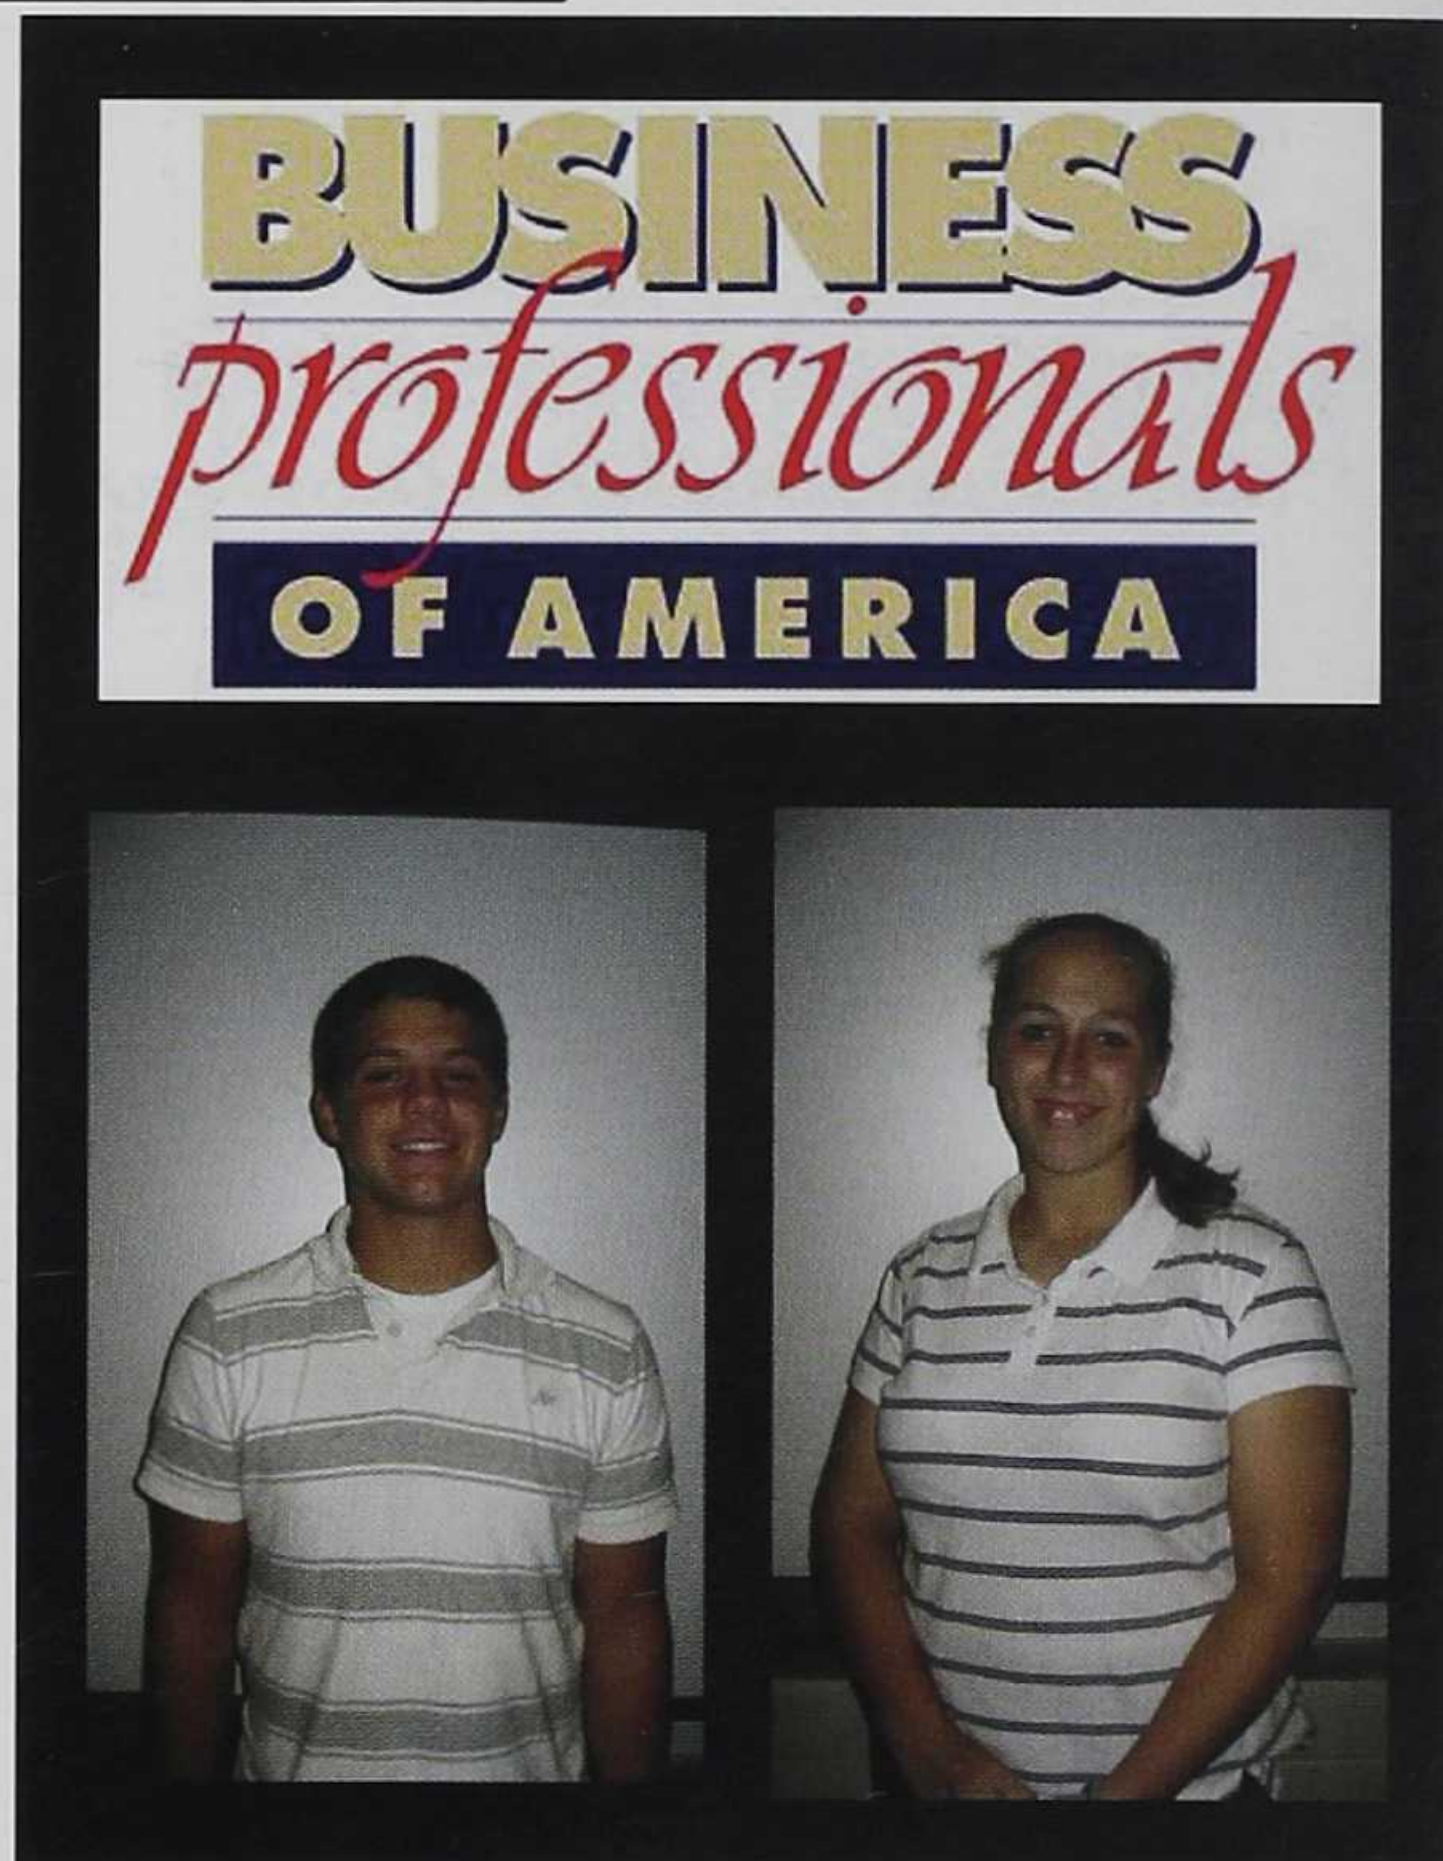

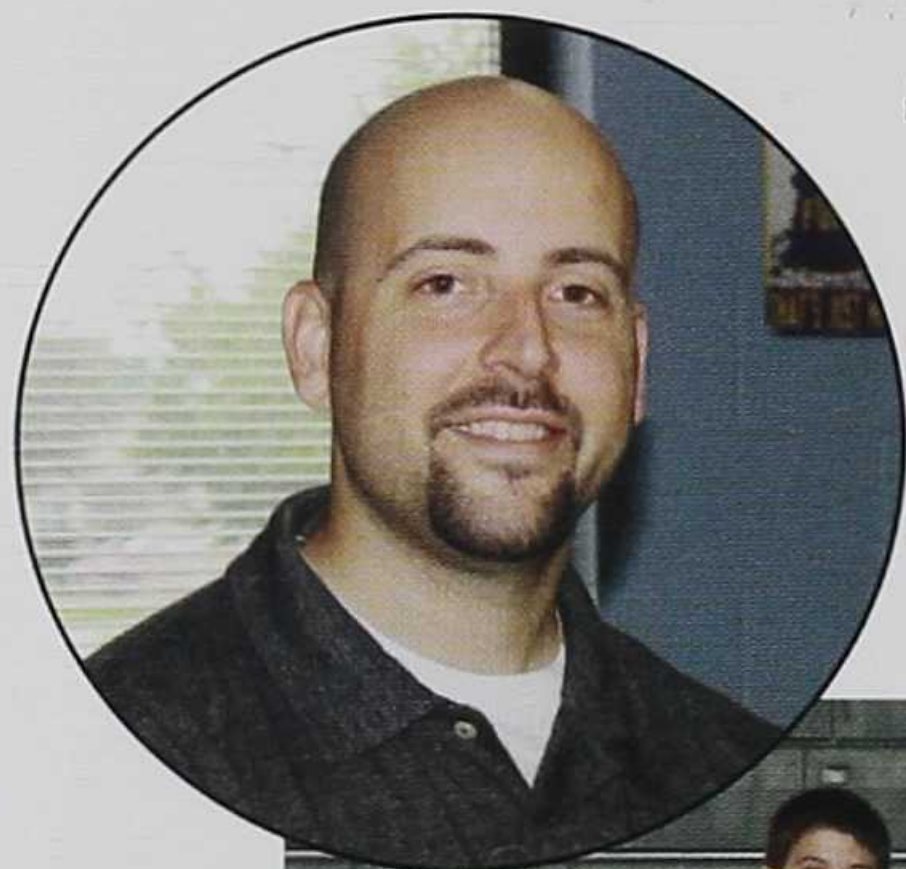

A new option was offered this year with REAL. The idea for REAL is to help people find their fire for God and strive to be more like Christ. Meetings were during both lunches on Mondays and Wednesdays with lessons presented by various students. Fridays consisted of worship led by students. The sponsors for REAL are Jeff Samms and Matt Schenck. First lunch student leader for the year was Maddi Grimes and second lunch student leader was Ryan Holland.

B.P.A.

Business Professionals of America

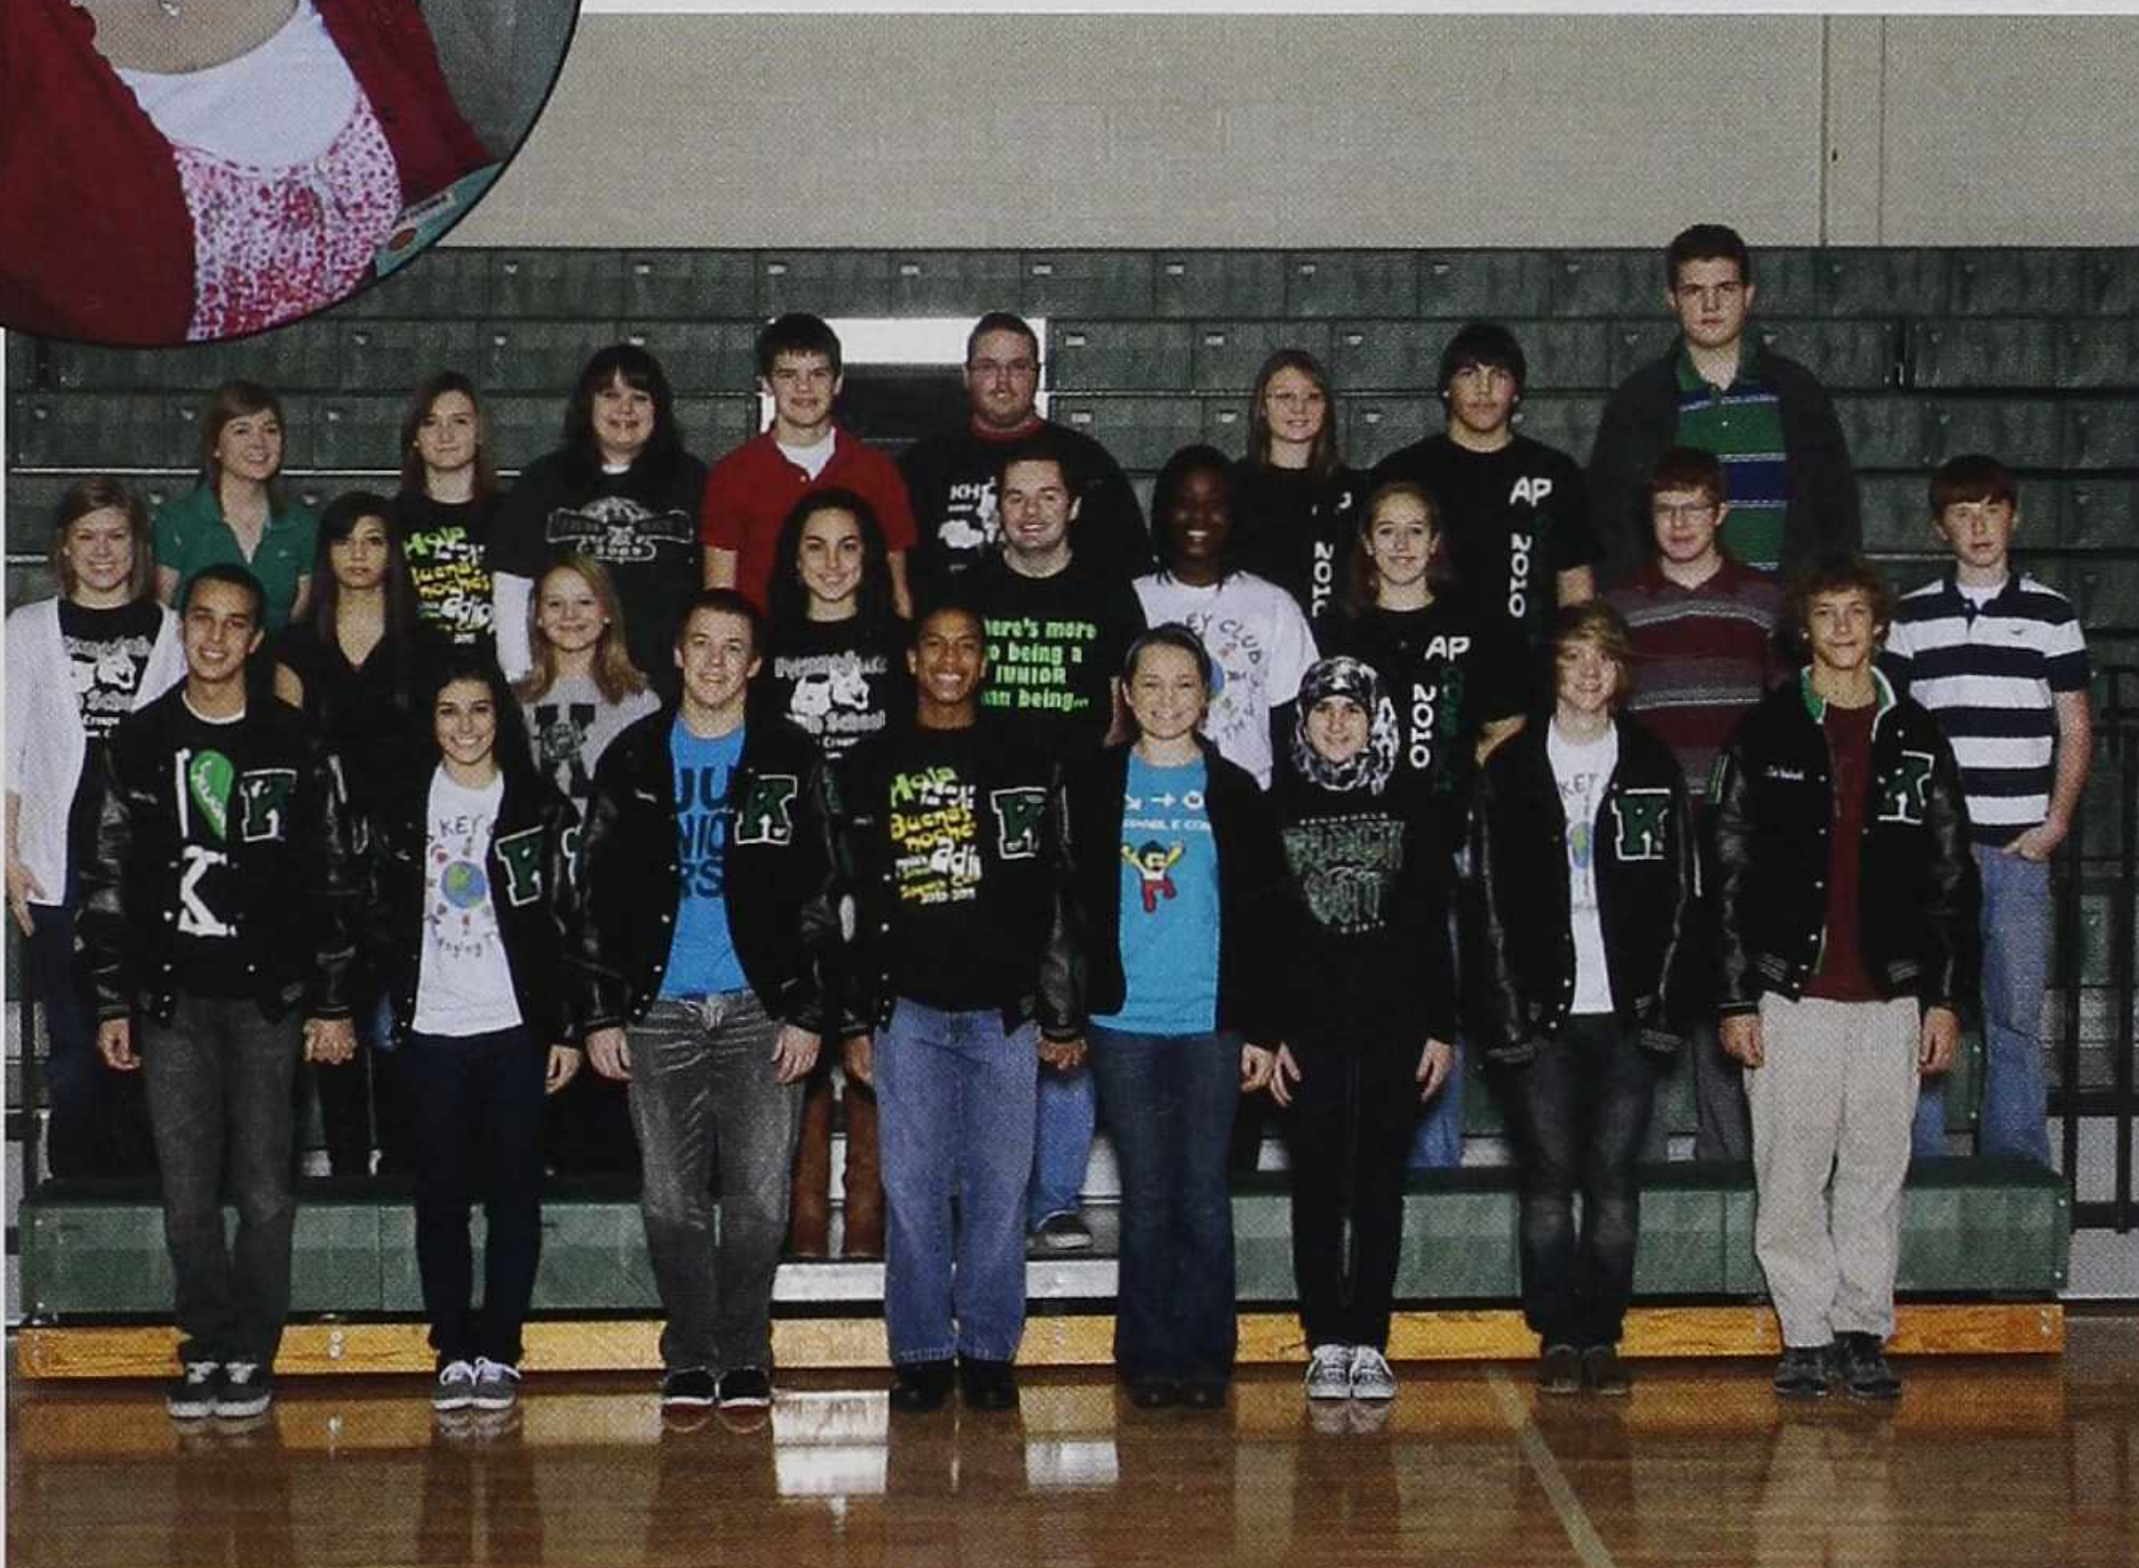

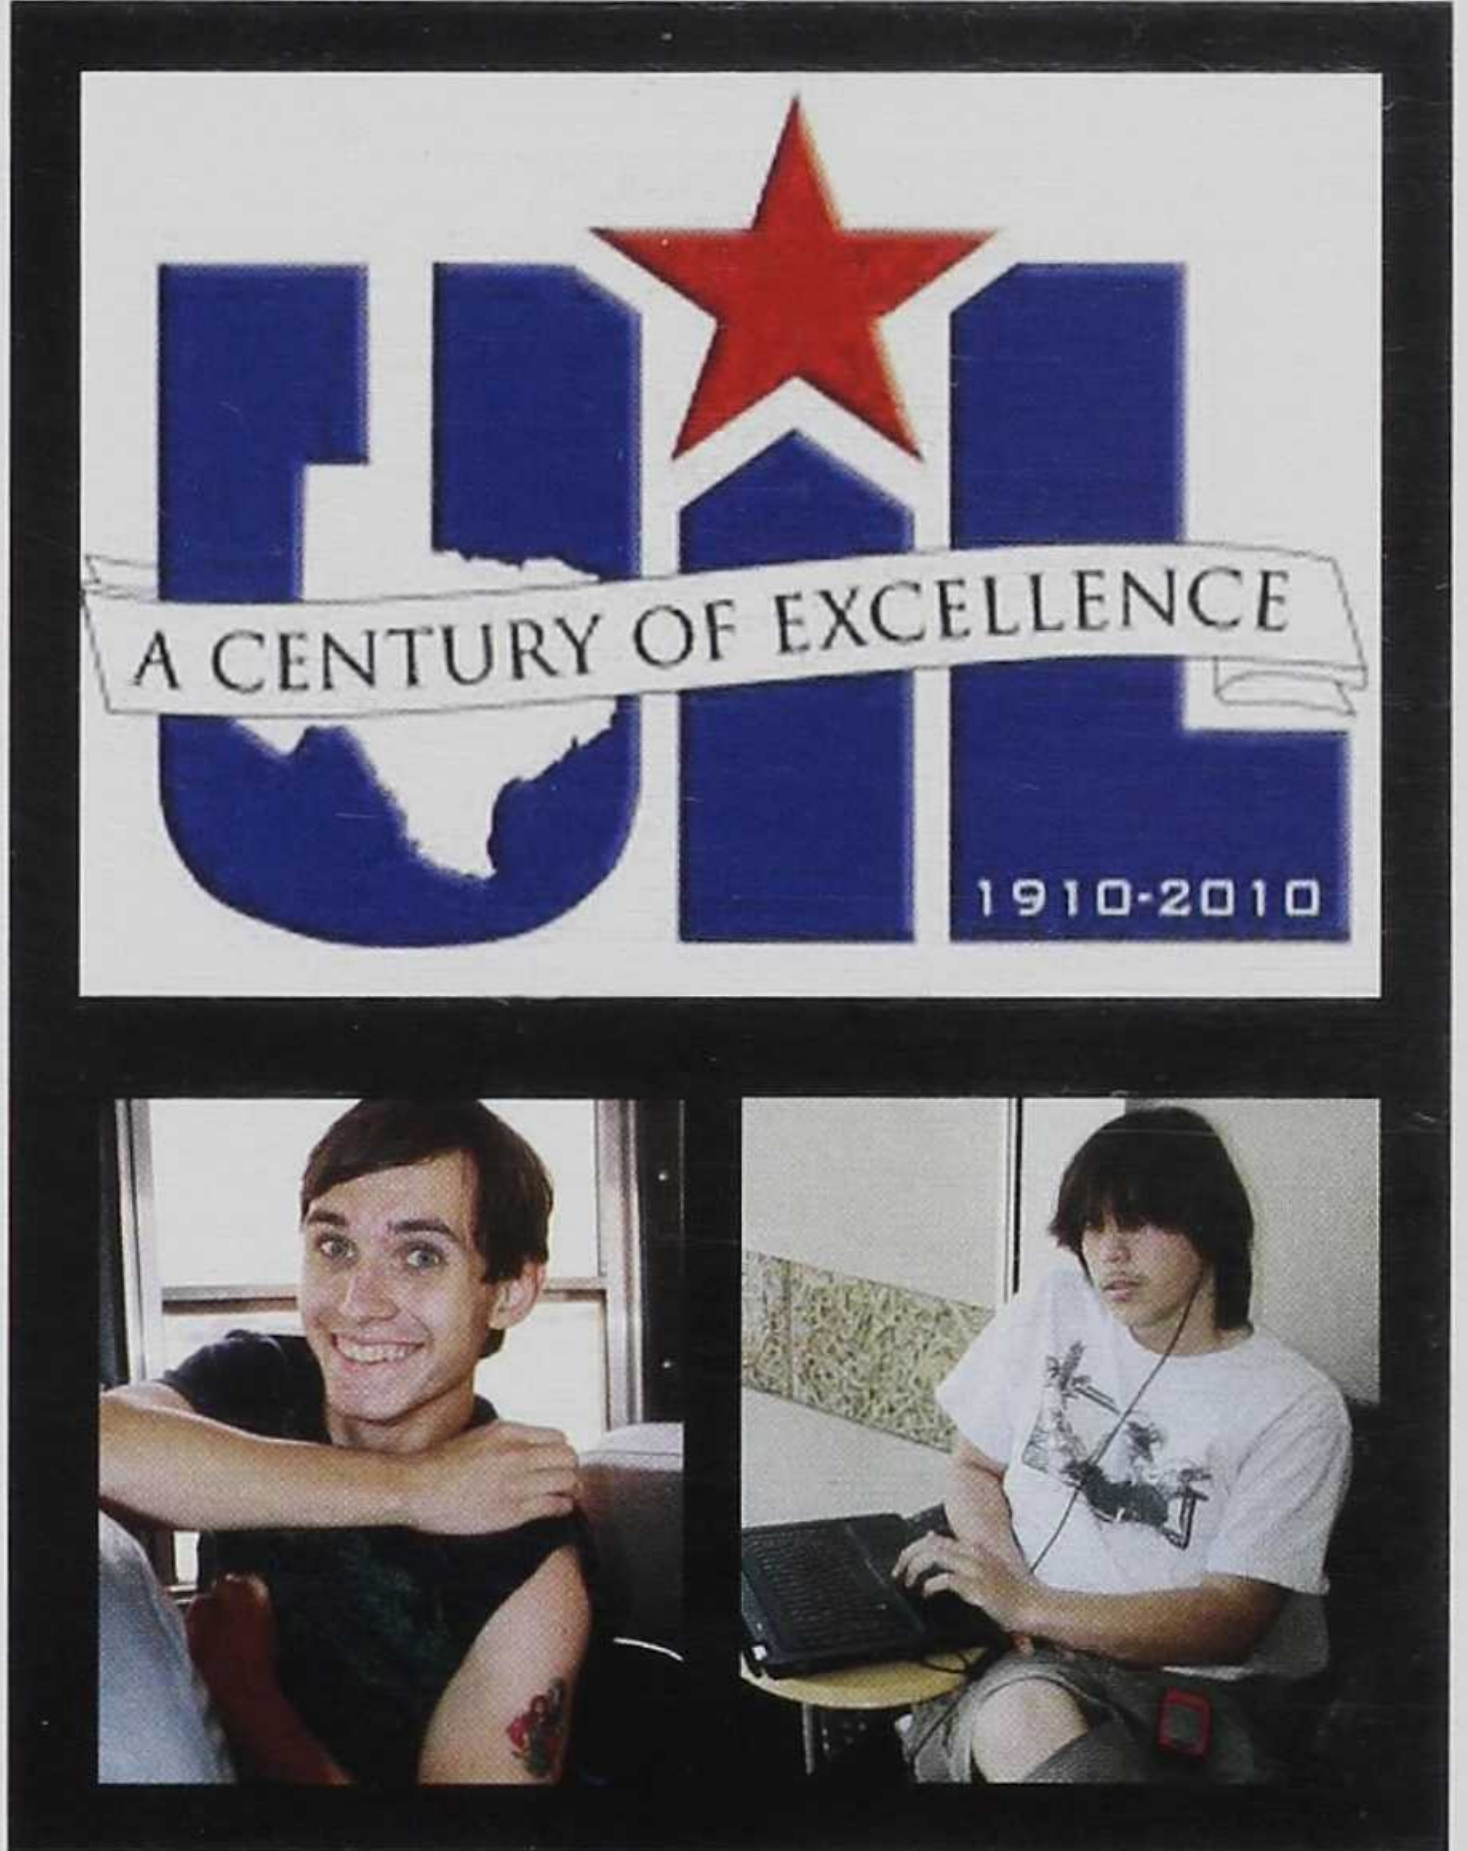

BPA is an organization for students interested in pursuing business management jobs or careers. Sponsored by Shaheen Matuni and led by Jessica Combs, BPA has guided students at Kennedale High School towards the road of success.

U.I.L. Academics

Get your smart on!

The KHS U.I.L. Academic Team had a very rewarding year. Overall, the team earned District Runner-up. Individually, 16 students qualified for regionals, and 3 qualified for state. These students were led by sponsors Jennifer Cook, Elisabeth Brooke, Gia Bowens, Peter Devries, Al Grotz, and Shaheen Matuni.

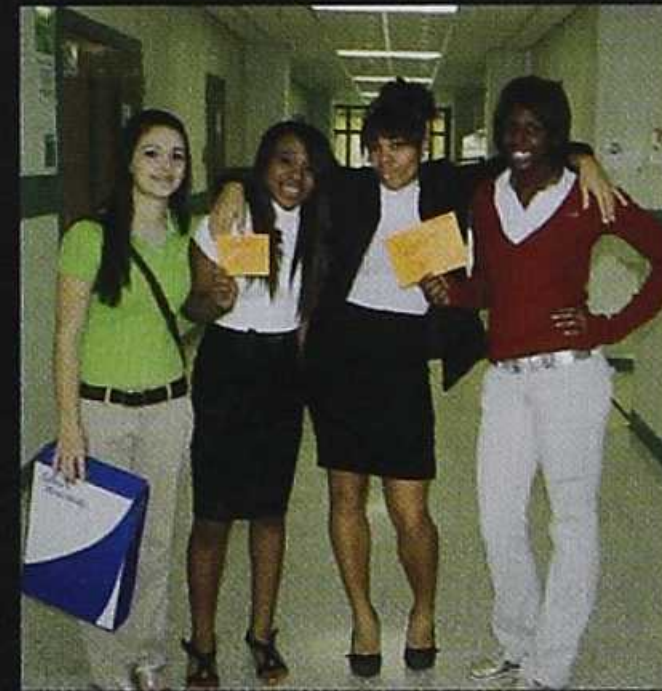

Club de Español

Spanish Club!

The KHS Spanish Club has been growing throughout the years and it has more members than ever this year. Club membership is open to all students. A few of the club's fundraising projects are the candygram sales for Valentine's Day and nacho sales fiestas throughout the year. All proceeds go towards a scholarship and club trip to San Antonio. Club members also show their appreciation to the KHS staff by hosting an End-of-the-Year Fiesta Breakfast. The Spanish Club is led by sponsor Maestra Stephens,

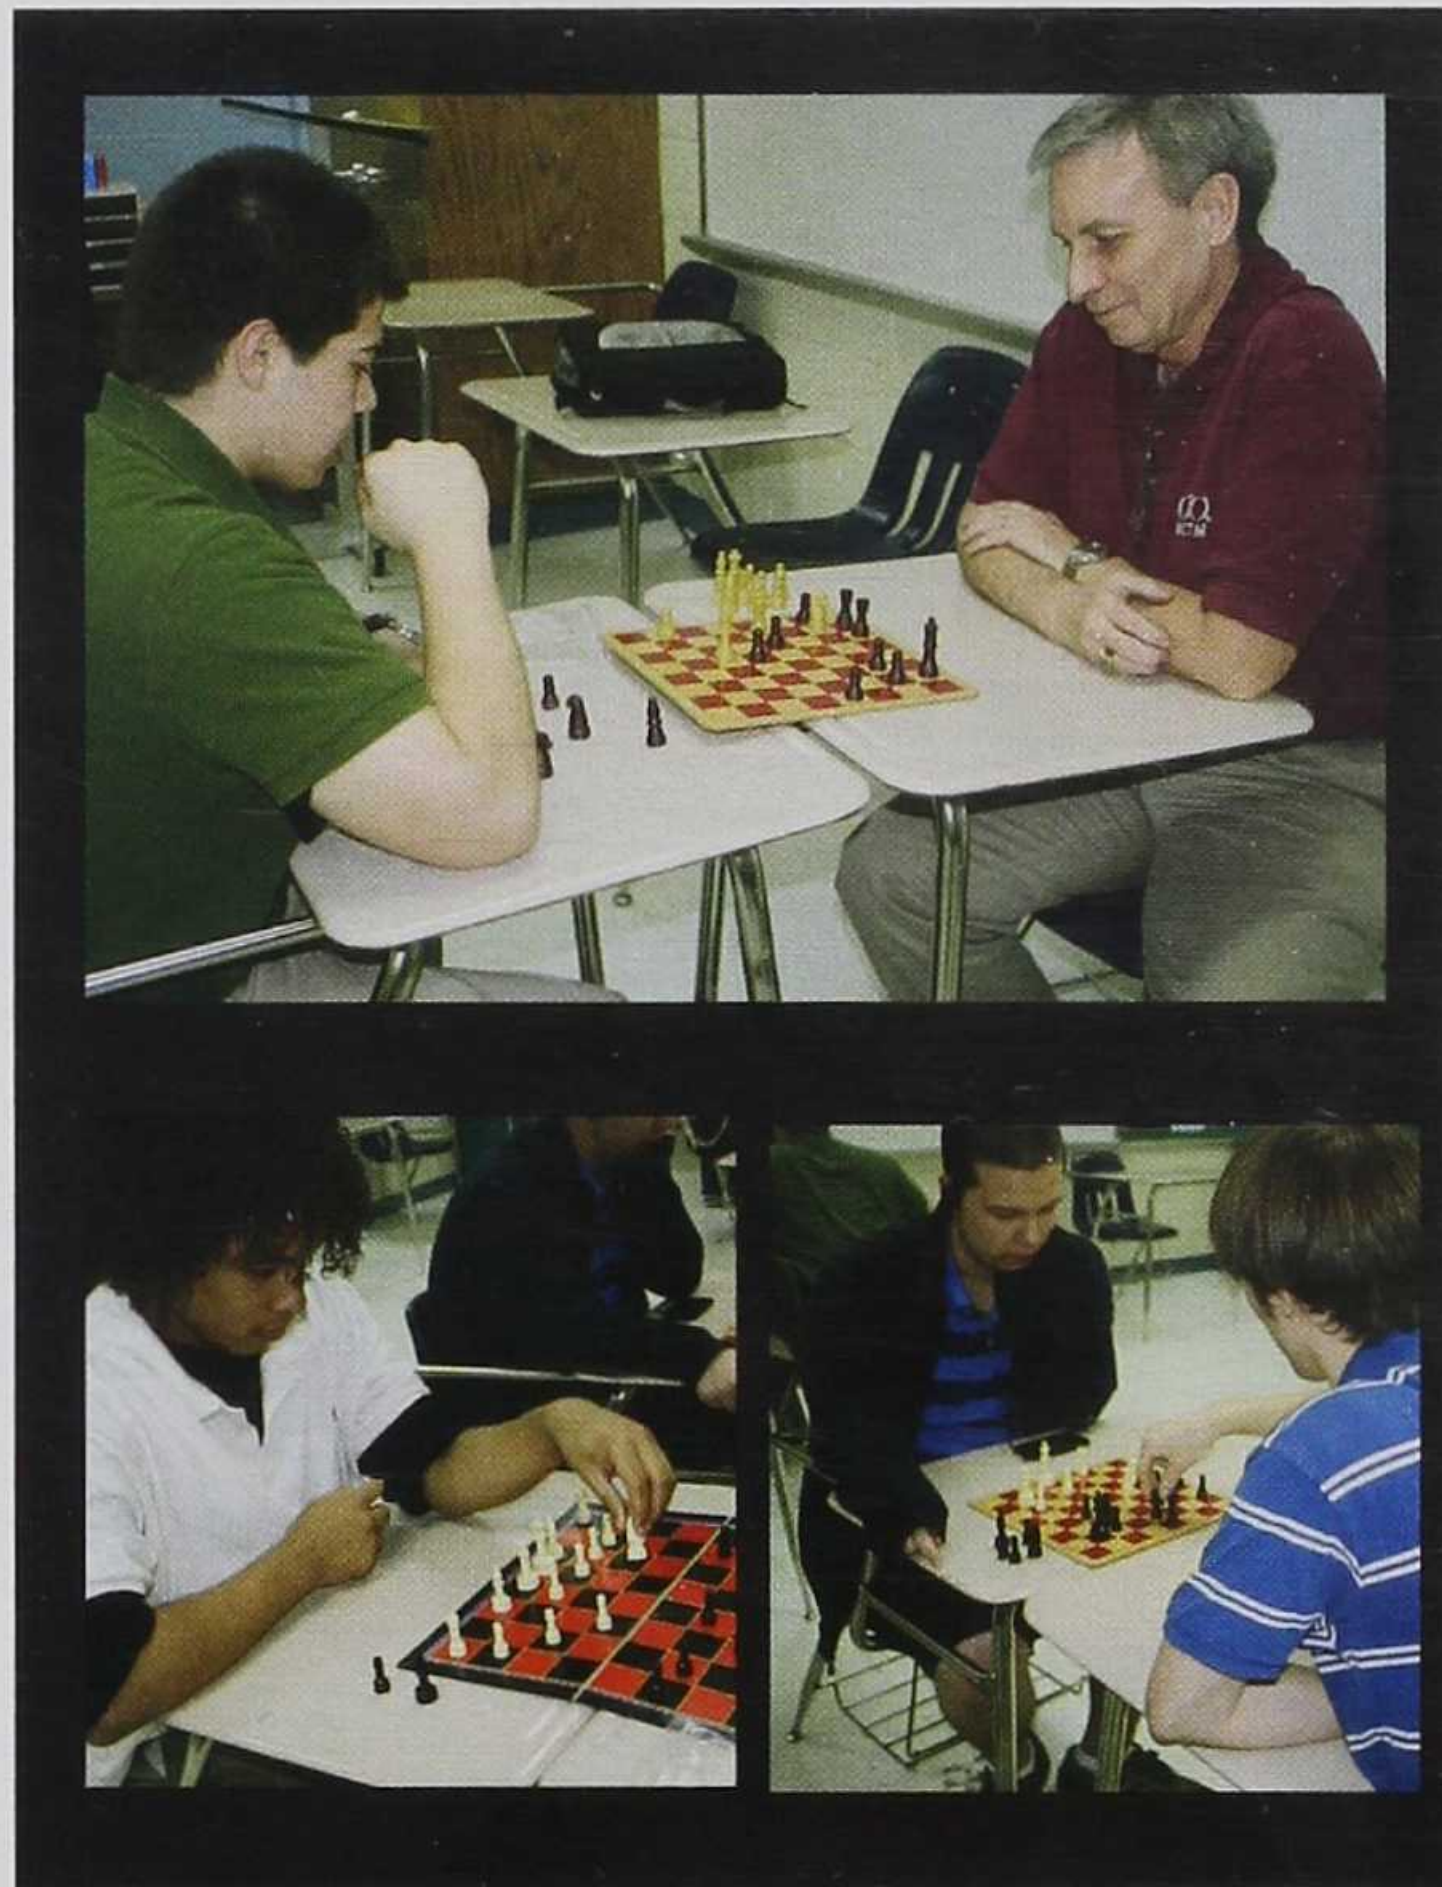

President Gio Macias,
Vice-President Macy Chan, Secretary
Gabby Muñoz,
Treasurer Izzy Erickson, and P.R.
Jeffrey Edwards.

Chess Club

Checkmate!

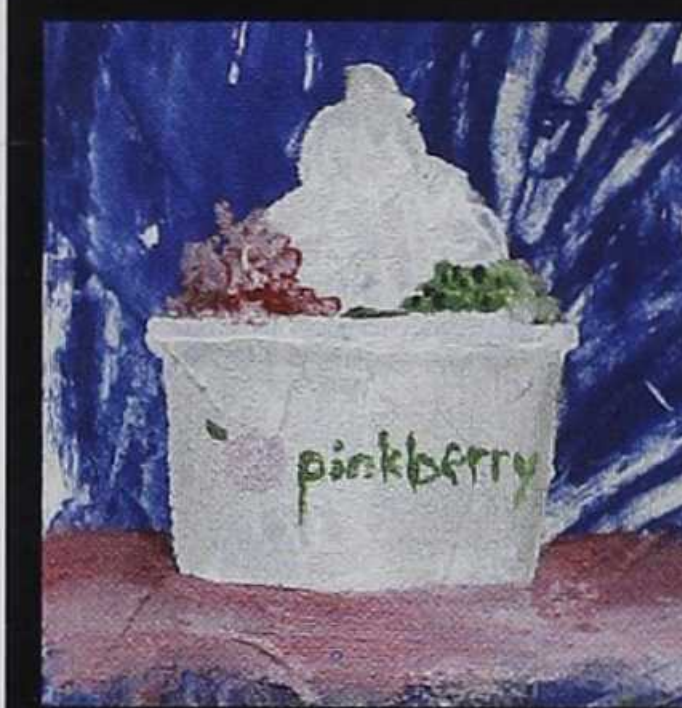

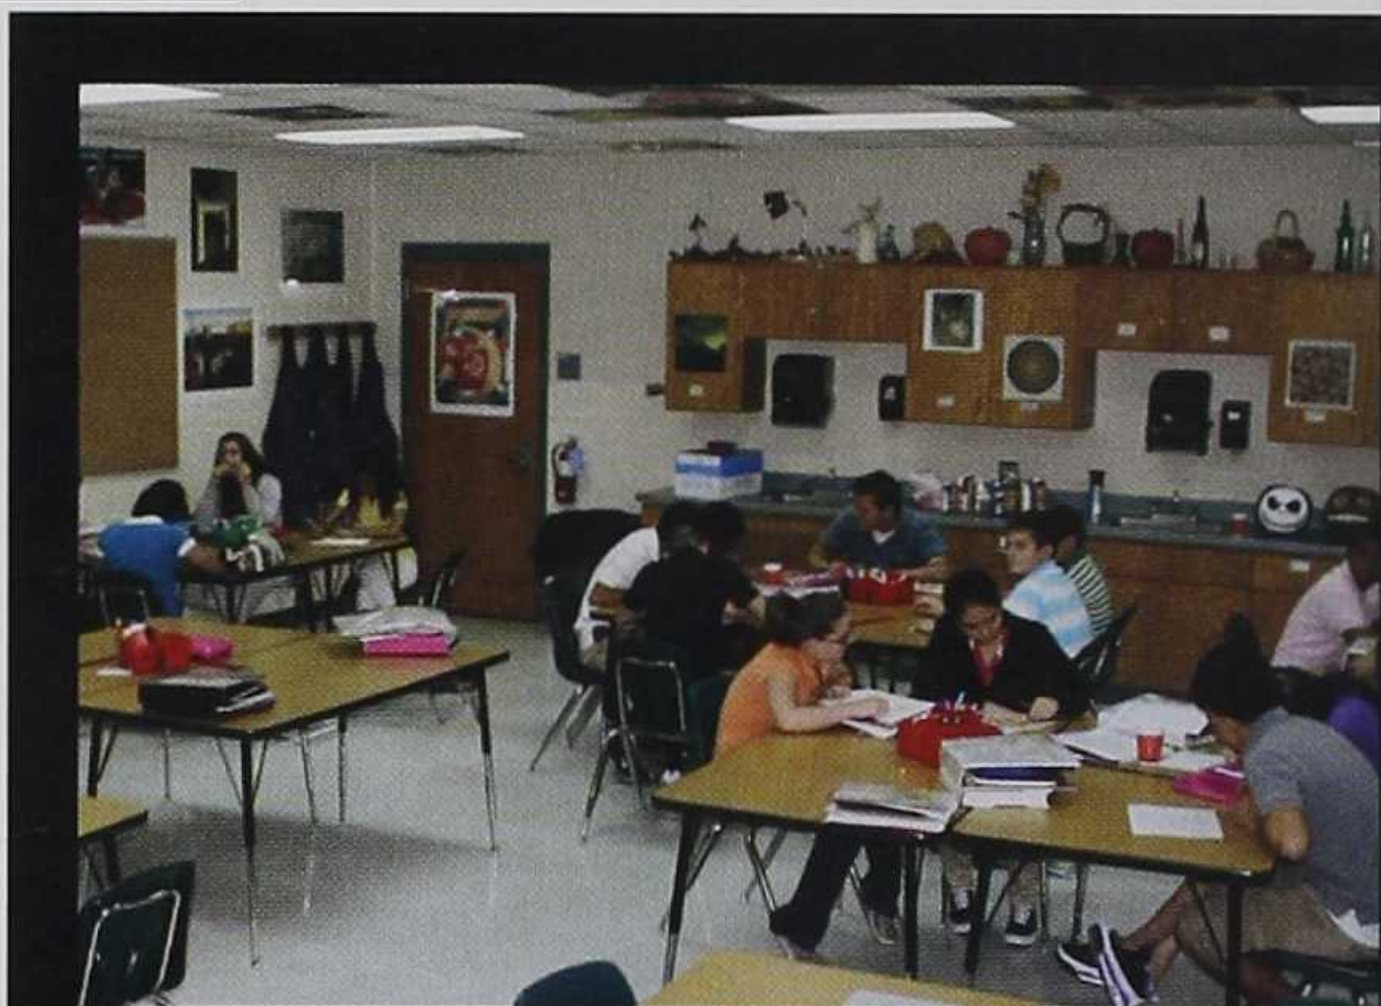

Chess Club is great for students who love a challenge. This is Chess Club's second year at KHS and it's sponsored by Simeon Arnsperger with Hagen Smith and Rachael McManus as President and Vice President. Chess is called the game of kings because for many centuries it was played primarily by the upper class. It's now played by people of all ages all over the world, including KHS!

Art Club

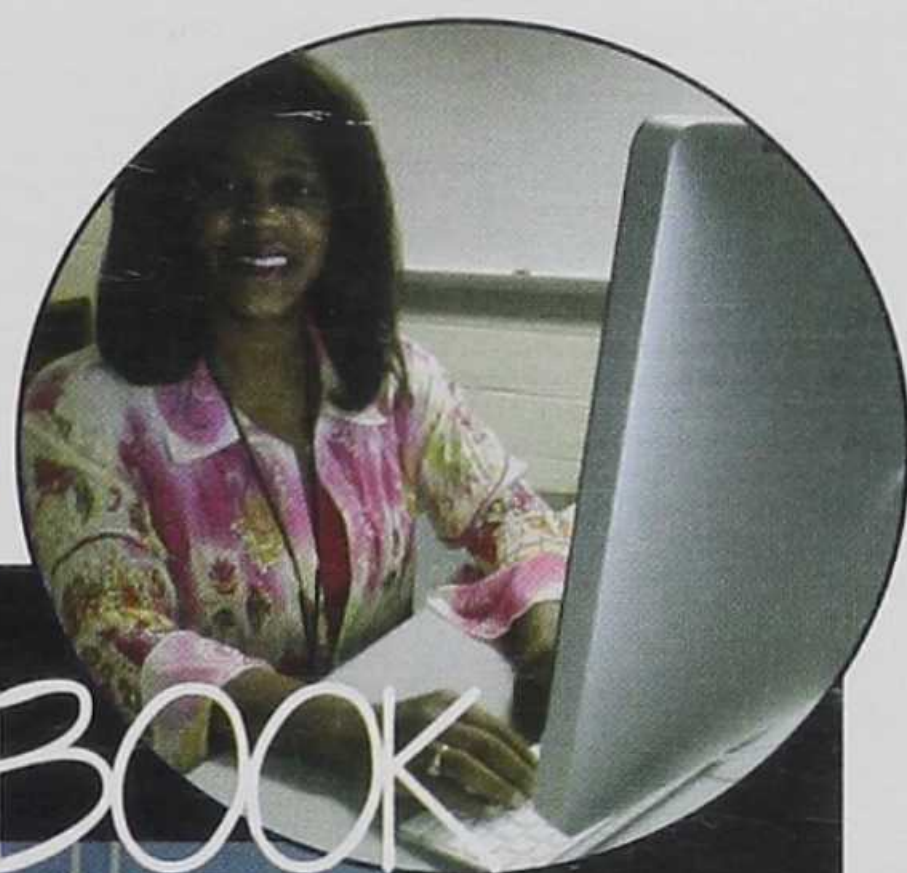

Art's Not A Thing; It's A Way.

Art Club is a group of 30 members who meet together to express their creativity. The club is open to anyone who wants to improve their talent for art. Membership dues cover the Art Club t-shirt and field trip. This year, the Art Club did face painting at Homecoming and helped at Art in the Park. The club is sponsored by Christy Borah.

The 2011 **Wildcat Track Yearbook**, Volume 61, was printed by Balfour | Taylor Publishing in Dallas, Texas. A total of 425 books was included in the press run for a fall 2011 delivery. The yearbooks were sold from \$55 to \$75. For an additional \$6 each, book covers could be personalized with names and logos. The 8.5" x 11" book contains 168 pages and is printed on 100 pound enamel paper.

The **Wildcat Track** was produced digitally using Balfour | Taylor Studio Works and Adobe Photoshop CS5. The standard typestyle was Typewriter for the body, Sundown for main titles and Cheerstyle for subtitles. Typestyle for special pages included Muse Script on the Prom page, Gourmand for Senior portraits and quotes, and Lunchbox for the bookcover title.

Student portraits, athletic team pictures and organization pictures were all taken by Glamourcraft Studios of Fort Worth. Glamourcraft also took photos at Homecoming and Prom. All photographs were digital or scanned originals.
